OJSH MUSTANGS VOLLEYBALL WRAP-UP

Submitted by Wanda Pederson | Onoway Junior Senior High School

After winning the GCAA Championship, the OJSH St. Girls Volleyball team began their

Zone Championship tournament against the Mayerthorpe Tigers on Friday, Nov. 17th. The Tigers were itching for a rematch after losing to the Mustangs in the league final earlier that week but after a long and difficult contest,

the Mustangs were once again able to come out victorious. The round robin successes continued Friday night and Saturday morning with wins over Holy Redeemer and then host St Jo's.

GUNN COMMUNITY HALL DART TOURNAMENT RESULTS

Submitted by Marlaine Janke | Gunn Hall Representative

November 18th started early for the many avid dart players registered into this tournament. People started arriving around 8:15 in the morning for the 9:00 am start. We had 12 teams of 4

being 48 players.

A great job was done by the kitchen volunteers who opened early for breakfast plus they had a variety of delicious food for everyone throughout the day. The bar opened at 10:00 am and the socializing amongst players was enjoyed all day long.

One player from St. Albert,

Tom Weatherly, achieved top score of 180 points and a pin was awarded to him. We also had Trent Snider of St. Albert finishing one of the games on a bulls eye. He was given a bulls eye badge.

OJSH Mustangs Volleyball Wrap-Up

Continued From Page 1

A perfect round robin record earned our girls a bye into the semi-final where, after an eight hour break, they were again matched up against a surging Saint's team. Despite home court advantage and a loud crowd of local support, the Mustangs went on the attack immediately, winning the first set 25-11 and following it up with another convincing win in the 2nd. The final team standing in the way of the Mustangs and their goal of a return

to Provincials was the also unbeaten Devon Wildcats.

The finals proved to be an epic battle. Fans on both sides were deafeningly loud, the players were fired up, and the volleyball was fantastic. There were many lead changes in the first set but Devon took charge at the end to win 25-21. They also took an early lead in the 2nd set and it looked like the Mustangs season could be over. Once again, showing their character, the Mustangs regrouped, refocused, and pushed back to win the 2nd 25-23. In the 3rd set both

teams battled hard. Every point was an epic struggle. The Mustangs took a lead mid way through and then Devon pushed back to get within one right near the end. The gym was defining as the two teams took the court to see the Mustangs score the last point, winning the set 15-13 and finishing off what was possibly the most thrilling match of Coach Lougheed's 13-year career.

The win secured the Sr. Girls Mustangs their second zone championship in two years. It earned them a birth to Provincials again; and it capped off the team's most successful season in recent memory. This year's team went undefeated in the GCAA league, undefeated in zones, and maybe, most impressively, undefeated against 2A Zone teams ALL SEASON.

The Sr. Girls went on to represent our school and zone at the 2A provincials in Fairview, November 23rd- 25th. During the matches, the Mustangs won against Fairview, a set against David Thompson, and were close in a couple of others. All in all, the girls competed well and ended their season seeded among the top 10 teams in the province.

Way to go Mustangs!

40 YEARS OF UNIQUE ANTIQUES

JOKE OF THE WEEK

Lee, A seven-year-old boy, was asked to say thanks for the Christmas dinner. The family members bowed their heads in expectation. Lee began his prayer, thanking God for his Mommy, Daddy, brothers, sister, Grandma, and all his aunts and uncles. Then he began to thank God for the food. He gave thanks for the turkey, the stuffing, the Christmas pudding, even the cranberry sauce. Then Lee paused, and everyone waited ... and waited. After a long silence, the young fellow looked up at his mother and asked, "If I thank God for the Brussels sprouts, won't he know that I'm lying?"

CONGRATULATIONS JUDGE DAWN BOBLIN ON YOUR APPOINTMENT TO THE PROVINCIAL COURT OF BRITISH COLUMBIA

Submitted by Eric Karlzen

Dawn Boblin, daughter of Mike and Ingrid Boblin (Karlzen) formerly from Sangudo, has been appointed to the Provincial Court of British Columbia as a full time Judge. Dawn grew up in the Cos-

mo district North of Sangudo. She graduated from Sangudo High School, attended the University of Alberta before moving to British Columbia to study law.

Judge Dawn Boblin – was sworn in on November 6, 2017 and was assigned to the Fraser Region with

Chambers in Surrey.

Judge Boblin received an LL.B. degree from the University of British Columbia in 1992 and has served as Crown counsel for the Province of B.C. from 1994 to 2002 and again from 2009 to the present with a focus on serious crime files.

During 2002 to 2009, she was with the City of Vancouver, where she provided legal and operational advice to members of the Vancouver Police Department. Boblin has been both a volunteer and director with the PuSh International Performing Arts Festival Society.

PARLIAMENT UPDATE – WEEK OF NOVEMBER 27, 2017

Submitted by Jim Eglinski, MP – Yellowhead

We are now two weeks into the final stretch before the winter break. We covered topics including the budget, national security, de-radi-calization, and distracted driving.

The House of Commons debated the following:

- Bill C-59 – An Act respecting national security matters (Second Reading and Committee Stage)
- Bill C-63 – Budget Implementation Act, 2017, No. 2 (Report Stage)
- Bill C-354 – An Act to amend the Department of Public Works

and Government Services Act (use of wood) (Second Reading)

- Bill C-371 – Prevention of Radicalization through Foreign Funding Act (Second Reading)

- Bill C-373 – Federal Framework on Distracted Driving Act (Second Reading)

- Bill C-378 – An Act to amend the Department of Veterans Affairs Act (fairness principles) (Second Reading)

- Bill S-3 – An Act to amend the Indian Act (elimination of sex-based inequities in registration) (Consideration of Messages between the Senate and the House of

Commons)

You can find all debates in the House on the corresponding day's Hansard on the House Publications page at www.ourcommons.ca/en. Don't forget you can also watch Parliamentary proceeding live on the Cable Public Affairs Channel (CPAC) or at www.epac.ca.

In the Standing Committee on Industry, Science and Technology (INDU), we heard witnesses on broadband connectivity in rural areas. We also heard from the Minister of Science and the Minister of Innovation, Science and Economic Development regarding their re-

quests for more funding in Supplementary Estimates (B). For more information on these meetings, visit the INDU Committee website at www.ourcommons.ca/Committees/en/INDU.

This week, I attended nine meetings and four events, as well as recorded a message. I will be in the riding this weekend to hold a Community Crime Awareness Discussion in Breton on Friday evening and heading back to Ottawa on Sunday. Look for my update next Friday on the happenings of Parliament as the House will continue to sit next week.

FORMER OJSH GRAD RECEIVES COMMUNITY VOLUNTEER AWARD

Submitted by Wanda Pederson | Onoway Junior Senior High School

One of OJSH's former students – Grad Class of 2016 – Kirsten Lendre has won the Volunteer of the Year Award for 2017 from the Stony Plain Chamber of Commerce.

Kirsten's volunteerism started early: at OJSH she was an active member and mentor in the OJSH Fearlessly Girls group. Fearlessly Girls

is an internationally recognized anti-bullying organization that focusses on girls helping girls. Kirsten was also active in our school's Student Leadership group and attended the Alberta Student Leadership Conference for two years.

Kirsten gave – and continues to give – her time and efforts beyond the boundaries of the school community. She volunteered one summer at Rehoboth Christian Ministries working with adults with

various mental and physical disabilities. In the past year, she has been instrumental in founding and planning the first ever Beyond Summit in the local area. Beyond Summit's mandate is to identify problems within the community - but it also aims to create solutions for these problems so that we can generate positive change within our communities.

Kirsten was one of the three finalists for the Volunteer of the Year Award. She had to go to the Stony Plain Chamber of Commerce, present a 30 second video introducing herself and say a few words. Her video was then played at the Chamber of Commerce Awards Gala on November 4, 2017 at the Best Western in Stony Plain. Her video along with the two other finalists for this award were played and then the winner was announced.

When Kirsten's name was announced as the winner, she said: "It was amazing, I couldn't believe it. I was in shock and nervous but it was such an amazing recognition and honour. I am still speechless over it; all I've ever wanted to do is give back to the community for all it's given me."

Congratulations, Kirsten, on your award and for being such a positive role model for young people.

For more about Beyond Summit and the identified issues of concern, please go to www.beyondsummit.ca

GROWTH ALBERTA DIGITAL CONNECTIVITY STUDY REVEALS STRATEGIES & NEXT STEPS CRITICAL TO MEETING RECENT CRTC GUIDELINES – OVER 90% OF REGIONAL COMMUNITIES ARE UNDER CRTC TARGET

Submitted by Troy Grainger, Administrative Office | GROWTH Alberta

BARRHEAD, Alberta, November 09, 2017 – GROWTH Alberta has recently completed a collaborative partnership to provide intelligence as to the

digital connectivity environment in Northern Alberta. In partnership with 4 other Regional Economic Development Alliances (REDA), Community Futures Yellowhead East, Alberta Economic Development & Trade, and the Northern Alberta Development Council, a strategic

overview was compiled looking at the current state, desired state and potential business models on how to achieve connectivity goals. While the full study was completed encompassing all of northern Alberta, specific REDA ecosystems were reviewed, including GROWTH Alberta.

The study found very few communities in the region are at or near the recent CRTC guidelines of 50 Megabits per second (Mb/s) download and 10 Mb/s upload. With “broadband” being considered a basic service for all Canadians and goals of 90% of households meeting the benchmark by 2021 and 100% by 2031. (The full report for GROWTH Alberta can be found at www.growthalberta.com under regional profile and digital connectivity).

Troy Grainger, Executive Director, GROWTH Alberta: “We are currently wrapping up or undertaking nine projects related to economic development. From youth retention, investment readiness, regional promotion, tourism, entrepreneurship, industry attraction, they are all fostered by ability to digitally connect to an educational or global marketplace. Other communities or regions in Alberta that have focused on connectivity have gained a competitive advantage that we want to duplicate in our region. There are so many industries, businesses and even ideas that are prevalent in GROWTH Alberta. We conducted an informal poll in which 97% of respondents stated they need faster internet speeds and 100% acknowledged their businesses, services and delivery models could be improved with increased access and higher connectivity speeds. We have also been in conversation with potential industry investment that consistently asks what connectivity infrastructure is available. Ability to define the current state will drive the next steps as funding becomes available to improve and even establish connectivity to rural and rural remote areas. This is not an overnight build, it can take years and strategic partnerships are pivotal to make business models work and GROWTH Alberta hopes to act as a leading catalyst in that endeavor.”

TOWN OF MAYERTHORPE FACILITY NEWS

Submitted by Town of Mayerthorpe

Mayerthorpe Sports Grounds Club

“Upgrading our community facilities is important to our citizens, it’s important to me and to our government”. MLA O’Neil Carlier was pleased to present to Terry Bussche and his son, representing the Mayerthorpe Sports Grounds Club, a cheque for \$23,860. Mayerthorpe Sportsgrounds Society improved the sports grounds with two new graveled parking lots (1 parking lot by Agricultural facilities and 1 parking lot by Ball Diamond 3/ Dog Park/Gymkhana Grounds) and also improved the drainage. These improvements were made possible with funding through the provincial Community Initiatives Program with matching funding provided by the Town.

Mayerthorpe Aquatic Centre
 Many families in Mayerthorpe and area benefit from the services offered by the Mayerthorpe Aquatic Centre which is operated by the Town. “I appreciate the work of Mayerthorpe and Area Aquatic and Recreation Society (MAARS) in raising funds for the centre”. MLA O’Neil Carlier was pleased to hand to Tammy McKeever a cheque for \$41,150 for site re-development to add the Splash Pad. Projects such as this make a huge difference in our families’ lives. These funds have gone towards helping make the Splash Pad possible. This improvement was made possible with funding through the Community Facility Enhancement Program with matching funding provided by Mayerthorpe and Area Aquatic and Recreation Society.

Mayerthorpe Curling Club
 The Mayerthorpe Curling Club has recently completed some great upgrades to their facility. Including upgrade of Kitchen, Bathrooms, Paint, New Flooring, Cell Phone Booster, and Wireless Wi-Fi. The improvements were made possible with funding through the Community Facility Enhancement Program, the clubs fundraising and the Town.

Mayerthorpe Public Library

Mayerthorpe Public Library recently installed new carpet in the children’s area and new windows were installed on the North side. These improvements were funded by the Town.

Water Treatment Plant Upgrades

Mayerthorpe received approval of \$634,000 in matching funds to complete water treatment plant improvements under the Federal/Provincial Canada’s Clean Water and Wastewater

Fund!
 Improvements include newer and bigger distribution pumps to increase water pressure, distribution piping, metering, & valves enhancing water quality, installation of new fire pump to boost water availability during emergencies, new standby generator enabling operation during power outages, new distribution header on piping system, and upgrading of plant heating and ventilation distribution system.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

NOVEMBER 29, 2017

As required by the new Municipal Government Act, Whitecourt Town Council has approved changes to the composition of the Subdivision and Development Appeal Board. Two new public member appointments have been added to the Board. Information on the Board and the application form to become a member is available on www.whitecourt.ca.

Whitecourt participated in the National Communities in Bloom competition this past summer with great success! Our community was awarded 5 blooms (the highest rating) and received special recognition for Rotary Park. The local Communities in Bloom Committee has had the opportunity to review the competition evaluation, and will be using suggestions from the judges to make improvements for the next time we compete. Council appreciates the hard work and contributions of all those that assisted in preparing our community for the 2017 national competition. For information on local Communities in Bloom initiatives, visit www.whitecourt.ca.

Council has added the expansion of the Skate Park to the Sportfield Master Plan. This decision was made following the Youth Advisory Committee's expression of interest to expand the current facility to include a "bowl" feature. Adding this project to the Master Plan will allow Council the opportunity to prioritize the Skate Park expansion in the same context as other recreation expansion projects and upgrades identified for Rotary Park, Graham Acres and the Community Learning Campus. Once costs associated with the expansion are determined, Council will review all identified recreation projects, prioritize them for the community, and add them to Whitecourt's 20 Year Capital Plan.

The Youth Advisory Com-

mittee is hosting Town Hall Meetings in December at both Ecole St. Joseph School and Percy Baxter Middle School. All Council member are invited to the meetings, and the sessions will educate youth about municipal governance.

Whitecourt is applying for funding through the Community and Regional Economic Support (CARES) Program for the Downtown Business Incubator Program. The proposed project

will consist of two components which will support new and existing business development, and stimulate foot traffic in the downtown. The goal of the program is to attract business that will enhance the downtown area and create one-of-a-kind experiences, products and services. Whitecourt anticipates approval of the project early in 2018.

Council has the following meeting schedule for the month of December:

- Policies and Priorities Committee Meeting

Monday, December 11 at 4:00 p.m. in the large boardroom at the Town Office

- Special Meeting of Council (2018 Budget)

Wednesday, December 13 at 5:00 p.m. in Council Chambers at the Forest Interpretive Centre

- Regular Meeting of Council

Monday, December 18 at 7:00 p.m. in Council Chambers at the Forest Interpretive Centre

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

8	9	2	4	1	7	6	3	5
6	3	1	2	5	8	7	9	4
4	5	7	9	3	6	1	2	8
3	2	8	6	7	5	9	4	1
1	4	6	8	2	9	3	5	7
9	7	5	3	4	1	8	6	2
7	6	9	5	8	4	2	1	3
2	8	4	1	9	3	5	7	6
5	1	3	7	6	2	4	8	9

				1	7			5
	3		2	5		7		4
		7		3	6	1		
			6		5			
1	4		8				5	7
		5		4		8	6	2
					4	2		
2	8	4	1					6
5	1						8	9

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

IS IT TIME FOR YOUR MAMMOGRAM? SCREEN TEST IS COMING TO ONOWAY ON DEC 8 & 9 AND TO MAYERTHORPE ON DEC 11 - 15, 2017.

Submitted by Alberta Health Services

Alberta Health Services – Screen Test brings breast cancer screening to women in rural Alberta with its mobile mammography clinics.

Why should I get a screening mammogram?

A screening mammogram is a special X-ray of your breast. Once you're over 50, it is the best way to find breast cancer early. Screening mammograms can help find breast cancer when it is very small, 2-3 years before you or your doctor can feel it. The earlier breast cancer is found the better treatment can be. In fact most women (about 90%) are now surviving breast cancer 5 years after diagnosis.

Who should get a screening mammogram?

Women 50 and over should plan to have a mammogram every 2 years and may self-refer.

Women 40-49 require a referral for their first appointment. There is no cost for this service. For more information visit: www.screeningforlife.ca/screentest.

Here are some common myths and facts about breast cancer screening:

Myth #1: Breast cancer isn't very common.

In fact, 1 in 8 Alberta women will develop breast cancer in their lifetime.

Myth #2: Only women with a family history of breast cancer will get it.

The truth is, 80% of women who develop breast cancer have no family history. So it's important to understand that you are still at risk for breast cancer even if no one in your family has ever had the disease.

Myth #3: Regular mammograms can't detect small tumours any sooner than women could find them themselves.

Screening mammograms de-

tect many small tumours approximately 2-3 years before they can be felt. That's why screening is so important — it can find cancer before it has a chance to become more serious.

Myth #4: Having a mammogram can cause breast cancer or can cause an already existing cancer to spread.

Mammograms require very small doses of radiation. Research confirms that the risk of harm from radiation exposure by mammography is very low. The benefits of the earlier diagnosis and treatment of breast cancer far outweigh the risk of the small dose of radiation received during a mammogram.

Myth #5: There is nothing a woman can do to reduce her risk of developing breast cancer.

There are several things that can be done to reduce the risk of breast cancer:

- Physical Activity – Be physically active throughout

your life and exercise every day.

- Weight – Try to reach or stay at a healthy body weight. This becomes even more important after menopause.

- Alcohol – Limit the amount of alcohol you drink to no more than one drink per day.

- Smoking – Don't smoke and avoid second-hand smoke. If you're currently a smoker, talk to your healthcare provider about options for quitting or cutting back. You can also get support at AlbertaQuits.ca or call 1-866-710-QUIT.

- Long-term Hormone Replacement Therapies (HRT) – Limit using the combination of estrogen and progestin menopausal hormone replacement therapy to no more than 5 years; long-term use (beyond 5 years) increases a woman's risk of breast cancer. But within 2 years of stopping, a woman's risk of breast cancer returns to average.
