VOLUNTEER EFFORTS ARE NO JOKING MATTER, KINDA...

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

No one in the room was safe as members from Grindstone The-

atre picked on members of the audience for a good-humoured sketch show that took place at the 2018 Yellowhead County Volunteer Appreciation Gala. Volunteers, staff, and May-

or Gerald Soroka were at the pointy end of the quick wit delivered by Edmonton's comedy musical-improv act Grindstone.

HEADS-UP FOR MOTORCYCLE SAFETY

Submitted by Alberta RCMP Traffic Services

May marks the start of Motorcycle Safety Month in Alberta. As warm weather welcomes

motorists across the province, it is important to work together to ensure driver and passenger safety. In keeping with our goal of keeping Albertans safe on roads and highways, the Alber-

ta RCMP encourages motorcyclists to adopt safe driving behaviours that reduce the risk of collisions.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by **Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division**

May 2, 2018

• Trustees agreed to provide a letter of support to the Lobstick Literacy & Learning Society for their application for a Community Initiatives Grant for the purchase

of new computers for their classroom located in Grand Trunk High School in Evansburg. The Society supports adult learning for people in the communities of Fallis, Seba Beach, Gainford, Entwistle, Evansburg, Wildwood, MacKay, Niton Junction, Carrot Creek, Fulham and Peers.

• Deputy Superintendent Murray provided information on the student teacher placements throughout

the division for the 2017-18 school year. In supporting professional development opportunities, Grande Yellowhead encourages teachers to share their knowledge and expertise as mentor teachers, and supports these programs by providing a university facilitator and seeking appropriate placements. Students from the University of Alberta and Grande Prairie Regional College are currently supported in GYPSD schools this current year.

• The board received a list of schools who are participating in field testing of Student Learning Assessments, Achievement and Diploma field tests scheduled between April and June 2018.

• Trustees shared their participation in various school and community events over the last few weeks including attendance at school council meetings, community trade shows, and 2018 Education Week volunteer opportunities. Many were also in attendance at the GYPSD Youth Symposium in Hinton where they fully enjoyed interacting with students from all five schools.

JOKE OF THE WEEK

Four high school boys afflicted with spring fever skipped morning classes. After lunch they reported to the teacher that they had a flat tire. Much to their relief she smiled and said, "Well, you missed a test today so take seats apart from one another and take out a piece of paper." Still smiling, she waited for them to sit down. Then she said: "First Question: Which tire was flat?"

Volunteer Efforts Are No Joking Matter, Kinda...

Mayor w Nominee Recipient

GrindStone Theatre Sketch Comedy Troupe w Soroka @ 2018 YC Volunteer Gala

Continued From Page 1

Although the entertainment at the gala was a big hit, the recognition of volunteers was the real reason for everyone's attendance. "These local volunteers are essential to the strength and vitality of the communities of Yellowhead County," states

Yellowhead County Family and Community Support Services Supervisor (FCSS), Wendy Robinson. "Without volunteers, our communities would just be places to eat and sleep. Volunteers help make our communities better places to live."

Representatives from over 40 groups that work with Yellowhead County programs were in-

cluded at the Yellowhead County Volunteer Appreciation Gala held at the Edson Legion where volunteers were recognized for their amazing work from this past year.

Attendees nominated an Outstanding Volunteer from their group to be recognized individually at the gala.

Volunteers representing se-

nior clubs, cemeteries, agricultural societies, historical groups, hall and community societies, volunteer income tax, and other partnership groups serving Yellowhead County were invited to participate. The event was sponsored by Yellowhead County and Volunteer Alberta.

Heads-up for Motorcycle Safety

Continued From Page 1

Safe motorcycling begins long before hitting the pavement. By planning ahead, you can ride towards a safer future for you and everyone else on the road. Here are some safety tips for drivers and motorcycle riders:

- Wear a helmet. By wearing an approved motorcycle helmet, you are, according to the Alberta Ministry of Transportation, 37% less likely to sustain a fatal injury in a collision. If your helmet has been damaged, replace it with a new one. Used helmets could be broken in ways that can't always be seen.

- Gear up! The right gear will protect you and keep you comfortable while you ride. Along with a helmet, riders should wear shatter-proof eye protection, a durable, bright coloured jacket, long pants, leather footwear that protects the ankles, full fingered, non-slip gloves and all weather proof riding clothes.

- Stay bright and in sight! Wearing high visibility safety gear in colours like orange, yellow and white instantly draws other motorists' eyes to you. Re-

member, motorcycles are smaller than most vehicles. Staying out of blind spots on roadways and in parking lots will help keep other vehicles aware of your presence.

- Showing off does not pay off – but driving defensively does. Never underestimate the speed of your motorcycle. Its size makes speed deceptive. Driving defensively means being aware

of your surroundings, sharing the road, changing lanes with extreme caution.

- Practice makes perfect. Riders should practice on safe roads away from high traffic areas and highways to make sure they are comfortable and confident in their skills on the road.

The Alberta RCMP is launching a four-month summer vehicle safety campaign to promote

general traffic safety tips for motorcyclists, ATV riders and boaters as well as educate and raise awareness of the dangers of distracted and impaired driving. Police remind the public to stay engaged and share these messages with family, loved ones and friends using the hashtag #RCMPSummerSafety.

We turn your ideas into reality.

ENOCH RESIDENT WINS \$180,671 ON POKER LOTTO

Submitted by Kevin van Egdom | Western Canada Lottery Corporation

Joseph Peacock is reveling in his decision to add ALL IN to his POKER LOTTO ticket. Thanks to

that choice, he saw his win prize jump from \$10,000 to more than \$180,000. Peacock is the first-ever Royal Flush winner on ALL IN.

“My very first thought was, ‘No. No way!’” he remembered. “I’ve never won anything like this be-

fore – I was so excited!”

The Enoch resident purchased his March 23 POKER LOTTO ALL IN ticket at Edmonton West Husky, located at 11429 266 Street in Acheson. One of the hands on his ticket matched a Royal Flush in hearts, winning \$10,000, plus the \$170,667.60 ALL IN jackpot. He also matched two pair on another hand – winning \$4.

The happy winner said this win is extra-sweet, because he almost didn’t buy the add-on game.

“I always add EXTRA when I buy other tickets, but this was the first time I added the ALL-IN option,” he said. “I happened to look at the screen and saw that the pot was building, so I thought why not!”

“I’m glad I did,” he continued with a laugh. “I think I always will from now on.”

Peacock said he has a couple plans for his winnings.

The winner said he plans to use his windfall to help his family, trade his van for a newer model, and buy a new TV.

Join me at your local library for a chat about the Alberta budget.

PARKLAND COUNTY COUNCIL HIGHLIGHTS

Submitted by Barb Williams, Legislative Officer | Parkland County

From April 24, 2018 – Regular Council Meeting

- Council welcomed students

from Ecole Meridian Heights School who presented questions to Council as part of the grade six curriculum.

- Council gave three readings to Parkland County's 2018 Tax Rate Bylaw 2018-08.
- Council gave three readings to

Parkland County's 2018 Special Tax for the Repair, Maintenance and Upgrading of the Water Supply and Distribution System in the Acheson Industrial Area – Bylaw 2018-07.

- Council approved revised Council Expense Policy C-AD24.

• Council approved Parkland County's 2017 Audited Consolidated Financial Statements.

Please visit our website to view Council meeting agendas and meeting videos at www.parkland-county.com/meetings

PARLIAMENT UPDATE – WEEK OF MAY 7, 2018

Submitted by Jim Eglinski, MP – Yellowhead

This week, we covered topics including carbon pricing, procurement, public health, and harassment in the workplace.

The following was debated in the House:

- Bill C-21 – An Act to amend the Customs Act (Third Reading)
- Bill C-65 – An Act to amend the Canada Labour Code (harassment and violence), the

Parliamentary Employment and Staff Relations Act and the Budget Implementation Act, 2017, No. 1 (Third Reading)

- Bill C-76 – Elections Modernization Act (Second Reading)
- Bill C-326 – An Act to amend

the Department of Health Act (drinking water guidelines) (Report Stage)

• Bill C-354 – An Act to amend the Department of Public Works and Government Services Act (use of wood) (Third Reading)

• Bill S-218 – Latin American Heritage Month Act (Second Reading)

• Motion No. 161 – Record Suspension Program

• CPC Motion – Carbon Pricing

• Bill C-49 – An Act to amend the Canada Transportation Act (Senate Amendments)

• Bill C-377 – An Act to change the name of the electoral district of Châteauguay—Lacolle (Third Reading)

On Wednesday, I participated in debate on Bill C-354, which would require the federal government, when awarding contracts related to construction, to give preferential treatment to projects that promote the use of wood over steel and other building materials. You can read comments, speeches, and debates in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

In the Standing Committee on Canadian Heritage (CHPC), we continued our study on gender parity on the boards and senior leadership levels of Canadian artistic and cultural organizations. The Committee did not sit on Thursday to accommodate Members attending the funeral for MP Gord Brown, who passed away last week. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended nine meetings and three events, as well as recorded a message. I will return to the riding on Friday evening and remain in the Yellowhead region next week as the House will be down. Look for my update on Friday on my travels throughout the riding.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

Lawn & Garden

The Businesses in the following Guide can be your One Stop Solution to all your Lawn & Garden Needs!

Lawn & Garden

PREPARING GARDEN BEDS FOR SPRING AND BEYOND

Gardening enthusiasts may have been thinking about their landscape plans throughout the winter, eager to once again get their hands dirty with soil. Whether a home gardener is making preparations for edible crops or beautiful flowers, he or she must take time to make the soil amenable to planting. To establish hearty, durable plants, gardeners can focus on three main areas: addressing soil composition, cultivating and adding nutrients.

Soil composition
Many gardeners prefer growing a variety of plants in their gardens. Such an approach re-

quires taking inventory of the type of soil in one's garden and making the necessary modifications so that the types of vegetables, herbs, shrubs, or flowers that will be planted can grow in strongly. In fact, according to the plant company Proven Winners, the most important step to developing good roots is preparing the soil.

Take a sample of the soil and examine it to see what is present. If the soil is too full of clay, too sandy, too dense, or too loose, that can lead to problems where plants cannot grow in strong. Work with a garden center to add the right soil amend-

ments to make a rich soil. This may include organic compost or manure, which will also add nutrients to the soil.

Cultivation
Cultivating the soil can involve different steps. Removal of weeds, errant rocks, roots, and other items will help prepare the soil. Mother Earth News suggests working on garden soil when the soil is damp but never wet; otherwise, garden soil can become messy and clumpy. Use a digging fork or shovel to lightly turn the soil when it's mostly dry. Gentle tillings also can open up the soil to incorporate the nutritional amendments and relieve compaction that likely occurred from freezing temps and snow pressure. Tilling also helps with drainage and oxygen delivery to roots. The DIY Network suggests turning over soil at a depth of 12 inches to work the soil - about the length of a shovel spade. However, the resource Earth Easy says that existing garden beds have a complex soil ecosystem and simply top-dressing with compost or manure can be enough preparation for planting. Gardeners can

experiment with the methods that work best for their gardens.

Nutrition
Testing the pH and the levels of certain nutrients in the soil, namely nitrogen, phosphorous and potassium, will give gardeners an idea of other soil additions that may be needed. Soils with a pH below 6.2 often can benefit from the addition of lime several weeks before planting. Soil tests will determine just how much fertilizer to add to the soil. Complete fertilizers will have equal amounts of nitrogen, phosphorous and potassium. Individual fertilizers can amend the soil with only these nutritional elements that are needed.

Top-dressing empty beds with a layer of mulch or compost can prevent weed growth and preserve moisture until it is time to plant. If existing shrubs or plants are in garden beds, use more care so as not to disturb roots or dig too deeply.

Preparing garden beds takes some effort initially, but can be well worth the work when plants flourish throughout the growing season.

WHEN TO TACKLE WEEDS IN YOUR LAWN

Weeds are the bane of lawn and garden enthusiasts. Weeds can spread rapidly and overrun pristine grass, choking lawns and robbing them of their lush green look. In garden beds, weeds can steal water from thirsty plants, threatening their survival.

A proactive approach that prevents weed growth is easier and less frustrating than dealing with weeds after they have sprouted. That means addressing weeds before they release seeds, and not waiting so long that the damage is already done. According to the home and landscape experts with This Old House, spraying herbicide for weeds in June

and July can address weeds before seeds are set. Tilling and installing a new lawn in late August or the beginning of September can help the lawn establish itself before the first frosts arrive, all the while avoiding weed growth.

The weed control experts at Roundup also suggest a spring-time application of weed killer if this is the desired route. Early treatment can prevent weed roots from spreading too far in the soil, which can reduce the chances that weed remnants will be left behind to grow at a later time.

Homeowners with small lawns or gardens or those who prefer hand-weeding or

using nonchemical ways to treat weeds must take steps to address the weeds early. Gardeners can try suffocating weeds by placing wood, blocks or plastic over them. Wet newspaper used as mulch can block weed formation and also clear patches of unwanted grass so that garden beds can be mapped out. Pouring boiling water on weeds or pulling them by hand is more effective when roots are young and have not yet spread.

The UK-based company Lawnsmith also suggests a mid-spring weed killer application. This ensures that all weeds that have surfaced are addressed and that none are

missed by weeding too early.

The Idaho-based Town & Country Gardens suggests lawn and garden enthusiasts wait to tackle weeds. By waiting and applying weed treatments in the fall, when dandelions and other weeds are absorbing food and nutrients in larger quantities to survive winter, homeowners can rid their lawns and gardens of weeds efficiently.

Weeds are a nuisance and an eyesore in lawns and gardens. Choosing the right time to treat them can ensure they don't adversely affect lush landscapes and thriving gardens.

GOLFER'S GUIDE

THESE GOLF TERMS ARE PAR FOR THE COURSE

Golf is a game of sport and skill that can be played at any age. Millions of people in North America participate in golf as a recreational endeavor or a professional pursuit. As of the spring 2016, 25.13 million people in the United States played golf over the previous 12 months, according to Statistica.

People may immediately think Canada's sports-based loyalty favors hockey. How-

ever, on the recreational side, golf is king in the country. Canada has the fourth most golf courses of any country in the world, says the National Golf Foundation. Plus, one out of every 10 Canadians play golf - a participation rate that is more than double that of the United States.

Storyed golf history Although golf can be traced back to the Netherlands during the Middle Ages, many people

concur that the modern game of golf - played over 18 holes - is a Scottish invention.

The popularity of the sport began to spread throughout the world from Great Britain. The first permanent golf club in North America was founded in 1873 and was named Canada's Royal Montreal Club. The first 18-hole course in the United States was The Chicago Golf Club.

Golf lingo

Understanding the terminology is key to becoming a full-fledged golf fanatic. While golf lingo is extensive, here is a sampling of some of the more popular terms to get novices started, courtesy of the PGA.

Approach: A shot hit towards the green.

Attack: The relative angle at which the clubhead approaches the ball at impact.

Backswing: The motion that involves the club and every element of the body in taking the

club away from the ball.

Birdie: A score of one under par on a hole.

Bogey: A score of one over par on a hole.

Bunker: A hollow comprised of sand or grass that serves as an obstacle.

Carry: The distance a ball will fly in the air.

Chip: A short approach with a low trajectory.

Chunk: A poor shot caused by hitting the turf.

Divot: The turf displaced when the club strikes the ball.

Downswing: The swing forward from the top of the backswing.

Eagle: A score of two under par on a hole.

Golf range: A facility where people can practice golf swings.

Grip: The positioning of hands on the club.

Hole: A round receptacle on the green that the ball is aimed into.

Lie: As it relates to the golf ball, the position when it has come to rest.

Links: Specific term for a course built on linksland, which is land reclaimed from the ocean.

Mulligan: An extra shot taken on a poor first shot.

Par: The score an accomplished player is expected to make on a hole, either a three, four or five.

Putt: A shot on the green.

Stance: The position of the feet.

Golf terms are as varied as the game itself. Knowing commonly used words and phrases makes for a more intimate understanding of the sport.

GOLFER'S GUIDE

FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

Choose the right clubs: Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit, it will be like walking around in shoes that are the wrong size.

Get on the ball: Choose the right kind of golf ball for your game. While golf balls all look

the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on the green and stop. More skillful players should use these.

Consider the elements: Weather is always a factor in golf and dealing with it must always be considered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising

up into the breezes. And downwind, make sure to judge the intensity of the breezes so you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

Putting and chipping is priority: Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more time working on your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and mak-

ing more putts. Focus more on your short game than your drive and you will improve.

Play the 19th hole: Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

Stony Plain/Spruce Grove RCMP remind you not to make it easy for thieves. Never leave anything of value in plain view inside your vehicle. Hide these items, or better still, remove them from the vehicle.

The Spruce Grove / Stony Plain Drug Section Information Tip Line is 780-968-7212. Anyone with drug information is asked to call and leave a message.

If you have information regarding any of these crimes, or any other crime, please call the RCMP at 780-962-2222 or 780-968-7267.

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Dan Ivanov, Communications Coordinator | Yellowhead County

Motor Grader Replacement – Three Yellowhead County motor grader units are due to be replaced in 2018. A request for proposal found that Finning's Cat 160M Motor Graders match county specifications. Council approved the purchase of three new Cat 160M Motor Graders, at a cost of \$746,000.00 (cost includes trade-in value of the three retiring graders).

Niton Community Society Capital Assistance Grant – Council approved a capital grant request from the Niton Community Society in the amount of \$14,529.00 for the purchase of new vinyl plank flooring as well as bathroom renovations for their community hall. These projects will bring both the floor and washrooms up to code.

Bylaw 10.18 First Reading, Rezoning – Council gave first reading to Bylaw 10.18 amending Land Use Bylaw 16.13 for Lot 1, Plan 972-3697 (NE 23-54-10-W5M) from

Rural District (RD) to Recreational Use District (RU). The developer, Callioux Enterprises Ltd., wishes to develop equestrian/camping facilities on the property. A Public Hearing will be held on June 26, 2018.

Bylaw 12.18 First Reading, Rezoning – Council gave first reading to Bylaw 12.18 amending Land Use Bylaw 16.13 for Plan 022 4386, Block 1, Lot 2, Part of SW 36-53-17-W5M from RD – Rural District to CR - Country Residential. The landowners seek to create two additional residential parcels. A Public

Hearing will be held on June 26, 2018.

Request to Offer for Sale – Council directed administration to advertise for sale by Request for Proposals, Lots 1 & 2, Block 1, Plan 012-5720 (Hamlet of Robb) with a reserved bid of \$65,000.00 for Lot 1 and \$65,600.00 for Lot 2 (based on appraised value).

The next Council Meetings is May 22, 2018. The next Governance & Priorities Committee Meeting is May 15, 2018. All meetings start at 9:30 a.m. in the Council Chambers.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		8						5
7	1					8	3	2
9	3		2	1			4	6
	8	3	6			2		4
	7			2		3		
1	2			3	5	9		
4		7		8				9
		1		6				
	5				9		8	

ANSWER:

2	4	8	3	7	6	1	9	5
7	1	6	9	5	4	8	3	2
9	3	5	2	1	8	7	4	6
5	8	3	6	9	7	2	1	4
6	7	9	4	2	1	3	5	8
1	2	4	8	3	5	9	6	7
4	6	7	1	8	3	5	2	9
8	9	1	5	6	2	4	7	3
3	5	2	7	4	9	6	8	1

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
