WILDWOOD SENIORS' 50TH ANNIVERSARY (1967 - 2017)

Submitted by Esther Johnston on behalf of the Wildwood Senior Citizens Club

What a ride! Fifty years have flown by since October 25, 1967; the day of Incorporation for the Wildwood Senior Citizens Club. Thank you to the dedicated people giving time and effort to guarantee the continuation of knowledge, service and social amenities for seniors and students in the community. Congratulations to everyone selflessly giving back to residents of yesterday, today and tomorrow!

A group of people gathered in the Wildwood Community Hall on October 28, 2017. Dignitaries from the various levels of government, federal, provincial and municipal, participated in the celebration with this affiliation. Many reviewed the photo albums, put together by Connie Gatzke, to honour the members, functions and events over

the years. Charlotte Winters welcomed everyone who came to share in the afternoon event outlining the service provided to seniors and community. She introduced Margaret (Jean) Riehl, President of the Seniors' Club. Jean gave an historical overview then turned the festivities back to Charlotte.

Charlotte introduced Anna Hutchison, Vice President of the Seniors, who was nominated for the Seniors Minister Award this year. Jean presented her with flowers as a token of appreciation.

Presentations were made by MP Jim Eglinski, MLA Oneil Carlier, Yellowhead County Mayor Gerald Soroka, President Margaret (Jean) Riehl and Toni Yurkovich, Seba Beach Seniors. Plaques and certificates were presented to Jean for the seniors to commemorate this distinguished milestone and to Anna for her nomination for the Seniors' Minister Award. Jean

was presented with a Canada 150 pin, which is a limited number pin made from copper from the roof of parliament, for taking on the leadership role supporting the organization.

Charlotte thanked Yellowhead County for the grant to cost-share this function and to the Royal Bank of Canada, with a donation on behalf of its staff volunteerism by Charlotte Winters. The donation was utilized to purchase the new sign over the entrance to the Wildwood Senior Citizens Centre. She introduced the current Executive, the previous Executive members who were attending today's celebration, and all members who have volunteered hours and time. Opal C. Buckland, previous President and Rose Quast, previous Treasurer, were asked to cut the cake. Opal and Rose deserved the recognition for many years on the Executive.

YELLOWHEAD 911 ACCEPTING EMERGENCY TEXT MESSAGES

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

(November 29, 2017) – Yellowhead Regional Emergency Communication Centre (YRECC) incorporates a T911 feature, which allows persons who are deaf, deafened, hard-of-hearing or speech impaired (DHHSI)

to use their mobile phones for emergency text communication.

The service is meant for DHHSI persons, though it is available to all family and friends of DHHSI persons, who are also encouraged to register for T911 to keep emergency services accessible. This service will not work without prior registration with your carrier.

Before using this service, you must register for T911 through your wireless carrier and ensure that your device is compatible with the service. Users of T911 still must dial 9-1-1 to reach an operator; however, after dialing through, their mobile device will then prompt messages via text. Keep in mind that the service is still limited by the range of your network, and does require a messaging plan to work.

For more information please visit www.textwith911.ca.

JOKE OF THE WEEK

Lee, A seven-year-old boy, was asked to say thanks for the Christmas dinner. The family members bowed their heads in expectation. Lee began his prayer, thanking God for his Mommy, Daddy, brothers, sister, Grandma, and all his aunts and uncles. Then he began to thank God for the food. He gave thanks for the turkey, the stuffing, the Christmas pudding, even the cranberry sauce. Then lee paused, and everyone waited ... and waited. After a long silence, the young fellow looked up at his mother and asked, "If I thank God for the Brussels sprouts, won't he know that I'm lying?"

RCMP REMIND PUBLIC OF PASSING EMERGENCY VEHICLES PROCEDURES

Submitted by RCMP Grande Prairie Detachment

Grande Prairie and Beaverlodge, Alberta – On November 23, 2017, Beaverlodge RCMP were called to assist with directing traffic while a vehicle was being removed from the ditch on highway 43 near Demmitt Alberta.

At approximately 9:30 PM a motorist approached the scene but

failed to observe the emergency lights, attempted to go around the police vehicle thus striking the rear driver side corner of the police vehicle. Both the police vehicle and the offending vehicle sustained damages. None of the parties involved suffered any injuries.

The 30-year-old female driver from Dawson Creek will be facing charges of Careless Driving.

When driving, incidents may

cause the lanes of the roadway to be blocked or narrowed. Some examples of this are traffic collisions, disabled vehicles, spilled cargo, and highway maintenance or construction.

The RCMP would like to remind motorist that flashing lights from emergency vehicles will warn you of a problem ahead. Reduce speed, carefully change lanes if necessary and be prepared to stop. Follow di-

rections given by emergency personnel directing traffic. Be aware that the vehicle ahead of you may stop or reduce speed unexpectedly to view the scene.

Not only is it common sense to slow down past emergency vehicles, it's also the law.

Fines are double in Alberta if you speed past stopped police vehicles, ambulances, fire and tow trucks with their lights flashing.

Testimonials

"Thank you for working on my horses at the CBHI 2016. They all benefited and were feeling great. The treatment I had myself was so amazing and beneficial. I was experiencing vertigo and feeling nauseous within a half an hour I was feeling so much better and my weekend was great. I did not feel tired and felt very energized. I did have a headache for a short time, a little ache in my shoulder area but that all was very short lived and did not interfere with my day. I really liked my treatment and as a massage therapist would highly recommend this treatment. Thank you Shirley." -Tanya Likes

"I have had BRUTAL sciatica and neck pain for years...chiropractic manages it for brief periods of time...I had one hour long treatment by Shirley Mazeppa and can honestly say I had no pain for weeks after!!!! "I am in disbelief, Shirley Mazeppa brought her PEMF machine to Thorsby where I was competing in a horse event. I have arthritis in both my knees and I was really feeling the hurting today. Shirley hooked me up for 40 minutes on Saturday afternoon, it's now Monday evening and I am still PAIN FREE, my knees feel great. I'll be making a trip to Shirley's next time I start feeling that pain, I won't try to handle it again. Thanks so much Shirley" -Debra Rowney
