HAZARDOUS DRIVING RESULTS IN INJURIES AND DAMAGE TO COUNTY FIRE TRUCK

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

A Yellowhead County fire truck was hit by a passenger vehicle on Highway 16 resulting in injury to the driver of the motor vehicle.

At approximately 3:00 PM on Thursday, January 25, 2018, Yellowhead County Emergency Services responded to calls

of several vehicles that had lost control approximately 5 kilometres east of Edson due to extreme weather conditions.

Yellowhead County firefighters and other emergency responders were on the highway assisting with numerous vehicle incidents caused by dangerous road conditions. Responders became aware of an out-of-control vehicle which struck a semi-truck, flipped onto its side and

continued to travel overturned at full highway speed before hitting the rear of one of the County fire trucks.

A quick thinking Yellowhead County firefighter managed to reduce the impact of the collision by accelerating the fire tanker.

GREAT WAR EXHIBIT GALA

Submitted by Melissa Killion | Tipple Park Museum

Our Great War Gala was a huge success. Thank you to everyone who came out and supported our new Exhibit. We would also like to thank both the Evansburg and Wildwood Legion for coming out, donating artifacts and giving a speech.

The Great War plays a huge part in our local community. Our community is based on Vets and their service for our Country. Our Exhibit is based on the local community. When you visit, you will find pictures of local WWI vets along with artifacts donated by the Legion and local community.

The kids had a blast dressing up like soldiers, and making

doves. A huge thank you to our volunteers that assisted with the kids' craft. The children walked away knowing what peace stands for along with some WWI history.

Guests had the opportunity to listen to speeches, mingle amongst the community and had a first-hand view of our Great War Exhibit. Lots of positive feedback was received. It's always a pleasure witnessing our local community come together and take pride in our War History.

Once again, thank you to all who came out and supported our Gala. The Great War Exhibit is open to the public till the end of March, Wednesday to Saturday 10-5.

Hazardous Driving Results in Injuries and Damage to

County Fire Truck

Continued from Page 1

Although the vehicle that hit the semi and fire truck was severely damaged and its driver was injured, the training of the Yellowhead County firefighter and her quick reaction likely prevented a loss of life in this incident.

At the first sign of road conditions that may affect normal driving, drivers are reminded to slow down and drive cautiously. When there is an accident and first-responders and other emergency crews are on scene, it is even more critical that drivers drastically reduce speed if needed and follow the directions of first-responders and road crews.

Not driving according to changing road conditions can lead to vehicle and property damage, and injury or fatality to first-responders and all others on the road.

JOKE OF THE WEEK

A blonde driving a car became lost in a snowstorm. She didn't panic however, because she remembered what her dad had once told her, "If you ever get stuck in a snowstorm, just wait for a snow plow to come by and follow it." Sure enough, pretty soon a snow plow came by, and she started to follow it. She followed the plow for about forty-five minutes. Finally the driver of the truck got out and asked her what she was doing. And she explained that her dad had told her if she ever got stuck in a snow storm, to follow a plow. The driver nodded and said, "Well, I'm done with the Wal-Mart parking lot, do you want to follow me over to Best Buy now?"

RCMP Historical Homicide Unit Investigating Deaths Of Three Women

Continued from Page 1

The three cases, although not believed to be related, span a period of approximately 30 years; from 1983 to 2013. The victims in each case are women who vary in age from 16-years-old to 70 years-old and none of them have been found to date. All three cases remain unsolved, but it is the belief of S/Sgt. Jason Zazulak, who heads up the "K" Division HHU, as well as of the investigators who comprise the unit, that each case can and will be solved.

The first case is that of Shelly Ann Bacsu who was 16 years of age when she was reported missing to Hinton RCMP on May 3, 1983 after she failed to return home from a friend's residence in Hinton; a walk of seven kilometres which she had done many times before. Family members became concerned when Shelly Ann did not arrive home by 9:30 that evening and when their own search failed to locate the teen by 11:30 p.m., they reported her missing to the RCMP detachment in Hinton. Extensive searches by the RCMP of the Town of Hinton and the surrounding rural area did not locate Shelly Ann but police did find several of her belongings alongside the Athabasca River near the Town of Hinton. Investigators believe that Shelly Ann was killed and continue to seek her remains.

Stephanie Stewart (70) was working at the Athabasca Fire Lookout Tower near Hinton as an employee of Environment and Sustainable Resource Development in the summer of 2006. Colleagues became concerned about her well-being when she failed to call in on the morning of August 26, 2006. A visit to Stephanie's cabin revealed that all was not well and the RCMP was called in to investigate. Evidence at the scene led investigators to believe that Stewart had been murdered. Searches throughout the surrounding area and elsewhere failed to locate her.

It was on November 30, 2013 when 44-year-old Deanna MacNeil was reported missing to the Vegreville RCMP detachment by a friend after she had not been heard from within preceding 48 hours; something which the friend though very unusual as Deanna was in the habit of contacting her several times a day. The police investigation con-

firmed that Deanna had been seen in Mundare at the Servus Credit Union ATM, the Mundare Liquor Store and lastly at a friend's place around 12:30 p.m. on the morning of November 28, 2013. Police conduct several searches including two extensive ones of the Mundare townsite, but Deanna was not located. Friends and family have not had any contact from Deanna since she was reported missing. The RCMP believes that she was the victim of homicide.

S/Sgt. Jason Zazulak, NCO i/c "K" Division HHU believes that these investigations will be solved and that the key pieces of information which will allow HHU investigators to identify the persons responsible for the deaths of these

women are known by members of the public. "In each of these three cases, we know that there are people out there who have knowledge of what happened to Shelly Ann, Deanna and Stephanie. We want to hear from those people, whether it be through Crime Stoppers, through their local detachment or through our own social media channels."

The rapid expansion and adoption of social media in many facets of the lives of Canadians has opened up the opportunity for the RCMP to receive new information about cases through the use of social media accounts held directly by the homicide investigators themselves. Cpl. Kerry Shima of HHU is the lead investigator for Stephanie Stewart's case. He has a Twitter account and will

be tweeting about Stephanie's case as well as topics related to unsolved homicides. The Twitter account is @KerryShima RCMP.

The RCMP encourages anyone with information about any of these cases to contact their local detachment or police agency. Individuals may guarantee their anonymity by calling Crime Stoppers at 1-800-222-TIPS (8477) or submitting their information at www.crimestoppers.ab.ca. Also, details can be submitted to the Centre for Missing Persons and Unidentified Remains at www.canadamissing.ca.

The families of these three women deserve to know what happened, to bring their loved ones home, and see a resolution through an arrest of the person or persons responsible.

Freedom to Read can never be taken for granted. Even in Canada, a free country by world standards, books and magazines are banned at the border. Books are removed from the shelves in Canadian libraries, schools and bookstores every day. Free speech on the Internet is under attack. Few of these stories make headlines, but they affect the right of every Canadian to decide for themselves what they choose to read.

Freedom to Read Week is organized by the Freedom of Expression Committee of the Book and Periodical Council, the umbrella organization for Canadian associations that are or whose members are primarily involved with the writing, editing, translating, publishing, producing, distributing, lending, marketing, reading and selling of written words. This annual event encourages Canadians

to think about and reaffirm their commitment to intellectual freedom, which is guaranteed them under the Charter of Rights and Freedoms. There are many ways that you can celebrate Freedom to Read Week between February 25 to March 3, 2018: read a banned book, the list is available at the library or online at freedomtoread.ca, participate in community or library events about freedom of expression, talk about your personal experience with censorship.

The Darwell Public Library Society will be holding their next regular meeting on Monday, February 26, 2018 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

RIDING UPDATE – WINTER BREAK

Submitted by Jim Eglinski, MP – Yellowhead

It was another busy break! After spending time with family over the holidays, I got back to work. I was able to travel throughout a large portion of the riding, meeting with students, community leaders, and everyone in between!

On the week of January 8, I attended a Town Council meeting in Warburg, hosted a public meeting with MP Blaine Calk-

ins on rural crime near Gull Lake, stopped in at my Rocky Mountain House office, and met constituents in my Edson riding office. At the end of the week, I met with Yellowhead Mayor Gerald Soroka and the Evansburg Legion.

I spent the following Monday and Tuesday in Grande Cache. While there, I had meetings with Mayor Castle and Council, the President of Aseniwuche Winewak Nation, the CEO of Grande Cache Coal, and the

Assistant Deputy Warden of Grande Cache Institute. I also stopped by the Tourism Centre.

That Tuesday evening, I drove back to Edson to attend their Town Council Meeting.

I spent Wednesday, January 17, in my office. The following day, I enjoyed Mary Bergeron Elementary School's grand opening.

That Friday, I attended a tour of Jasper's Jr/Sr. High School along with Quebec students from the Experience Canada

Program. Following the student tour, I drove to Hinton to meet with the town's Mountain Pine Beetle Advisory Committee.

On January 22, I flew to Victoria, B.C. to attend the Conservative Party Winter Retreat where we prepared for the upcoming spring session. We spent the week in meetings and conferences, bringing forward and discussing the wide range of issues that affect each of our ridings. I also attended a meet-and-greet with the Vancouver Island Electoral District Association (EDA) in Duncan.

At the end of the week, I will be flying back to the riding to meet with previous Drayton Valley Mayors.

I am excited for the upcoming session and getting back to Parliament Hill so I can represent you in Ottawa! The House will resume on January 29, and my next update will be next Friday on the happenings of Parliament.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	5					8	4	6
		7		5		2		
				9			5	
					8		2	
9	3	4						
	8		4	1			6	5
2	7		9		5			
4	1		7	6	3	9

ANSWER:

8	4	7	6	5	1	2	9	3
3	2	6	8	9	4	1	5	7
5	6	1	3	7	8	4	2	9

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
