## STONY PLAIN RCMP AND STONY PLAIN FISH AND WILDLIFE CONDUCT JOINT INITIATIVE ON WABAMUN LAKE

Submitted by Stony Plain/ Spruce Grove/ Enoch RCMP

Wabamun, Alberta – On Saturday June 16th, 2018 the Stony Plain RCMP and Stony Plain District Fish and Wildlife Enforcement Branch conducted the first of many joint operations this summer at Wabamun Lake. Members from both agencies were on the lake and checked 30-35 boats. Approximately

50% of the boats checked were not compliant with regulations. There were a number of deficiencies observed in relation to safety equipment. Stony Plain District Fish and Wildlife Enforcement undertook 12 enforcement actions that included violation tickets and warnings. RCMP members seized an amount of liquor and reminded the public about the laws regarding open liquor.

This is the first operation this year, with many more scheduled throughout the summer. Boaters are reminded that:

- Boat drivers require a Canada Pleasure Craft Operator Card (PCOC). This card proves you have taken and successfully completed an approved boating safety course that is required for pleasure craft operators.

- Fishing licences are required.
- In Alberta, the fines and penalties for operating a boat while under the influence of alcohol or

drugs match the fines and penalties for operating a motor vehicle while under the influence of alcohol or drugs. There is NO difference between drunk driving and drunk boating.

The Stony Plain/Spruce Grove/Enoch RCMP want everyone to be safe. By complying with boat safety rules and regulations we ensure that everyone arrives home safe.

## Lake Isle - Love Your Lake Update

### Continued From Page 1

2. There are still boat-conducted shoreline assessments to do, scheduled for June 2018. We were unable to complete all the assessments in 2017 due to inclement weather and shortage of volunteer boat operators. We need local volunteer boat operators on Lake Isle for approximately one week. If you are interested in helping out by donating your time and a boat to achieve this shared goal please contact us.

Lake Isle - Love Your Lake Background

Love Your Lake is Canada's most comprehensive shoreline assessment and stewardship education program available to lake communities. It provides entire lakes with property-specific shoreline stewardship information and voluntary recommendations for improved lake health.

The data collected about each shoreline property is summarized into unique shoreline property reports available to each shoreline property owner.

Reports will be complete with a photo of the shoreline property, and provide friendly information and recommendations for voluntary actions to improve the shoreline, and ultimately the lake. Each report is unique to the individual property. Landowner privacy is important to the program – you can access the program's Privacy Policy online at [LoveYourLake.ca](http://LoveYourLake.ca).

You may see trained staff from Nature Alberta in a boat along the shoreline, looking at properties and taking notes. Unless invited, we will not access your property or inconvenience you at all. We will be taking photos but will not take photos with people in the field of view. We will gladly tell you about the program, answer your questions, or talk with you about shoreline and lake health.

If you would like more information on the Love Your Lake program in Alberta, contact our team at 780-427-8124 or [lbw@naturealberta.ca](mailto:lbw@naturealberta.ca) or visit [naturealberta.ca/programs/living-by-water/](http://naturealberta.ca/programs/living-by-water/).

## JOKE OF THE WEEK

Two men are playing golf. One of them is about to take a swing when a funeral procession appears on the road next to the course. He stops mid-swing, takes off his cap, closes his eyes, and bows his head in contemplation.

His opponent comments: "That must be the most touching thing I've ever seen. You are a very feeling man." The man, recovering himself, replies, "Yeah, well we were married 35 years."

## PARLIAMENT UPDATE – WEEK OF JUNE 18, 2018

Submitted by Jim Eglinski, MP – Yellowhead

Before the House adjourned for the summer, several government bills were pushed through to the Senate.

The following was debated in the House:

- Bill C-45 – Cannabis Act (Consideration of Senate Amendments)

- Bill S-210 – An Act to amend An Act to amend the Immigration and Refugee Protection Act, the Civil Marriage Act and the Criminal Code and to make consequential amendments to other Acts (Third Reading)

- Bill C-69 – An Act to enact the Impact Assessment Act and the Canadian Energy Regulator Act, to amend the Navigation Protection Act and to make consequential amendments to other Acts (Third Reading)

- Bill C-59 – An Act respecting national security matters (Third Reading)

- Bill C-64 – Wrecked, Abandoned or Hazardous Vessels Act (Report Stage)

- Bill C-71 – An Act to amend certain Acts and Regulations in relation to firearms (Time Allocation, Report Stage and Third Reading)

On Monday, I presented a petition from constituents regarding the Liberal

Government's requirement to sign an attestation in agreement with the Liberals' view on abortion when applying for student summer job funding. The petition called on the Prime Minister to defend freedom of conscience, thought, and belief, and to withdraw the attestation requirement.

Also on Monday, I made a statement in the House regarding the recent arson at our Edson Mosque that made national headlines. Edson is an inclusive community and we have many different religious and cultural organizations that have always intermingled and respected each other. Religious beliefs and freedoms must be respected, and we should not tolerate any group or individual who attacks the rights of religious groups in our community.

You can read all questions, comments, and speeches in the House on the corresponding day's Hansard at [www.ourcommons.ca/en](http://www.ourcommons.ca/en).

In the Standing Committee on Canadian Heritage (CHPC), we considered a draft report for our study on the state of Canadian museums, as well as a draft report for our study on cultural hubs. For more information on these meetings, visit the CHPC Committee website at [www.ourcommons.ca/Committees/en/CHPC](http://www.ourcommons.ca/Committees/en/CHPC).

## NOTICE OF PUBLIC HEARING

In accordance with the requirements of Section 606 of the Municipal Government Act, as amended, the Council of Parkland County has scheduled a Public Hearing regarding the proposed adoption of the following Bylaw:

<b>Date:</b> July 10, 2018	<b>Time:</b> 9:30 am	<b>Location:</b> Parkland County Council Chambers 53109A Hwy 779, Parkland County, Alberta
----------------------------	----------------------	---

### Proposed Bylaw 2018-13 Parkland County and Brazeau County Intermunicipal Development Plan

An Intermunicipal Development Plan (IDP) is a statutory document prepared with two (or more) municipalities that share a common border, and where at least one member is not a part of a growth management region. An IDP ensures future development and land use policy are coordinated between municipalities. Parkland County and Brazeau County, under the direction of Section 631 of the Modernized Municipal Government Act, have agreed to jointly engage in an IDP. This plan has been developed to reduce the possibility of any potential conflicts between Counties and to ensure the relationship remains strong, transparent and collaborative in the future.

### Hearing Procedure

This is a formal Public Hearing and Council is prepared to hear and receive formal submissions and presentations (verbal or written) from those who wish to speak to the proposed Bylaw. Written submissions or presentations may either be submitted to Planning & Development by 4:00 P.M. on July 3, 2018, or submitted at the commencement of the Public Hearing.

Anyone wishing to make a verbal presentation to Council must notify Planning & Development Services by 4:00 P.M., on July 3, 2018. Verbal presentations at the Public Hearing will be limited to a maximum of 10 minutes.

Anyone wishing to make a verbal presentation who has not made prior arrangements may be allocated a time at the commencement of the Public Hearing. Council advises that this is your last opportunity to comment on the proposed Bylaw as Council is unable to receive further submissions after the Public Hearing is closed.

### Copies of Proposed Bylaw

Copies of the proposed Bylaw are available free of charge during regular business hours (8:30 A.M. to 4:30 P.M., Monday to Friday) from Planning & Development Services at Parkland County Centre. They are also available on the County's website at <https://www.parklandcounty.com/2018-13>. If you have any questions or wish to present a written or verbal submission, please contact Rachelle Trovato, Planner at Planning and Development Services at 780-968-8443.

# YCFD RAISES MONEY FOR CAMP DAYS

RECENTLY, YELLOWHEAD COUNTY'S FIRE DEPARTMENT (YCFD) MEMBERS RAISED OVER \$800 FOR TIM HORTON'S CAMP DAYS.

Submitted by Dan Ivanov,  
Communications Department | Yellowhead County

(June 7, 2018) – Yellowhead County's Fire Department was busy this past Wednesday—not fighting fires, but raising much-needed funds for youth camps courtesy of the Tim Horton's Camp Days initiative.

Station 12 (central) day crew members parked their rescue engine at the Tim Horton's drive-thru (Edson) and with a little water and a lot of elbow grease, cleaned drivers' windshields and raised over \$800 for Camp Days!

Our Peace Officers also lent a hand with the fundraiser, and the entire Yellowhead County Protective Services crew was well received by Tim Horton's staff and customers alike. Tours of engine 12 were given to several families and the day was full of smiles.

Thank you to all of the gracious donors who supported this initiative. All proceeds will go towards sending economically disadvantaged kids to camps.

# GOLFER'S GUIDE

## DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

### Side bending stretch

1. Stand with feet shoulder-width apart.

2. Hold the golf club above your head with your arms straight.

3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.

4. Hold for 15 seconds and repeat twice for each side.

### Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.

2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of your lower arm. Hold for 15 seconds.

3. Gently pull the club down with your bottom hand until you feel a stretch in the top shoulder

and arm.

4. Hold for 15 seconds.

5. Reverse hand positions and

repeat.

# BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR ISLE LAKE

Submitted by Alberta Health Services

ONOWAY – A blue-green algae (cyanobacteria) bloom has been identified in areas of Isle Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs,

wash with tap water as soon as possible.

- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.

- Do not feed whole fish or fish trimmings from this lake to your pets.

- Consider limiting human consumption of whole fish and fish trimmings from this

lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Isle Lake, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking

water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Isle Lake, until further notice.

Please note that areas of Isle Lake in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is also available online, at [www.ahs.ca/bga](http://www.ahs.ca/bga).

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

### ANSWER:

4	6	2	3	9	7	5	1	8
