## ALBERTA FIRE BANS GO MOBILE

Submitted by Renato Gandia, Press Secretary, Agriculture and Forestry | Government of Alberta

The Alberta government has released a mobile fire ban app so people across the province can be aware of the wildfire risk.

The new app, available for

Android and Apple devices, will give people mobile access to see where there are fire bans, restrictions and advisories to help plan their camping and recreational experiences.

Keeping people informed of fire bans will help them plan their summer activities safely, whether in their backyards or

in Alberta's parks and natural areas.

"It is vital that Albertans be aware of any bans or restrictions throughout the province if they intend to enjoy our beautiful backcountry.

## RCMP CONDUCT A WARRANT ROUND UP

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

Stony Plain RCMP members conducted a warrant roundup on May 9th, 2018 resulting in several arrests for outstanding warrants in Stony Plain and the surrounding area.

RCMP pro-actively attended multiple residences and arrested offenders for a range of offences. In total, there were 19 warrants executed. One of the warrant executions resulted in a charge of breach of conditions.

The Alberta RCMP's crime reduction strategy uses intelli-

gence-led investigative tactics to target the repeat offenders who harm our communities the most.

Crime reduction is a priority for the Alberta RCMP. Targeting repeat offenders and crime trends will allow us to impact crime in the province and increase community safety.

# SENIORS' WEEK: A TIME OF REVERENCE

Submitted by **Dan Ivanov, Communications Department | Yellowhead County**

On the first week of June, celebrate the seniors close to you! Seniors' Week is a time to enjoy the company of our wisest community members. We encourage you to show your gratitude towards our silver-haired go-getters!

Seniors support family mem-

bers and friends in a variety of ways, as well as offer their time to charities and volunteer organizations. All Albertans benefit from the hard work and compassion demonstrated by our seniors.

So let's give back! Visit your senior friends or family members, step out for coffee, or do anything that shows good will and kindness to our wisest generation. Remember: No gesture

is too small to show our seniors that they are loved and respected!

If you'd like to share a fond or touching memory of a senior close to you, Yellowhead County's Family and Community Support Services will be hosting a space to do so on their Facebook page. On June 3rd, visit @YellowheadCountyFCSS and leave your kind words for our senior community.

# Alberta Fire Bans Go Mobile

Continued From Page 1

This mobile app gives Albertans another way to help prevent human-caused wildfires and keep our firefighters free to fight other wildfires that may occur.” - Oneil Carlier, Minister of Agriculture and Forestry

Springtime can have a high wildfire danger rating because dry grass and leaves can provide fuel before new growth begins. Fire bans also occur throughout the warmer summer months depending on weather and mois-

ture conditions. It’s always wise to check for Alberta fire bans before you enjoy the outdoors.

Quick facts about Alberta’s wildfire season

- Since March 1, there have been 274 wildfires in Alberta’s Forest Protection Area.

- Of those fires, 99 per cent were human-caused and entirely preventable.

- As of May 15, there were 88 fire bans and fire advisories across the province.

If you see a wildfire, report it at 310-FIRE (3473).

# Canada’s Volunteer Awards - Call for Nominations

The deadline for nominations is June 15, 2018.

programs that would not be possible without them. If this call for nominations reminded anyone of a specific individual or organization, I encourage them to fill out a nomination form and make sure they are recognized for their efforts,” concluded MP Eglinski.

# TIPPLE PARK MUSEUM NEWS

Submitted by **Melissa Killion | Tipple Park Museum**

Wow, what a busy spring so far. Thank you to everyone for supporting our facility and making it a better place every single day.

Tipple Park Museum had the privilege to volunteer at Entwistle School's Track and Field Event. Entwistle school has amazing Jr. High students that volunteer regularly at the Museum. This was just a way of giving back for their strong dedication and efforts.

Our spring and summer Farmers' Market has went off with a positive start. We have lots of returning vendors along with some new ones, and let me tell you, all of them are simply fantastic! I encourage everyone to visit our Farmers' Market every Saturday from 10-2pm at Tipple Park Museum located in Evansburg. I promise you will not regret it.

Come out and experience a blast from the past! Look at Grad pictures and over twelve yearbooks from 1970-1980 from Grand Trunk High School and the old Jr. High School. Take a walk down memory lane viewing what downtown Evansburg used to look like; learn more about Entwistle, Evansburg, The Old General Store and the Evansburg Creamery with life size panels and take a gamble; guess whose class picture is up on the wall; and so much more. The Evansburg Time Warp gala was a huge success. We had over 30 people join us for the opening gala. This exhibit will run till mid July. Come out and enjoy a trip down memory lane.

June's School Pioneer Program is starting up soon. We have over 10 school groups booked. Kids will get to dress up like pioneers, make butter, wash clothes on a wash board, go to school in 1940 and learn about math, grammar, social studies and toy making while using slates. We are looking forward to hosting different school groups; it's going to be a lot of fun.

Pint Size Pioneers has really taken off. We have around 8 kids that attend the program for ages 3-5. Kids get to learn various things including animals, flowers, and life of a pioneer kid with various arts and crafts. Last week kids got to plant Tiger Lilies and learn about flowers. If you are interested in signing up your child please phone Tipple Park Museum beforehand at 780-727-2240 so we can save you a spot! \$2.00 admission is charged each visit per child to cover art and activity supply costs.

We are hosting our first Minute to

Win It Tournament Friday, June 1st from 4-6pm for ages 8-12. Kids will get to play various games while having a one-minute time frame. Snacks will be provided free of charge along with admission. Our evening winners will get to take home a trophy and have their picture taken for our wall of fame board.

We are going to be launching our first ever Birthday Party Packages at the end of May. We have four themes including Pioneer Boy, Pioneer Girl, Pirate Scavenger Hunt and Princess.

Packages will include museum rental, cake made by Rae Ambrose, pizza, games, crafts, dress up clothing, a visit from a real princess and so much more. Please stay tuned for the Birthday Party launch.

All year round we will have indoor and outdoor games for kids and tours set up for all ages. We look forward to your visit. We have a lot of exciting things happening this summer for the community and tourists. Can't wait to launch them all... stay tuned! Happy spring!

Richard Ozero, Erin Babcock, MLA for Stony Plain, Minister Carlier and Amber Ozero invite farmers, ranchers and Albertans to participate in the sixth annual Open Farm Days.

# CALL FOR HOSTS FOR 6TH ANNUAL OPEN FARM DAYS

Submitted by Renato Gandia, Press Secretary, Agriculture and Forestry | Government of Alberta

Farmers and ranchers are invited to share stories, educate and expand their markets as hosts for Alberta Open Farm Days on Aug. 18-19.

Producers and ag-tourism operators can sign up using the online registration form available at the Alberta Open Farm Days website. The application deadline is May 31.

“Our government is focused on supporting the development of Alberta’s local food sector, and Open Farm Days promotes local producers and agri-businesses. It offers Albertans a firsthand look at where and how our food is produced and gives this growing sector an opportunity to showcase the significant contribution it makes to our province.” - Oneil Carlier, Minister of Agriculture and Forestry

“The continued growth of Open Farm Days demonstrates that it’s a hit with Albertans and helps the province’s producers and agri-busi-

nesses recognize their ag-tourism potential. Whether it’s sharing stories on where our food comes from or showcasing everything rural Alberta has to offer, I encourage farmers and ranchers to open their gates, get involved and take advantage of this incredible opportunity to expand their markets and grow ag-tourism.” - Ricardo Miranda, Minister of Culture and Tourism

This year’s Open Farm Days follows a record-breaking 2017 event that included:

- 101 host farms
- more than 20, 000 visits
- \$146,000 in on-farm sales

“Good Morning Honey is a family-owned apiary, covering a diverse area of natural land and farms just west of Edmonton. We are participating in Open Farm Days because we want to share our story; Alberta’s story of producing some of the finest honey enjoyed by thousands of consumers across North America, Asia and Europe. We want to connect directly with our customers and fans of all things related to bees!” - Amber Ozero, owner/operator, Good Morning Honey Ltd.

**JOKE OF THE WEEK**

For weeks a six-year-old lad kept telling his first-grade teacher about the baby brother or sister that was expected at his house. One day the mother allowed the boy to feel the movements of the unborn child. The six-year old was obviously impressed, but made no comment. Furthermore, he stopped telling his teacher about the impending event. The teacher finally sat the boy on her lap and said, "Tommy, whatever has become of that baby brother or sister you were expecting at home?" Tommy burst into tears and confessed, "I think Mummy ate it!"

# Lawn & Garden

## INTRODUCE EARTHWORMS INTO THE GARDEN

Gardeners eager to revitalize their lawns and gardens may spend hundreds of dollars on tools and products designed to improve soil and growing conditions. Although many of these items can be advantageous, gardeners also may want to look to nature's best garden helpers: earthworms.

It is believed that nearly 3,000 different types of earthworms inhabit the planet. Worms have been around for hundreds of millions of years.

Worms can be seen as bait dangling on fishing lines or as meals for red-breasted robins. But these subterranean dwellers play their biggest role beneath the soil.

Earthworms move through dirt as they search for food. The worms consume particles in the soil, helping to recycle materials like dead leaves, plant parts, decaying animals, and feces. Through their travels, worms also serve to aerate the

soil. Worms bring the subsoil closer to the surface and mix it with the topsoil. Earthworms' castings also help naturally fertilize the areas in which they reside. The slimy mucus that worms leave behind contains nitrogen, which also helps to amend the soil.

The University of Illinois Extension says most earthworms found, particularly in North America, can only grow so long, even though some worms seem like they stretch forever underneath the ground. Depending on the type of worm and how many segments it has, as well as its age and ability to get nutritious foods, worms typically reach only a few inches in length, offers National Geographic. There are some anomalies, however. The Oregon giant earthworm is one of the largest earthworms found in North America, growing to more than three feet in length. That worm is very rare,

however. In 2016, a 16-inch-long earthworm was discovered in England and became part of the collection at the Natural History Museum in London. Some Australian and South American earthworms are known to grow much larger.

Worms need the correct mix of ox-

ygen, moisture and favorable temperatures to survive. If they do not have these components, they will seek them out elsewhere.

Because of the many benefits earthworms provide, they can be a boon to landscapes.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

7			4		3	5		
		1	8	6			3	9
8							1	7
		7		4		8		
9					6	3		5
	6		7	3		9		
		9	6		1			
6	2					1		3
		8						6

**ANSWER:**

7	9	6	4	1	3	5	2	8
2	5	1	8	6	7	4	3	9
8	4	3	2	9	5	6	1	7
1	3	7	5	4	9	8	6	2
9	8	4	1	2	6	3	7	5
5	6	2	7	3	8	9	4	1
3	7	9	6	8	1	2	5	4
6	2	5	9	7	4	1	8	3
4	1	8	3	5	2	7	9	6

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
