POLICE VEHICLE RAMMED

Submitted by Stony Plain / Spruce Grove / Enoch RCMP

Stony Plain, Alberta – On January 1, 2018 the RCMP arrested one adult female who rammed a police vehicle, then engaged the RCMP in a pursuit.

At 2:45 a.m., an RCMP member in a fully marked police truck was transporting a prisoner from the Paul Band First Nations to the Stony Plain RCMP Detachment. Near Highway 16 at Range Road 35, a vehicle purposefully rammed the police truck. The suspect made continued attempts

to ram the police truck which caused the RCMP member to take evasive driving action.

Additional RCMP members responded to assist and located the suspect vehicle. A pursuit was initiated which eventually ended when the suspect vehicle stopped and one female was safely arrested and taken into custody without further incident.

It was later determined that the vehicle had been stolen.

28-year-old Renee House is now facing nine criminal code charges as a result of this incident. Charges include Assault

police officer with a weapon, dangerous operation of a motor vehicle, operation of a motor vehicle while being pursued by police, failing to comply with a condition of an undertaking, and others.

House was remanded in police custody and is scheduled to appear in Provincial Court on January 24, 2018.

The RCMP can confirm that the accused and the prisoner in the police vehicle were associated.

Further information will not be provided on this incident; the charges are before the courts.

STEP 2018 HELPS EMPLOYERS HIRE STUDENTS

Submitted by Matt Dykstra, Press Secretary, Labour | Government of Alberta

Alberta students will get a leg up in their careers through the Summer Temporary Employment Program (STEP).

The province's economy is improving and the government wants to make sure all Albertans benefit from the recovery, including students and employers. STEP gives students the opportunity to develop important skills while helping employers hire the staff they need.

Applications are now being accepted for STEP from employers who want to hire students for summer work between May and August. Eligible employers will

get a \$7-per-hour wage subsidy.

"STEP has been a valuable program for students interested in gaining unique, first-hand work experience, and it helps employers hire knowledgeable, enthusiastic summer staff. As our economy is looking up, we want to continue helping students and employers alike. I encourage employers to apply and support our future generation of bright Albertans." - Christina Gray, Minister of Labour

Last summer, STEP helped about 3,000 students connect to valuable work experience with almost 1,400 employers across the province in a wide range of fields such as tourism, research, information technology, marketing and customer service.

More than 5,700 students have gained jobs through STEP since the program was restored in 2015 after being cut in March 2013 by the previous government.

STEP is available to small businesses, non-profit organizations, public libraries, school boards, publicly funded post-secondary institutions, municipalities, First Nations and Métis settlements.

STEP 2018 has a budget of \$10 million. Employers interested in hiring a student for 2018 are encouraged to apply as soon as possible. Albertans can learn more about the program and the application process at AlbertaCanada.com/STEP.

Application forms are available online and must be submitted before the Feb. 9, 2018 deadline.

SINGERS INVITED TO JOIN POPULAR COMMUNITY CHOIR!

Submitted by Eunice Woronuk, President | Lac Ste. Anne Community Choir

Lac Ste. Anne Community Choir invites local singers to join the next musical season, beginning Wednesday, January 10. If you love to sing, whether you've ever been part of a choir or not, you're invited to join!

One member said it best. "Love it, love it. Scared every new season but enjoy the music so much. How can I keep from singing?" Another was just as enthusiastic: "It has been really fun and ex-

citing for me to be a part of and has really paved the way for more community engagement and 'getting to know your neighbours', which is awesome. And the singing is great too."

Whatever your reasons, the Lac Ste. Anne Community Choir has become a valued part of this community – and others further away. Members come from as far away as Edmonton, Wabamun, Sandy Beach, Sangudo and Stony Plain. They all feel taking part is worth the drive!

Director Debbie Rosen chooses a wide variety of musical types that challenge choir members to continually improve. Each person is provided with a CD of his or her own part to reinforce the weekly rehearsals. If a new member isn't sure which part is best, she helps find the best fit. Accompanist RJ Chambers, a professional musician too, uses his experience to complement Debbie's direction.

One member said it best. "It is a wonderful program that helps to

build community and friendships. It is a terrific program for adults that gives them the opportunity to express themselves musically while learning about music. I love this program and am very glad I joined the Lac Ste Anne Community Choir!"

The next season of the Lac Ste. Anne Community Choir begins Wednesday, January 10. Registration begins at 6:15 p.m. at the Heritage Centre in Alberta Beach (5012 – 49 Avenue). At 7 p.m., the first practice begins. All rehearsals are Wednesdays from 7 – 9 p.m., preparing for May concerts.

Can't make, or missed the first rehearsal? New members are accepted until the end of January. If you aren't sure it's a good fit, try the choir for two consecutive weeks with no obligation.

Membership is just \$70 per session, with a discount for multiple family members.

Questions? Call Eunice at 780-892-3159 or Deb at 780-497-0531.

JOKE OF THE WEEK

'Twas the month after Christmas, and all through the house nothing would fit me, not even a blouse. The cookies I'd nibbled, the eggnog I'd taste. At the holiday parties had gone to my waist. When I got on the scales there arose such a number! When I walked to the store (less a walk than a lumber), I'd remember the marvellous meals I'd prepared: The gravies and sauces and beef nicely roared, The wine and the rum balls, the bread and the cheese And the way I'd never said, 'No thank you, please.' As I dressed myself in my husband's old shirt And prepared once again to do battle with dirt - I said to myself, as I only can 'You can't spend a winter disguised as a man!' So - away with the last of the sour cream dip, Get rid of the fruit cake, every cracker and chip Every last bit of food that I like must be banished Till all the additional ounces have vanished. I won't have a cookie - not even a lick, I'll want only to chew on a long celery stick, I won't have hot biscuits, or corn bread, or pie, I'll munch on a carrot and quietly cry, I'm hungry, I'm lonesome, and life is a bore. But isn't that what January is for? Unable to giggle, no longer a riot. Happy New Year to all and to all a good diet!

YOUR DIGITAL AND ALL-CERAMIC SPECIALISTS

Cera-Tech 3D Dental Lab is the only dental laboratory in the Spruce Grove/Stony Plain Area. We mainly offer services to local dentists and denturists. We specialize in the fabrication of crowns, bridges, veneers and implant cases. These services are provided directly to your dentist by prescription. We also offer denture repairs, custom sport guards, night guards, bleaching trays and teeth whitening. Most of these services will be provided directly to the public by our provincially licensed staff.

Did you know that you are able to request which lab you would like your crowns, bridges and other dental prostheses to be made at. If you know a laboratory that does great quality craftsmanship, uses approved materials and cares about the fine details like Cera-Tech, you are welcome to request us to your dentist.

The advantages to this local lab include custom shade matching to your existing teeth, faster completion times, the latest digital technology and high quality materials ensuring the best results for your oral health and individual smile. We are able to digitally analyze your case on

a specialized computer to make sure you get the best fit and most natural look for your crowns. Your case is completed and customized by hand using specific porcelains and characteristics for your individual mouth.

Our owner has more than 20 years of experience including instructing at Nait as well as serving on the provincial College of Dental Technologists. We have two other team members which gives us over 35 years of combined

experience. Our goal is to provide you with quality prosthetics- using skilled registered technologists, state of the art equipment and the most advanced technologies and materials in order to provide the best quality products and care.

The next time you need a crown or other dental services please recommend us to your dentist or give us a call.

WILDWOOD AG SOCIETY NEWS UPDATE

Submitted by Carol Riehl, Secretary | Wildwood and District Ag Society

HAPPY NEW YEAR!!!!!! My that cold weather really brought 2018 in with a blast – a blast of frigid air!!! Well because of that cold snap, we are certainly enjoying this balmy weather we are having now. Hope the flu bug didn't come to your house but I hope Santa did. That jolly old fellow is always a welcome guest. Speaking of welcome—you are always welcome to come to our meetings which are the second Wednesday of each month at 7:00 p.m. at the Wildwood Complex. The next meeting is January 10, 2017. Hope to see you there.

The society is getting really excited about the upcoming fair—we are always excited but now that it is happening this year again, we are REALLY excited. Talk to us; tell us what you like (oh- and don't like) about the fair. I know there is nothing you don't like but maybe there is a small change we could do that would make things even better. We are always open to suggestions and if it is feasible we will consider it. These are the people who make up the board for our society—President, Wilma Swinkels; VicePresident, Barry Fahrion; Treasurer, Georgina Caves; Secretary, Carol Riehl; Fair Coordinator, Wilma Swinkels; and Assistant fair coordinator, Lane Roga. Directors are Gwen Brodersen, John Mochniuk, Sylvia Martinetz, Connie Fahrion, Donna Powell, Carl Leakvold, Marc Steinbusch and Tom Whaling. Feel free to talk to any one of us.

We hosted the Wildwood Seniors Christmas dinner with approximately 100 people in attendance. Thank you to all who helped and to all the organizations who had stand-by volunteers ready to help if we needed them. The organization who help with funding for this event are the Wildwood Hotel, Wildwood BroncBustin', Wildwood Community Association, Ravine Community Association, Wildwood Catholics Womens League, Wildwood Chapel, Wildwood Ladies Aid and the

Wildwood and District Ag Society. Without their generosity this event would not happen!

The north side of the Quonset has been repaired plus some of the other buildings have gotten a bit of a face lift and we hope

to build a new pole shed before the fair. Face lifts are always an added bonus or so they say. I'm afraid to try one lol. Who am I kidding, I can't afford one. With the monies earned from volunteering at the casino and gov-

ernment grants, the society can afford to do this. Thank you to those of you who take a chance at the game of chance. Until next time, enjoy every day and remember SPRING IS COMING SOON.

LAC STE. ANNE RECEIVES FEDERAL INFRASTRUCTURE FUNDING

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of funding for Lac Ste. Anne County through Infrastructure Canada's Municipal Asset Management Program (MAMP).

The MAMP helps Canadian municipalities make informed decisions on infrastructure investment

based on sound asset management practices.

Lac Ste. Anne County, which partially resides in the north of MP Eglinski's riding of Yellowhead, will receive \$50,000 for the Lac Ste. Anne County Asset Management Program.

"It is always great to see local municipalities successful in their applications for essential infrastructure funding from the federal government. This funding invest-

ment will help inform Lac Ste. Anne County when making infrastructure investment decisions," stated MP Eglinski.

The funding is part of a government announcement for funding to 72 initiatives in communities across Canada through three programs: the Municipalities for Climate Innovation Program (MCIP), the Green Municipal Fund (GMF), and the MAMP.

The Municipalities for Climate

Innovation Program is a five-year, \$75-million program designed to encourage Canadian municipalities to better prepare for and adapt to the new realities of climate change as well as reduce greenhouse gas emissions.

The Green Municipal Fund is a \$550-million program designed to support initiatives that demonstrate innovative solutions or approaches to a municipal environmental issue, and can generate new lessons and models for municipalities of all sizes and types in all regions of Canada.

"I encourage local municipalities to apply to all funding opportunities available to them. This guarantees they have access to every resource possible for their communities," concluded MP Eglinski.

More information on the announcement, as well as a list of the 72 recipients, can be found at: www.canada.ca/en/office-infrastructure/news/2017/12/municipalities_toreceivefundingfor72infrastructureinitiativesacr.html
