RCMP CENTRAL ALBERTA DISTRICT CRIME REDUCTION UNIT DISMANTLE CHOP SHOP IN ST. ALBERT

Submitted by RCMP Central Alberta District Crime Reduction Unit

The RCMP Central Alberta District Crime Reduction Unit (CRU) were engaged by St. Albert and Morinville RCMP Detachments to assist in arresting targeted offenders who were believed to be operating a 'chop shop'. Four males have been arrested and several charges laid.

Over the course of July 24 and 25, the Central Alberta District

CRU were investigating a property and a known repeat offender in the St. Albert area. While investigating, the CRU observed minor thefts committed by the four suspect males.

On July 24, the four males were arrested. Following their arrest, investigation by the CRU determined that both Ford F350s that the males were associated to had been reported stolen. In one case, the vehicle identification number of the truck had been altered.

With the assistance of members from St. Albert Detachment, a related residential property on Villeneuve Road was secured in anticipation of a search warrant. On July 25, with the assistance of Edmonton RCMP Auto Theft Unit and the Wetaskiwin and St. Albert CRUs, the Central Alberta District CRU executed a search warrant. A stolen utility trailer along with parts from a GMC Sierra were seized.

ALBERTA BEACH ANNOUNCES FOOD TRUCK FRIDAY!

Submitted by Village of Alberta Beach

Alberta Beach is proud to announce 'Food Truck Fridays' in Alberta Beach. Food Trucks & Vendors are invited to come out on Fridays and set up in Gazebo Park (Permits are required). The village hopes that this initiative will help encourage visitors to the village, make the downtown core more vibrant and active, create a sense of community, and build an ongoing opportunity for people to get out and enjoy our beautiful village.

Village Council came up with the idea after hearing from residents and local businesses, who were frustrated with the temporary early season closure of the beach (which is now open for business) and were concerned about the long-term impact that such a closure would have on tourism in the village.

"Council believes it is important that we also support our permanent businesses that serve our community 12 months a year as they are vital to a successful village. We believe that Food Truck Fridays will enhance the

services already here and in the long term, will attract more visitors and residents to our community" says Jim Benedict, Mayor of Alberta Beach.

Council is looking forward to hearing feedback from residents, visitors, businesses and vendors. People are encouraged to contact the Albert Beach office at 780-924-3181 or aboffice@albertabeach.com if they would like more information or to provide their input on this exciting initiative.

RCMP Central Alberta District Crime Reduction Unit Dismantle Chop Shop In St. Albert

Continued From Page 1

Four males are facing charges as follows:

44-year-old Trevor Wayne Skoro of St. Albert, is charged with five counts of possession of property obtained by crime; as well as, tampering with a vehicle identification number and possession of a controlled substance (methamphetamine)

48-year-old Ronald Ver-

non Scott of Alberta Beach is charged with two counts of possession of property obtained by crime and two counts of possession of a controlled substance (methamphetamine)

50-year-old Wally Allen Gerrior of St. Albert, is charged with three counts of possession of property obtained by crime and possession of a controlled substance (methamphetamine)

29-year-old Darcy Todd Beckman of Dawson Creek, is charged with one count of possession of property obtained by crime and possession of a controlled substance (methamphetamine)

Judicial interim release hearings have been held. Skoro and Gerrior remain in custody and are scheduled to appear in Provincial Court in St. Albert on July 30, 2018. Scott and Beckman have been released on a Recognized and are scheduled to appear in Provincial Court in St. Albert on July 30, 2018.

At the time of his arrest, Ronald Vernon Scott was wanted on an arrest warrant out of Stony Plain.

The CRU supports detachments in Central Alberta District in identifying, targeting and focussing on repeat offenders who are crossing jurisdictions. This is a large component in the several different crime reduction strategies in place across KDivision.

EWANCHUK, George Michael
April 15, 1929 - July 21, 2018

EWANCHUK, George Michael
It is with great sadness that on July 21, 2018, George Ewanchuk of Onoway passed away at the age of 89 years. George is survived by his loving children: Keith (Karen), Don (Sharon), Lyle (Kelly), Sheila (Jeff) and Darren (Kane); son-in-law, Henry; grandchildren: Michael (Mayda), Leslie (Cory), Kurtis, Justin (Renee), April (Kyle), Britni (JC) and Michael; great-grandchildren: Diego and Dominika; Charlie; and Reed and Corali. He was predeceased by his daughter, Dayle and his loving wife, Irene.

A Memorial Service will be held at Connelly-McKinley - St. Albert Funeral Home, 9 Muir Drive, St. Albert, Alberta on Wednesday, August 1, 2018 at 2:00 pm. Cremation.

To send condolences: www.connely-mckinley.com

Family & friends who wish to make a memorial donation in his name, can make them directly to: Covenant Foundation, 3C60-11111 Jasper Ave NW, Edmonton, AB, T5K 0L4 or online at www.covenantfoundation.ca

APPLY TO PARTICIPATE IN A NATIONAL YOUTH FORUM ON PARLIAMENT HILL!

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to invite young residents in the riding to apply to participate in a national youth forum on Parliament Hill.

The program has been active for

more than 40 years and is hosted by Forum for Young Canadians, an organization that engages young Canadians and educates them on the role and function of the three levels of democratic government in Canada.

Students aged 15-19 are eligible to participate in the program, which will run on following dates:

- October 21-26, 2018
- February 3-8, 2019
- March 17-22, 2019

As part of the program, students will visit the Senate, House of Commons, and the Speakers of each chamber as well as the Clerks and Pages. They will also have breakfast with Senators and attend a reception with Members of Parliament.

The deadline to apply is September 17, 2018.

"I urge any youth in my riding with a passion for politics and public service to apply," concluded MP Eglinski.

For more information and to apply, visit: <http://forum.ca/the-program/for-students/?lang=en>

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

July 25, 2018

It is anticipated that the possession, sale and consumption of cannabis will be legalized by the Government of Canada on October 17, 2018. In preparation for this, the Town of Whitecourt has been working to determine land use regulations, as well as guidelines surrounding consumption within our community.

- In response to upcoming federal and provincial legislative changes, the Land Use Bylaw has been amended to allow for the sale of cannabis in specific land use districts. This change will see cannabis treated similarly to the retail of alcohol and tobacco products.

- Administration is preparing amendments to the Community Standards Bylaw to include restrictions for cannabis consumption, and draft amendments will be reviewed at the August 21 Regular Meeting. The Town of Whitecourt will be hosting a public information meeting in September to receive comments and feedback from residents. Details will be posted on www.whitecourt.ca and on the Town's Facebook page once confirmed.

Whitecourt will be submitting three projects to the Investing in Canada Infrastructure Program for consideration. Expressions of interest, the first stage in the application process, will be submitted for:

- Community, Culture, and Recreation Infrastructure category:
 - Arts & Culture Facility and Library
 - Sportfield Master Plan Improvements
- Green Infrastructure category:
 - Wastewater Treatment Plant

Improvements
While the arts & culture facility and library project has not received formal approval to proceed by Whitecourt Town Council, it is felt that submitting an expression of interest is a prudent financial plan to secure funding in the event that a decision will be made soon. All projects, should funding be received through the grant program, will be brought back to Councils for approval prior to commencing.

The Town of Whitecourt will be issuing a tender in the coming

weeks for the rebuild of 50th Avenue and portions of West Street in west Whitecourt. The project will enhance drainage and road conditions for the area.

The 2018 Project List, which outlines projects and initiatives undertaken throughout the organization for this year, has been updated and is available to view on www.whitecourt.ca. There are 161 projects included in the 2018 document.

A new template has been created for the Quarterly Financial Report. The document outlines

revenues and expenditures associated with providing municipal services, and includes supplementary information regarding key accomplishments, unforeseen emergencies, and information on federal/provincial grant approvals. The report is available for public viewing on www.whitecourt.ca.

Council has proclaimed September 23 to 29 as Rail Safety Week.

The next Regular Meeting of Council is scheduled for Tuesday, August 21 at 7:00 p.m. at the Forest Interpretive Centre.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR PEANUT LAKE

Submitted by Alberta Health Services

COUNTY OF BARRHEAD – A blue-green algae (cyanobacteria) bloom has been identified in areas of Peanut Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish filets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Peanut Lake, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usu-

ally appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Peanut Lake, until further notice.

Please note that areas of Pea-

nut Lake in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is also available online, at www.ahs.ca/bga.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

SEARCH WARRANT RESULTS IN ARRESTS

Submitted by Stony Plain/ Spruce Grove/Enoch RCMP

Stony Plain, Alberta – On July 18, 2018 at 5:13 P.M., Stony Plain/Spruce Grove/Enoch RCMP received a complaint regarding a theft of some items from a storage locker located in Spruce Grove, Alberta. The incident occurred sometime within the previous 2 weeks.

Items missing included personal items and five fully restored vintage motorcycles with a val-

ue of approximately \$25,000.00.

Stony Plain/ Spruce Grove and Enoch Serious Crimes Unit worked collectively on gathering intelligence and identifying the location of the motorcycles. As a result, a search warrant was obtained and the motorcycles were recovered from a residence in Stony Plain, Alberta.

The motorcycles have since been returned to their owner.

A male and a female were arrested. Both were charged with Possession of Stolen Property

over five thousand dollars.

Matthew Boreen, 33 years old, from Stony Plain, Alberta was remanded into custody. His first appearance is on July 25, 2018 at Stony Plain Provincial Court.

Stefanie Dul, 27 years old, from Stony Plain, Alberta, was released with conditions. She will appear in court on July 25, 2018 at Stony Plain Provincial Court.

Crime reduction continues to be a priority in our communities. The RCMP would like to thank

the public for their continued efforts to help solve crime within our community.

If you have any information in regards to this or any other crime, you can contact the Stony Plain RCMP at (780) 968-7200. If you would like to remain anonymous you can contact Crime Stoppers by phone at 1 (800)-222-8477 (TIPS) or on the internet at www.tipssubmit.com.

MAKE ALL-TERRAIN TRAVEL ALL GOOD

Submitted by Alberta Health Services – written by Alex St. Cyr

If you're an all-terrain vehicle (ATV) driver, it's hard to resist the allure of exploring backcountry trails during the summer. These tips will help newbies and trail veterans alike navigate the ins and outs of ATV safety.

Age limits

Some exceptions apply, but the minimum age by law for operating off-highway vehicles is 14 years. The AHS recommended age is 16.

Know the risks
When not used safely, ATV risks include

- Scrapes and cuts
- Strains and sprains
- Broken bones
- Dislocated joints
- Bruising

• Concussions and head injuries

• Internal injuries.

Safety tips

• Choose an ATV that's right for your size to reduce a chance of rollover or serious injury.

• Wear protective equipment such as an approved ATV helmet, eyewear and gloves.

• Wear pants, long sleeves and boots to prevent cuts and scrapes.

• Ride during daylight hours, at a safe speed, with other people around.

• Carry a first-aid kit with each vehicle.

• Don't drive while or after using alcohol or other drugs.

• Take a certification course through the Alberta Safety Council.

Visit myhealth.alberta.ca and search for ATV safety.

We understand hearing loss. First hand.

GOLFER'S GUIDE

DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

Side bending stretch

1. Stand with feet shoulder-width apart.
2. Hold the golf club above your head with your arms straight.
3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.
4. Hold for 15 seconds and repeat twice for each side.

Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.
2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of your lower arm. Hold for 15 seconds.
3. Gently pull the club down with

your bottom hand until you feel a stretch in the top shoulder and arm.

4. Hold for 15 seconds.

5. Reverse hand positions and repeat.

peat.

AUGUST NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

Submitted by Jennifer Parker, Library Programmer and Communication Coordinator | Rich Valley Public Library

Mrs. Fitzgerald's Read It Bingo has started and for every book you read you will receive one star. Only books that you have never read before will count towards this challenge. Some stars are for specific books that you must read. However, you must show her what your favorite part of the book is in one of the following ways, by answering three

questions, writing a poem or song, drawing a picture, making a video or building a character or scene out of LEGO.

Adults also get a chance to participate in Bingo. With every book you read and fill out a slip, will receive one star. Some stars are for specific books that you must read.

Prizes will be awarded for 2 lines, 4 lines, 6 lines and a full card. Come on down and start your Bingo Card before the contest ends on May 31, 2019.

This month we are offering the following programs:

Teen Club is held Tuesdays from 7-9 pm. This is a free drop in program for ages 12 and up. Teen Club has been doing all kinds of activities from playing board games, to using free Wi-Fi and doing our weekly challenges. We will continue our fun in August with making bath bombs, holding a Wii game tournament and our henna night. The last night of Teen Club will be August 21, 2018. Check our Rich Valley Public Library Facebook page to find out what we are doing each week. Come by and hang out!

The TD Summer Reading Club

is off and running! So far, we have created our own scratch art projects, baked some delicious chocolate chip cookies, and made some fizzy bath bombs. If you haven't joined us yet, don't worry because August is full of fun as we learn about coding and we make our own paper. This program is designed to encourage children to explore ideas, enjoy reading, have fun and maintain literacy skills throughout the summer holidays. Each week we will explore a potential passion as we hold weekly challenges, crafts and of course stories and reading. The Summer Reading Club is held every Wednesday. Children ages 2-4 will run from 10:00-10:30 am. Children ages 5-8 will run from 10:30-11:30 am. Children ages 9-12 will be from 11:30 am-12:30 pm. The Summer Reading Club is a free program, so you can join us any week you want.

Join us for Free Movie Night at the Rich Valley Public Library. The Rich Valley Public Library will be showing "A Wrinkle in Time" (PG) on August 16, 2018. Doors open at 5:00 pm and the movie will start at 6:00 pm in the Yellow Room. Admission is free. Popcorn, licorice, candy, pop and water plus juice will be available for sale. Please feel free to bring pillows or blankets to sit on.

Story Time will be starting on September 5, 2018 and will be every Wednesday from 11:00-11:45 am. Bring your toddlers in on Wednesdays from 11:00 to 11:45 am for stories, activities and crafts. All children ages 0-5 are welcome to join us at this free program. Every third Wednesday of the month we will alternate between Tents and Tunnels, Play Doh Fun and Lego Building. This program is funded by FCSS.

The Rich Valley Public Library is looking for the Driver's Guide to Operations Books and the Alberta Learners flash cards to assist our young drivers in studying for their learner's test. If you have any that you wish to donate, please drop them off at the Rich Valley Public Library.

We are located in the basement of the Rich Valley Community Hall.

Rich Valley Public Library is open Tuesday from 5-8 pm, Wednesday from 10 am-2:30 pm, Thursday from 2-6:30 pm, and Friday from 9 am-12 pm. We look forward to seeing you!

Please, check out our website at www.richvalleylibrary.ab.ca and Facebook for all our programs and news.

ALBERTA RCMP, EDMONTON POLICE SERVICE, LAY CHARGES FOLLOWING SERIES OF BREAK-INS IN CENTRAL ALBERTA

Submitted by Alberta RCMP

Police arrested four individuals in connection with 18 incidents that took place in Edmonton, Strathcona County, Spruce Grove and Fort Saskatchewan over a two-month period. The group is alleged to have stolen over \$125,000 in cash and goods and caused nearly \$50,000 in property damage.

It was clear members of the crime group were experienced. They moved carefully and operated at all hours to try and avoid police detection. To take them down, a coordinated strategy and additional resources were needed.

A task force under the Intelligence Sharing and Action Program was activated in order to pool resources. Through this collaborative model, Alberta RCMP, Edmonton Police Service and other agencies are able to quickly mount large investigations normally outside the range of single detachments.

"This is true collaborative and intelligence-led policing. We were faced with an issue that impacted multiple jurisdictions and, together, developed and executed a strategy to meaningfully respond." - Superintendent Peter Tewfik, Officer in Charge of Crime Reduction, Alberta RCMP

Through a coordinated effort, and with the support of a High Altitude Surveillance Plane that helped guide surveillance on the ground, the task force was able to gather the evidence required to execute search warrants on four residences and locate and arrest four individuals. Police recovered, among other items, jewellery, a wall mounted safe and a signed Nugent-Hopkins Edmonton Oilers jersey as well as other memorabilia.

"Criminals never pay attention to boundaries on a map when they're conducting their illicit activities nor should police when responding to them. This joint operation between EPS and the RCMP is a prime example of that." - Deputy Chief Brian Simpson, Edmonton Police Service

Brian James Hunt, 49, Nathan Michael Tucker, 32, Ashley Nathaniel Yardley, 33, and Ibrahim Mohamed Elkayal, 32, are facing a total of 38 charges related to Breaking and Entering including one charge each for Conspiracy to Commit Breaking and Entering.

"Thank you to the RCMP and Edmonton Police Service on finding and arresting these criminals. These crimes not only cost business owners time and money but affect our customers and the surrounding community." - Todd Banks, Executive Director, Sherwood Park Chamber of Commerce

COMPETITION BUREAU LAUNCHES MARKET STUDY ON BROADBAND

Submitted by Jim Eglinski, MP - Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that the Competition Bureau has launched a market study to look into consumer habits in purchasing internet services,

with the goal of better understanding the competitive dynamics within the Canadian broadband sector.

The study will explore whether there are ways to foster more competition in this sector, which could lead to more choices and lower prices for Canadians. Specifically,

ly, the study will look at whether changes to internet regulations could result in a broader range of service options, encourage more informed consumer choice, and reduce barriers to consumers switching between providers.

“While most Canadians are well-served, many, including

those in the rural areas of our Yellowhead riding, do not have access to broadband internet access services that are comparable to those offered to the vast majority of Canadians in terms of speed, capacity, quality and price,” stated MP Eglinski.

Continued on Page 20

REQUEST TO ID SUSPECT

Submitted by St Albert RCMP

File: 2018 - 1059300
St. Albert, AB - On Wednesday, July 18, 2018, at approximately 8:35 p.m., a male suspect walked out of the London Drugs store located in the St. Albert Centre, while carrying a quantity of unpaid merchandise. He is described as:

- early to mid 20's
- about 6'1" tall and weighing about 150 pounds
- had dark brown hair and a short brown beard
- wearing black shoes with white soles,
- dark checkered shorts
- a faded blue t-shirt
- a black hat.

If you have information about this crime and would like to remain anonymous, contact Crime Stoppers by phone at 1-800-222-TIPS (8477), online at p3tips.com, or with the P3 Tips app. Crime Stoppers does not collect information about your identity. A tip leading to an arrest may be eligible for a reward of up to \$2,000.

ATTENTION YOUTH! THE ENABLING ACCESSIBILITY FUND WANTS YOUR IDEAS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of a call for expressions of interest under the Enabling Accessibility Fund (EAF).

In celebration of National AccessAbility Week, Employment and Social Development Canada has launched the call for expressions of interest for youth leaders across Canada, who will work with eligible organizations to submit project proposals under EAF's Youth Innovation

Component.

"This opportunity gives young volunteers a chance to make a difference and directly address accessibility issues in their communities," stated MP Eglinski.

Youth interested in participating are required to identify accessibility barriers in public places or workplaces within their immediate and/or surrounding communities, and seek out interested organizations willing to work with them to develop an EAF accessibility project funding proposal worth up to \$10,000. Eligible organizations include: not-for-profit

organizations, small businesses (up to 99 full-time employees), small municipalities (population under 125,000), Indigenous organizations, and territorial governments.

The call for expressions of interest will support approximately 125 youth-driven projects aimed at increasing accessibility in community facilities and workplaces across Canada.

"This is an incredible opportunity for young people to gain significant experience in public service and project management, while making meaningful changes in their communities

for persons with disabilities and accessibility issues. I encourage our local youth to consider applying to this funding program," concluded MP Eglinski.

Applicants between the ages of 15 and 30 years of age can apply online at: www.canada.ca/en/employment-social-development/services/funding/enabling-accessibility-fund-youth-innovation.html

The call for expressions of interest will close on September 21, 2018.

Competition Bureau Launches Market Study on Broadband

Continued From Page 19

The study will address four broad themes: the ability of broadband providers to deploy competitive service offers, consumer reactions to new compet-

itive alternatives, the impact of existing regulation on broadband providers, and whether there are lessons to be learned from how other countries manage and regulate broadband competition.

"Ensuring availability of

broadband internet access service is a shared responsibility that will only be attained with the help of everyone involved," concluded MP Eglinski.

Those with an interest in the Canadian broadband sector are

invited to share their views on the issues raised by the study.

For more information on how to make a submission, visit: www.competitionbureau.gc.ca/eic/site/cb-bc.nsf/eng/04360.html

BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR LAC LA NONNE

Submitted by Alberta Health Services

LAC STE. ANNE COUNTY – A blue-green algae (cyanobacteria) bloom has been identified in areas of Lac La Nonne. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Lac La Nonne, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting

and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Lac La Nonne, until further notice.

Please note that areas of Lac La Nonne in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is

also available online, at www.ahs.ca/bga.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

PURE POTENT CBD DROPS

The World's Purest CBD Oil

• 500mg • 750mg

Organic Non GMO

CBD is in a class of its own - affordable, high quality, and convenient!

WHAT IS CBD?

Cannabidiol (CBD) is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side effects and a lack of psychopactivity (typically associated with marijuana products and high THC).

Our CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain 0.3% THC.

Benefits of CBD Oil

<ul style="list-style-type: none"> • Reduce Nausea & Vomiting • Suppress Muscle Spasms • Reduce Seizures & Convulsions • Promotes Health • Promotes Brain Tissue & Bone Growth • Fibromyalgia Pain • Reduces Blood Sugar Levels 	<ul style="list-style-type: none"> • Antibacterial • Anxiety & Depression • Reduces Nicotine Cravings • Digestive Aid • Anti-Psychotic • Ringing Ears - Tinnitus • Inhibits Cell Growth in Tumors
--	--

CBD HEALTH BENEFITS

- Mental & Brain Health**
CBD affects principal cannabinoid receptor in the brain promoting a healthy state of mind.
- General Health**
Cannabidiol has incredible medicinal benefits and will improve overall wellness.
- Healthy Balance**
Cannabidiol helps restore healthy balance to the endocannabinoid system.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

7		1	6		8			
	6			2	9			
	3	2			5		1	
	1		9	5	6	8		
5		9	2			3		
4								
	9		8			2		
2	4			9		7	8	
			3					1

ANSWER:

7	5	1	6	3	8	4	2	9
8	6	4	1	2	9	5	7	3
9	3	2	4	7	5	6	1	8
3	1	7	9	5	6	8	4	2
5	8	9	2	1	4	3	6	7
4	2	6	7	8	3	1	9	5
1	9	5	8	6	7	2	3	4
2	4	3	5	9	1	7	8	6
6	7	8	3	4	2	9	5	1

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
