LEDUC FIRE ASKS CITIZENS TO 'BE EMERGENCY READY' MAY 6-12

Submitted by Mariann McLaughlin, Corporate Communications | City of Leduc

This week is National Emergency Preparedness Week, May 6 - 12, and is designed to help remind citizens the essential nature of being prepared for whatever comes our way from coast-to-coast-to-coast. Disasters come in all forms from fires and floods, to tornadoes and hurricanes, to man-made incidents which is why it's important to be prepared for what can happen in our region.

"Being prepared for any emergency is everyone's responsibility because when a major disaster occurs, we can't assume first responders will be able to help us immediately, hence the importance of having a 72- hour kit,"

says Deputy Fire Chief Gerry Kelly.

These 72-hour kits must contain everyday items and essentials you'll need during an emergency. Some of the items are blankets, bottled water and high energy food, flashlights, batteries and more. For a complete list, see Page 14 of the Leduc Emergency Preparedness Booklet online or pick up a hard copy at Fire House 1.

According to Kelly, another factor to consider with emergency preparedness is knowing what to do and what's needed for disaster relief, like the Wood Buffalo fires in 2016.

"By nature, we all want to help others so it's vital for people to know what's needed during the recovery phase, such as volunteering your time and monetary

donations," says Kelly. "With our Family and Community Support Services partners, helpful information can be found on the website that clearly outlines how people can help in times of crisis."

OPEN HOUSE

Leduc Fire Services is hosting an open house for Emergency Preparedness Week encouraging citizens to drop by between 1 - 3 p.m., Saturday, May 12, 2018 at Fire House 1 (2 - 4119 50th St Leduc).

ENABLING ACCESSIBILITY FUND – MID-SIZED PROJECTS

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that the federal government has opened a call for concepts (CFC) for mid-sized projects under the Enabling Accessibility Fund (EAF) through Employment and Social Development Canada (ESDC).

The call is open to not-for-profit

and Indigenous organizations, municipalities and territorial governments.

The EAF mid-sized CFC provides contribution funding to organizations for projects that help improve and make Canadian facilities and venues more accessible for people with disabilities. As a result of the projects, eligible organizations must offer or plan to offer services and programs that support the social and labour market integration

needs of people with disabilities. Financial contributions between \$350,000 and \$1 million will be provided through the current CFC for each successful retrofit, renovation or construction project.

The CFC follows a two-step application approach. First, applicants are invited to submit their project concepts. Then, applicants whose project concepts are successful will be asked to submit a detailed proposal at a later date.

The deadline to apply is May 24, 2018.

“This call for proposals provides an important opportunity to make sure that all residents in our riding of Yellowhead, regardless of their abilities, feel welcome in their workplaces and communities. That is why I strongly encourage all eligible organizations to submit a proposal for this funding,” concluded MP Eglinski.

More information on how to apply can be found at: <https://www.canada.ca/en/employment-social-development/services/funding/enabling-accessibility-fund-mid-size.html>

Gordon was a respected member of the parliamentary community and will be greatly missed by all his colleagues in the House. I would like to extend my condolences to his wife Claudine and his sons, Chance and Tristan, as well as to his family and friends. Out of

respect, Parliament closed early on Wednesday after the leaders of each party made a public tribute to Gordon in the House of Commons.

Submitted by Corrine Paradis | SG & District Ag Society

Renowned Canadian Fiddle Champion Scott Woods and his All-Star Band present Fiddling Up A Storm! This uplifting 2 hour Branson-style live show features lots of Canadian Old Time Fiddle music, Traditional Country songs, Western swing tunes, Country Gospel favourites, fancy instrumentals, sweet harmonies, smooth vocals, sensational step dancing, family humour, inspirational stories, and of course some of Scott's famous trick fiddling – front and back somersaults and walking on a barrel – all while playing his fiddle! Joining Scott onstage in Fiddling Up A Storm is:

His sister, Kendra (Woods) Norris – a multi-instrumentalist and certainly no stranger to old time fiddling, having won the Canadian Duet Fiddle Championship title 3 times with Scott, as well as several solo wins in various classes including the 2016 Canadian Open (19-55 division). Also onstage are Canadian Country Music Award Winner and Guitar Player of

the Year, Steve Piticco; Bass Player Peter Sisk, Canadian Country Music Award Winner and Drummer of the Year, Bill Carruthers and champion Step Dancer 13-year-old Leo Stock.

Scott Woods is a two-time winner of the Canadian Open Fiddle Contest, two-time winner of the Canadian Grand Masters Fiddle Championship as well as Fiddle Entertainer of the Year. He is known affectionately as 'The Flippin' Fiddle' and tours extensively across Canada and the USA every year raising funds for churches, charities and community service organizations. Scott and the band also tour in Germany.

The show takes place on Monday, June 4th, 2018 at 7:00 p.m. at the Stony Plain Community Centre (5008 – 51st Avenue, Stony Plain). Concert proceeds support the Spruce Grove & District Agricultural Society (Grain Elevator).

TIPS TO STOP SCHOOLYARD BULLYING

- Take it seriously. It's easy to say, "Kids will be kids" and assume it will pass. But if your child is coming home upset and is suddenly anxious about school because of the way a kid (or kids) are treating him, you should pay attention.
- Drop your kid off at school or stand on the sidelines during recess. Bullying tends to occur when adult supervision is lacking, so before school or on the playground at recess.
- Talk to other parents. Young kids are talkers. If you're friendly with a parent in your kid's class, ask them if their child has mentioned anything about kids being picked on at school.
- Tell the teacher. It's really important to let your child's teacher know what your kid is telling you -- especially if someone is getting hit.
- Empower your children. Let your kids know that it's not their fault that they are being bullied. Teach your kids to focus on their own behavior.

BULLYING

Tips for Dealing With Bullying

- 1) Take complaints of bullying seriously. Do not dismiss your child or expect your child to work through the situation alone.
- 2) Praise your child for reporting bullying situations to you and assure your child you will take action.
- 3) Talk to your child's teacher, counselor, or other caregiver about reports of bullying.
- 4) Work together to address the bullying situation. Don't confront the parents of the bully directly.
- 5) Ask your child specific questions about how your child is treated by peers, who he or she eats lunch with, and how other children are treated.
- 6) Teach your child to be assertive. Your child should be able to express feelings and needs clearly, without shouting or other aggressive behavior.

- 7) Provide opportunities for your child to make friends. Identify some of your child's interests and encourage your child to pursue them through sports, clubs, or other group activities.
- 8) Teach your child to identify bullying behaviors. These include hitting, damaging possessions, threatening, name calling, & excluding someone

RURAL CRIME AWARENESS

Protect machinery from theft by leaving valuables locked in a shed or storage facility and by marking equipment with your drivers licence and province of issue (an engraver can be borrowed free of charge from most local police detachments).

Protect livestock by checking herds regularly and keeping accurate records of livestock born, sold or purchased.

“Grain Fette” or “Grain Guard” is a unique approach to identifying your crops. Small bits of paper, each one imprinted with your special code number, are mixed with grain as grain is being augered into the storage shed. This is approved by the Canadian Grain Commission. The paper used is also digestible in animal feed.

Utilize the Report-A-Poacher Program. Their toll free number is 1-800-642-3800.

Rural Crime Watch Members are concerned citizens who are watchful for unusual activity in their community. They record information on suspicious people and vehicles and pass it along to local police. Join together with your neighbours to install a crime watch program in your area. Do not approach suspicious individuals on your own.

AWARENESS TEAMWORK ACTION

That's what it takes to help prevent crime. During Crime Prevention Week, do what you can to keep your home, neighborhood and workplace safe.

When away from home for extended periods:

Install timers on a few inside and outside lights.

Hold mail and newspaper delivery or donate it to a school or hospital.

Have a trusted friend or neighbor look after your home.

Around the house:

Do not leave tools or ladders outside your home.

Make sure external doors and frames are sturdy. Steel or 1 3/8"-thick wood is preferable.

Installing a security system can add extra protection against crime, fire or accidents.

In the neighborhood:

Join a neighborhood watch committee, and ask local law enforcement for assistance.

Get to know your neighbors. It will instill a sense of community and help everyone feel safer.

Report any suspicious neighborhood activity to the police.
