AFSC ANNOUNCES REDUCED INSURANCE PREMIUM RATES FOR 2018 GROWING SEASON

Submitted by Mustafa Eric | Agriculture Financial Services Corporation

Many of Alberta's crop producers will benefit from lower crop insurance premium rates when they insure their crops with AFSC this spring.

On average, 2018 premium rates for crops are 8 per cent lower than they were in 2017. The rate change for specific crops will vary depending on the actual loss experience for that crop as well as the

risk area.

The decrease in premium rates is a reflection of the generally good growing conditions over the past few years, which resulted in positive results for the crop insurance program. The recent experience has also translated into increased yield coverage for many producers in 2018.

Lawrence MacAulay, Minister of Agriculture and Agri-Food:

"Under the new Canadian Agriculture Partnership (CAP), the federal/provincial/ territorial partner-

ship agreement, the Government of Canada is committed to offering effective and affordable Agriculture Business Risk Management Programs like AgriInsurance."

Oneil Carlier, Minister of Agriculture and Forestry:

"AgriInsurance continues to play a key role in protecting producers when the weather turns against them and I encourage producers to contact AFSC to review their existing policies or to learn more about the programs that are available."

RCMP CHARGE 2 MALES FOR BREAK AND ENTER/THEFT AT COMMUNITY HALL

Submitted by Whitecourt RCMP

On March 20, 2018 Whitecourt RCMP were notified of a Break and Enter to a shed at a local community hall in Woodlands County. The break and enter/theft occurred at approximately 3:30 am. The suspects gained entry to the shed by breaking the lock and stealing a snow blower, 2 canopy tents and multiple tools. Through video surveillance a truck was identified at the scene and the registered owner was questioned. The owner of the truck admitted to doing the break in/theft along with a second male. Both of the males were arrested, charged and later released on a Promise to appear in Whitecourt

Provincial Court on Tuesday May 8, 2018.

Sydney Lee KING (33) of Whitecourt faces 3 Charges:

- Theft under \$5000 - Sec 334(b) Criminal Code
 - Mischief under \$5000 - Sec 430(4) Criminal Code
 - Fail to comply with an undertaking - Sec 145(3) Criminal Code
- Dean Paul TAYLOR (18) of Whitecourt faces 2 Charges:
- Theft under \$5000 - Sec 334(b) Criminal Code
 - Mischief under \$5000 - Sec 430(4) Criminal Code

If you have any information about this crime or any other crime please contact the Whitecourt RCMP 780-779-5900. If you wish to remain anonymous,

you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS) or by internet at www.tipsubmit.com or by SMS (check your local Crime Stoppers www.crimestoppers.ab.ca for instructions). You do not have to reveal your identity to Crime Stoppers and if your information leads to an arrest, the recovery of stolen property and/or the seizure of illicit drugs you may be eligible for a cash reward.

Reducing crime in Alberta cannot be achieved through policing alone - a collaborative, wrap-around approach that includes citizens, health/mental health service providers, law enforcement and community partners, must be leveraged to break the cycle repeat offenders find themselves in.

AFSC Announces Reduced Insurance Premium Rates For 2018 Growing Season

Continued From Page 1

Darryl Kay, Interim CEO, AFSC:

"We are pleased to be able to reduce AgriInsurance premium rates so producers can manage their risk and get the coverage they need. In addition to reducing rates, we have also made changes to the program itself and how it is delivered.

"In response to the feedback received from producers, the following changes have been introduced:

- A 10 per cent claim deductible being introduced under the Spring Price Endorsement, which will reduce the premium rate charged to clients between 20 per cent and 30 per cent depending on the crop selected;

- Aligning insurance coverage

for two new wheat classes after the Canadian Grain Commission reclassified a number of wheat varieties, moving them from Canadian Prairie Spring (CPS) and Canadian Western Red Spring (CWRS) to the new Canadian Northern Hard Red (CNHR) and Canadian Western Special Purpose (CWSP) classes;

- Introducing AFSC Connect, just another way for AFSC clients to conduct their business. The new online platform provides producers with a number of online functionalities that include viewing and managing their account information, chatting online with Client Contact Centre staff, and conducting a number of transactions, including filing change requests to make adjustments to their crop insurance policy. The online platform was developed with the needs of AFSC clients in mind, and will continually be enhanced, and developed, to meet their changing needs;

- April 30 is the deadline to apply for, make changes to or cancel insurance.

aboffice@albertabeach.com | Fax: (780) 924-3313

All applicants are thanked for their interest, however, only those selected for an interview will be contacted.

PARLIAMENT UPDATE – WEEK OF MARCH 26, 2018

Submitted by Jim Eglinski, MP – Yellowhead

This week was cut short due to the Easter holiday. Debate was largely focused on the new firearms legislation, rural crime, and cultural heritage.

The following was debated in the House:

- Bill C-55 – An Act to amend the Oceans Act and the Canada Petroleum Resources Act (Third Reading)

- Bill C-68 – An Act to amend the Fisheries Act and other Acts in consequence (Second Reading)

- Bill C-71 – An act to amend certain Acts and Regulations in relation to firearms (Second Reading)

- Bill C-232 – Canadian Jewish Heritage Month Act (Third Reading)

- Bill C-374 – An Act to amend the Historic Sites and Monuments Act (composition of the Board) (Report Stage)

- M-166 – Postal banking system

- M-167 – Rural crime in Canada

- M-168 – Net neutrality

Last week, the Liberals introduced new firearms legislation, Bill C-71. I was scheduled to speak during the debate on Monday, but the Liberals stalled and used their majority to shut down debate before many Members, including myself, had the opportunity to represent our constituents' concerns. Justin Trudeau claims to listen to Canadians, but shoving legislation through the House without allowing for proper debate is the exact opposite of listening to Canadians.

Also on Monday, the Prime Minister exonerated six Tsilhqot'in chiefs who were unjustly hanged in British Columbia in 1864. The current chiefs of Tsilhqot'in First Nation were present on the floor of the House of Commons during the exoneration, and a drumming ceremony also took place.

On Wednesday evening, I had the pleasure of attending the screening of the film, Myth, and a reception at the Embassy of Ukraine.

You can read comments, speeches, and debates in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

In the Standing Committee on Canadian Heritage (CHPC), we began a study on cultural hubs and cultural districts in Canada. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended six meetings and two events, and I taped one video message. I will return to the riding on Thursday evening as the House will not sit on Friday due to the Easter holiday. I will remain in the riding over the weekend and the next two weeks while the House is on recess. My next update will be on my travels throughout our beautiful constituency of Yellowhead.

JOKE OF THE WEEK

Two guys are out hunting in the woods when one of them collapses. He doesn't appear to be breathing, his eyes are glazed over. The other man pulls out his phone with trembling fingers and calls 911. He gasps, "My friend is dead! What can I do?" The operator says "Please stay calm. I will help you. First of all, let's make sure he's dead." There's a silence, then a gun shot. The guy gets back on the phone and says "OK, now what?"

WEBS OF SUPPORT

Submitted by Wanda Peterson | Oneway Junior Senior High School

Implementing "Webs of Support" for each and every student

is a significant strategy that both OJSH and OES are making a priority. Every student should have a positive and healthy support system and Derek Peterson's innovative webs concept is being put

into action within both schools as well as the wider community. Our colourful webbing journey began in May 2017 when several staff members attended the initial training work shop put on by Derek. Their excitement was contagious and in October of 2017, a joint PD day with OJSH and OES was held to introduce all staff members to Derek Peterson and his colours, his webs and his message of hope and support for every child.

Half a school year on, the message is growing and resonating for staff, students and the wider community.

On Thursday, March 15th OJSH and OES hosted Derek Peterson at the Oneway Heritage Centre. Several staff members from both schools and a large contingent of students from all grades along their invited anchors – in total 100 adults and 100 students – spent the day at the Heritage Center learning about and experiencing webbing up. This was a way for our students and their anchors to understand how very important it is for each child to have at least five adult supports in their life.

On Friday, March 16th, OJSH and OES held a combined professional development day for all staff members to gain more insights and a deeper understanding of Derek Peterson's webbing approach to supporting kids. As we learn, experience and practice webs as staff, as students, as a community, as we build webs of support, we can grow a rich developmental ecology that will support and encourage success in all of our kids as they mature into healthy, well-balanced individuals.

To reinforce what webs are all about and to keep the concepts of support alive in our minds, every month the OJSH Newsletter features a webs colour.

ZION SPRING SUPPER

Submitted by Betty Milne | Zion United Church

Happy Easter from the Zion congregation. It is a very early Easter this year, perhaps an indication of an early spring! So we invite you to join us on Sunday April 15th for our annual Spring Supper. This time you will be treated to ham, potatoes romanoff, salads and the perennial favorite- homemade pies!

Doors open at 4:30 p.m., supper at 5:00p.m. Tickets - \$ 15.00 for adults, children under 6- \$5.00. A Silent Auction will also be held, you may find a treasure you are looking for!

Zion United is located in Paradise Estates- # 15 -3511- Tshp. Rd. 542. Our services are at 10:00 a.m. each Sunday. Let us welcome you and may God Bless All.

Lac Ste. Anne Foundation External Posting

Is seeking an individual to fill a Full-time File Clerk position located in our administration office in Mayerthorpe, AB.

File Clerk – Summer Student Position

Lac Ste. Anne Foundation is currently seeking an energetic, team player to fill an opening for a File Clerk position from May 1, 2018 to August 31, 2018. This is a full time, entry level position at our administration office located in Mayerthorpe, Alberta. The hours are Monday to Friday from 8:00 am to 4:00 pm.

The successful applicant will be excellent at multi-tasking, and able to work in a fast paced and busy environment.

The candidate should also possess the following knowledge, skills and abilities:

- Completing jobs related to binding, scanning and photocopying and printing;
- Digital file scanning support;
- filing support; and
- Administrative and reception duties as assigned.

Other requirements:

The program is available to current students 15 and older, who reside and/or attend school in Alberta and will be returning full-time to high-school or a post-secondary institution no later than November 1, 2018. To be eligible, a student must be an Alberta resident, and a Canadian citizen, permanent resident or a protected person under the Canadian Immigration and Refugee Protection Act, who is legally allowed to work and study in Canada.

The potential employees cannot be currently employed with the Lac Ste. Anne Foundation in a paid capacity

You must be a strong communicator able to communicate effectively in both written and verbal English. You are able to maintain good interpersonal relationships, and have a genuine interest in working with seniors.

Closing date: Friday, April 20, 2018 at 4:00 p.m. or until a suitable applicant is hired.

Submit resume to:

Lac Ste. Anne Foundation Attn: Dena Krysik, CAO
PO Box 299 Mayerthorpe, AB T0E 1N0
Email: dkrysik@lsaf.ca Fax: 780-786-4810

We thank all applicants but only those selected for an interview will be contacted.

PURE POTENT CBD DROPS

The World's Purest CBD Oil

• 500mg • 750mg

Organic Non GMO

CBD is in a class of its own - affordable, high quality, and convenient!

WHAT IS CBD?

Cannabidiol (CBD) is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side effects and a lack of psychoactivity (typically associated with marijuana products and high THC).

Our CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain 0.3% THC.

Benefits of CBD Oil

- Reduce Nausea & Vomiting
- Suppress Muscle Spasms
- Reduce Seizures & Convulsions
- Promotes Health
- Promotes Brain Tissue & Bone Growth
- Fibromyalgia Pain
- Reduces Blood Sugar Levels
- Antibacterial
- Anxiety & Depression
- Reduces Nicotine Cravings
- Digestive Aid
- Anti-Psychotic
- Ringing Ears - Tinnitus
- Inhibits Cell Growth in Tumors

CBD HEALTH BENEFITS

Mental & Brain Health

CBD affects principal cannabinoid receptor in the brain promoting a healthy state of mind.

General Health

Cannabidiol has incredible medicinal benefits and will improve overall wellness.

Healthy Balance

Cannabidiol helps restore healthy balance to the endocannabinoid system.

DARWELL PUBLIC LIBRARY SPRING NEWS!

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

Spring has officially sprung and in our excitement, we have scheduled a few sessions with Lac Ste Anne County Horticulturalist Lorraine Taylor; time to get outside, start cleaning up and planning your gardening adventure for the 2018 growing season.

We will be starting with Vines and Groundcovers-Add more interest to your Landscape on Thursday, April 5, 2018 at the library starting at 7PM. In this session we will look at how we can use vines to define spaces, block unsightly views and add interest to vertical spaces. Groundcovers can be an interesting alternative to patches of lawn or fill spaces where other plants will not grow. We will talk about what grows here and how to plant them. We ask you to pre-register for this free session by contacting the library @ 780-892-3746.

The colouring club, LEGO and Family Games continue daily, during regular library hours, for patrons of all ages. We encourage you to ask about our passive programming and provide ideas for what you would like to see in the library. We look forward to seeing/hearing from you.

Preschool Story Time for children 0 to 5 years of age continues every Monday morning, except holidays, from 10 – 11 AM. This program will run until May 28, 2018. This is a free drop in program so come join us for stories, activities, crafts and a snack. All children must be accompanied by an adult as this is a program designed for parents/caregivers and children together.

The Book Club will be meeting on Monday, April 9, 2017 at 7:00 p.m. to discuss "The Oregon Trail: A New American Journey" by Rinker Buck. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you are interested in participating, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

Beginner Tai Chi continues every Wednesday and Friday

morning, except holidays, from 10 – 11 AM until May 30, 2018. All you need are loose comfortable clothes and flat shoes. This year we are offering a \$ 5.00 drop in fee for those who have already learned the 108 moves or for those who are curious and would like to see what it is all about.

We are currently in the planning stages to offer a Mother's Day and Father's Day Craft. Watch out for our articles, advertisements or check our social media sites as we finalize the details. All of our programming, if not cost recovery, is fully funded by the Darwell Public Library, Darwell

Library Friends, CLSA Library Grant and FCSS.

Are you interested in the library and would like to help determine the direction and growth of this valuable community service? The Darwell Public Library will be holding their Annual General Meeting on Monday April 24, 2017 starting at 7PM at the library. The AGM will be followed by the regular meeting around 7:30PM. Light refreshments will be available, and everyone is welcome to attend. See you there!

The Darwell Public Library Society will be holding their Annu-

al General Meeting followed by the regular meeting on Monday, April 23, 2018 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

The Businesses in the following Guide can be your One Stop Solution to all your Renovation Needs!

HomeRENO

PREPARE FOR VISITING ELDER GUESTS

Homeowners may find themselves hosting senior guests several times throughout a typical year. These occasions can be wonderful opportunities for making memories, but homeowners may need to take cer-

tain precautions to ensure that guests are safe and comfortable. This may involve making some minor modifications around the home.

Mobility and comfort needs for seniors may differ those

necessary to accommodate other guests. Meeting the needs of senior guests may involve any of the following.

- Make sure pathways leading to and from the home are level, cleared and easy to see.
- If possible, add a ramp over stairs that lead to the front door. Ensure handrails are sturdy.
- Remove clutter and excess furniture if a guest visiting will be using a walker or a manual/motorized wheelchair.
- Remove accent rugs from a home, and be sure that any mats are secured with nonslip material.
- Increase lighting in entryways, staircases and hallways, especially areas leading to kitchens or bathrooms.
- If guests will be staying

overnight, arrange sleeping accommodations on the first floor and/or in a room closest to the bathroom.

- Well-placed grab bars in the bathroom can be an asset. See if you can borrow a portable shower seat to make bathing or showering easier for overnight senior guests.
 - For long-term guests, consider replacing round doorknobs and other pulls with lever-action ones that are easy to grab.
 - Concessions may need to be made concerning interior temperature, noise levels and television viewing.
- Several easy modifications can be made to make senior guests feel comfortable when visiting others.

DECORATING SMALL SPACES

Warm weather often inspires renewed vigor in decorating or organizing a home. People who live in apartments, small homes or condos or those who have embraced the “tiny house” movement must rely on clever decorating to max-

imize their spaces. Here are some ideas when space is at a premium.

- Go vertical. Utilize vertical space, such as lights hung on a wall beside a bed instead of lamps on a nightstand or bookshelves and other shelving to keep items

off of the floor.

- Bench seating: Benches can provide more seating when entertaining guests and also can be moved to the living room or elsewhere as needed. Place a small bench in a foyer and put some

wicker bins beneath for storage.

- Utilize natural light. Rooms that have ample light can seem more spacious. Pull up blinds (or skip them if privacy isn't an issue) and use the sunshine to help spaces appear more airy.

HOW TO AVOID ELECTRICAL MISHAPS AROUND THE HOUSE

Accidents around the home happen. Some are minor and easily brushed off, while others can lead to serious injury or financial peril.

Many accidents, even those that are relatively minor, can be prevented. Such is often the case with electrical accidents, which may be more common than many people think.

According to the Electrical Safety Foundation International, home electrical fires account for an estimated 51,000 fires each year, resulting in roughly 500 deaths and more than \$1 billion in property damage.

Homeowners who want to do all they can to reduce the likelihood of electrical mishaps at home can em-

ploy various strategies.

- Be mindful of cords and plugs. Cords and plugs can be found throughout the typical home. While few people may perceive cords and plugs as threats, they can serve as catalysts for accident and/or injury. Cords and plugs should always be kept clear of heat and water sources,

and cords should not be placed in areas where they can pose any tripping hazards. Even if residents grow accustomed to cord locations and know to maneuver around them, guests won't be as familiar. When pulling plugs from outlets, always pull the plug, and not the cord, to reduce injury risk.

- Periodically take inventory of electrical appliances and components. Some electrical appliances age well, while others may not. Periodic inspections of appliances and their components, such as their cords, can reveal wear and tear that can lead to fires or injuries. Replace any items that pose a threat and stop using these items immediately.

- Avoid DIY electrical work. Many homeowners are handy with hammers and other tools, but professionals are better trusted to perform electrical work on a home. The risk of accident or injury when working with wiring and other electrical components is simply too great for untrained homeowners to do on their own.

- Unplug appliances before flipping a fuse. Fuses blow from time to time. Some may be knocked out by especially powerful storms, while others may blow because they're overloaded. Regardless of why fuses blow, homeowners should turn off appliances on blown fuses before flipping those fuses back on. Leaving appliances running when flipping a fuse can increase the risk of fire or accident. Turn off appliances, unplug them and then turn them back on one by one after the fuse has been flipped.

- Be especially cautious if anyone smells gas. Gas leaks are often detected by the aroma of the gas in the air. When such leaks are detected, homeowners should not touch or turn any electrical switches. Doing so may create a spark that can react with the gas in the air, leading to fire. If a gas leak is detected, go outside and contact a local emergency service.

Many home electrical mishaps can be prevented if homeowners exercise caution and hire certified electrical contractors to handle wiring and other electrical tasks around their homes.

POOLS AND LAWNS CAN GET ALONG

Homeowners interested in installing pools in their backyards need not worry about the potential impact of such decisions on surrounding landscapes.

According to the Association of Pool & Spa Professionals, there are 10.4 million residential and 309,000 public swimming pools in the United States. Although the average monthly temperatures in Canada are lower than those throughout much of the United States, many Canadian homeowners still have pools in their backyards. Quebec is home to the most pools per capita for Canada - with some estimates suggesting the province has more than 300,000 backyard pools, according to Pool and Spa

Marketing magazine.

Many homeowners wonder if the chlorine and other chemicals in pool water have any affect on the lawn, particularly if pool water robs lawns of vital nutrients they need to thrive. But the resource All About Lawns says most people needn't worry about errant drops or even higher levels of overflow. It all comes down to the selectivity of grass. Blades of grass are particular about which nutrients from the water they absorb and in what quantities. Lawns are largely unaffected by chlorine. Furthermore, soil can withstand chlorine when kept at applicable sanitary levels (which generally range between two to three parts

per million), at high acid levels. That's much more than is usually contained in pool water.

Pool water is also maintained in the neutral range at a pH of 6.5 to 7.8, which is safe for plants. Should the pool water test at a higher acidity or alkalinity, it can adversely affect landscapes, particularly delicate plants.

Pool owners should be diligent about smart application and storage of pool chemicals. Powdered or liquid chlorine and other water chemistry products that spill onto grass or plants may cause damage.

In safe amounts, chlorine should not adversely affect lawns and other plants that surround pools.

THE BENEFITS OF CHILD-SAFE HOME IMPROVEMENTS

All family members should be considered when home improvements are being planned, especially the youngest household residents who may not be responsible enough to avoid accidents and injuries.

According to a recent Vital Signs

report from the U.S. Centers for Disease Control and Prevention, accidental injuries are a leading cause of death among the country's youth - with one fatality occurring every hour from something entirely preventable. The CDC notes that the leading causes

of child injury include suffocation, drowning, poisoning, fires, and falls. More can be done to keep children safe, and many strategies start at home.

Install security systems

A security system can be just as effective at keeping little ones in-

side as it is at keeping unwanted guests outside. Alarms can be set to sound anytime a window or door is breached, which can deter curious children from trying to leave the house without permission. Pair the alarm system with secure locks and high latches that can also stop children in their tracks.

Remove fall hazards

Safety devices installed on windows that are above ground level can keep children safe. Stair rails should be secure and in good working order. Temporary gates can block kids from getting on stairways. Improve lighting around staircases to help children and adults avoid falls, and remove any obstacles.

Anchor heavy furniture

The U.S. Consumer Product Safety Commission warns that unanchored televisions and top-heavy furniture can tip over onto children and cause severe injuries and even death. Everyday furniture can be tempting to climb; therefore, using anchors to secure furniture to walls for security is a must.

Install locking cabinets

Locking cabinets can keep medications, household chemicals, home improvement paints and solvents, and other potential poisons out of reach.

Erect fencing around pools and yards

Install fencing around pools to keep children from wandering close to the water's edge. Towns and cities may require certain fence heights or self-latching gates to keep little ones safe. Young children should never be left to their own devices around any source of water, whether it's a pool, tub or toilet.

Test and replace smoke alarms

Smoke and carbon monoxide detectors are only useful if they are functional. Homeowners should inspect such devices regularly to ensure proper operation and promptly replace old or faulty detectors to improve safety.

HOW TO CLEAR A CLOGGED DRAIN

Home plumbing systems are designed to handle heavy usage. When everything is working as it should, toilets flush, showers drain properly, and sink basins empty of water in a snap. But when a clog is present in a system, water can quickly back up.

There are various techniques to clear clogged drains. Minor clogs may be cleared without the help of a plumber or even any tools. More significant blockages will require more elbow grease.

The first step to clearing a clog is to locate the problem. Drainage issues that affect a particular

sink or toilet may be isolated to that fixture. Clogs that are present throughout the house may be indicative of a larger problem in the plumbing that is directing waste away from the house and into the sewer system.

Sometimes a clog can be freed by pouring boiling hot water or a combination of baking soda and vinegar down the drain. If that doesn't help, move on to a plunger, advise the experts at This Old House. By creating pressure within the pipes, a plunger can dislodge whatever is causing the backup. If the clog seems to be further down the drain,

hair or grime may have become trapped. An auger, often referred to as a "plumber's snake," can be inserted into the drain to remove the grime and free up the water flow. Homeowners without access to an auger can try to fish the clog out of

the drain with a wire hanger.

If clogs cannot be alleviated, drain traps may need to be accessed. Those who do not know their way around pipes and wrenches should hire a professional.

GUNN HALL'S MARCH 10TH CRIB TOURNAMENT

1ST PLACE WINNERS
Submitted by Marlaine Janke, Hall Representative | Gunn Hall

We had such beautiful weather on this day that 62 teams came out to enjoy 12 games of cards at our tournament. We understand that an important part of the tournament for our players is to en-

2ND PLACE WINNERS

joy a delicious lunch. Our kitchen volunteers strive for this and pleased the many people in attendance. They did very well and they were compliment by many.

Our prize allocations are as follows. A perfect score for 12 games is 1452 points. The 1st place team, Doris Chizma & Phillip Bryan of Barrhead, finished with 1419 points and received the amount of \$350. 2nd place for \$250 was won with 1416 points (10 wins) by Ed & Marion MacDougall of Mayerthorpe. 3rd place for \$150 was won with 1416 points (9 wins) by Judy Homeak & Mary Maughan both

3RD PLACE WINNERS

of Onoway. We paid a \$20 prize to the last place team but choose not to disclose their names. No one wants to know that anyway – haha!!

We also paid out \$90 to the players that had 24 point hands. Phyllis Webster, Janceen Horne, Joan Dean, George Adamek, Sheldon Smith, Linda Wagner, Herb Lee, Phyllis Webster again & Rolly Snider.

The jackpot was not won this time and will be carried forward to our next tournament. This can be won by getting a 29 point hand or a 28 if a 29 is not achieved in that day.

4TH PLACE WINNERS

Two 50/50 draws were held. The first being \$280 was won by Teresa Lafont & the second also being \$280 was won by Les Properzi of Linaria.

The 19 put in the first 6 games came to \$44 and was won by Ev Hodson. The afternoons was \$51.50 won by Judy Homeak of Rich Valley. Even by winning these small pots, the days entry fee cost is covered.

This was our organizations 5th crib tournament and we all appreciate the support from the surrounding communities. Congratulations to all the winners and we hope your day was enjoyable.

UPDATE ON OFFICER-INVOLVED SHOOTING NEAR EVANSBURG

Submitted by Jason van Rassel (acting), Alberta Serious Incident Response Team

On March 29, 2018, the Alberta Serious Incident Response Team (ASIRT) was directed to investigate an officer-involved shooting on Highway 16 near Evansburg.

On the same day at approximately 5:15 pm, a member of the

RCMP driving a marked police unit identified a vehicle associated with an active Calgary Police Service homicide investigation. The driver of the vehicle failed to stop for police, and a prolonged pursuit ensued. This pursuit involved additional police units, and the vehicle was eventually brought to a stop on the highway with the assistance of

a spike belt. The lone occupant of that vehicle, a 21-year-old man, got out and immediately began firing a gun, striking and injuring an RCMP member. Officers returned fire, striking and fatally wounding the man in the exchange of gunfire.

ASIRT's investigation continues and an autopsy is currently scheduled for Tuesday morning.

With the investigation well underway, no further information will be released at this time.

ASIRT's mandate is to effectively, independently and objectively investigate incidents involving Alberta's police that have resulted in serious injury or death to any person, as well as serious or sensitive allegations of police misconduct.

EVANSBURG RCMP INVOLVED IN SHOOTING FOLLOWING VEHICLE PURSUIT

Submitted by Evansburg RCMP

UPDATE – The RCMP are now able to confirm the name of the member injured.

Sergeant Brian Topham, the Evansburg Detachment Commander, received injuries as a result of a gunshot on March 29, 2018.

Sgt. Topham remains in the hospital, but is recovering well and is in good spirits. He and his family are extremely appreciative of the

support and concern that has been flooding in from colleagues and the public. The entire RCMP Division is standing behind him and wishing him a speedy recovery.

BACKGROUND:

Evansburg RCMP can confirm that one of their members has been injured on March 29, 2018 following an exchange of gunshots. The member suffered non life-threatening injuries and has been transported to an Edmonton hospital.

Earlier this afternoon, an RCMP

member in Evansburg located a male believed to be wanted on a Canada Wide Warrant out of Calgary. At approximately 5:15 p.m., efforts were made to stop the male suspect in the vehicle he was driving. The male failed to stop for police and a pursuit ensued.

The pursuit continued on Highway 16 between Evansburg and Entwistle, traveling eastbound and westbound multiple times. The suspect vehicle avoided tire deflation devices. RCMP members from Stony Plain, Spruce Grove,

Edson, and Drayton Valley assisted Evansburg members in the pursuit.

While eastbound at Nojack, the deployment of a tire deflation device was successful. The suspect continued eastbound until the vehicle came to a stop at Highways 16 and 22 North.

A confrontation occurred between the RCMP members and the suspect male, who was the sole occupant of the vehicle. The male was injured fatally and the RCMP member suffered minor injuries.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

6	7	2	5	8	4	9	3	1
8	9	3	2	6	1	4	5	7
5	4	1	9	7	3	2	6	8
3	6	9	8	2	7	1	4	5
7	8	5	1	4	9	3	2	6
2	1	4	6	3	5	7	8	9
9	3	8	4	1	6	5	7	2
4	5	6	7	9	2	8	1	3
1	2	7	3	5	8	6	9	4

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

				8	4			1
		3			1			
						2	6

The Easter Bunny is proud to announce the winners of the **Easter Colouring Contest!**

Our contest was a huge success! There were so many great entries that it was difficult to choose the winners, but after careful deliberation, we made our decision.

Each winner received a gift bag.
