SENIORS WEEK JUNE 3-9, 2018

Submitted by Alberta Health Services

Seniors make a difference in our communities every day. From assisting and helping family members and neighbours to being active and volunteering throughout the community. They are very passionate and their contributions have and continue to benefit all Albertans.

Every year, Albertans celebrate our seniors and you are encouraged to join those festivities across the province. Your participation in Seniors Week helps highlight and show appreciation for the Alberta seniors who have helped shape where we live, work and play.

Do you have Seniors Week events happening in your community? Register them with the

Alberta Government's Seniors and Housing Events Calendar: <http://www.seniors-housing.alberta.ca/events/>.

Communities are also encouraged to show their support for seniors in their areas by officially declaring Seniors Week each year. To register your declaration, email seniorsinformation@gov.ab.ca.

LOCAL COUNTIES ANNOUNCED AS FINALISTS IN SMART CITY CHALLENGE

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that the finalists of Infrastructure Canada's Smart City Challenge have been announced.

In November 2017, the federal government challenged communities across the country to develop bold and ambitious ideas to improve the lives of their residents using data and connected technology.

Over 200 communities, large and small, from across Canada

submitted their ideas to the Smart Cities Challenge. An independent panel of 13 jury members evaluated these submissions and has selected twenty finalists.

YELLOWHEAD COUNTY FIRE ADVISORY LIFTED – PERMITS STILL REQUIRED

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

(May 30, 2018) – Effective immediately, fire permits will again be issued as usual for any burning. Cooler temperatures and higher humidity drop the wildfire danger to LOW across

the Yellowhead County Permit Zone.

Fire permits, and all safe burning practices and safety precautions are still mandatory.

What is allowed without a permit?

Recreational fires including campfires, portable propane fire pits and gas or propane stoves,

and barbecues are allowed without a permit. Burn barrels require a fire permit in certain areas within Yellowhead County; please contact your local fire permit office for details.

For more information go to www.bit.ly/YCFireAdvisoryLifted

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Dan Ivanov, Communications Department | Yellowhead County

May 22, 2018

Accurate Assessment Group Presentation – Accurate Assessment Group briefed council on the historic assessment growths and declines in Yellowhead County. In brief, Accurate Assessment Group predicts market changes leading to recovery and increased confidence in the future growth in the oil/gas sector.

Early Childhood Matters Coalition Presentation – Council received a presentation from the Early Childhood Matters Coalition regarding Early Development Instrument questionnaire data. In brief, the 2016 data demonstrated that Edson and Yellowhead County pre-school children are scoring lower than the provincial average in Physical Health and Wellbeing, Social Competence, and Emotional Maturity. However, Edson and Yellowhead County pre-school children are either on par or exceed the provincial average in Language and Cognitive Development and Communication

and General Knowledge. Moving forward, the coalition will focus on improving children’s emotional maturity.

Yellowhead Agricultural Society Funding Request – On February 20, 2018 the Yellowhead Agricultural Society gave a presentation to council on a planned event center, which is estimated to cost \$3.8 million to construct. The society is requesting \$521,550 in funds from council. These funds are not currently approved in the 2018 Final Budget. Council will forward the request for funding to the 2019 Budget discussions for consideration at that time.

Entwistle Recreational Facility Cost Sharing Request – Parkland County is seeking a cost-sharing agreement with Yellowhead County for the proposed new Entwistle Recreational Facility. The new facility will contain an outdoor pool, retail common space, community space and a library. The requested capital cost share amounts to \$3,500,000 from Yellowhead County. Council directed Administration to open communications with Parkland County to discuss their request for

capital cost sharing.

First Reading of Bylaw 13.18 – Council gave first reading to Bylaw 13.18 for the closure of part of Mountain Street, Plan 1939RS that lies within the SE 15 and NE 10-50-27-W5M. The purpose of this closure is to close the undeveloped road plan and consolidate it with Lot B, Plan 1939RS, effectively consolidating both parcels. A Public Hearing will be held on June 26, 2018.

Information Technology Security Project – Earlier this year, administration undertook a third party review of the organization’s technology practices. The report recommends numerous upgrades to further secure the organization’s information technology. Council approved the addition of the Information Technology Security Project in 2018, at a cost of \$110,000 (to be funded from the Technology Reserve).

The next Council Meetings is on June 26, 2018. The next Governance & Priorities Committee Meeting is on June 19, 2018. All meetings start at 9:30 a.m. in the Council Chambers.

JOKE OF THE WEEK

Fred is 32 years old and he is still single. One day a friend asked, "Why aren't you married? Can't you find a woman who will be a good wife?" Fred replied, "Actually, I've found many women I wanted to marry, but when I bring them home to meet my parents, my mother doesn't like them." His friend thinks for a moment and says, "I've got the perfect solution, just find a girl who's just like your mother." A few months later they meet again and his friend says, "Did you find the perfect girl? Did your mother like her?" With a frown on his face, Fred answers, "Yes, I found the perfect girl. She was just like my mother. You were right, my mother liked her very much." The friend said, "Then what's the problem?" Fred replied, "My father doesn't like her."

Local Counties Announced as Finalists in Smart City Challenge

Continued From Page 1

“I was excited to learn that four of our very own counties have been selected to move on to the next step of the challenge,” stated MP Eglinski.

Parkland, Brazeau, Lac Ste Anne and Yellowhead Counties all teamed together to submit a proposal that would help their “agricultural community to revitalize and grow through the connection of people to the land and food while attracting citizens to share in its prosperous, innovative and resilient way of life.”

The counties’ submission is one of ten in the prize category for up to \$10 million that was open to communities with populations under 500,000 people. Out of the ten finalists in this category, two will be selected.

In the next and final stage, each applicant group will receive a \$250,000 grant to help develop its final proposal that outline all design, planning, privacy, data protection and project management components of their plans. The grant can be used for activities such as staffing, professional services, feasibility assessments, capacity building, pilot projects, community engagement and communications, data, and relevant training.

The winners are expected to be announced in the spring of 2019.

“Congratulations to our counties on their grant and the best of luck in this final stage of the challenge!” concluded MP Eglinski.

SPRING/SUMMER NEWSLETTER FROM TRI-LAKES SEPTIC LTD

Submitted by **Andrea Snow, Safety Coordinator | Tri-Lakes Septic LTD**

Hello again

Its time for an update to our valued customers, suppliers, and future clients. Tri-Lakes has been undergoing a series of dramatic changes in the last couple of years, with much to be accomplished going forward.

We are pleased to announce our entry into the potable water delivery service. We had held off on this decision until now, but that decision has been made because we won a contract to supply potable water and septic removal on a Backwoods Energy contract in the oilfield. We purchased two potable trucks with the intent that one would be for the new contract, and the second for residential service and backup to the new contract.

Further to that, the new contract required us to commit to full COR certification; a safety, maintenance, and government

compliance program. Again, this was a decision we had been close to making, and the new contracts pushed us over that decision threshold. As with any change, implementation and acceptance come slowly, but we believe we are on the right track going forward.

Our office and most of our equipment is now at our new location at 52510- RR61. This is a portion of a quarter section redistricted to allow for ongoing commercial operations, a big step from the home based business model. Please feel free to stop in. We plan to have a grand opening as soon as we receive final occupancy permits.

We wish to thank our customers for sticking with us through these changes, and the higher costs that are implicit with a more comprehensive business approach. We believe in sustainability, and that these changes help to bring sustainability.

On the service side, you may be aware of our decision to

schedule drivers and office staff seven days a week through the summer months. Tanks do not just fill (or cisterns empty) on week days, so we wanted to be there reliably for you. That being said, after hours calls will be dealt with the next day. On occasion we may be able to serve after regular hours, but we do not commit to do so.

To continue with the potable water discussion- we were reluctant to enter this market because it has been very competitive. It does not have the stigma of septic, so more people are willing to provide this service. As a result, margins are thin. We do not intend to win your business by undercutting your current supplier. Prices are where they are because of the cost of water, and all the costs associated with trucking that volume to your door. We hope to win your business through the convenience of one stop shopping for septic and potable water supply, enhanced billing and payment options,

reliable and timely service, and charges being tied to quantity of water delivered.

The last point needs further explanation. We have purchased an induction flow meter that measures the water delivered. From the customers perspective, this means you do not have to let your tank run empty, with all the associated inconveniences, in order to achieve cost effective water delivery. If you choose to use our service, you will pay for what we put in, so we encourage people to call at 75% capacity, or go on a schedule for refilling. This enables us to work cost effectively by servicing more than one customer in an area, something that has worked very well on the septic side of the business. Economies of scale, along with our billing and support structure already being in place, will allow us to make a reasonable return at prevailing market prices. Thank you for considering this new service.

PARLIAMENT UPDATE – WEEK OF MAY 25, 2018

Submitted by Jim Eglinski, MP – Yellowhead

This week, we covered many topics including national security, sustainable development, the justice system, and the rights of Indigenous Peoples.

The following was debated in the House:

- Bill C-47 – An Act to amend the Export and Import Permits Act and the Criminal Code (amendments permitting the accession to the Arms Trade Treaty and other amendments) (Time Allocation and Report Stage)

- Bill C-57 – An Act to amend the Federal Sustainable Development Act (Time Allocation and Third Reading)

- Bill C-59 – An Act respecting national security matters (Report Stage)

- Bill C-74 – Budget Implementation Act, 2018, No. 1 (Time Allocation and Report Stage)

- Bill C-75 – An Act to amend the Criminal Code, the Youth Criminal Justice Act and other Acts and to make consequential amendments to other Acts (Time Allocation)

- Bill C-262 – United Nations Declaration on the Rights of Indigenous Peoples Act (Third Reading)

- Bill C-281 – National Local Food Day Act (Second Reading)

- Bill C-391 – Aboriginal Cultural Property Repatriation Act (Second Reading)

- Government Motion No. 22 – Extension of Sitting Hours

- Bill C-395 – Opportunity for Workers with Disabilities Act (Second Reading)

- Bill C-396 – An Act to amend the Department of Industry Act (financial assistance) (Second Reading)

On Tuesday, I made a statement in the House calling on the Federal Government to increase their efforts to bring Widlene Alexis Earl home to Canada so she can be with her adoptive parents, grandparents, and friends. I also encouraged my colleagues to give lots of hugs on May 31, in honour of an initiative start-

ed by Niton School's grade one class. You can watch my statement on my Facebook page (@jimeglinski.mp).

On Thursday evening, I asked a question during the debate on Bill C-47, which attempts to bring Canada into line with the UN Arms Trade Treaty, also known as the ATT. Canada already has a responsible internal system to monitor and control the export of military and security equipment that meets or exceeds the UN Treaty. We do not

need more red tape on firearms. Instead, the federal government should be focusing on how to address the issue of rural crime.

You can read all comments, speeches, and debates in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

In the Standing Committee on Canadian Heritage (CHPC), we continued our review of the Copyright Act, as well as unanimously passed Bill S-218, Latin American Heritage Month Act.

For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended 16 meetings and three events, as well as recorded two messages. I will return to Yellowhead over the weekend to attend events in the riding. I will fly back to Ottawa on Sunday as the House will continue to sit for three more weeks before the summer break. Look for my next update on the happenings of Parliament.

RCMP REQUEST ASSIST TO IDENTIFY

**Submitted by
Stony Plain/
Spruce Grove/
Enoch
RCMP**

Stony Plain, Alberta - Sometime between the late hours of May 26th and

the early morning hours of May 27th, 2018, an authentic 1988 Edmonton Oilers Stanley Cup ring and a wallet containing credit cards were stolen from a vehicle in the area of Township Road 520 and Range Road 275. During the morning hours of May 27th, 2018 a suspect used one of the credit cards in the Town of Devon. Security footage shows the unidentified Caucasian male wearing the Stanley Cup ring.

RCMP request assistance to identify the individual depicted in the security footage.

If you have information about this investigation please call the Stony Plain RCMP at 780-968-7267 or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

DESSERT AND ENTERTAINMENT NIGHT A HUGE SUCCESS

Submitted by Lorne Ross | Darwell District Recreation Association

Earlier this spring the Darwell's Centennial Hall was the venue for the second annual Dessert and Entertainment Evening hosted by the Darwell District Recreation Association. It

was a most enjoyable evening with a variety of performances that provided great entertainment.

Headliners for the evening were the Darwell School Choir, the Darwell School Bucket Drummers and the Rural Route Actors Troup. They were joined by a number of youngsters per-

forming solos and duets. The evening provided a great opportunity for all participants to showcase their talent. In addition to the performances there was a display of artwork done by the students.

Adding to the success of the evening was the support of the following generous sponsors:

the Onoway Bigway, Stony Plain Safeway, Freson Brothers Stony Plain, Scobey's Spruce Grove and Save On Foods Spruce Grove. Members of the DDRA are already looking forward to next year when local artists and performers will have the opportunity to once again to display their talents.

INDUSTRY COUNCIL

GYPSED JUNE SCHOOL NEWS

Submitted by Nikki Gilks, Manager, Communications Manager | Grande Yellow-head Public School Division

Evansview School, Evansburg

The year has been heading into a flurry of activity before we finally are able to wind down. May has seen a variety of activities and events happening for the students of Evansview. We started off the month with Education Week, and a look to 'growth mindset'. We celebrated all of the wonderful ideas of how to make our world better after a month of Global Citizenship activities, and our monthly winners were picked at the assembly. We introduced our 'growth mindset' focus for the month of May, and asked the students to share their ideas about what they would do if failure was 'not an option'.

Our play school teacher, Cara Nagy, shared her talents with the rest of the building and we had yoga for all. Each class participated in a half hour yoga session, and we started our day in a great way. The week rounded out with our annual talent show organized by Viola Able, our retired secretary, followed by a 'Star Wars Day' with a prize draw for those that dressed up and a variety of activities at lunchtime planned by our leadership group.

The round of field trips that we participate in, thanks to our wonderful

and generous school council and their fundraising at the

Grouch's Ball, has also begun: Telus World of Science for the Grade 5's and 6's; the outdoor education trip for the Grade 6's; an AMA crossing guard and leadership year-end celebration at the Whitecourt pool; a Grade 1/2 class trip to Crock-a Doodle and Aerials Gymnastics Club; the Grade 2/3 trip to the International Children's Festival, and the Grade 4's trip to Fort Edmonton are just the beginning!

Staff and students waited to greet the bus drivers with a card and gift on School Bus Driver Appreciation Day - hot coffee to go in a cup that they were able to reuse to show how much they warm our day! This was followed by a presentation of the blanket exercise for all of our Grade 4 to 6 students, and playschool graduation. We are finishing up with a Mad Hatter's Tea for all of the wonderful volunteers that we have had help us in so many ways during the current school year.

EVW Events for June

- June 5 Pond Day at Chip Lake for 5's and 6's
- June 8 DiscoverE Science
- June 14 Gr. 4 & 2/3 Meet our Penpals/ LA Reading PAT
- June 18 Math PAT
- June 20 Science PAT
- June 21 National Aboriginal Day
- June 22 Social Studies PAT/ Swim-

ming for the Last Week

- June 27 Grade 6 Graduation Luncheon
- June 28 Awards and Report Cards Grand Trunk High School (GTHS)

It is amazing how quickly a school year goes by. We find ourselves arriving at a time of change in Grand Trunk, as our Grade 12 students settle in to write the final exams of their high school career. With that change, we also have some other big changes taking place. Grand Trunk High School is pleased to announce Mrs. Heidi Zadderey will be the incoming principal for the 2018-19 school year. Mrs. Zadderey has served as the principal of Evansview School for the past two years, and will be bringing her energy and commitment to student success to her new position. With our new leadership in place, Mr. Michael Podhaniuk will be returning to classroom to teach at Grand Trunk after serving as principal for the past 11 years. Mr. Podhaniuk has been an integral part of creating a community atmosphere at Grand Trunk, and has always made staff and students his number one priority. Grand Trunk also says goodbye to Mr. Matt Kolotylyuk, who after teaching for 11 years at Grand Trunk, (the last five as assistant principal), has been named as the principal of Evansview School for the 2018-19 school year. The junior high YMCA Student Ex-

change Group is currently on a trip to Mississauga, Ontario, and participating in a variety of different activities with their twin group. The exchange group hosted the Mississauga group in early April, and is now visiting them in Ontario. The group flew out on Sunday, May 27th, and will be returning on Saturday, June 2nd. The annual Grand Trunk/Harry Collinge Rock Tour is in full swing currently as 20 students from both schools along with teachers Matt Kolotylyuk, Brett Watt, and Jaden Madsen from Harry Collinge, have been participating in performances in Westlock, Clyde, Evansburg, Duffield, and Spruce Grove. The tour kicked off on Wednesday, May 30th in Westlock, and will finish up on Friday June 1st in Spruce Grove.

GTHS Events for June

- June 6 DiscoverE Presentations/ Grade 10 Orientation @ 7pm
 - June 8 Student's Union Prom Dance

GYPSD June School News

continued to learn and grow in May. Junior ATB wrapped up its second year at Niton with a pizza party! It was a great way for the students to celebrate all their work they did this year. The elementary students had an environment day in May, with the help of the Edson Recycling Center. Students participated in various activities that included nature walks, building bird houses, and learned about solar energy. It was a great way to learn about the world around us, and spend some time outside, enjoying our planet. Ms. Otway's Grade 4/5 class participated in a debate last month. They have been learning about World War II, and the rights and privileges men and women had. Students were split into two sides, 'women deserve rights', and 'women don't deserve equal rights'. Students spent time researching, forming opinions, and prepping their points. Students did a great job organizing their points, and the debate was an amazing success. The Grade 8 class has been busy learning about Japan. Ms. Paul has been teaching the class about the culture, history, art, and so much more from this amazing country. They wrapped up their Japan unit with having a Japanese food and movie class, where students were able to try different foods from Japan, including macha tea, and sushi. Mrs. Soroka's Grade 1 class was busy preparing for "Hug For World" Love Day. The class has been slowly spreading their mission to create a global hug, to spread more love and peace in the world. They created a Facebook page, and have been mapping where in the world their love message has reached. They have been busy being interviewed, and even had their event noted in the House of Commons by local Member of Parliament, J. Egliniski. The whole school got together on May 31st at 11am to share a massive hug! Who did you hug on May 31st?

Wildwood School, Wildwood

The Wildwood School Spring Tea held on May 15th was an outstanding success! For the first time ever, this annual event was held at the Wildwood Community Centre. The hall, being the top rate multi-use facility that it is, provided the perfect venue for the impressive live stage performance by students from kindergarten through Grade 9. The Spring Tea showcased vocalists, musicians, choirs, and musical theatre groups. Food service was overseen by key parent and student volunteers. Attendees were treated to refreshments and several courses of food. Classy and

clever decorations created a stunning backdrop for the show. Teacher Shannon Kolotylyuk, the show's director, was pleased to be so strongly supported by many community partners. She was also very impressed with the high degree of professionalism demonstrated by students as they carried out a wide range of roles and responsibilities. Over one hundred guests attended the successful fundraising event.

June is packed full of events to bring what has truly been an exceptionally wonderful school year to a close! The first ever Bike Rodeo for K-6 happens on June 12th. This safety training event takes place at both the local pump track as well as the school parking lot, and will involve FCSS, peace officers, a number of parents, staff and junior high

student helpers. Yellowhead County's Pond Day on June 5th is a wetlands education day for Grade 4-5 Science. June 6th is the second annual trip to Clare Stone Pond for trout fishing. University of Alberta students from DiscoverE facilitate an excellent series of elementary science workshops on June 7th. Grade 4-5 Social Studies has a Pioneer Day field trip to the Tipple Museum on June 8th. Perhaps most importantly, the pressure is on to achieve highly in academics. With all of the hard work everyone has done this year, students will be trying for peak performances on all of the year-end testing taking place this month in core subject areas. Awards Day is on June 28th, our last day of school.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

QUALITY SALES & SERVICE OF:

• DISTILLERS	• CHEMICAL-FREE IRON FILTERS
• SUBMERSIBLE PUMPS	• SOFTENERS
• SEPTIC & JET PUMPS	• CHLORINATION SYSTEMS

RCMP EXECUTE SEARCH WARRANT

Submitted by Spruce Grove/ Stony Plain/ Enoch RCMP

Parkland County, Alberta- On May 27, 2018 Stony Plain/ Spruce Grove/ Enoch RCMP with assistance of the Spruce Grove/ Stony Plain Rural Crime Reduction Unit (CRU), K Division Auto Theft, Forensic Identification Services, and

Police Dog Services executed a search warrant at a rural residence in Parkland County. Police entered into the investigation as a result of a complaint from the public regarding a suspicious vehicle.

A 31-year-old male from Stony Plain, Aaron WHITBY, was arrested and faces numerous charges including:

- Possession of Stolen Property

Over \$5000

- Tampering with a Vehicle Identification Number (VIN)
- Production of Marijuana
- Trafficking Marijuana
- Trafficking a substance believed to be Fentanyl
- Possession of Methamphetamine

WHITBY was released from custody to appear in Stony Plain Provincial Court on May 30, 2018.

We need your assistance. Cooperation between the RCMP and the public is instrumental to the success of our Crime Reduction efforts. The simple act of reporting any suspicious activity and/or crime provides us with the necessary information by which we gather intelligence.

GOLFER'S GUIDE

DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

Side bending stretch

1. Stand with feet shoulder-width apart.
2. Hold the golf club above your head with your arms straight.
3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.
4. Hold for 15 seconds and repeat twice for each side.

Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.
2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of

- your lower arm. Hold for 15 seconds.
3. Gently pull the club down

- with your bottom hand until you feel a stretch in the top shoulder and arm.

4. Hold for 15 seconds.
5. Reverse hand positions and repeat.

DARWELL PUBLIC LIBRARY JUNE NEWS

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

Here is what's happening at the library in June

We are offering a Father's Day Craft for children 6 year of age and up on Wednesday, June 13, 2018

from 3:30 to 5:00PM. This year we will be making a shadow box for Dad and a card. Space is limited to 11 spots, so we encourage you to call the library to pre-register.

Have you registered the kids for the Summer Reading Club for children 6 to 13 years of age at the Darwell Public Library? The theme

this year is "Feed Your Passions" and each weekly program will be centred around various interests. We will kick off the program this year with local author Chance Hansen and Green Pea! We have room for 15 participants, so we encourage you to pre-register by calling the library early to avoid disappointment.

The program starts Thursday, July 19 from 1-3PM and will run for 6 consecutive weeks until August 23, 2018. See you there! All of our children's programs are sponsored by the FCSS Grant.

The Book Club will be taking a break for the summer and will return on Monday, September 10, 2018 starting at 7:00 p.m. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you are interested in participating, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

The Darwell Public Library Society will be holding their next regular meeting on Monday, June 25, 2018 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

SENIORS WEEK
- 2018 -

Seniors make a difference in our communities every day. From supporting family members and friends to assisting charities and volunteering, seniors are deeply involved in our communities and their contributions benefit Albertans of all ages. Celebrate Seniors' Week June 3 - 9, 2018.

Parkland County and Brazeau County IDP Open House

Due to changes in the Municipal Government Act, Parkland County and Brazeau County are currently in the process of drafting their Intermunicipal Development Plan or "IDP" (a statutory document prepared by two municipalities which share a common border). The IDP will help ensure future infrastructure and land use policy is coordinated between the two municipalities.

We welcome your input as your interests and ideas are important.

Questions, please contact the following Long Range Planners:
Brazeau County's Jessica Karpo 780-542-2667 | Parkland County's Duncan Martin 780-968-8443

June 11th, 2018 | 5:00 P.M. to 7:00 P.M. | Brazeau County Office
7401 Twp Rd 494 Drayton Valley, AB (north of the Town of Drayton Valley on Highway 22)

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

May 16, 2018

Representatives from the Edson Early Childhood Matters' Coalition gave a presentation to the board on the 2016 community profile results collected from the Early Development Instrument, a tool used to assess children's levels of development in their pre-school years.

Trustees were very pleased to hear about the recent student engagement activities and events that GYPSD youth participated in over

the last school year. During the 2017-2018 school year, GYPSD began an initiative that specifically focused on 'student voice'. The initiative focused on three key pieces: Mini-Youth Symposiums held at GYPSD middle schools, a division-wide Youth Symposium, and the creation of a Superintendent's Youth Council, with student representatives from all five high schools and the division's outreach school, The Learning Connection.

Each mini-symposium involved 30 students from the five middle schools who focused their efforts on developing ideas to improve their schools based on data from a student survey conducted earlier that this

year. Student representatives from these mini-symposiums then attended a division-wide Youth Symposium on April 24, 2018, in Hinton. Students spent the day working with students on the Superintendent's Youth Council and School Health Champion facilitators, to determine and plan the specific actions that students will complete to improve their schools this year, and for the 2018 - 2019 school year. Many of the trustees were also present for the Youth Symposium and were excited to watch the high level of engagement and enthusiasm shown by the youth.

The highlight of this year's student engagement initiative was

the creation of a Superintendent's Youth Council and the numerous activities that the group took on to develop their individual leadership skills, as well as the opportunities they each had to share their voice on issues around education. The Superintendent's Youth Council was comprised of 30 youth from Grades 9-12. In addition to working together on the various symposiums and meeting three times this school year to share their voice on their schools, a specific email address was also created to foster continued conversation and dialogue between the Superintendent's Youth Council members and Carolyn Lewis, Superintendent of Schools. Superintendent Lewis met with the Council first through a Google hang-out in the Fall, and then spent a valuable afternoon in March of 2018 with the Council in person. "I was thoroughly impressed with the level of engagement and passion our youth have when sharing their voice about education and how the division can help them meet their needs," she noted. "Their leadership and depth of insight was incredibly valuable, and I will continue to seek opportunities to ensure that our students have the ability to be heard."

In addition to participating in many internal events, each of the Youth Council members were invited to put forward their names for interest in attending various external learning opportunities. These engagement sessions included attendance at a week-long conference, 'Encounters with Canada, and staying at the Terry Fox Youth Centre in Ottawa; being a "Mr. Speaker's MLA for a Day at the Alberta Legislature, and receiving a special invitation to attend the Fall and Spring Public School Boards' Association meetings in both Edmonton and Red Deer, with the GYPSD Board of Trustees. Carra Aschenmeier, Supervisor of Mentorship and Assessment, was the lead coordinator with the Student Engagement Initiative this year. "The Superintendent's Youth Council played a critical role in providing their voice and building positive working relationships within GYPSD. The Council Youth were supported in their leadership development as facilitators, and actively engaged with various education stakeholders this year. I was very fortunate to have worked with these inspirational youth and the sharing of their valuable perspectives."

Obituaries

Calvin Cecil Durant, 1923-2018

We are saddened to announce the passing of our wonderful father, grandfather and friend. Mr. Calvin Cecil Durant passed away at Drayton Valley Hospital and Care Centre on Tuesday, May 22, 2018 at the age of 94 years. He will be lovingly remembered by children, Wayne (Sheila) Hanna, Marilyn (Bill) Kennedy, Darlene (Val) Carnahan, Cecile (Alain) Caron and Sandra (Darren) Urkevich; grandchildren, Lori-Lee, Carla, Lona, Jaime, Kyle, Kelly, Kerri, Kristina and Chad; several great-grandchildren; sister, Geneva Patten, and many extended family and life-long family friends. Calvin is predeceased by his loving wife, Joan; grandson, Rodney Urkevich, parents and 5 siblings. A Service of

Remembrance in honour of Calvin was held at Calvary Baptist Church on Thursday, May 31, 2018. Interment will take place at Siegel Hill Cemetery at a later date. Calvin's family is extremely grateful to Dr. Ryan White and all of the staff at Drayton Valley Hospital for their exceptional care of their dad during his 4 month stay. For those who wish to do so, memorial contributions in Calvin's name may be made directly to the Drayton Valley Warming Hearts Society, 5008 45 Street, Drayton Valley, Alberta T7A 1C1. Condolences may be sent by visiting www.serenity.ca Arrangements in care of Joelle Valliere, Funeral Director at:

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		2	5	6				
6		8	9				4	5
			8		3	9		
5	1		2	3		7	8	6
	6				7	3		
7							1	4
				5	9		2	1
			7		6			8
	4	6						

ANSWER:

4	9	2	5	6	1	8	7	3
6	3	8	9	7	2	1	4	5
7	5	1	8	4	3	9	6	2
5	1	9	2	3	4	7	8	6
2	6	4	1	8	7	3	5	9
8	7	3	6	9	5	2	1	4
3	8	7	4	5	9	6	2	1
9	2	5	7	1	6	4	3	8
1	4	6	3	2	8	5	9	7

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
