WRAP UP ACTIVITIES FOR THE SCHOOL YEAR AT OJSH

Submitted by Wanda Pederson | Onoway Junior Senior High School

As the school year winds

down, students are busy finishing assignments and preparing for final exams. This does not mean, however, that the final sprint to the “learning finish

line” for this year has to be dull and boring. Many exciting activities have occurred this month.

MAYERTHORPE RCMP AND RCMP MAJOR CRIMES INVESTIGATE SUDDEN DEATH

Submitted by Mayerthorpe RCMP and RCMP Major Crimes

On June 16, 2018 at approximately 7:00 p.m., Mayerthorpe RCMP were called to a cabin on Lessard Lake where they discovered the body of an adult male

inside.

On June 19, 2018 an autopsy was conducted at the Office of the Chief Medical Examiner in Edmonton and determined the manner of death to be a homicide. The lone resident of the cabin, 57 year old Peter Joseph Kaminski has been identified as the victim.

RCMP Major Crimes South are asking for the public’s assistance with providing any information on the investigation or the victim. Please contact the Mayerthorpe RCMP at 780-786-2291 or remain anonymous with Crimestoppers at 1-800-222-TIPS (8477).

GOLDEN AGE CLUB NOTES

Submitted by Onoway Golden Age Club

The week of June 4 was recognized as Seniors' Week in the province of Alberta, a time when all senior people were recognized.

The Golden Club hosted a supper

in the community hall, some 100 people attended. Bonnie prepared and served a delicious meal. All 90 plus residents were treated to a complimentary meal and each given a lottery ticket. I understand some won \$10 or a free ticket, I haven't heard of any big winners!

Calahoo Meats very generously donated a BBQ package which we raffled off, Marj Chieduck took it home with her! Marena Yeoman won the 50/50 draw.

As the week came to a close we celebrated Heritage Day. Elsie Hook did a great job of decorating a '57 Dodge Royal Lancer, which was driven by Jack Cooper, thank you Jack!

After the parade Charlie Parker fired up the BBQ and did an excellent job with Hamburgers and Hot Dogs.

Thank you to all who helped make Heritage Day such a success.

We will be having a BBQ the last Tuesday of June, just bring a salad or dessert, this is open to the community. The drop in centre will be open Tuesday afternoons during July and August.

I hope everyone has a happy and safe summer.

OPEN LATE ON WEDNESDAYS

Our clinic is now open until 7pm every Wednesday to accommodate the busy schedules of our clients.

Full service general care including medicals, injections, prenatal services and more.

Native counsellor Mrs. Noyes arranged for Carrie Armstrong of Mother Earth Essentials to come into our Foods classes and Biology classes. Carrie explained how common Alberta plants – many of them considered weeds – had health benefits and could be used in refreshing teas. Carrie brought with her a variety of dried leaves from native plant sources and had students concoct their own tea mixtures that they could take home.

class performed black box theatre for students and staff of OJSH. The play was a drama depicting stereotypical teenagers – a jock, a beauty queen, a brainiac, an outsider and a class clown – as they interacted and delivered monologues showing that each had their own challenges and ultimately, were not that much different from each other in their needs. The play was very well received by the audience and the performances were very well done.

Mrs. McNalley's Grade 9 Foods class took things up a notch by learning how to barbeque. The class set up barbeques outside the main school doors and grilled up some pretty great home-made hamburgers. The day was warm and sunny and taking a Foods class outside was a unique and special lesson.

Mr. Eastman's Construction 9 classes had, as a year-end finale,

CO2 Car races. Throughout the semester, the students planned and developed their own unique colours and designs on a CO2 race car. They built the cars from pieces of wood that originally looked like large wooden door stops. Once the cars were built, races were held in the gym to see which of them had the fastest car in school.

Grade 9 phys. Ed. classes had a great field trip to Discover Scuba Lessons June 4th and then again on Thursday June 7th. Every student

enjoyed learning how to scuba dive with help from experienced scuba dive trainers.

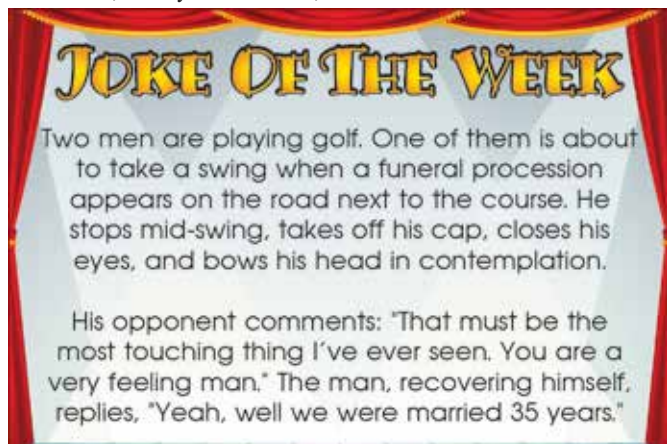

This was the inaugural year for the Spring Running Club. The club was open to staff and students who began their training on April 9th. The club ended their year with an organized community run - the Mad Dash - on June 9th. The run occurred just before the Heritage Days parade in town and participants competed in either the 5km or 10km run.

The OJSH Athletic Parents Association hosted an Athletic Award Banquet on Thursday, June 14th. The banquet was open to all OJSH athletes, parents and friends and tickets were only \$10.00 per person. The banquet was held to celebrate our amazing athletes and teams. Awards were presented to various sport teams and individuals as attendees enjoyed a great meal.

The Life Skills students enjoyed a field trip to the Telus World of Science on June 15th. The field trip featured lots of amazing dinosaurs! Also on June 15th, OJSH junior high students had a Fun Day Fri-

day afternoon. The whole junior high population was divided up into teams. All of the events except one were held outside in beautiful summer weather. Teams competed in such fun events as Noodles and Spoons, Sticks and Words, Tater Race, Tarps Challenge, Tug of War, H2O Throw, Sidewalk Art, and Fruit Pies. Before the final bell rang to end the day, all students gathered at the drama pit to hear which of the teams had gained the most points. It was a great afternoon filled with team-building, fun and laughter - just what everyone needed before the start of final assignments and final exams.

One last activity happened before Graduation 2018 on June 29th. On Thursday, June 21st, Principal Lobo once again arranged for Food Trucks to come to the school. All students and staff enjoyed an extended lunch hour and something wonderfully different for lunch. Because it was also Aboriginal Day, OJSH had Metis dancers perform for the students and staff. Thanks, Mr. Lobo for making Food Truck day happen!

BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR ISLE LAKE

Submitted by Alberta Health Services

ONOWAY – A blue-green algae (cyanobacteria) bloom has been identified in areas of Isle Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish filets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Isle Lake, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three

hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Isle Lake, until further notice.

Please note that areas of Isle

Lake in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is

also available online, at www.ahs.ca/bga.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

PARLIAMENT UPDATE – WEEK OF JUNE 18, 2018

Submitted by Jim Eglinski, MP – Yellowhead

Before the House adjourned for the summer, several government bills were pushed through to the Senate.

The following was debated in the House:

- Bill C-45 – Cannabis Act (Consideration of Senate

Amendments)

- Bill S-210 – An Act to amend An Act to amend the Immigration and Refugee Protection Act, the Civil Marriage Act and the Criminal Code and to make consequential amendments to other Acts (Third Reading)

- Bill C-69 – An Act to enact the Impact Assessment Act

and the Canadian Energy Regulator Act, to amend the Navigation Protection Act and to make consequential amendments to other Acts (Third Reading)

- Bill C-59 – An Act respecting national security matters (Third Reading)

- Bill C-64 – Wrecked, Abandoned or Hazardous Vessels Act (Report Stage)

- Bill C-71 – An Act to amend certain Acts and Regulations in relation to firearms (Time Allocation, Report Stage and Third Reading)

On Monday, I presented a petition from constituents regarding the Liberal Government’s requirement to sign an attestation in agreement with the Liberals’ view on abortion when applying for student summer job funding. The petition called on the Prime Minister to defend freedom of conscience, thought, and belief, and to withdraw the attestation requirement.

Also on Monday, I made a statement in the House regarding the recent arson at our Edson Mosque that made national headlines. Edson is an inclusive community and we have many different religious and cultural organizations that have always intermingled and respected each other. Religious beliefs and freedoms must be respected, and we should not tolerate any group or individual who attacks the rights of religious groups in our community.

You can read all questions, comments, and speeches in the House on the corresponding day’s Hansard at www.ourcommons.ca/en.

In the Standing Committee on Canadian Heritage (CHPC), we considered a draft report for our study on the state of Canadian museums, as well as a draft report for our study on cultural hubs. For more information on these meetings, visit the CHPC Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended six meetings and three events, as well as recorded one message. As the House has adjourned until the fall, my summer updates on my time in the riding will be sent on a monthly basis towards the end of each month. If you see me around the riding this summer, please say hi!

ONOWAY COMMUNITY HALL CELEBRATES 50 YEARS

Submitted by Donna Baldwin | Onoway Community Hall

The 50 year anniversary celebration of the Onoway Community Hall is now in the books as a great celebration. Held during Onoway's Heritage Days, we started our celebration with an afternoon of Old time Music provided by Troy Gates and friends. The Alberta Society of Fiddlers provides a grant to events that promote old time fiddle music. This group was welcomed by an appreciative audience.

Pictures and memorabilia were displayed for all to enjoy. The hall was suitably decorated for the occasion. Sheets, bearing the

family names of those who originally purchased "blocks" when the building was built adorned the exterior walls. Cake and refreshments were served to the guests throughout the afternoon. Guests were invited to enter their names for door prizes and purchase "blocks" for a licensed raffle draw. June Schneider was the lucky winner of the grand prize of a \$200.00 gift certificate for the Mayfield dinner theatre. There were many door prizes that were also drawn as part of the sale of blocks. These door prizes were donated from the community and surrounding area. A silent auction item of a certificate for a load of gravel which was donated by La Farge

, was granted to Marilyn Buechner.

Following the afternoon entertainment a social time provided for visiting and bringing back memories. Mayor, Judy Tracy brought greetings from the Town of Onoway.

Guests from Onoway and area were treated to a seasoned rib dinner, prepared and served by the Community Hall Association in the lower level. Many thanks to Bigway for their contribution to the dinner and to all those that provided door prizes for our event.

Oncel Carlier, MLA brought greetings from the Whitecourt Ste Anne Constituency. Gordon Vaughan spoke on behalf of the

Onoway Elks who leased the Hall from the Town of Onoway for many years. The Royal Purple were very active in the hall operations for many years also. Upon the Elks relinquishing their lease with the Town, the Onoway Facility Enhancement Association was incorporated as a Society in 1997 and has since held the lease with the Town of Onoway. Our facility is a great venue for many events. An up to date kitchen, upstairs air conditioning and many other upgrades make it a welcoming facility.

We extend our most sincere appreciation to everyone that came out to share in our Anniversary Celebration.

NOTES FROM THE ONOWAY LEGION

Submitted by Richard Moses | Onoway Royal Canadian Legion

Medieval Night was a Hit!

Around 40 brave knights and ladies gathered at the Legion on June 16 for an evening of medieval games and food. One participant commented that she'd definitely do it again!

If you had a great time, or missed it, you have another chance over the summer. You'll have to travel a bit, but the Stony Plain Legion is having a medieval dinner and entertainment on August 25. Call 780-963-9232 for details.

No Dinner on Long Weekend

Our volunteers deserve a long weekend too, so there'll be no

meal served on Friday, June 29.

Summer Meals

Watch for the ads in the paper to see other summer menus planned.

Adult meals are \$15, with children under 8 enjoying the meal for \$9, and under 5 free. Doors open at 3, and the meal is served from 5:30 to 7 pm. To ensure enough food is prepared, reservations are recommended. Call Louise at 789-340-0760, or leave a message on the Legion answering machine at 780-967-5361.

Every meal ticket comes with a chance to win a free meal. Adults can also buy raffle tickets on a delicious meat package, or take a chance on the 50:50 draw. Back by popular demand is Chase the President. This progressive jack-

pot (formerly know as Chase the Queen) increases in value each week there's no winner, while the chances of winning get better each week. You could be the big winner.

It's Pub and Sports Night

Regular darts and pool has ended for the summer, but the fun continues. Tuesdays will be pub nights, with both darts and pool available on a drop-in basis, and the bar is always open. Nothing is planned for Wednesday nights.

Pool Tournament

There'll be a couple of pool tournaments through the summer - July 21 and August 25. Contact Larry Villneff at 780-945-0600 for details.

Volunteers wanted

The legion is always looking

for volunteer kitchen staff, especially team leaders. We are willing to offer training and mentoring for volunteers. With summer, available kitchen staff shrinks as our regular volunteers take some well-earned vacation! You can come with your own group of friends, or volunteer for any meal to meet new people. Phone the legion at 780-967-5361, or talk to any legion member to learn how.

Did You Know?

The Onoway Legion hall is a great location for weddings or family gatherings. Your rental includes use of the hall and kitchen, with a bartender available if you wish. Call Ted Latimer at 780-967-4980 to discuss dates and cost.

CONSTRUCTION SEASON HAS STARTED

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

Construction season is here and crews will be out in force in the coming weeks working to complete local road and other infrastructure projects.

Slide repair on the hillside along Highway 43 – Closure of Hillside Trail from June 19 through July 6:

Kana Oilfield Service has been hired by Alberta Transportation to repair areas along the hillside of the south side of Highway 43 between 51 Street and Hospital Road. To complete the repairs, Hillside Trail from Memorial Point west to 51 Street will be closed from June 19 through to July 6. Signage and barricades will be placed along the trail. Questions related to this project can be made to Irvin Fry, Site Supervisor, at 587-336-7073.

Street Improvement Program:

Construction crews are in town this week to complete base preparations as part of the 2018 Street Improvement Program. Paving throughout the community is scheduled from July 3 through 18; work will take place between 7:00 a.m. and 7:00 p.m. Projects include rehabilitation of roadways, the extension and rehabilitation of the paved trail network, utility cut restoration and the Residential Driveway Replacement Program. Knelsen Rock Products Ltd. will be completing the project, and areas to be paved include:

- Graham Road from 47th Street to Wedow Drive;
- Wedow Drive cul de sac and Pritchard Drive connector;
- 55 Avenue from 47 Street to Stephens Crescent;
- Kepler Drive – north parking lane;
- Miscellaneous patching will be completed along Dahl Drive;
- Poplar Drive and Mink Creek Road intersection.

Crack Sealing Roads:

Whitecourt Infrastructure Services crews have begun sealing cracks in roads in downtown and residential areas. Crews plan to complete the roadways in the valley area, and then will proceed to hilltop locations.

Pot Hole Patching:

As is typically the case, Whitecourt experienced temperature swings throughout the winter and spring season, which has created ideal conditions for the development of potholes. Town of Whitecourt crews will begin pot hole patching throughout town this week.

Whitecourt Wide Area Network:

Installation and commissioning of fiber optic communication cable segments to connect several public facilities to Alberta SuperNet will begin soon. Details on the schedule will be provided as construction progresses; however, notices to businesses along the route will be provided by the contractor prior to construction starting. Construction for this project is anticipated to start June 25 and will take place along the south side of Highway 43 (from the Allan & Jean Millar Centre through to 33 Street), and along 37 Avenue and 35 Street in the Hilltop East Industrial Park.

FortisAlberta Downtown Pole Replacement:

As part of Whitecourt's Vitalization Plan, wood streetlight poles will be replaced with decorative Domus light fixtures throughout the downtown core. FortisAlberta has not specified when the work will begin,

however it is anticipated to start before the end of the month. Construction work will impact parking in the downtown, and residents are encouraged to follow the Town of Whitecourt Facebook page for information as it becomes available.

Highway 43 and Highway 32 Paving Projects:

Alberta Transportation has started construction work along Highway 43 between Highway 32 South junction and Highway 32 North junction. The paving project is expected to be complete by mid-July, and work will be performed both day and night. Construction will take place in both east and west-bound lanes. Construction has also begun on a paving project along Highway 32 North between the north junction of Highway 43 and the Town of Swan Hills. Both projects are managed by Alberta Transportation, and details can be found on <https://511.alberta.ca/>

The Town of Whitecourt appreciates your understanding and patience throughout the summer construction season. Regular updates on construction projects will be posted online at www.whitecourt.ca and on the Town's Facebook page at www.facebook.com/Town-ofWhitecourt.

ROAD CONSTRUCTION NOTIFICATION ONOWAY AND AREA RESIDENTS

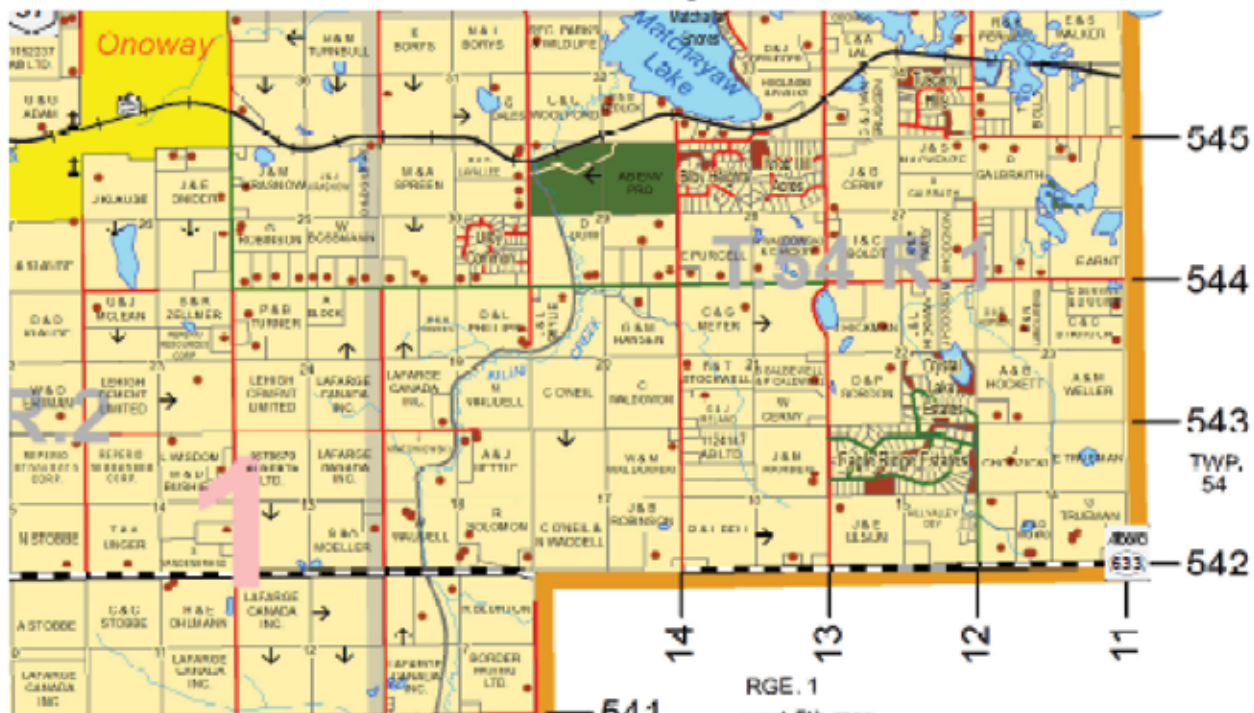

- TWP RD 544 FROM RGE RD 14 TO RGE RD 21
- RGE RD 21 FROM TWP RD 544 TO TWP RD 545
- TWP RD 545 FROM RGE RD 21 – 22 (47TH AVE. SOUTH ONOWAY)
- RGE RD 20 BTWN TWP RD 542 AND TWP RD 543
- BRIDGE REPLACEMENT RGE RD 544

Road and bridge construction is scheduled at the above locations beginning the first of July and continuing throughout the summer of 2018. Construction crews will be base and paving the roads indicated and the bridge on Twp Rd 544 will be removed and replaced with a culvert. **Please note the bridge work on Twp Rd 544 will result in a total closure of the road for the duration of the project.** Providing weather conditions remain favorable, we hope to have the projects completed by this fall. There will be times when specific roads will be closed to the public and unfortunately you may experience unavoidable inconveniences as a result of this construction. Detours, slower moving traffic, rougher road conditions and higher noise levels may occur.

Please slow down and use caution when driving through these areas. Obeying all road signs, speed limits and traffic control personnel will keep both yourself and road crews safe. We will ensure the motoring public is updated as construction begins and progresses.

Lac Ste. Anne County appreciates your understanding and cooperation and apologizes for any inconveniences that may occur while road construction is being completed.

Drive with Caution. Slow Down. Observe Traffic Signs. Save a Life!

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	6	2	3		7	5		
3		9				4		
		1			5		6	
8		5	4	2				6
	2				6	3		9
6					8			
	1			6		7	9	
		8					5	
	7		1		4		3	

ANSWER:

4	6	2	3	9	7	5	1	8
3	5	9	8	8	1	4	2	7
7	8	1	2	4	5	9	6	3
8	9	5	4	2	3	1	7	6
1	2	4	5	7	6	3	8	9
6	3	7	9	1	8	2	4	5
5	1	3	8	6	2	7	9	4
2	4	8	7	3	9	6	5	1
9	7	6	1	5	4	8	3	2

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Private Seclusion

Secluded 4.27 Acres property at Lake Isle! Enjoy your morning coffee in private seclusion. Quality finishing from the Kitchen Cabinets to the heated 3 car garage. Home offers 3 bedrooms a large 5 piece bathroom, Main floor Laundry. Ideal for a hobbyist that enjoys lake living!

\$349,900

Best lake Location

Undeniably the best location on lake Isle, this North West location maximizes THE BIG THREE, lakeview, lake access, sunshine. Now location is great but this 9 yr old house is awesome with over 3000 sq ft of air conditioned, heated floor home has every available option including hardwood floors, granite counter tops, for the rest you must call.

\$429,900

Alberta's Best Buy

This cute as a button bungalow offers 3 bedrooms, wonderful west exposure deck, covered and winterized patio allows for wonderful year round use. Fenced yard that goes to community reserve, just steps to the beach.

\$164,900

Totally Remodeled

Spectacular is how I would describe this wonderfully remodeled bungalow. Over 1600 sq ft with unheard of 10 foot ceilings. Gas argon windows overlook this lakefront home. The oversize 32 x 28 double attached garage has 12 foot door for indoor RV parking. The southern deck spans the whole length of the house.

Renovated

This Golf Course community three bedroom renovated home is the ultimate starter. Well located in a private cul de sac where the school bus stops if required. The basement is usable as a workshop, lots of parking. This home won't last.
