RCMP INVESTIGATING ATTEMPTED THEFT OF ATM

Submitted by Stony Plain/ Spruce Grove/Enoch RCMP

On July 1, 2018 at approximately 3:30 in the morning, two suspects entered the vestibule of a bank in Onoway, Alberta. The males used pry bars to remove the cover of the ATM and then attempted to use what appears to

be a circular saw to get into the machine. They were unable to gain access. The suspects left in what is believed to be a dark coloured dodge truck.

Both males were wearing masks and gloves.

If you have information about this incident, please call the Stony Plain/ Spruce Grove/

Enoch RCMP at 780-968-7200 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tip-submit.com, or by SMS (check your local Crime Stoppers www.crimestoppers.ab.ca for instructions).

OJSH GRAD 2018 CEREMONIES HELD

Submitted by Wanda Pederson | Onoway Junior Senior High School

In September, graduation for OJSH Grade 12 students was an exciting but still a distant dream. However, as this year's 80 graduates can attest, the year seemed to fly by as courses, assignments, projects, studying, extra-curricular activities and, of course, final exams consumed their time.

On June 29th, graduation for the Class of 2018 became a re-

ality. Graduation ceremonies this year were significant in that most of these graduates were born in the year 2000 – the beginning of a new century.

The OJSH Grad day began at 2:15 pm when beautiful girls and handsome boys, dressed in their finest formal wear, gathered in the gymnasium to have a group photo taken. Then it was a rush to dressing rooms to quickly change into the grad cap and gowns. Staff members were on hand to assist our graduates so that they made it in time for the 2:45 pm formal group portrait – this photo will become the portrait that will eventually hang on our school walls. Once the formal picture taking was complete, it was time for the ceremony at 3:30 pm. The ceremony was live streamed on the school's web site.

Principal Lobo conducted the ceremony as proud parents and siblings, relatives, community members and honoured guests

OJSH Grad 2018 Ceremonies Held

watched the proceedings. Mr. Lobo gave the opening address that preceded the Grad 2018 procession. After OJSH Grade 10 student Mikaela Olsen led the audience in "O Canada, it was time for dignitaries to give greetings and special messages to the grad class.

Mrs. Melanie Fitzgerald spoke on behalf of the OJSH School Council. It was an honour to have the MP for Sturgeon River-Parkland, Dane Lloyd speak to the students and assembled guests. Mr. Joe Blakeman, Reeve, brought greetings from Lac Ste. Anne County. Next, bringing greetings from the Hon. Oneil Carlier,

MLA for Whitecourt-St. Anne was Mrs. Judy Tracy, Mayor of the Town of Onoway. The Superintendent's message of congratulations was brought to the grads by Mrs. Leslee Jodry while Mr. Wade Neilson spoke to the grads on behalf of the Town of Onoway. The grads were honoured to have Chief Tony Alexis of the Alexis Nakota Sioux Nation speak next. After Chief Alexis, congratulating the grads was NGPS Chair, Mrs. Judy Muir. As a tribute to the graduating class, the students were saluted with an Honour Song performed by the Logan Alexis Singers. Valedictorian Drew Fitzgerald then spoke

on behalf of the graduating class, encapsulating how meaningful this special day was for her and each and every graduate.

The ceremony continued as the graduates were introduced by teacher Mrs. Holly Elliott and E.A. Mr. Ray Huxley. Each student came onto the stage and received their diploma and a handshake from Mr. Lobo. In a special tribute to the graduates' success, those who were First Nations also received an eagle feather from OJSH Native Counsellor Tracey Noyes. The eagle feathers had been blessed by an Elder, Francis Alexis in a ceremony several days prior to the ceremony.

Those graduating students of Metis heritage received a special Metis sash from Counsellor Dean Bellerose.

After Mr. Lobo gave his closing remarks, there was the Grad 2018 Recession with special songs chosen by the students. This was the time for family hugs and photos, a change out of the grad gowns into formal wear before going off to the arena for the banquet and an evening filled with family, friends, laughter, some tears, and a sense of joy and accomplishment.

The staff at OJSH wish this year's graduating class safe journeys and a wonderful future.

JOKE OF THE WEEK

Our first day at a resort my wife and I decided to hit the beach. When I went back to our room to get something to drink, one of the hotel maids was making our bed. I grabbed my cooler and was on my way out when I paused and asked, "Can we drink beer on the beach?" "Sure," she said, "but I have to finish the rest of the rooms beforehand."

RURAL CRIME STRATEGY IS WORKING

Submitted by Oneil Carlier, MLA for Whitecourt-St. Anne

For the past several years I've been hearing from people – from one end of my constituency to the other – that they're concerned about what has been described as an epidemic of rural crime.

I know I have been concerned in my own life, living as I do out here in rural Alberta. I know many of my neighbours were

feeling the same way – especially those living in more rural and isolated areas within Whitecourt-St. Anne.

Certainly the statistics our local RCMP detachments were reporting showed that there was a problem, and the problem was getting worse. Clearly something had to be done and I'm proud our government took decisive action to start tackling rural crime.

Earlier this year the Alberta Government partnered with Al-

berta's RCMP on a Rural Crime Strategy. Our \$10-million seven-point action plan was developed in conjunction with the RCMP and includes investments in more sworn officers, more civilian staff and more Crown prosecutors.

But despite this being an issue that affects all Albertans, one we should be able to come together to solve regardless of partisan affiliation. I was disappointed and frankly shocked when all

of the UCP Opposition MLAs voted against funding for more resources to tackle rural crime.

This month we've seen further proof that they're all talk and no action. Many of the recommendations in their report on tackling rural crime, which they released July 4, are to keep studying rather than tackling the issue. Rural Albertan deserve better than that, and they're getting it with or without UCP support.

And with the kind of cuts Jason Kenney has proposed – suggesting we should cut per-capita spending by 20 per cent – it's hard to imagine where police would find resources to continue with this important work.

We need to take action and tackle this problem, which is what we're funding. Crime Reduction Units, where specially trained officers focus on arresting repeat offenders, are a key part of our plan. Nearly every Crime Reduction Unit in the province is fully staffed, with 31 of 32 officers already in place.

The RCMP themselves acknowledge the plan is working, with Alberta RCMP commanding officer Todd Shean praising the work of these units last March, saying, "the targeted, intelligence-led approach to policing works."

This is a plan that puts more boots on the ground and targets prolific offenders in rural Alberta. And it's already making a difference in rural communities. The RCMP have reported that property crime in rural areas was down by 10 per cent in May, just months after our government's investment in the Rural Crime Strategy.

The bottom line is we developed this plan in conjunction with the subject-matter experts – police. And now police are reporting the positive results of our concrete actions. While the UCP is still playing politics with this important issue, we're getting down to business. We're standing up for rural Albertans and making their lives better.

GOLFER'S GUIDE

DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury.

Considering the number of times a swing is repeated during a game, it's

not surprising that the season often ends early for those who are not

physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

Side bending stretch

1. Stand with feet shoulder-width apart.

2. Hold the golf club above your head with your arms straight.

3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.

4. Hold for 15 seconds and repeat twice for each side.

Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.

2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of your lower arm. Hold for 15 seconds.

3. Gently pull the club down with your bottom hand until you feel a stretch in the top shoulder and arm.

4. Hold for 15 seconds.

5. Reverse hand positions and repeat.

CHERRILL 4-H MULTI CLUB NEWS

Submitted by Julianna Russell, Club Reporter | Cherhill 4-H Multi Club

Hi everybody I hope you all are excited and ready for summer. Our club activities are just about over for the year.

We had our Achievement day for the beef and sheep members at Mayerthorpe Ag barn.

Thank you to everyone who came out and supported 4-H. Congratulations to our beef members Justin Haltiner for club champion, and Beau Churchill for reserve club champion. Also, congratulations to our sheep members John Vanderwell for club champion, and to Bradley Kliever for reserve club champion. Good job to everyone for all their hard work.

We also had Achievement day

for our lifeskills members. We had an open house and coffee at the Cherhill community hall. There were lots of lovely displays. The foods members had delicious food for their judges. The quilting members had beautiful quilts on display. Our pheasant member had live chicks that everyone had to stop and see. Overall it was a wonderful afternoon.

Our last meeting went well. We made plans to work the concession at the Cherhill Fundays and the Darwell Barnburner Concert. Afterwards we had a yearend party with a BBQ and floats. Then we went over to the ball diamonds and had a ball game. It was a great way to end the year!

For anyone looking to join our club, our re-organizational meeting is September 22nd. We would really love to have you.

ALBERTA BEACH LIBRARY NEWS

Submitted by Cathy Brenan, Library Manager | Alberta Beach Municipal Library

Summer is here! Hurray! We will once again be running our summer program for kids between 5 and 12 years old. Join us on Wednesday mornings at 11:00 am for stories, games, rhymes, and maybe even a snack. Our first session runs on July 4 and our wind up will be on August 8. We are also planning a drop in session for kids to work on Lego, K'nex, makerspace activities. More details will be available in the coming weeks and will be posted on our website (www.albertabeachlibrary.ca) and on facebook (Alberta Beach Municipal). You can also e-mail us for info (ablibrary@yrl.ab.ca) and call 780-924-3491.

The library art wall is currently hosting art work by local artist Germaine Franche. Germaine has an extensive art history, including studying at Grant MacEwan College of Art, at the U of A Extension under Prof. Harry Wolfarth and with other famous artists. She has had Gallery exhibits, completed 7 murals in public

buildings and private homes, won the coin design contest for the Canadian Mint 125 Anniversary Coin and has spent many years teaching others to draw and paint. The display currently hanging on our wall consists of sketches of the Sioux Tribe each with a short narrative. These pieces will be on display and prints are available for sale until July 25 so if you haven't already been in to see then, be sure to stop by.

We are collecting donated books and dvds to sell at our giant parking lot book/dvd sale in August. All funds raised from this sale goes back into buying new materials for our library.

And, finally, we just wrapped up a very fun year of book club reading. Over the past 10 months we read books from just about every genre. Each month, over 20 people read the book and about a dozen show up at the library for the discussion. It's really interesting how different books affect different people. Our new reading year starts on Thursday, September 27, at 7:00 pm. If you would like to join us, the September book will be available at the end of August.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

8	7	4	2	9	1	6	3	5
2	1	5	3	6	4	8	9	7
3	6	9	8	7	5	4	1	2
6	4	7	9	1	2	5	8	3
9	2	8	7	5	3	1	6	4
5	3	1	6	4	8	7	2	9
4	5	3	1	2	6	9	7	8
1	9	2	4	8	7	3	5	6
7	8	6	5	3	9	2	4	1

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
