MEET YOUR RURAL NEIGHBOURS AT OPEN FARM DAYS

Submitted by Marion Nader, Culture and Tourism | Government of Alberta

Farms, ag-tourism operators and culinary events across the province are opening their gates to visitors on Aug. 18 and 19.

Now in its sixth year, Alberta Open Farm Days returns as an important ag-tourism event that helps visitors experience and understand where their food comes from. More than 110 host sites and culinary events across Alberta are ready to showcase the province's fast-growing rural tourism sector and everything farm life has to offer.

"Open Farm Days is back for another incredible weekend of delicious food, family friendly entertainment and rural hospitality. The event helps people learn more about where their food comes from and supports rural tourism operators across the province. I encourage everyone to chart a course for rural Alberta and take advantage of this great staycation opportunity." - Ricardo Miranda, Minister of Culture and Tourism

"Alberta has some of the best farmers and food producers in the world. Open Farm Days is a great opportunity for Albertans to support this industry and meet the people who put food on their tables. A strong local food industry creates jobs and connects communities." - Oneil Carlier, Minister of Agriculture and Forestry

Participating host farms will offer educational tours, opportunities to buy locally grown and homemade products, and activities like corn mazes, hayrides and petting zoos. Admission to farms is free, but there may be costs for some activities.

Culinary events will feature top Alberta chefs preparing dishes made from locally grown products. There is a range of costs to participate in these events and space is limited. Be sure to buy tickets ahead of time.

Open Farm Days' new website makes it even easier for people to book tours and culinary events, and plan their trips across the province. Visit albertafarmdays.ca for more information.

Alberta Open Farms Days, which began in 2012, is a collaborative project presented by the Government of Alberta, the Alberta Association of Agricultural Societies, the Alberta Culinary Tourism Alliance, Travel Alberta and participating farms and ranches.

Minister Carlier and Minister Miranda meet Alberta farmers in Spruce Grove (left) and Calgary (right).

Final Dollars Raised for Drayton Valley CT Scanner

Continued From Page 1

Previously, patients would be transported to Alberta Health Services (AHS) facilities in Edmonton or other larger centers to have a CT scan, which is used to verify the presence or absence of tumors, infections, abnormal anatomy or changes within the body resulting from trauma.

"Alberta Health Services is working to ensure Albertans have timely access to healthcare services in communities across the province," says Kathy Howe, area director, Central Zone, North. "With the new CT scanner, patients here will now be able to access the services they need without having to travel to Edmonton or another center."

Howe says the quality of diagnostic imaging is now well beyond what was previously available in the community. "Having this technology locally will definitely reduce the turnaround

time in diagnostics for the physician and patient. That's most important."

"Our donors embody the spirit of philanthropy," says Colleen Sekura, Fund Development Officer for the Drayton Valley Health Services Foundation. "The community really stepped up to help us make the goal of a new CT scanner for the hospital a reality. The foundation has raised \$1.8 million — including a \$600,000 donation from the Drayton Valley Hospital Auxiliary, \$285,000 from the Turner Foundation and \$50,000 from Pembina Pipeline."

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

BANFF RCMP SEEK RETURN OF SPECIAL ARTIFACT

Submitted by Banff RCMP

Banff National Park, Alberta – The RCMP are seeking public assistance in the return of an artifact that was removed on July 28 from a historical site at Lower Bankhead near Lake Minnewanka in Banff National Park.

At 2:30 p.m., Banff RCMP re-

ceived a report that an artifact was taken. The artifact is described as a 1900's era coal miners lamp (attached photo is an exact replica). The Wolf Flame Safety Lamp was placed on the ground near the lamp house, as part of a Parks Canada interactive guided walk. The story of the people of Bankhead is part of Banff's rich cultural history and the missing lamp was on loan from the great-granddaughter of a miner.

"The value in this lamp is not monetary, rather it is sentimental and historical" says Sergeant Philip Viers of the Banff RCMP Detachment. "We are making a public plea and ask that whoever removed this lamp do the right thing by returning it to any RCMP Detachment."

If you have any information regarding this artifact please contact the Banff RCMP at 403-763-6600. If you wish to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com,

JOKE OF THE WEEK

Early one morning, a mother went in to wake up her son. 'Wake up, son. It's time to go to school.'
'But why, Mom? I don't want to go.'
'Give me two reasons why you don't want to go,' she asked. 'Well, the kids hate me for one, and the teachers hate me, too!'
'Oh, that's no reason not to go to school. Come on now and get ready.'
'Give me two reasons why I should go to school.'
'Well, for one, you're 52 years old. And for another, you're the Head teacher!'

CHALLENGE YOURSELF AT THE DV100

Submitted by Fredrickson Ent Inc

This year's DV100 bike race or ride looks set to be bigger and better than ever, and there's still time for you to sign up and get involved.

Since it started in 2012 the DV100 has grown to be one of the highlights of late summer in Drayton Valley. This year organizers are expecting around 300 riders, many of them local, to take part.

Registration remains open until race day, which is Saturday, Sept. 8. Anyone who signs up before August 15 will receive early bird pricing. As in previous years, riders can choose between courses measuring 40, 100 or 160 kilometres.

"If anyone's out there wondering if they should give it a go I'd tell them they absolutely should," says Graham Long, who has ridden the 40 kilometre course for the last four years. "A few years ago I hadn't been on a bike since high school. I was pretty wobbly at first, but I did it, and I think if I can do it just about anyone can. The feeling you get when you cross the finish line is totally worth the effort you put in."

All three courses start and end at the Omniplex, with the longer courses taking a loop through Lodgepole and Cynthia before heading back to town via Rocky Rapids. There's also a 40K Corporate Challenge and a 100K team event. This year there's an after party at the MacKenzie Conference Centre featuring local food and live music. You'll find all the event details and information online at www.dv100.ca.

There's prize money too. For the 2018 event there's \$25,000 available for the serious competitors, with another \$1,000 on the table for anyone who can set a new course record for the 100K. But the DV100 is not just about who finishes first. A great many entrants each year take part for the personal challenge, to get some exercise and to help contribute to a worthwhile cause.

"I'm certainly never going to win any prize money. The fastest riders are usually pretty much out of sight by the time I'm through Poplar Ridge," says Long. "But it's a great day with some great people. I enjoy the challenge of taking part, and there's a real sense of companionship. I look forward to it every

year."

The DV100 is a major fund raiser for the Drayton Valley Community Foundation, which is working to build a community savings account for Drayton Valley and Brazeau County. The Foundation also supports a number of worthwhile local causes and organizations which work to make this a better place to

live.

To register for this year's DV 100 visit www.dv100.ca. As an added incentive, all registrations received by August 15 will be entered in a draw for a prize of 10 days accommodation for four in beautiful Belize and a \$1,200 WestJet Airlines travel voucher.

RIDING UPDATE – JULY 2018

Submitted by Jim Eglinski, MP – Yellowhead

I enjoy being in the riding during the summer where I can reconnect with my constituents. After Parliament adjourned for the summer, I began my travels throughout the region.

Over the last week of June, I spent some time meeting with constituents in my Edson office. I also met with colleagues regarding the mountain pine beetle issue, spent an afternoon in Hinton to attend the grand opening of their food bank, and participated in the Cherhill Family Fun Days.

On July 1st, along with my wife Nancy, I attended events celebrating Canada's 151st birthday at Centennial Park in Edson. Also in the first week, I spent time in my Edson office, dropped in to the Edson Fire Hall, as well as the Yellowhead County Fire Hall, to visit our firefighters and thank them for their efforts as the fire season is now well underway.

I spent most of the following week in my office. I also attended a luncheon in Edmonton with my Conservative colleagues to support candidate Tim Uppal in his bid to win back the riding of Edmonton—Sherwood Park in next year's election.

In the third week of July, I was kept very busy on the road. On the Monday, I attended the Pembina River District Zone meeting, which is one of five Districts belonging to the Alberta Association of Municipal Districts and Counties, where I presented an update on issues relative to rural Alberta.

On the Tuesday, I attended a

meeting concerning Cannabis in the Workplace at Drayton Valley's Clean Energy Technology Centre. The next day, I joined the Wildwood Fire Hall for their Grand opening and BBQ.

On the Thursday, I was back in Edmonton to attend a convention with Conservative colleagues. While there, I met up with UCP Leader Jason Kenney at the Northern Alberta Conservative Leaders BBQ. The next day, I participated in the

Klondike Days Parade with my colleagues, including Andrew Scheer.

On the Saturday, I was back in the riding to celebrate the Carvel Community General Store's 100th anniversary.

After such a busy week, I took the last week of July off to spend time with my family. I look forward to returning to the riding refreshed and ready to hit the road once more!

Family run, local business, we care!

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

9				2				4
8			3			1		
2				9		6	5	
	8	9				7		
	3						2	6
	1	2						8
5		7			6			
1				5	9		8	
			4	1	7	2		

ANSWER:

9	5	3	6	2	1	8	7	4
8	7	6	3	4	5	1	9	2
2	4	1	7	9	8	6	5	3
4	8	9	5	6	2	7	3	1
7	3	5	1	8	4	9	2	6
6	1	2	9	7	3	5	4	8
5	2	7	8	3	6	4	1	9
1	6	4	2	5	9	3	8	7
3	9	8	4	1	7	2	6	5

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
