PREPARING FOR ALBERTA'S FORESTRY WEEK IN WHITECOURT-STE. ANNE

Submitted by Whitecourt-Ste. Anne Constituency Office

Dozens of Grade One students in Whitecourt-Ste. Anne received seedlings from the provincial government ahead of the Alberta Forest Week celebrations on May 6- 12.

The MLA for Whitecourt-Ste. Anne delivered seedlings to five schools where he also read the book "The Magnificent Tree" to students prior to distribution.

WHITECOURT GETS MORE AFFORDABLE CHILD CARE SPACES

Submitted by Doug Neuman, Communications Officer | Alberta NDP Caucus

WHITECOURT - More families in Whitecourt will have access to affordable child care, thanks to a provincial funding announcement for 53 newly affordable spaces.

The Whitecourt Early Learning and Childcare Centre will now be able to offer 53 of its existing child-care spaces to parents at no more than \$25 per day.

Whitecourt-Ste. Anne MLA Oneil Carlier has advocated for more of these affordable spaces

in this community, and is happy with the results.

"The newly affordable spaces at the Whitecourt Early Learning & Childcare Centre will help a lot of families in our rural community. By opening newly affordable spaces across Alberta we will make an incredible difference for working parents by providing high-quality child care at a price that helps families make ends meet, let's parents go back to work, and creates hundreds of jobs while creating a brighter future for Alberta." - Oneil Carlier, MLA for Whitecourt-Ste. Anne

This week Premier Rachel Notley and Children's Services Minister Danielle Larivee announced that 100 new Early Learning and Child Care Centres across the province would be added to the existing 22 centres that opened last year as part of a province-wide pilot project.

With a total of 7,300 spaces now across the province, this program is expected to create 450 child-care jobs, empower more than 1,400 parents to enter or re-enter the workforce, and put big smiles on thousands of little faces.

Preparing for Alberta's Forestry Week in Whitecourt-Ste. Anne

Continued From Page 1

"We recognize the importance of a strong and sustainable forest in our province that's why it's truly valuable to start teaching our students at an early age about how we ensure our forests remain healthy. I encourage teachers to use the opportunity to teach about sustainable forests and wildfire prevention whenever possible but especially during Al-

berta Forest Week." - Oneil Carlier, MLA for Whitecourt-Ste. Anne and Minister of Agriculture and Forestry

The MLA delivered seedlings to Grade One students at Wildwood School, Evansview School, Entwistle School, Onoway Elementary School, Mayerthorpe Elementary School and Grasmere School. Whitecourt's Grade One students will receive their seedlings at a later date.

Since 1884, Alberta has celebrated Forest Week and Arbor Day. The spirit of Arbor Day instills the values of conservation and stewardship as well as the environmental benefits of trees and forests. Alberta Forest Week is celebrated each year during the first full week in May.

Close to 70,000 tree seedlings are expected to be delivered to Grade One students throughout the province during Forest Week.

Albertans are encouraged to check with local municipalities for more information about Alberta Forest Week and Arbor Day activities in their area.

JOKE OF THE WEEK

Two children ordered their mother to stay in bed one Mother's Day morning. As she lay there looking forward to breakfast in bed, the smell of bacon floated up from the kitchen. But after a good long wait she finally went downstairs to investigate. She found them both sitting at the table eating bacon and eggs. "As a surprise for Mother's Day," one explained, "We decided to cook our own breakfast."

PURE POTENT CBD DROPS

The World's Purest CBD Oil

• 500mg • 750mg

Organic Non GMO

CBD is in a class of its own - affordable, high quality, and convenient!

WHAT IS CBD?

Cannabidiol (CBD) is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side effects and a lack of psychoactivity (typically associated with marijuana products and high THC).

Our CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain 0.3% THC.

Benefits of CBD Oil

- Reduce Nausea & Vomiting
- Suppress Muscle Spasms
- Reduce Seizures & Convulsions
- Promotes Health
- Promotes Brain Tissue & Bone Growth
- Fibromyalgia Pain
- Reduces Blood Sugar Levels
- Antibacterial
- Anxiety & Depression
- Reduces Nicotine Cravings
- Digestive Aid
- Anti-Psychotic
- Ringing Ears - Tinnitus
- Inhibits Cell Growth in Tumors

CBD HEALTH BENEFITS

Mental & Brain Health

CBD affects principal cannabinoid receptor in the brain promoting a healthy state of mind.

General Health

Cannabidiol has incredible medicinal benefits and will improve overall wellness.

Healthy Balance

Cannabidiol helps restore healthy balance to the endocannabinoid system.

UPDATE ON FLOODING ALONG ATHABASCA RIVER EAST OF WHITECOURT

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

April 28, 2018

Overland flooding is impacting areas near the Athabasca River east of Whitecourt. The localized flooding is not impacting properties within Whitecourt, and municipal officials are monitoring the situation.

As a result of the localized flooding, areas of Flats Road east

of Whitecourt are impassable and have been closed. Barricades and signs have been placed, and people are asked to avoid the area.

“The Town of Whitecourt has offered its support to Woodlands

County,” stated Mayor Maryann Chichak. “Our communities continue to work together, and Whitecourt will lend a hand to our neighbours if needed.”

Residents are urged to use extreme caution and stay away

from the Athabasca and McLeod Rivers, associated tributaries, and any standing water ponds.

The Town of Whitecourt will continue to monitor the situation, and will inform the community as updates become available.

REAL ESTATE AND MORTGAGE FRAUD

Tips to Protect your Real Estate Investment Dollars

- * Consult public real estate websites to review property listings in the community where the property is located. Compare features, size & locations to establish if the asking price seems reasonable.
- * Get independent representation for your purchase. If the seller objects, consider it a red flag.
- * Check to make sure your representative is a licensed real estate agent. Contact your local Real Estate Board or the Real Estate Council of Alberta. Using a licensed real estate agent does not cost anything from a purchaser's standpoint. Usually all commissions are paid by the seller.
- * Beware of a real estate agent or mortgage broker who has a financial interest in the transaction.
- * Ask your independent representative to provide you with a comparative market analysis of the property.
- * Ask for a copy of the land title or go to a Registry office and ask them to do a historical title search.
- * Insist on a home inspection to guard against buying a home that has been cosmetically renovated.
- * When you make a deposit, ensure your money is protected by being held "in trust".

Red Flags to Watch for Mortgage Fraud

- * Someone offers you a fee to use your name and credit information to obtain a mortgage
- * You are encouraged to include false information to a loan application
- * You are asked to leave signature lines or other important areas on a loan application blank
- * The loan amount on the mortgage is significantly higher than the value of the property
- * The mortgage has been refinanced several times and each instance, the amount of the mortgage has increased
- * The seller or investment advisor discourages you from seeing or inspecting the property you are offering to purchase

DARWELL PUBLIC LIBRARY MAY NEWS

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

Here is what's happening at the library in May

Preschool Story Time for children 0 to 5 years of age continues every Monday morning, except holidays, from 10 – 11 AM. This program will run until May 28, 2018. This is a free drop in program so come join us for stories, activities, crafts and a snack. All children must be accompanied by an adult as this is a program designed for parents/caregivers and

children together.

The colouring club, LEGO and Family Games continue daily, during regular library hours, until May 31, 2018. We encourage you to ask about our passive programming and provide ideas for what you would like to see in the library.

Tai Chi continues every Wednesday and Friday morning, except holidays, from 10–11 AM until May 30, 2018. All you need are loose comfortable clothes and flat shoes. This year we are offering a \$ 5.00 drop in fee for those who have already learned the 108

moves or for those who are curious and would like to see what it is all about.

Lac Ste Anne County Horticulturalist Lorraine Taylor will be at the library on Tuesday, May 1, 2018 for the third session, Container Gardening or Pots with Pizzazz starting at 7PM. In this session Lorraine will give tips on containers, potting soil, watering, great new plants and planting combinations. This session is free to attend but we ask you to pre-register by contacting the library @ 780-892-3746.

We are offering a Mother's Day

Craft for children 6 year of age and up on Wednesday, May 9, 2018 from 3:30 to 5:00PM. This year we will be making a sweet treat for Mom and a card. Space is limited to 10 spots, so we encourage you to register early to avoid disappointment. This program is funded by FCSS.

Join us for Family Movie Night, at the Lake Isle Community Hall on Friday, May 25, 2018. We will be showing the "PG" rated title "Peter Rabbit". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission is \$ 2.50, and a concession will be available. This will be the last event until September, see you there!

We are currently doing a Value Village donation drive and are looking for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. You can drop off your donations at the library expansion during regular library hours until May 30, 2018. Should these times not work for you please contact the library to make alternate arrangements.

The next Book Club will be meeting on Monday, May 7, 2018 at 7:00 p.m. to discuss "Winter Garden" by Kristin Hannah. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you are interested in participating, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

The Darwell Public Library Society will be holding their next regular meeting on Monday, May 28, 2018 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

RURAL CRIME AWARENESS

Protect machinery from theft by leaving valuables locked in a shed or storage facility and by marking equipment with your drivers licence and province of issue (an engraver can be borrowed free of charge from most local police detachments).

Protect livestock by checking herds regularly and keeping accurate records of livestock born, sold or purchased.

“Grain Fette” or “Grain Guard” is a unique approach to identifying your crops. Small bits of paper, each one imprinted with your special code number, are mixed with grain as grain is being augered into the storage shed. This is approved by the Canadian Grain Commission. The paper used is also digestible in animal feed.

Utilize the Report-A-Poacher Program. Their toll free number is 1-800-642-3800.

Rural Crime Watch Members are concerned citizens who are watchful for unusual activity in their community. They record information on suspicious people and vehicles and pass it along to local police. Join together with your neighbours to install a crime watch program in your area. Do not approach suspicious individuals on your own.

CHILDREN ON-LINE

SOME TIPS FOR CHILDREN ON THE NET

1. Do not use login names or nicknames that will reveal age or gender.
2. Never give out personal identification including friends, addresses, school activities, passwords or real names.
3. Everyone is a stranger. Identities can be hijacked or passwords compromised so even your "best friend" online might not be who they say they are.
4. Everyone lies. While this might not be true, it is easier to assume that it is true and to act accordingly.
5. The Internet is NOT secure. It is a shared resource. Email is about as secure as a postcard; Chat is about as private as having a phone call with your parents listening in on the other extension.
6. The people who would harm you have often had lots of time, experience and knowledge on how to trap you. You are an amateur compared to them. They will do everything they can to trick you into trusting them.
7. Do not agree to meet anyone offline.
8. If you are even a little bit suspicious, talk to your parents.

SELF DEFENCE

1. Computers used by children should be placed in a supervised area with the screen facing outwards.
2. All computers that can connect to the Internet should have Anti-Virus Software installed and updated at least weekly, if not daily.
3. All computers that have a dedicated connection (cable/dsl) should also have a firewall device or firewall software installed to block intruders.
4. Never open attachments unless they have been scanned. If you do not know the sender, attachments should be deleted.
5. Use passwords to secure your computer even if you are the only user. If the computer equipment is stolen, all your information could be compromised. Change your password regularly.
6. Disconnect your network connection or turn off your computer when you are not using it.
7. Your computer needs regular maintenance, upkeep and periodic upgrades to keep it functioning well.
8. Always back up your data. Keep the data stored securely and separately from the computer.

DRUNKS & DRUGGED

IT'S YOUR DUTY TO REPORT AN IMPAIRED DRIVER

TIPS TO SPOT AN IMPAIRED DRIVER

Drivers who are impaired by fatigue, drugs, alcohol or other distractions such as cell phones, are a danger not only to themselves, but also to the innocent drivers around them. If you witness any of the behaviors below, call 911 and tell the operator that you are calling to report an impaired driver. Be prepared to describe the make, model, color and license plate number of the vehicle, and provide its exact location.

Signs of impaired driving include:

- Failure to turn on headlights at night.
- Illegal or sudden turning.
- Turning within an unusually wide radius.
- Nearly striking other cars or objects.
- Sudden or erratic braking.
- Drifting, swerving or weaving.
- Driving with the face close to the windshield.
- Drinking alcohol in the vehicle.
- Driving much slower than the posted speed limit.
- Rapidly accelerating.
- Tailgating.
- Driving in the middle of the road, or with the left tires on the center line.
- Responding slowly to traffic signals

MAY NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

Submitted by **Melanie Fitzgerald, Library Manager** | Rich Valley Public Library

On April 17, 2018 the Adventure Bus was at the Rich Valley Public Library. We would like to thank everyone who attended this program. Some of the feedback we received is the kids had an excellent time, and it was very cool opportunity. The kids enjoyed this very as the social skills and physical activ-

ities were fantastic. We would also like to thank the FCSS for funding this program.

This month we are offering the following programs:

Rich Valley Public Library is holding their book sale at the Something's Old, Something's New Community Sale on May 12, 2018 from 10:00 am to 4:00 pm. All books are for sale by donation.

B.E.E Program. Basic Effective Early Literacy on Wednesday,

May 23, 2018. This program will provide ideas, activities and games which can give your child a head start in their reading and writing skills before they begin school. From hand eye coordination to recognizing their letters, the B.E.E program has activities to help all children ages 0-6 become early readers and writers. We invite ages 0-4 years old from 10:00 am-12:00 pm and ages 5-6 years old from 1:00 pm- 2:30 pm to bring

their parents to enjoy our program.

Parent and Tots is every Wednesday from 9:45-10:45 am. Parents, guardians and caregivers are invited to bring your toddlers to play, discover and make friends at this free drop-in program held at the Rich Valley Public Library. All children ages 0-6 are welcome. Snacks, juice and coffee will be provided. This program is funded by FCSS.

Story Time is every Wednesday from 11:00-11:45 am. Bring your toddlers in on Wednesdays from 11:00 to 11:45 am for stories, activities and crafts. All children ages 0-5 are welcome to join us at this free program. Every third Wednesday of the month we will alternate between Tents and Tunnels, Play Doh Fun and Lego Building.

Yoga is every Tuesday from 7:30-8:30 pm. Join Melissa, our yoga instructor, in the Yellow Room on Tuesdays from 7:30 to 8:30 pm. The current session runs April 24, May 1, May 8, May 15, May 22 and May 29, 2018. Yoga is a wonderful way to stay strong and flexible for life. The cost is \$60.00 for six classes or \$12 per drop in fee. Please contact the library at 780-967-3525 to register or drop in on Tuesdays.

Join us for Free Movie Night at the Rich Valley Public Library. The Rich Valley Public Library will be showing "The Greatest Showmen" (Rated PG) on Saturday May 26, 2018. Doors open at 5:00 pm and the movie will start at 6:00 pm in the Yellow Room. Admission is free. Popcorn, licorice, pop and water will be available for sale. Please feel free to bring pillows or blankets to sit on. Upcoming movies are "Ferdinand" (Rated PG) on June 16, "The Son of Bigfoot" (Rated G) on July 19 and "A Wrinkle in Time" (Rated PG) on Aug 16, 2018

If you have any questions, feel free to contact us at 780-967-3525 or drop in.

We are located in the basement of the Rich Valley Community Hall.

Rich Valley Public Library is open Tuesday from 5-8 pm, Wednesday from 10 am-2:30 pm, Thursday from 2-6:30 pm, and Friday from 9 am-12 pm. We look forward to seeing you!

That's what it takes to help prevent crime. During Crime Prevention Week, do what you can to keep your home, neighborhood and workplace safe.

When away from home for extended periods:

Install timers on a few inside and outside lights.

Hold mail and newspaper delivery or donate it to a school or hospital.

Have a trusted friend or neighbor look after your home.

Around the house:

Do not leave tools or ladders outside your home.

Make sure external doors and frames are sturdy. Steel or 1 3/8"-thick wood is preferable.

Installing a security system can add extra protection against crime, fire or accidents.

In the neighborhood:

Join a neighborhood watch committee, and ask local law enforcement for assistance.

Get to know your neighbors. It will instill a sense of community and help everyone feel safer.

Report any suspicious neighborhood activity to the police.

BULLYING

Tips for Dealing With Bullying

- 1) Take complaints of bullying seriously. Do not dismiss your child or expect your child to work through the situation alone.
- 2) Praise your child for reporting bullying situations to you and assure your child you will take action.
- 3) Talk to your child's teacher, counselor, or other caregiver about reports of bullying.
- 4) Work together to address the bullying situation. Don't confront the parents of the bully directly.
- 5) Ask your child specific questions about how your child is treated by peers, who he or she eats lunch with, and how other children are treated.
- 6) Teach your child to be assertive. Your child should be able to express feelings and needs clearly, without shouting or other aggressive behavior.

- 7) Provide opportunities for your child to make friends. Identify some of your child's interests and encourage your child to pursue them through sports, clubs, or other group activities.
- 8) Teach your child to identify bullying behaviors. These include hitting, damaging possessions, threatening, name calling, & excluding someone

CRIME PREVENTION

Use these helpful tips to help keep our community a safe, enjoyable place. Look around your home, school or office and see where you can make a difference.

- Keep an eye out for strange vehicles parked in your area at odd hours or for long periods of time
- Make sure all young children know how to handle possible confrontations with strangers.
- Start teaching children at an early age how to avoid drugs and alcohol.
- Get children involved in organized after-school programs.
- Start, join or reactivate a neighborhood watch program.
- Be aware of your surroundings, especially when walking alone at night.
- Participate in forums which involve local officials, such as city council meetings.
- Reach out to crime victims, their families or others in the community who need support.
- Get to know your neighbors - you may find others with an interest in safety, too.
- Be familiar with members of your local police and fire departments.
- Make sure all street lights in your area are in working order. Alert local officials if they are not.
- Set up buddy systems for teens going out after dark.

HOW TO FIX THAT STICKING DOOR

Nearly everyone has experienced a sticking door that just will not close properly. This problem may become more noticeable when temperatures rise and humidity contributes to the swelling of wood doors and frames.

According to The Family Handyman, a home improvement resource, the standard remedy for alleviating a sticking door is to remove the door and pare down the edges that are rubbing so that the door will once again swing freely. While this can solve the problem, it can be a hassle, as it requires refinishing the pared-down edge and rehanging the door. Try these shortcuts first before creating more work than might be necessary.

- Identify the problem area and rub it with a dry bar of soap. This should reduce friction and allow the door to close more easily.

- Remove humidity with a dehumidifier or by running an air conditioning unit.

- Check for loose hinges or sagging around the hinge. Tighten the fasteners to sure up the door and create better alignment.

- Spray the hinges with lubricant if you suspect sticking is originating because of squeaky hinges.

- Look for obstructions at the bottom of the door. Is the door dragging on carpeting or being caught on something on the floor? It may be a matter of simply clearing away the obstruction.

BRING MORE NATURAL LIGHT INTO A HOME

Maximizing natural light in a home is a smart and sometimes low-cost renovation. Homes that are dark and drab can drain energy levels and reduce productivity. In addition, dark rooms may not be inviting places to gather as a family or when entertaining.

Certain factors contribute to a dark home. Houses that face north or east may not get the same level of sunlight as those that primarily face south and west. Geographic location also plays a role in the amount of natural sunlight. Mountains, buildings and even latitude can affect the amount of natural light that enters a home.

The style of a home and its attributes also may create dark conditions. Deep house eaves as well as small windows or too

few windows also can contribute to a deficit of light indoors. A major remodel certainly can remedy the situation. However, there also are other less-extensive strategies to improve natural light.

- Assess the situation before renovating. Walk around the house and determine which rooms get the most light and which conditions may be contributing to the problem in other areas. Dark floors and walls may be absorbing natural light and compounding the situation. You may find that only one or two rooms need attention, saving you the cost and effort associated with a major home overhaul.

- Lighten up window treatments. Heavy drapes or thick blinds can be replaced with

translucent alternatives. Translucent shades will allow light into the room without compromising privacy, say the experts at HGTV.

- Use mirrors strategically. A mirror placed opposite

a window will reflect light all around the room. This can make a small room seem larger and a dark space instantly brighter.

Bring More Natural Light Into A Home

Continued from Page 19

- Install new windows and doors. If the budget allows, installing larger windows in a home will allow more natural

light in. French doors or sliding doors also may make a home's interior more bright. Think about adding windows to a side of the house that has none, or increase the size of the windows

on the side of the house that gets the most light.

- Maximize sunlight from above. Skylights will bring light into a home as the sun passes overhead. Tubular skylights can bring natural sunlight into spaces where you may not expect skylights to be practical. According to Houzz, a design and architectural resource, tubular daylighting devices, or TDDs, can make a big difference. TDDs are reflective pipes installed between the roof and ceiling, with a clear plastic dome.

- Use reflective decor. Reflective surfaces, including glass and metal, can brighten up a room and diffuse light around a room. Glossy backsplashes,

pendant lighting and shiny metal that reflect light can increase the natural light, balancing out dark spaces.

- Prune trees regularly. Cut back branches and keep trees tidy to maximize sunlight. Avoid planting tall shrubbery in front of windows.

- Routinely clean windows and glass doors. Dirt and other grime can prevent light from getting through. Regularly give windows a thorough washing.

Natural light is an important commodity in a home. Sunlight can improve mood and go a long way toward keeping home occupants healthy and happy.

HOW TO FIND THE RIGHT REPLACEMENT WINDOWS

Replacing old windows is often a worthwhile investment for homeowners. Energy-efficient windows can prevent heating and cooling loss and keep homes more comfortable throughout the year. Such windows also can improve a home's resale value, proving a good return on investment for homeowners who want to upgrade their homes before putting them on the market.

Window replacement projects can be costly, so it pays to get the job right the first time. Before beginning a window replacement project, homeowners should research which windows will meet their specific needs, learning the subtleties between finishes and features, as well as comparing prices for the windows and installation.

Choose the right time of year

The best time of year to plan window replacement is when the weather will be warm, ideally in the spring or early summer. However, homeowners do not want conditions to be too warm, as each room where new windows will be installed will temporarily be exposed to the elements. Furthermore, caulk adheres better in warmer weather and will dispense easily.

Consider available features

When replacing windows, homeowners may want to install the same style windows they currently have. But the problems that led to the need to replace windows may still exist even when new windows are installed. When replacing windows, consider energy performance ratings based on the locations of the windows in the house. To make sure they make the most educated decision, homeowners can investigate the solar heat gain coefficient, U-factor, visible transmittance and light-to-solar gain. Explanations of these ratings are available at Energy.gov.

Don't ignore maintenance needs

Maintenance costs involved with cleaning, repairs and painting can add up. When shopping for windows, consider the amount of maintenance they will need. Wood-framed windows may require more upkeep than aluminum, fiberglass or vinyl. Also, consider if certain window types, such as double-hung windows, casement windows, awning windows, or slider windows,

would be practical.

Keep home style in mind

A poor match between windows and the style of the home can produce unwanted changes in the appearance of the home. Replacement windows should match the style and appearance desired.

Expect minimal disruption

When homeowners hire professionals who are good at their craft, window replacement projects should not be a terrible inconvenience. According to American Window Products, Inc., seasoned professionals will be able to complete a replacement window upgrade in a short amount of time

depending on the size of the home and the number of windows being replaced.

Replacing windows can be a costly task, but one that will provide a more energy efficient home that can help homeowners save money in the long run.

ABDUCTION IS NOT A GAME

DON'T TALK TO STRANGERS!

Tips about Strangers

A stranger is anyone you don't know. There is no way to tell by the way a person looks if they are dangerous or not. A dangerous person does not always look mean or scary, so judging by the way people look is a mistake. It's not so easy to tell who is okay and who is not. Just because someone looks nasty doesn't mean that they would hurt you and just because someone looks nice, doesn't mean that they are a nice person.

There is only one person that is with you all the time and can be responsible for keeping you safe at all times. **THAT PERSON IS YOU!** Safety rules need to apply **ALL THE TIME**, not just when someone who looks bad or scary is around. One of the most common ways that kids get hurt by strangers is when being friendly and helpful to adults who pretend to need help. When you are without your parents or other adult you know, it is your job to protect yourself. It is not your job to offer help to any adults, even if they ask! A grown-up who needs help should get help from another adult, not a child. So remember, looking out for yourself is your biggest job when you are not with your parents or another adult, so you have permission to ignore or refuse adult requests for help

Stranger Tips:

- Walk and play with others and use the buddy system. If you walk somewhere, walk with other children.
- Adults do not usually ask children for directions or help, they should be asking other adults. If someone in a car should stop to ask for directions, you should not go near the car.
- Stay an arms reach or more away from strangers. Stand up, back up and run to someone who can help you if you feel afraid.
- If someone is following you on foot or in a car, go to a place where there are other people--to a neighbor's home or into a store, a police station or even a library for instance--and ask for help.
- No one should ask you to look for lost items such as a "lost puppy" or tell you that either of your parents is in trouble and that he or she will take you to mom or dad. If someone tells you this, run the other way immediately and find help with an adult you know or run into a safe place you know.
- Never go near a car with someone in it or get into a car without your parents' permission. You should learn whose cars you are allowed to ride in.

EDUCATION WEEK APRIL 30—MAY 4 “LEARNING IS A JOURNEY”

Submitted by Wanda Pederson | Onoway Junior Senior High School

Every year, Alberta Education celebrates education across the province. This year Education Week is April 30th—May 4th and the theme

chosen was “Learning is a Journey”. Once upon a time, classrooms in our schools were mostly concerned with the “Three Rs” - these were the

foundations of the basic education program in schools: reading, writing and arithmetic.

Now, education programs provide countless opportunities for students to discover their unique abilities and skills, to increase their knowledge base and to establish a strong foundation for lifelong learning. School programs are more broadly focused and they are developed according to the academic, social, and emotional needs of each student.

Onoway Junior Senior High School has a student population of 510 from Grades 8 to 12. Students and staff are fortunate to have a brand new state-of-the-art school where 21st Century competencies are embraced. Alberta Education states that these competencies “are combinations of attitudes, skills and knowledge that students develop and apply for successful learning, living and working. Competencies help students draw and build upon what they know, how they think and what they can do.”

OJSH offers academic and non-academic core subjects – Math, English, Social Studies, Science, Phys. Ed. and as many options classes as can be timetabled. Students can participate and grow their talents in our popular Music program, or they can take Robotics, Business, Drama, or French language courses. We have a vibrant and successful CTS (Career and Technology Studies) program that includes Mechanics, Carpentry and Woodworking, Art, Computer Technologies and Cosmetology. OJSH also offers real-world skills opportunities: Work Experience gives students exposure to authentic employment experiences; RAP (Registered Apprenticeship Program) gives students a head start into the trades; and the Green Certificate program gives students advanced learning in the agricultural industry. OJSH also participates in the dual credit program where students earn post-secondary credits and credentials while still in high school. One of the most popular dual credit programs is the Health Care Aide certificate, available in conjunction with

Norquest College. Students can also take a wide variety of self-directed courses through our outreach centre, Gateway Academy. In addition to the scheduled courses, OJSH welcomes visitors and speakers to our classes throughout the year. We have regular visits from our local seniors who demonstrate cooking and baking skills to our foods classes and we invite post-secondary institutions and a wide variety of mental health experts to talk to our students.

The mottos of our school and of our jurisdiction reflect the belief that learning is a journey: the OJSH motto is "Empowering Learners" - every

day in many different ways, we help our students become aware of their abilities and potential and to gain the knowledge necessary to succeed academically, socially and personally. Northern Gateway Public Schools' motto says: "Learning for Life. Together". When we, as an educational community, empower our students to learn, they will embrace lifelong learning—a journey that is indeed worth travelling.

ONOWAY COMMUNITY HALL 50TH ANNIVERSARY CELEBRATION

Submitted by Donna Baldwin | Onoway Community Hall

The Onoway Community Hall will be celebrating 50 years during Onoway's Heritage Days.

The original hall was leased to the BPOElks. In 1966, the Centennial Committee was formed by the residents of the Community with the purpose of building a new Community Hall to serve the Onoway Community and surround-

ing area. Many will remember the beard competition and many events surrounding the 100th Anniversary of Canada. On completion of the project, the building was sold to the Village of Onoway for a nominal amount and continued to be leased to the Elks Lodge until 1997. Many projects were advanced in the community with the assistance of the Elks. Upon relinquishing the administration at that time, facilitators were brought

in to address the future of the Hall. The result was the formation of the Onoway Facility Enhancement Association. This organization has leased the Hall from the Town of Onoway since 1997. Many changes have taken place over the years and we now have a state of the art kitchen, an elevator, upstairs air conditioning, original hardwood floor upstairs as well as many other amenities. The Hall continues to serve the Town and surrounding area and is a central location, welcoming the community to many events over the years.

Bingos were very lucrative and popular for many years and are remembered as a great social event. Today, working Casinos have replaced Bingos for many community organizations.

Saturday, June 9th, during Onoway Heritage Days we will be celebrating this anniversary with old time fiddle music supplied by the Troy Gates Band. This will take place from 2:00 - 4:00 and will be a free will offering. They are well known throughout the area and will be a welcome addition to Heritage

Days and to our event. Bring along your dancing shoes! The Alberta Society of Fiddlers will be making a donation for this event. Their purpose is to promote Old Time Fiddle music. Following this, there will be a Social Hour with presentation of dignitaries, greetings and cutting of the "Anniversary cake". A rib supper will be served at 5:30pm. A limited number of tickets will be available for the supper for \$15.00 from members, at the Hotel or the Town Office.

Originally the village received some funding from the Federal Government that was used to build the hall. In addition to that, funds were raised by selling the "blocks" that were used in the construction. These blocks were bought for \$5.00 each by members of the community. In remembering this, we are again, going to "sell" these blocks at an uninflated price of \$5.00 which will be in the form of a raffle, to be announced later.

Please bring along your memories and come out and celebrate with our community at this special time.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
