more.

CANADA SUMMER JOBS 2018 NOW OPEN

Submitted by **Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, is encouraging organizations in his riding to apply for the 2018 Canada Summer Jobs (CSJ) Program. This unique funding initiative helps employers create summer job opportunities for students between the ages of 15 and 30. The application process starts December 19, 2017.

CSJ provides funding for not-for-profit organizations, public-sector employers and small

businesses with 50 or fewer employees. Not-for-profit organizations can receive up to 100 percent of the provincial/territorial minimum hourly wage, as well as employment-related costs. Public-sector employers and small businesses can receive up to 50 percent of the provincial/territorial minimum hourly wage.

Employers are invited to submit applications that complement this year's national priorities:

- Employers who intend to hire youth who are in underrepresented groups, including new immigrant youth/refugees, Indigenous youth, youth with disabilities and visible minorities;
- Small businesses, in recognition of their contribution to the creation of jobs;
- Organizations that support opportunities for official language minority communities;
- Organizations that provide services and/or supports the LGBTQ2 community; and

• Organizations that provide opportunities in Science, Technology, Engineering and Mathematics (STEM) and Information and Communications Technology (ICT), particularly for women.

"Canada Summer Jobs helps employers create summer job opportunities for students in their communities," said Eglinski. "It is designed to focus on local priorities, while achieving tangible results for both students and our communities."

"This is a worthwhile investment into our local businesses, as well as our students and I know it will benefit many," concluded MP Eglinski.

The application period for employers will run from December 19, 2017 to February 2, 2018, which will allow for students to be hired beginning in April 2018. Applications will be available at Service Canada Centres and online at www.canada.ca/canada-summer-jobs

JOKE OF THE WEEK

My husband and I purchased an old home in Northern New York State from two elderly sisters. Winter was fast approaching and I was concerned about the house's lack of insulation. "If they could live here all those years, so can we!" my husband confidently declared. One November night the temperature plunged to below zero, and we woke up to find interior walls covered with frost. My husband called the sisters to ask how they had kept the house warm. After a rather brief conversation, he hung up. "For the past 30 years," he muttered, "they've gone to Florida for the winter."

LOBSTICK 4H BEEF CLUB IN FULL SWING

Submitted by Wendy Bahrynowski | Lobstick 4H Beef Club

This year's 4H season is in full swing. October was our first meeting of the year, we lost a few old members and acquired a few new ones.

November was an exciting time for our club, we had our weigh in day at the Blahuns, it was fun to see all the members project calves and to start the feeding program.

December was a busy month with quite a number of activities, we started the month with our annual Santa's Anonymous food drive for the WEE food bank. Thanks to the generosity of the residents of Evansburg and Entwistle we managed to help restock the food bank shelves. A special thanks to Evansburg Family Foods, Evansburg Clothing and the Tipple Park Super A for the donation of the grocery bags.

We also did some tire recycling in Dec, our members worked

very hard loading and delivering a large amount of tires for recycling. If anyone in the area has a pile of tires they are wanting to get rid of please contact either Jackie 780 542 8888 or Brent 780 898 0659.

Later in the month we had a great time at our Christmas party, which was swimming at the Tri Leisure, supper at Boston Pizza and fun little gift exchange. Big thank you to Councilor Tracy Melnyk for donating the swimming passes.

To finish off 2017, leader Brent

Laackman hosted a halter breaking seminar at their farm. Members learned tips and techniques for tying up their steers and getting them started on leading.

Some upcoming activities for 2018 are public speaking, halter making and the mini show in the spring. Any businesses wishing to partner with us and sponsor any of our upcoming events would be welcomed and appreciated. For more info on this opportunity please contact Jackie 780 542 8888.

FREE ADMISSION TO PARKS FOR CHILDREN AND YOUTH STARTING IN 2018

Submitted by **Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of a recent announcement by Parks Canada. Beginning in 2018, admission for youth 17 and under will be free for all national parks, historic sites, and marine conservation areas.

In celebration of Canada's 150th anniversary, the federal government offered free admission for everyone visiting national parks in 2017. Starting in 2018, admission fees will return, but only for visitors over 18 years of age. The change is intended to encourage Canadian families and their children, youth, and school groups to experience the outdoors and learn more about our environment and history.

Fees for campsites and other amenities offered by Parks Canada are not included in the exemption.

"By making our national parks more accessible to our youth and families, they will have more opportunities to learn about the environment and how to protect it for future generations," stated MP Eglinski. "Our youth can also see first-hand the local issues facing Jasper National Park, such as the ongoing pine beetle infestation, as well as gain an appreciation for the outdoors through activities such as hiking at Edith Cavell or skiing at Marmot Basin".

When the federal government announced free admission in 2017, many constituents in Yellowhead expressed concern over the impact that an increase in visitors could have on the Parks. With the government now permanently waiving fees for children and youth, the same concern remains.

"It is up to Parks Canada to man-

age and maintain the quality of the parks. Even with a record number of visitors in 2017, the impact by these visitors on the ecological in-

tegrity of Jasper National Park was minimal," concluded MP Eglinski.

The 2018 Parks Canada Discovery Pass is now on sale. For

information on purchasing the 2018 Parks Canada Discovery Pass, please visit Parks Canada's website.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

5	9	6		3	2	8	1	7
7						3	2	
	1			5			9	6

6		1		2		5		
4	5		6	7				
				8		1		3
