BRAZEAU COUNTY COUNCIL LAUNCHES FREE APP

Submitted by Wanda Compton | Brazeau County

Brazeau County has a new customizable mobile App available as a free download to offer residents and businesses a new way to access information and connect to their County.

The App, developed by SMP Apps, offers a number of features, including the ability to call a number of Brazeau County phone numbers, use the public webmap, access the iHunter App, report a road, by-

law, weed, or property problem, and view agendas and minutes. This is in addition to features allowing users to view County news, events, business directory, alerts, as well as Alberta Emergency Alerts. A customizable push notification system will give users real-time updates on County news events, and alerts.

The App is built on a scalable platform that will enable future updates and additional features to be added as they become available. It was developed by SMB Apps, an Alberta company that specializes in

mobile apps for municipalities.

“We’re pleased to offer another way for residents, businesses, and visitors to connect with the County,” says Reeve Bart Guyon. “We are committed to both sharing information, and hearing from rate-payers. This App is another tool to help us do both.”

The Brazeau County Mobile App is free to download on both Apple and Android devices and is available for direct download in the iTunes App Store and the Google Play Store.

DRAYTON VALLEY RCMP ARREST THREE SUSPECTS AFTER BREAK AND ENTER TO RESIDENCE

Submitted by Drayton Valley RCMP

On March 9, 2018 at approximately 3:51 A.M., Drayton Valley RCMP received a report of an intrusion alarm at a residence on Range Road 85. Drayton Valley RCMP members responded and located a suspect vehicle leaving the immediate area, north bound on Range Road 85. A traffic stop was conducted with the vehicle, which was occupied by a 33 year old female, a 51 year old male and a 46 year old male. All individuals are known to police, and both males involved have extensive Criminal Records including multiple property related offence convictions.

Ricky David LABINE, 51 yrs, formerly of Lodgepole, AB and

believed to have been recently residing in the Edmonton area, is charged with Break, Enter and theft to a dwelling house, and Possession of Break in tools.

Leo McINTYRE, 46 yrs, of No Fixed Address, believed to be currently from the Edmonton area, was recently released from custody on a prior offence and is charged with Break, Enter and theft to a dwelling house, Possession of Break in tools and Possession of Methamphetamine.

McINTYRE has been remanded in custody. LABINE has been released by a Justice of the Peace on a recognizance, and the 33 year old female involved was released on a Promise to Appear in Court on 3 charges awaiting to be sworn; Break and Enter, Possession of

Break In Tools and Possession of Methamphetamine.

All three accused are set to appear in Provincial Court in Drayton Valley on May 1, 2018.

“Property Crime is a continuous and ongoing priority not only for this Detachment, but the Province as a whole for the Police,” says Staff Sergeant Malcolm Callihoo of the Drayton Valley RCMP. “Due to the swift and professional action of the Drayton Valley RCMP members involved in this incident, we are able to catch and identify three individuals involved in property crime in this area. We are committed to helping reduce property crime and bring criminals before the courts.”

As this matter is before the courts, no further information will be provided.

PARLIAMENT UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of February 12, 2018

This week, we covered topics including the Trans Mountain Expansion, veterans' issues, fisheries, and homelessness.

The following was debated in the

- House:
- Bill C-68 – An Act to amend the Fisheries Act and other Acts in consequence (Second Reading)
 - Bill C-69 – An Act to enact the Impact Assessment Act and the Canadian Energy Regulator Act, to amend the Navigation Protection Act and to make consequential

- amendments to other Acts (Second Reading)
- Bill S-228 – Child Health Protection Act (Second Reading)
- Bill S-232 – An act respecting Canadian Jewish heritage month (Second Reading)
- M-147 – Special Committee on Homelessness

- CPC Opposition Motion – Trans Mountain Expansion Project
- CPC Opposition Motion – Respect for Veterans
- Take-note Debate on Government Business No. 20 – Indigenous Peoples and Canada's Justice System

On Monday, I asked a question during debate on a motion which called on the Prime Minister to prioritize the Trans Mountain Expansion Project and develop a plan to deal with the Alberta-British Columbia dispute.

In the Standing Committee on Canadian Heritage (CHPC), we began a study on cultural hubs and cultural districts in Canada. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended six meetings, four events, and one conference call. Parliament did not sit on Friday to accommodate the NDP National Convention. Therefore, I returned to the riding on Thursday evening in order to attend the Mountain Pine Beetle Advisory Committee meeting in Hinton on Friday.

Week of February 26, 2018

This week, we covered topics including Budget 2018, the Canada Summer Jobs Program, the ongoing Phoenix Pay System issues, and the Prime Minister's failed trip to India.

The following was debated in the House:

- Budget 2018
- Bill C-69 – An Act to enact the Impact Assessment Act and the Canadian Energy Regulator Act, to amend the Navigation Protection Act and to make consequential amendments to other Acts (Second Reading)
- Bill C-364 – An Act to amend the Canada Elections Act and to make a consequential amendment to another Act (political financing) (Second Reading)
- Bill C-374 – An Act to amend the Historic Sites and Monuments Act (composition of the Board) (Committee Stage)
- Bill C-375 – An Act to amend the Criminal Code (presence report) (Second Reading)
- Bill S-210 – An Act to amend An Act to amend the Immigration and Refugee Protection Act, the Civil Marriage Act and the Criminal Code and to make consequential

Brazeau County

Brazeau County would like to thank our local Farmers for their dedication & commitment to maintaining the highest Standards of Excellence in their work.

We Salute Agriculture Safety Week:
March 11 - 17, 2018

RIDING UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of February 19, 2018

I spent most of the week travelling through the south and east end of the riding. I had meetings with students, business leaders, and members of municipal and provincial governments. I also attended another rural crime town hall.

On Monday, I spent the day at my Rocky Mountain House office.

On Tuesday, I drove to Olds where I attended MP Earl Dreeschen's town hall meeting on rural crime in the area. This is an issue that affects rural properties throughout Alberta, which is why I have been active as a member of the Rural Crime Task

Force. I have held public meetings across our own riding (i.e. Breton, Peers, Caroline) with residents, community leaders, and local RCMP. I will continue to work towards identifying the underlying issues and bridging the gaps to ensure the safety of our rural residents.

I spent Wednesday and Thursday in Drayton Valley where I met with MLA Mark Smith, Mayor Michael Doerksen, and Mr. Manny Deol of the community's Clean Energy Technology Centre.

On Thursday afternoon, I visited St. Anthony Catholic School in Drayton Valley. There, I met with grade six students to talk about the role of an MP and answer their questions on how the federal government

works.

On Friday, I enjoyed a tour of the University of Alberta's Health Sciences Education and Research Commons where they are developing creative and integrated technologies for delivering health care services. While there, I also attended Alberta Congress meetings over the

weekend.

On Saturday, I attended an Alberta Caucus meeting before flying back to Ottawa on Sunday. The upcoming week is expected to be busy as the Liberal Government will be tabling their 2018 Budget on Tuesday. Look for my weekly update next Friday on the happenings of Parliament.

Parliament Update

amendments to other Acts (Second Reading)

- CPC Opposition Motion – Canada Summer Jobs Program
- NDP Opposition Motion – Phoenix Pay System

On Monday, I participated in debate on Bill C-374, which seeks to update and amend the Historic Sites and Monuments Act. Specifically, the bill would ensure that Indigenous Canadians are represented on the Historic Sites and Monuments Board.

Also on Monday, I had the pleasure to meet with a young constituent from Grande Cache, Allyson Busch. She was visiting Ottawa as part of the Grande Yellowhead Public School Division's Superintendent's Youth Council to attend a conference by an organization called Encounters With Canada.

I also had the privilege of opening Question Period on Wednesday, asking the first question of the day. I asked the Prime Minister why he would ever meet with Jaspal Atwal in India, a convicted attempted assassin. I was one of the responding RCMP officers when Atwal attempted to murder an Indian Minister in 1986. I want to know how this convicted criminal was invited to a state dinner.

You can read my questions and comments in the House on the corresponding day's Hansard on the House Publications page at www.ourcommons.ca/en.

In the Standing Committee on Canadian Heritage (CHPC), we

continued our study on the state of Canadian museums. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended seven meetings, two events, and gave numerous interviews and one taping. I returned to the riding on Wednesday night to attend meetings in the riding on Thursday and Friday. As I did not take time off over the Winter Break, I will be taking next week off and returning the following week to get back to work in the riding before Parliament resumes on March 19. Look for my next update in two weeks.

Canadian Agricultural Safety Week
March 11 - 17, 2018

Leduc County's roots are rich in agriculture. We salute the timeless effort, dedication and commitment of our farm families and agricultural communities.

SNOW AND ICE BUILD-UP: WHAT THIS MEANS TO PROPERTY OWNERS

Submitted by Mariann McLaughlin, Corporate Communications | City of Leduc

In 2018, Leduc Enforcement Services will be focusing on increasing public awareness relating to various topics in the community which affect the quality of life of Leduc residents.

“Keeping sidewalks clear of

snow and ice is about public safety,” says Leduc Enforcement Services Sgt. Michael Stadnyk. “This winter, we kindly ask that residents lend a helping hand to your neighbour who might need assistance in clearing their walkways.”

According to the city’s Community Standards Bylaw (<https://www.leduc.ca/enforce->

ment-services/community-standards), property owners must clear snow and ice from any sidewalks adjacent to their property within 48 hours of accumulation.

“We actually recommend that property owners remove snow and ice as quickly as possible before it has a chance to harden,” says Stadnyk. “It’s physically easier on the person shovelling, and takes less time than if you wait until after the 48 hours.

“It also reduces the safety concerns for citizens enjoying the outdoors, especially for those

with mobility challenges and other health concerns.”

According to Alberta Health Services, falls create a significant strain on Alberta’s health care system, seeing, on average, a senior hospitalized every 10 minutes due to a fall. Statistically, more than 90 per cent of hip and wrist fractures in seniors, as well as 60 per cent of head injuries, are due to falls.

For more information on the bylaw relating to clearing ice and snow, contact Leduc Enforcement Services at 780-980-7200 (option 5).

BRAZEAU COUNTY COUNCIL APPOINTS INTERIM CAO

Submitted by Wanda Compton | Brazeau County

Brazeau County Council is pleased to announce the appointment of Jocelyn Whaley as Interim CAO, effective Tuesday, February 20th.

Whaley has a diverse background in municipal affairs, including her current role as

Collaborative Relations and Regulatory Officer for K & M Group in Morinville, Alberta, which provides professional project management, engineering, construction management, marketing and sales services. She has also served as a Leduc County Councillor from 2010-2013, and as an Executive Assistant at the City of Edmonton.

Her experience is in investigational allocation and strategic resource utilization, business management and government relations. She has an extensive knowledge of the Municipal Government Act, policy development and regulatory oversight and collaborative relations.

“Jocelyn brings a balanced approach to the position as an elect-

ed official with extensive administrative skills,” says Reeve Bart Guyon. “We are looking forward to working with her.”

“It is a great privilege and pleasure to be working with Brazeau County Council and staff to serve the residents of this forward-thinking County,” Whaley says.

LEDUC MAYOR BOB YOUNG ADDRESSES TRANSIT PLANS TO THE EIA

Submitted by Mariann McLaughlin, Corporate Communications Officer | City of Leduc

City of Leduc Mayor Bob Young has issued the following statement regarding transit service to the Edmonton International Airport:

“The City of Leduc has a long history of working to support the success of not only the Edmonton International Airport, but the Metro Edmonton Region. As one of the partners in the Inter-jurisdictional Airport Accord, we believe that collaboration with our partners is key to the long-term success of the region. Public transit is one of the cornerstones of regional viability and economic development. We are looking forward to working with the partners to determine what the cost-sharing model will be for this transit service to the EIA.”

For more information, call the City of Leduc at 780-980-7177.

YOUR DIGITAL AND ALL-CERAMIC SPECIALISTS

Cera-Tech 3D Dental Lab is the only dental laboratory in the Spruce Grove/Stony Plain Area. We offer services to dentists and denturists right across Alberta. We specialize in the fabrication of crowns, bridges, veneers and implant cases. These services are provided directly to your dentist or denturist by prescription. We also offer denture repairs, custom sport guards, night guards, bleaching trays and teeth whitening. Most of these services will be provided directly to the public by our provincially licensed staff.

Did you know that you are able to request which lab you would like your crowns, bridges and other dental prostheses to be made at? If you know a laboratory that does great quality craftsmanship, uses approved materials and cares about the fine details like Cera-Tech, you are welcome to request us to your dentist.

The advantages to this local lab include custom shade matching to your existing teeth, faster completion times, the latest digital technology and high quality materials ensuring the best results for your oral health and individual smile. We are able to digitally analyze your case on

a specialized computer to make sure you get the best fit and most natural look for your crowns. Your case is completed and customized by hand using specific porcelains and characteristics for your individual mouth.

Our owner has more than 20 years of experience including instructing at Nait as well as serving on the provincial College of Dental Technologists. We have two other team members which gives us over 35 years of combined

experience. Our goal is to provide you with quality prosthetics- using skilled registered technologists, state of the art equipment and the most advanced technologies and materials in order to provide the best quality products and care.

The next time you need a crown or other dental services please recommend us to your dentist or give us a call.

Experience the HempWorx difference The World's Purest CBD Oil

PURE HEMP HERBAL DROPS

What is CBD?

Cannabidiol (CBD) is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side effects and a lack of psychoactivity (typically associated with marijuana products and high THC).

HempWorx CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain ZERO THC.

Benefits of CBD Herbal Drops

- Reduce Nausea & Vomiting
- Suppress Muscle Spasms
- Reduce Seizures & Convulsions
- Promotes Health
- Promotes Brain Tissue & Bone Growth
- Fibromyalgia Pain
- Reduces Blood Sugar Levels
- Antibacterial
- Anxiety & Depression
- Reduces Nicotine Cravings

FARM SAFETY WEEK

Preventing Crushes

• From rolling machinery to falling front-end loaders there are countless crush hazards on a farm. While farm operators and workers can't prevent every hazard on a farm, they should prevent every hazard they can by taking simple preventative measures while working.

• Failure to block-up equipment safely can result in a fatal crushing injury. A jack may slip, a hose or overhead support may break, or the equipment may roll. Always take the precaution of placing support blocks under the equipment prior to working with raised machinery for any reason.

SOME TELLTALE SIGNS OF ENGINE TROUBLES

Engine troubles are many drivers' worst nightmares. Whether they occur out on the road or they prevent drivers from leaving their driveways in the morning, engine troubles can quickly derail plans and cost drivers substantial amounts of money.

Thankfully, engine troubles are often noticeable long before cars break down. Drivers who learn to recognize the signs that suggest engines might be in need of work can avoid being stranded on the road or at home.

• Vehicle shaking: One telltale sign of engine trouble is when a vehicle shakes while it's moving. Drivers of old cars and trucks may not expect the smoothest of rides, but cars that shake, sometimes violently, could be experiencing problems. Sometimes a car might shake if its spark plugs need replacing. That's an easy, inexpensive fix that drivers can do on their own in a matter of minutes. A more serious cause of the vehicle shaking could be

problems with its timing belt or fuel intake system. Drivers who inspect and/or replace their spark plugs but notice their vehicles are still shaking should take their cars into their mechanics immediately.

• Sudden gas mileage reduction: Drivers who notice they're not getting as much bang for their gas bucks as they used to might have engine troubles to blame. According to Pep Boys, a dropoff in gas mileage might be indicative of an issue in the compression stroke of the engine. Such an issue can typically be fixed by having the fuel system serviced, which will clean the fuel system and can help restore the vehicle's performance and reduce emissions.

• Noises: If driving has become as noisy as a rock concert, drivers should take heed that this could be indicative of engine trouble. Pep Boys notes that noises typically indicate abnormalities in the combustion flow.

Such noises may include knocking, hissing and popping. Vehicles making these noises should be taken to a mechanic immediately.

• Stalling: Vehicles that jerk or stall also may be experiencing engine troubles. While old spark plugs might be the culprit, stalling or jerk-

ing may indicate clogged fuel lines or fuel filters. Such issues may also be traced to issues with the vehicle's computer system. Bring such issues to the attention of a mechanic, and reduce their frequency with regular oil changes.

HOW TO AVOID AND REPAIR FLAT TIRES

Nothing can delay road trips more suddenly than flat tires. Unfortunately, because tires are the only part of the vehicle constantly in contact with the road, wear and tear is to be expected.

The National Highway Traffic Safety Administration says that flat tires and blowouts are a leading cause of highway traffic accidents. Even though flats cannot be prevented, there are ways to make tires less vulnerable and make vehicles safer along the way.

Flat tire avoidance

Routine inspection and tire maintenance is essential to their performance. In addition, paying attention to road hazards and avoiding them when possible can prolong the life of tires.

- **Tire pressure:** Tires should be maintained at the correct air pressure indicated on

the sidewall or as advised by the manufacturer. Tires with too much air can be damaged by bumpy roads and potholes. Tires that are not inflated enough may increase friction on the roadway, resulting in a blowout. Check tire pressure routinely, and do so when the tires have rested for three hours. Many vehicles now monitor tire pressure automatically and alert drivers through a signal on the dashboard.

- **Tire wear:** The advisors at Select Auto Imports say that inspecting tires for uneven wear should be a routine part of maintenance. If tires show uneven wear, they may be more susceptible to flats or blowouts. Tire rotations can help alleviate uneven wear. The NHTSA recommends tires be rotated every 5,000 miles.

- **Tire treads:** The All-

state Insurance company says to look for worn tire treads. Check for wear bar indicator marks located between the tread pattern of the tires. If the wear bar is level with the treads, it's time for new tires. Otherwise, place a quarter between the grooves of the tire. If the tread doesn't extend beyond the top of Washington's head, it's a good idea to replace the tires.

- **Construction sites:** Drivers should try to avoid areas under construction. Rocks, nails, metal shards, glass, and divots in the roads can cause punctures and eventually flats.

Flat tire repair
When flats occur, having the right tools and understanding the procedure for fixing the flat is key.

Drivers will need an inflated spare tire, a jack, a lug wrench, bracing material (to keep the ve-

hicle from rolling, such as a brick or piece of wood), and the vehicle's owner's manual. Goodyear says it is essential to fix the flat in a safe area away from traffic and on a flat surface.

- Use the owner's manual to find the correct position to place the jack to lift the car.
- Remove hubcaps or center covers to access the lug nuts. With the lug wrench, loosen lug nuts in a counterclockwise direction.
- Take off the tire and put on the spare. Replace and tighten the lug nuts. Replace hubcaps or covers.
- Slowly lower the vehicle and drive cautiously to ensure the spare is in working order.
- Purchase a new tire or have a hole plugged or repaired at a tire center.

FARM SAFETY TIPS

When farming please follow these precautions in order to keep yourself, your family and your workers safe:

- When moving large machinery, be sure to check the location of power lines. Make arrangements with your service provider to ensure a safe route along a route you will travel between fields with large implements in travel mode.
- When working with livestock always ensure you have an escape route planned and that you are wearing the appropriate gear for the job. For example – wear a helmet and appropriate footwear when riding a horse.

Farm Safety & Health Week

March 11-17

Teach small children the rudiments of safety, such as which areas are off-limits. As they grow older, explain why certain things are dangerous. When they start helping with the work, make sure they are properly trained, keeping their limited strength and experience in mind. The safe way to do things is not always obvious to a child, so always explain and enforce the safety aspects of the job.

FARM SAFETY & HEALTH WEEK

MARCH 11 - 17, 2018

Keep an eye for safety

The type of safety eye protection you should wear depends on the hazards in your workplace. If you are working in an area that has particles, flying objects, or dust, you must at least wear safety glasses with side protection (side shields). If you are working with chemicals, you should wear goggles. If you are working near hazardous radiation (welding, lasers, or fibre optics) you must use special-purpose safety glasses, goggles, face shields, or helmets designed for that task.

LEDUC RCMP GIS UNIT INVESTIGATING PHARMACY ROBBERIES

Submitted by Leduc RCMP

The Leduc RCMP General Investigation Section (GIS) are investigating a robbery which occurred this morning at the Medicine Shop Pharmacy. The RCMP believe that three pharmacies have been targeted by who appears to be the same male. Public assistance is being sought in identifying the male.

At approximately 10:10 a.m. today, a male who pointed a knife at a pharmacist, made off with an undisclosed amount of prescription drugs and fled the area. RCMP were unable to locate him.

A description of the male is:

- First Nations
- 5'7" tall / 145 lbs
- Mole under his left eye
- Wearing a grey hoodie, grey toque and black sweat pants

He is believed to be the same suspect who robbed the Health-check Pharmacy on February 26. Attached is a composite sketch created after the incident at this Pharmacy.

Previously, on February 10 at 10:54 an unknown male went behind the counter at the Co-Op Food Store Pharmacy and took five bottles of narcotics. This male did not produce, nor threaten anyone with a weapon. Attached is a video still from this occurrence as the RCMP now

believe that the three incidents are related.

"The actions of this individual are escalating" says Constable Mark Bovaird of the Leduc GIS Unit. "We are seeking the public's assistance in identifying this male in order for us to put a stop to these incidents, for everyone's safety."

If you have information about this investigation, please call the Leduc RCMP at 780-980-7267, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

RCMP SEEK ASSISTANCE TO IDENTIFY ARMED ROBBERS

Submitted by Leduc RCMP

Leduc RCMP are looking for assistance to identify two men who robbed the Liquor Depot in the City of Leduc on February 27 at approximately 9:30pm.

The suspects entered the liquor store stole several bottles of liquor while leaving the store one male bear sprayed the liquor store attendant. The store attendant suffered minor injuries was transported to hospital and has since has been released.

First suspect is described as:

- First Nations male
- thin build

Wearing:

- Black/dark running shoes
- ball cap
- dark jeans
- dark hoodie

Second suspect is described as:

- First Nations male

Wearing:

- Dark Shoes/sneakers
- Blue jeans
- Red hoodie

If you have information about this investigation, please call the Leduc RCMP at 780-980-7267, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone

at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

LEDUC RCMP SEEK ASSISTANCE TO IDENTIFY ARMED ROBBER

Submitted by Leduc RCMP

Leduc RCMP are looking for assistance to identify a man who robbed the Heathcheck Pharmacy in the City of Leduc with a weapon on February 26 at approximately 11:12am.

The suspect entered the pharmacy with a weapon and demanded prescription drugs.

The suspect left the store after obtaining an undisclosed amount of prescription drugs heading north of the building on foot.

The suspect is described as:

- First Nations
- 40 years old
- 5'7, 160lbs average build

Wearing:

- black hoodie

- white jacket
 - baggy sweatpants
- No one was injured during this robbery.

"RCMP is looking for your assistance with reporting anything suspicious around this location on this date" Said Constable Bridget MORLA of Community Policing in the Leduc RCMP Detachment.

If you have information about this investigation, please call the Leduc RCMP at 780-980-7267, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

FARM SAFETY & HEALTH WEEK

MARCH 11-17, 2018

Farm Safety Tips

When farming please follow these precautions in order to keep yourself, your family and your workers safe:

- Decrease your risk of being crushed by using lockout procedures before beginning any maintenance or repair work. Lockout means to physically neutralize all energies in a piece of equipment. Machines, devices or power transmission lines can be de-energized by applying blocks to all parts under tension or pressure, bleeding the hydraulic pressure from the lines or by releasing pressure from a coil or spring.
- Provide a safe, fenced play area for all children and supervise closely. The working area of the farm is not a playground any more than a construction site or other industrial area would be a play area. Review the safety rules on your farm with your family often. Fence off all manure, retaining ponds and dugouts, and lock buildings containing hazardous goods.

GUARD YOUR PROFITS

The bottom line for any business is profitability. An important part of maximizing profits is minimizing losses - and that includes non-productive time, costly machinery breakdowns as well as losses due to injury, illness, or death of the farmer, farm family, or farm workers.

Minimizing loss begins with making safety a priority, conducting a safety audit on your farm, keeping all machinery in good repair with guards and shields in place, having adequate accident insurance coverage, training workers in safe practices, leading by example every day.

FCC OFFERS ASSISTANCE TO CUSTOMERS IMPACTED BY GRAIN MOVEMENT DELAYS

Submitted by Trevor Sutter, Corporate Communication | Farm Credit Canada

Regina, Saskatchewan, March 7, 2018 – Farm Credit Canada (FCC) is offering support to customers across western Canada facing potential cash flow problems due to delays in grain movement to international markets.

“We have been monitoring the grain movement situation for the past number of weeks and are aware it could have an impact on our customers’ short-term cash flow through the busy spring season,” said Michael Hoffort, FCC president and CEO. “We feel it is important that we be proactive and ensure our customers know that we are here to support them and have tools available to reduce the impact on their business from these unforeseen challenges that are beyond their control.”

FCC is available to support all its grain and oilseed customers potentially impacted by delays in grain delivery in the three Prairie provinces and British Columbia’s Peace region, and to explore options to address their individual needs.

“We will support customers as needed, and continue to ensure they have the financial means to get their crops in the ground this spring,” Hoffort said, noting FCC rolled out a similar program in 2014.

Lawrence MacAulay, Minister of Agriculture and Agri-Food Canada, said FCC is a strong and stable partner in the agriculture sector which is there to provide support for farmers.

“I am pleased that Farm Credit Canada will help producers deal with the unfortunate financial challenges caused by the delay in grain transportation,” MacAulay said. “Working with FCC, we will closely monitor cash flow concerns and ensure producers potentially impacted by delays in grain delivery have the flexibility they need. I also encourage all affected producers to consider applying to the fed-

eral Advance Payments Program (APP), a financial loan guarantee program that gives producers easier access to credit through repayable cash advances.”

The APP offers cash advances for stored or planted crop of up to \$400,000, the first \$100,000 interest-free. Under the APP, the federal government guarantees repayment of cash advances issued to farmers by producer organizations.

Customers are also encouraged to contact their FCC relationship manager or the FCC Customer Service Centre at 1-888-332-3301 as soon as possible to discuss their individual situation and options.

FCC is Canada’s leading agriculture lender, with a healthy loan portfolio of more than \$33 billion. Our employees are dedicated to the future of Canadian agriculture and its role in feed-

ing an ever-growing world. We provide flexible, competitively priced financing, management software, information and knowledge specifically designed for the agriculture and agri-food industry. Our profits are reinvested back into agriculture and the communities where our customers and employees live and work. Visit fcc.ca or follow us on Facebook, LinkedIn, and on Twitter @FCCagriculture.

RCMP NAB CARJACKING SUSPECTS ON HIGHWAY 620 IN BRAZEAU COUNTY

Submitted by Drayton Valley RCMP

On March 8, 2018 at approximately 4:13 A.M., An urgent call of a Carjacking with a firearm on Highway 620 in Brazeau County was received by Drayton Valley RCMP. A local cab driver had their vehicle stolen by suspects who hired the cab for a ride, and en route pointed a firearm at the driver and ordered the driver to leave. The victim departed and was not injured. Assistance was dispatched from Rocky Mountain House Detachment who made contact with the stolen vehicle.

A second suspect involved with another stolen vehicle attempted to block Police from stopping the stolen cab. Police were able to get by the second stolen vehicle and were able to successfully disable the stolen cab with a spikebelt. Several gunshots were discharged by the suspect into the air. After a short standoff the suspect was taken into custody without further incident. The second stolen vehicle was also successfully stopped by Police after it had broken down and the driver was taken into custody.

Avery Goodrunning, 23 years of age, from the Rocky Mountain

House area is charged with 13 Criminal Code offences including Robbery with a firearm, Pointing a firearm, Flight from Police, Theft and several related charges.

Kelly Goodrunning, 26 years of age, from the Rocky Mountain House area is charged with 9 Criminal Code offences including Robbery with a firearm, Pointing a firearm, Flight from Police, Theft and several related charges.

“This matter was extremely serious in nature and the potential for grievous harm was present throughout this incident,” says Staff Sergeant Malcolm Callihoo of the Drayton Valley RCMP.

“This was a great example of committed teamwork between two Detachment areas, Drayton Valley and Rocky Mountain House Detachments, to locate, apprehend and resolve this incident with no injuries to the Public or Police, and both suspects are now held in custody.”

Both male suspects have been remanded into custody are scheduled to appear in Drayton Valley Provincial Court on March 20, 2018.

As this matter is before the courts, no further information will be provided.

RCMP INVESTIGATE THEFT OF BOAT

Submitted by Breton/Thorsby RCMP

On February 23, at 8:00 AM the Breton/Thorsby RCMP received a report of a theft of a jet boat and trailer valued at approximately \$80,000.

The boat and trailer were stolen sometime between February 21

and February 23 from a residential property near Alder Flats, off of Highway 22.

The boat is described as a red and silver Outlaw 21-foot clear water with RivermonsterAdventure.ca decals on both sides. The jet boat has registry numbers on the front of “C25360A”. It should be very easily recognized.

If you have any information that could assist in this investigation, please contact the Thorsby RCMP at 780-789-3951; or

Crime Stoppers at 1-800-222-8477 or www.crimestoppers.ab.ca if you wish to remain anonymous.

RCMP LAY CHARGES FOLLOWING PURSUIT OF STOLEN VEHICLE

Submitted by Breton / Thorsby RCMP

Update1: The Breton RCMP were alerted to a truck spotted on Highway 39, that had been reported stolen in an earlier armed robbery/ car jacking in Stony Plain. Following a brief pursuit which ended in Rimbey’s RCMP detachment jurisdiction, the truck was stopped, driver arrested and charges have been laid.

On February 16 just before 1:00 a.m., Stony Plain responded to an armed robbery/ car jacking that occurred on Highway 43, where a citizen had his truck stolen from him. Two Caucasian males demanded his wallet, cell-phone, Ipad and his truck. The citizen complied and the suspects fled in both the truck they were initially driving and the

stolen truck.

The male suspects were described as Caucasian in the age range of 20 – 30 years old. They were driving a 2000s model GMC crew cab with a tidy tank in the back.

Notification was sent to all surrounding detachments to be aware of this incident, and to monitor for both the stolen truck and the suspect truck.

At 8:30 a.m., Breton RCMP members received information that led them to locate the stolen truck on Highway 39. The driver failed to comply with demands of the RCMP and fled. A pursuit ensued which included assistance from the detachments of Rimbey, Rocky Mountain House, Drayton Valley and Thorsby.

23-year-old Christopher Jacob Burke was arrested in the

stolen truck and taken to Drayton Valley RCMP Detachment. The truck was recovered by the RCMP for return to the owner. Burke is facing criminal charges as follows: Operation of MV while being pursued by police, Dangerous Operation of MV, Possession of Property Obtained by Crime over \$5000.00, and Mischief.

He has been remanded in custody and is scheduled for court on February 20 at the Provincial Court of Alberta in Drayton Valley.

The Stony Plain/Spruce Grove RCMP investigation into the initial armed robbery/ car jacking is ongoing. The Stony Plain GIS Unit is investigating. If you have information about this investigation, please call the Stony Plain RCMP at 780-968-7200 or call your local police detachment. If

you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tip-submit.com, or by SMS.

BACKGROUND: Neighbouring Detachments work together and Arrest 1 male in Stolen Vehicle

Drayton Valley, Alberta - Drayton Valley RCMP members were requested to assist Thorsby RCMP members this morning as they were following a vehicle which had been stolen during an armed robbery earlier on in the morning in the area of Stony Plain. The team work of all members involved, from neighbouring detachments which included Rimbey, Rocky Mountain House, Drayton Valley and Thorsby resulted in the arrest of 1 male and the recovery of the vehicle. Charges are pending.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

5	8	4	8	1	2	3	9	7
7	6	2	9	5	3	4	8	1
3	9	1	4	7	8	6	5	2
2	5	8	3	6	7	9	1	4
4	3	7	1	9	5	8	2	6
6	1	9	2	8	4	7	3	5
9	4	5	8	2	6	1	7	3
8	2	6	7	3	1	5	4	9
1	7	3	5	4	9	2	6	8

		4			2			7
