FRAUD ALERT – CLAIMS TO BE YCFD FIREFIGHTER COLLECTING FOR MS

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

(June 15, 2018) – FRAUD ALERT There has been someone claiming to be a member of

the Yellowhead County Fire Department (YCFD) allegedly collecting funds for MS on behalf of Yellowhead County's Fire Department.

Yellowhead County or YCFD DOES NOT solicit funds on behalf of organizations!

If you are approached by someone claiming to be part of the Yellowhead County Fire Department, do not give them money or your private information and report the incident to the RCMP immediately!

MEALS ON WHEELS NOW AVAILABLE IN YELLOWHEAD COUNTY!

YELLOWHEAD COUNTY IS EXTREMELY EXCITED TO ANNOUNCE THAT LOCAL VOLUNTEERS HAVE COME TOGETHER TO PROVIDE FROZEN MEALS ON WHEELS TO RESIDENTS IN OUR COMMUNITIES.

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

The Meals on Wheels program provides much-needed relief to those who are discharged from the hospital and are on their own, single residents (or single residents with small children), and single seniors. This service is heavily sought in rural areas, and Yellowhead County's own residents have shared their interests in the program.

After some community deliberation, we are happy to share that volunteers throughout the county's hamlets have stepped

up to coordinate orders for our residents! Coordinator phone numbers, names, and the full menu of frozen meals can be found at all local county libraries (Niton, Wildwood, Evansburg, Entwistle, Seba Beach), and at the Yellowhead County Wildwood Office.

When placing an order, please have your method of payment ready as orders will have to be prepaid. Our coordinators will be accepting the first round of meal orders before July 4th, for pick up on the following week. These frozen meals are locally made by the Edmonton Meals on Wheels program and range

in cost from \$4.50 to \$7.00 per meal.

The coordinating Meals on Wheels group would like to thank Lobstick River Foods for their gracious donation of an upright freezer, which will be used to store frozen meals in the Wildwood Library. A huge thank you to the Mackay Community Association for allowing the coordinating group to store additional frozen meals!

Watch for Meals on Wheels posters in your communities—and if you need more information, please call the Yellowhead County office at 780-325-3782 or 1-800-814-3935.

JOKE OF THE WEEK

A woman gets on a bus with her baby. The bus driver says, "That's the ugliest baby that I've ever seen. Ugh!" The woman goes to the rear of the bus and sits down, fuming. She says to a man next to her, "The driver just insulted me!" The man says, "You go right up there and tell him off – go ahead, I'll hold your monkey for you."

ATVS: BE AS SAFE AS POSSIBLE

Submitted by Alberta Health Services

It's Child Safety Week and Alberta Health Services (AHS) is reminding all Albertans to make all-terrain vehicle (ATV) safety a priority this week and every week.

ATVs pose significant risk to all users and particularly children less than 16 years of age, who have not yet developed to the point of having the strength, skills or judgment needed to operate an ATV. Over a one-year period ending April 1, 2017, 78 children were seen in Alberta's two pediatric emergency departments due to ATV-related injuries; 31 required hospital admission and one died.

To protect children less than 16 years of age, parents and caregivers are advised to ensure these children do not drive or ride in an ATV. This includes ATVs marketed as 'child-sized'. Albertans 16 years of age and older are urged to take the following precautions to ensure their ATV excursions are as safe as possible:

- Get trained: Before you hit the trails, get formal hands-on

training from a recognized/trained ATV instructor. Don't be shy about refreshing your training seasonally.

- Wear the gear: Always wear a helmet. As of May 15, 2017, CSA-compliant helmets must be worn by OHV users when riding on public land, but a helmet worn every ride can save your life. From 2002 to 2013, 41 per cent of quad-rider deaths in Alberta were due to head injuries. In 80 per cent of these head injury deaths, the quad riders were not wearing a helmet. In addition to a helmet, always wear a jacket, long pants, goggles, boots and gloves.

- Look first: Be sure you're aware of the weather forecast, fire outlook/potential, and any hazards (geographical, animal or human) or risks that the trail(s) could pose. Ensure your ATV is equipped with an appropriate head lamp.

- Buckle up: Be sure you're fastened in properly and that all gear and equipment (including your ATV restraints) are in proper working condition before you hit the trails.

- Drive sober: Don't drink or do drugs before or while oper-

ating an ATV: 55 per cent of those who died in ATV crashes between 2002 and 2013 tested positive for alcohol.

- Seek help: Before you head out on the trail, let others know where you're going and when they should expect you back. This helps your loved ones know when to call for help if you've been gone too long. Take a cellphone or working radio with you, as well as a first aid-kit.

Visit www.ahs.ca/injuryprevention.asp for more information on ATV safety and injury prevention.

WANTED MALE ARRESTED

Submitted by Western Alberta District CRU Team

Yellowhead County, Alberta – A man has been arrested on his outstanding warrants after he fled from police on May 20, 2018.

On June 8, 2018 the Western Alberta District CRU Team acted on gathered intelligence and were lead to a rural location in Yellowhead County northeast of Edson where it was believed two wanted suspects were located. A warrant was obtained to enter the property and wanted suspect Robert William Sherwood (35) of Entwistle was arrested on scene.

Robert Brett Macleod (43) of Edson attempted to elude police on foot but was quickly apprehended with the assistance of Police Dog Services.

In addition to his outstanding charges, Sherwood is facing new Criminal Code charges of possession of property obtained by crime over \$5000, and two counts of failing to comply with his Recognizance. He was remanded into custody and is due in Stony Plain Provincial Court on July 3, 2018.

Macleod is facing charges of possession of property obtained by crime over \$5000 and failing to comply with a condition of his Recognizance. He was remanded into custody and is due in Stony Plain Provincial Court on July 3, 2018.

Our dedicated crime reduction teams are hard at work to address repeat crime trends throughout the province. Through their sustained efforts and initiative, Albertans should see a reduced impact of crime in their communities in the long term.

“ALL YOU NEED IS LOVE” TOUR COMES TO EVANSBURG

Submitted by Al Hagman

Pembina Valley Daze is packed full of fun and entertainment this year. One of the highlights on Saturday, August 11th is the Beatles Tribute “All You Need is Love”. The Legion Community Hall in Evansburg is the venue. The show begins at 8:00 p.m., and the doors open at 7:00. Tickets are \$25 each, or \$30 at the door—but we hope to be sold out sooner! Tickets are available at Claire’s V&S and are available now.

The Tribute, is an authentic tribute to the FAB FOUR and is Calgary’s premier Beatles tribute band. They will charm you with that infectious humour

and incredible musical energy that made the Beatles the legends that they are today. They will entertain you not only with their songs, but also the banter between themselves and the audience that made them so enjoyable to watch and admire.

The show starts in 1964 and goes through 1969. Every note and sound is recreated live every night as you hear it on the record. No click tracks or sequencers are ever used in any show.

The Boys are fans of the Beatles and take pride in recreating that famous British sound with three sets and period costume changes. They also play with the period correct instruments to recreate that familiar sound you

first heard on the record.

All You Need Is Love features Nathan Loo as “Paul”, Ven Guerra as “John”, Lloyd Ross as “George” & Aaron Patton as “Ringo”. With the superhuman contributions of John Leimseider on keys and all else the boys can’t do.

All You Need is Love will perform those classic hits you grew up with, covering the dynamic career of the Beatles from the Ed Sullivan Shows to the first American concert at the Washington Coliseum. Then onto the Sgt. Pepper era where the boys start to explore new musical boundaries. And towards the end of the night, the boys don the Abbey Road look signalling

the end of the greatest romance of the 20th century.

“All You Need Is Love” magically recreates the complete Beatles tribute show you don’t want to miss! Get your tickets early!

BEFORE ANYONE CAN GET ELECTED, YOU HAVE A JOB TO DO.

NOTICE OF PUBLIC HEARING

In accordance with the requirements of Section 606 of the Municipal Government Act, as amended, the Council of Parkland County has scheduled a Public Hearing regarding the proposed adoption of the following Bylaw:

Date: July 10, 2018	Time: 9:30 am	Location: Parkland County Council Chambers 53109A Hwy 779, Parkland County, Alberta
----------------------------	----------------------	--

Proposed Bylaw 2018-13 Parkland County and Brazeau County Intermunicipal Development Plan

An Intermunicipal Development Plan (IDP) is a statutory document prepared with two (or more) municipalities that share a common border, and where at least one member is not a part of a growth management region. An IDP ensures future development and land use policy are coordinated between municipalities. Parkland County and Brazeau County, under the direction of Section 631 of the Modernized Municipal Government Act, have agreed to jointly engage in an IDP. This plan has been developed to reduce the possibility of any potential conflicts between Counties and to ensure the relationship remains strong, transparent and collaborative in the future.

Hearing Procedure

This is a formal Public Hearing and Council is prepared to hear and receive formal submissions and presentations (verbal or written) from those who wish to speak to the proposed Bylaw. Written submissions or presentations may either be submitted to Planning & Development by 4:00 P.M. on July 3, 2018, or submitted at the commencement of the Public Hearing.

Anyone wishing to make a verbal presentation to Council must notify Planning & Development Services by 4:00 P.M., on July 3, 2018. Verbal presentations at the Public Hearing will be limited to a maximum of 10 minutes. Anyone wishing to make a verbal presentation who has not made prior arrangements may be allocated a time at the commencement of the Public Hearing. Council advises that this is your last opportunity to comment on the proposed Bylaw as Council is unable to receive further submissions after the Public Hearing is closed.

Copies of Proposed Bylaw

Copies of the proposed Bylaw are available free of charge during regular business hours (8:30 A.M. to 4:30 P.M., Monday to Friday) from Planning & Development Services at Parkland County Centre. They are also available on the County's website at <https://www.parklandcounty.com/2018-13>. If you have any questions or wish to present a written or verbal submission, please contact Rachelle Trovato, Planner at Planning and Development Services at 780-968-8443.

YELLOWHEAD COUNTY LIBRARIES READY FOR TD SUMMER READING CLUB

Submitted by Robert McClure, Director of Library Services | Yellowhead County Library Board

For many children, summer means lots of time spent at the park. Swinging on swings, playing in the sand and sliding down the slide. Unbeknownst to most children and many parents, there's a different kind of slide that can happen over the summer months. "The Summer Slide is the idea that the reading skills a child learns throughout the school year can deteriorate over the summer" says Robert McClure. "Upon returning to school in the fall, they will then have to spend time relearning and reinforcing skills obtained the previous spring, delaying their progress as readers" As the Director of Library Services, McClure oversees the public libraries in Evansburg, Niton and Wildwood. He believes he and his colleagues have a solution to this Summer Slide.

"As the name suggests, the primary focus of the TD Summer Reading Club is to provide a way for chil-

dren to maintain, or even improve their reading skills over the summer months. Secondly, it's a great chance for children to develop their social skills, learn about a variety of subjects and experience some of the programming our libraries have to offer. Thirdly, but most importantly, it's a ton of fun" McClure says. Terrie Stone, the manager of Wildwood Public Library, agrees: "We encourage kids to keep their reading, comprehension and positive social skills sharp throughout the summer while staying active and having fun. We cover a variety of themes such as cooking, farm safety, science, and nature"

The theme of this year's TD Summer Reading Club is feeding your passion. In addition to various literacy-based programming, Evansburg Public Library has obtained two plots in the Evansburg Community Garden and participants will have the opportunity to plant, raise and harvest various vegetables throughout the summer. Likewise, Niton Public Library plans to feed a passion for technology through various

coding, digital literacy and video game programs. Wildwood Public Library will also be hosting a youth reading challenge in which youth ages twelve and up can read to earn prizes.

All three libraries will be hosting kick off parties to celebrate the start of the club. Evansburg's will take place on July 28th at 4pm, Wildwood's will be at 5pm also on July 28th and Niton's party will take place at 10:30am on July 10th. A highlight of the summer at all three libraries promises to be a performance from FizzBan The Wizard on Wednesday, August 15th. FizzBan performs amazing bits of magic and comedy that are sure to lighten the faces of all in attendance. He will be performing in Niton at 10am, in Wildwood at 2pm and in Evansburg at 6pm.

The TD Summer Reading Club will take place at Evansburg Public Library from 1:30pm until 3pm on Tuesdays, Wednesdays & Thursdays, at Wildwood Public Library from 2pm until 3:30pm on Tuesdays, Wednesdays & Thursdays

and in Niton on Mondays, Tuesdays and Wednesdays from 10:30am until noon. Hours of operation, more information about the TD Summer Reading Club and contact information for all three libraries can be found at <http://www.evansburglibrary.ab.ca/>, <http://www.wildwoodlibrary.ab.ca/>, and <https://nitonlibrary.ca/>.

PARLIAMENT UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of June 11, 2018

This week, we covered many topics including marijuana, Iran, the carbon tax, accessibility, and federal finances.

The following was debated in the House:

- Bill C-45 – Cannabis Act (Consideration of Senate Amendments)
- Bill C-68 – An Act to amend the Fisheries Act and other Acts in consequence (Time Allocation and Report Stage)
- Bill C-69 – An Act to enact the Impact Assessment Act and the Canadian Energy Regulator Act, to amend the Navigation Protection Act and to make consequential amendments to other Acts (Third Reading)
- Bill C-344 – An Act to amend the Department of Public Works and Government Services Act (community benefit) (Third Reading)
- Bill S-218 – Latin American Heritage Month Act (Report Stage)
- Motion 157 – Visitability
- CPC Motion – Carbon Pricing

- CPC Motion – Iran
- NDP Motion – Global Climate Change and Clean Energy Leadership

• Main estimates – Consideration of motions to concur in the Main Estimates for the fiscal year ending March 31, 2019

On Wednesday, I had the opportunity to ask questions during debate on Bill C-45, which legalizes the recreational use of marijuana. You can read all questions, comments, and speeches in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

The House sat through the entire night on Thursday to debate and vote on the Main Estimates. Because the votes went past 10am the next morning, the House did not convene Friday.

In the Standing Committee on Canadian Heritage (CHPC), we considered a draft report for our study on the state of Canadian museums, as well as a draft report for our study on cultural hubs. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended 10 meetings and one event.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	3	5		4			7	
2			8	6	9	5		
			7	3		4	2	
3	8	4		9				7
	6	2			4	8		
	7	9		8	2		4	6
8							6	2
4				1	3			5
7		3	6					4

ANSWER:

9	3	5	2	4	1	6	7	8
2	4	7	8	6	9	5	3	1
6	1	8	7	3	5	4	2	9
3	8	4	1	9	6	2	5	7
1	6	2	5	7	4	8	9	3
5	7	9	3	8	2	1	4	6
8	9	1	4	5	7	3	6	2
4	2	6	9	1	3	7	8	5
7	5	3	6	2	8	9	1	4

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
