DUAL CREDIT PROGRAM A SUCCESS FOR STUDENTS

Submitted by Wanda Pederson | Onoway Junior Senior High School

OJSH participates in a dual credit program offered by Norquest College in co-operation with NGPS. The Health Care Aide program continues to be a very popular option for many students in Northern Gateway. The program enables students to train in the medical field before leaving high school and, in the process, earn 25 credits.

When students graduate, they will have achieved their high school diploma and, in addition, their Health Care Aide certificate from Norquest College. This certificate will allow graduates to be employed in many front line health care positions such as in assisted living facilities,

continuing care institutions, acute care hospitals, group homes, home care or private care opportunities.

Students of partnered high schools are taught by a Nurse Instructor, often through vid-

eoconferencing. The program consists of:

- 200 of theory in class,
- 85 hours of lab, and
- 200 hours of clinical.

RCMP INVESTIGATE FATAL COLLISION

Submitted by Whitecourt RCMP

Woodlands County, Alberta – One man is dead and three others were injured after a two vehicle collision on Highway 43 early this morning.

Just after midnight on June 7, 2018 Whitecourt RCMP were dispatched to a two vehicle collision on Highway 43 east bound near Range Road 104A. Preliminary investigation suggests that an east bound sedan rear ended

an east bound pickup causing it to roll.

A 48 year old male passenger of the pickup was pronounced dead on scene. A 16 year old passenger of the pickup was transported to hospital and is listed in stable condition. The driver of the pickup truck was treated on scene for minor injuries.

Criminal code charges are pending against the 28 year old male driver of the sedan who received minor injuries.

Alcohol was a factor in this

collision.

Whitecourt RCMP are requesting anyone with information regarding this incident to contact them at 780-779-5900 or call your local police. Dual Credit Program A Success For Students

Continued From Page 1

Clinical time (practicum) is broken into one week halfway through the program and four weeks in July, full-time Monday to Friday. The program typically starts in September and completes at the end of July for a total of 11 months.

On May 24th, three OJSH Grade 12 students attended Norquest College Convocation to receive their Health Care Aide accreditation. Cassidy Kostiuik, Richelle van Ramshorst, and Jocelyn Arndt received their certificates in a cere-

mony held at the Winspear Centre in Edmonton.

Cassidy said that throughout the school year, the program took four days per week, three hours per day, not including her practicum. In addition, she and the other two students had to attend their high school classes full time.

Cassidy said she is looking forward to her July practicum that will be at a health facility Mayerthorpe. She said the whole experience was 'wonderful' and it was a great way to get a college program accreditation before actually finishing high

school. Cassidy recommends the program '100%' and has already encouraged people to enroll for next year.

In addition to the Health Care Aide certificate, there are several other certifications that can be achieved through the dual credit program: Oil and Gas Production Operator (Northern Lakes College); Service Rig Floorhand (Northern Lights School Division and Business and Industry Partners); Power Engineering 4th class (NAIT and Careers Next Generation); Waste Water Technician (NAIT); Administrative Professional Certificate (Norquest College and Evergreen Catholic Schools); Harley Davidson Technician Certificate (Grande Prairie Regional College) and Educational Assistant Program (Northern Lakes College and Fort Vermillion Public Schools).

These programs are great opportunities for students to gain credits for high school as well as earning a post-secondary accreditation. Interested parents and students should speak to Mr. Lobo or one of the counsellors about these valuable career options- call the school at 780-967-2270 for more information.

On Monday evening, I had the opportunity to ask questions during debate on Bill C-71, which amends the laws related to firearms to cre-

ate more red tape for law-abiding firearms owners. You can read all questions, comments, and speeches in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

Also on Monday, my wife, Nancy, on my behalf, attended an award ceremony for seniors in Hinton.

In the Standing Committee on Canadian Heritage (CHPC), we continued our review of the Copyright Act, as well as questioned Minister Jolie regarding the Department of Canadian Heritage's budget for 2018-2019. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended three meetings and three events, as well as recorded a message. Over the weekend, I will attend events in Nordegg, Rocky Mountain House, Drayton Valley, Wildwood, Edson, and Evansburg. I will fly back to Ottawa on Sunday as the House will continue to sit for two more weeks before the summer break. Look for my next update on the happenings of Parliament.

JOKE OF THE WEEK

Two men are talking and one says to the other, "My wife's doctor says she has menopause, and, man, has she been moody lately. How long do the symptoms of menopause usually last?" The other man replies, "Let me put it this way: menopause will be listed as the cause on your death certificate."

WHITECOURT SEEKS FEEDBACK FROM BUSINESS COMMUNITY

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

Whitecourt has launched an online survey that provides the business community an opportunity to share feedback on business support services, employee recruitment, and staff training needs.

The data gathered will provide valuable information about opportunities and challenges local businesses are facing in our current business environment. Information gained from the survey will be used by the Town of Whitecourt as part of ongoing efforts to improve business support services and programs.

“Input from local stakeholders helps shape policies adopted by Council, and the direction of programs and services offered by the municipality,” noted Whitecourt Mayor Maryann Chichak. “The Town of Whitecourt is working to provide continued support to local entrepreneurs, and we

want to hear from them. I strongly encourage all businesses to participate to give us a broad understanding of what our business community needs. To all of those who have already taken the survey – I appreciate your time and candidness.”

As an incentive to participate, draws for two \$150 Visa Cards will be made at the closing of the survey for business owners that have completed the survey in full.

“Getting input and feedback from our local business community is extremely valuable. Whitecourt’s Economic Development Team strives to establish a business friendly environment that encourages business growth and development, and to ensure that businesses are provided the necessary support and services to help them thrive,” added Whitecourt Economic Development Officer Rhonda Hough.

A link to the Whitecourt Business Satisfaction survey is available on www.whitecourt.ca. The survey will close September 15, 2018.

Press Release - To the Community Members and Rate Payers of Alberta Beach:

The high water levels over the past few years and the January Ice Quakes have wreaked havoc on Alberta Beach this spring. Our public beach is currently closed due to erosion and safety concerns; although the provincial boat launch remains open, there has been a significant amount of erosion that has triggered the need for repairs; and, while significantly improved now, our roads were definitely in rough shape this spring and many are in need of repair.

We are very aware that with a name like Alberta Beach, our public beach is paramount to the social and economic success of our community. On a hot summer day, we are proud to boast that our beach, boat launch and other amenities can attract thousands of visitors, who are vital to the success of our local businesses. Every day that our beach is closed our community suffers. We are concerned that many visitors will not come back if the beach stays closed much longer, or if the need arises to close the provincial boat launch. We would like to move forward with fixing these areas, but are waiting on the necessary government approvals, which we may not get until sometime in August. We are also working to encourage the province to help cover the costs to repair the boat launch, as it is owned by the province and is used by boaters not only from our village, but from our region and across the province as well.

Although all municipalities in Alberta are allocated provincial grant money for infrastructure, through the Municipal Sustainability Initiative (MSI), there are not enough grant dollars to cover the costs to repair the roads, beach, and boat launch. We have been in contact with provincial officials, including our MLA (Honourable Oneil Carlier), Minister of Environment and Parks (Honourable Shannon Phillips), and Minister of Municipal Affairs (Honourable Shaye Anderson). We are asking them for assistance to help speed up the regulatory approval, as well as assistance to help cover the costs to fix the erosion on the boat launch (and potentially the beach as well). We encourage all residents and stakeholders to write a letter, send an email or call our MLA, to express your concerns, ask for help to speed up the approval process, and help cover the costs to repair these important tourist and economic attractions.

Step into Days of Yore
On Saturday, June 16, experience the era of lords & ladies, knights & jousters! It's a special Medieval Supper and Games night. Our local blacksmith is forging tongs to retrieve food from the communal platter, but after that, it's your own hands, just like in days of yore.

Doors open at 5:30 with games for all – jousting, sword fighting, javelin/dart throwing, and more. BBQ ribs will be served at 6:30. Period costumes are optional, but

encouraged. Costumes can be anything from a peasant's potato sack dress/top or a jester's crown, to a knight's shining armour or lady's elegant lace dress. Tickets are \$25 each, with ticket sales ending on June 12. Tickets will be available at Friday dinners, or call Carol at 780-967-0607.

Spaghetti Dinner

Make your dinner reservation now for Friday, June 22, when members of the Lac Ste. Anne Community Choir take over the kitchen. The group will prepare and serve an ever-popular dish – spaghetti! Choose tomato-meat, or alfredo sauce for your pasta. Fill up the rest of your plate with garlic toast, Caesar salad, and raw vegetables. Dessert is strawberry shortcake.

Meet Our Sponsor

Patriot Law's name reflects a proud military background, with every lawyer and most articling students having military experience. (Ed Gallagher served for 22 years, and his wife Michelle for 13 years.) The support they give to the Legion is a logical extension of that military emphasis.

After serving both in the infantry and the Judge Advocate General's branch, Ed Gallagher wanted a

move to a small town. A reservist he knew had a part-time legal practice in Onoway, and Ed Gallagher joined him in 2003 and Patriot Law was born. Three years later, Michelle Gallagher had joined the firm while still a law student and they took over to create the firm as it is today.

"I really enjoy Onoway," says Ed Gallagher. "Small towns have a similar feeling as the military – we know our neighbours and our clients. We focus on the law that regular people need – real estate, family, wills and estates, plus some corporate law for local business."

Ed goes on: "Because the Legion is the only service club left in Onoway, we want to help raise its profile. Every activity relies on volunteers only, making it a true community organization." In addition to the Legion, Patriot Law supports most local events in some way, especially the Onoway Chamber of Commerce, donating both time and money to the community.

In keeping with the name, Patriot Law offers discounts on some legal services to currently-serving and retired military members and first responders, Legion members and seniors.

LAKEWELL MULTI 4-H CLUB REPORT

Submitted by Aynsley Shupack | Lakewell Multi 4-H Club

As the 4-H year draws to a close, activities are slowing down. On May 5 the club participated in the yearly Highway Cleanup. Members and adult volunteers formed teams of 2 and walked 4 km on one side of Highway 765 picking up garbage. When the work was done, everyone met back up at the Cow Palace in Darwell and had lunch. We were all very tired but the kids still managed to find the energy to play tag when everything was over.

On May 26 my club got together for the year end Achievement Day. Members were able to show off their new skills in various ways. Teegan Bartlett talked about his boxing project, Mariah Corbiere talked about and showed her sewing and Chase Brisebois and Mathew Dudley did the same as with their wood projects. Cali Lalonde made a poster for people to view for her Vet Sciences project. Chase, Jace and Cali are all in the Beef Project so they had a mini show before lunch. They all did very well with their projects even if one steer did not want to be there. Many thanks to Shelley Satermo who spent some time helping the members refine their show techniques. After the Beef mini show everyone had lunch which the foods kids served and who had also made desserts for after words. After lunch Horse had their mini show in which all Horse members in Levels 1-4 participated in showmanship. Following showmanship, Horse levels 4-6 rode their level patterns from the 4-H book they get at the beginning of the year. All in all everyone had fun and it was a great day.

Our last meeting for the year was on June 7th, all that is left is the year end party on June 22 and the final fundraiser. Watch for us behind the counter in the Mac Shack serving up food on Saturday, August 18 at the Darwell Fair. Our next meeting is scheduled for Thursday September 6 2018 at 6:30 at the Lake Isle Hall. Anyone interested is welcome to join us.

SUCCESS IN THE LAKE ISLE WATERSHED – ALTERNATIVE LAND USE SERVICES PROGRAM

Submitted by **Lac Ste. Anne County**

In March of 2015 the Alternative Land Use Services (ALUS) program began its debut for Lac Ste. Anne County in the Lake Isle - Sturgeon River Headwaters Sub-watersheds. Since its inception in the sub-watersheds, ALUS Lac Ste. Anne and Parkland County established 10 projects on 7 unique farms positively

impacting 160 acres of farmland.

Projects included fencing off waterways from livestock, protecting riparian areas, and planting native vegetation on degraded land. The goal of these projects is to improve water quality, enhance wildlife habitat, prevent soil erosion and loss, and increase biodiversity. This program aims to reduce the impacts of flood and drought events on the landscape.

ALUS works by implementing Beneficial Management Practices (BMPs) and is designed to compliment the current agricultural operations. ALUS works with the farmer to design projects and provide technical and financial support to see the project right through to the end.

The Agricultural Watershed Enhancement Program (AWEP) under Growing Forward 2 provided a grant to get ALUS up

and running with tremendous help from Parkland County. A second grant through the Watershed Resiliency and Restoration Program was secured in 2017 to grow ALUS in Lac Ste. Anne County.

If you are an active agricultural producer in Lac Ste Anne County looking to do an ALUS project, contact the County office at 1-866-880-5722.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		3		1	4	7	8

		1			5	6		8
9		8	3				5	
			7				1	4

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
