# INVESTIGATION INTO SERIOUS INJURY DURING STONY PLAIN VEHICLE STOP

**Submitted by Alberta Serious Incident Response Team (ASIRT)**

The Alberta Serious Incident Response Team (ASIRT) has been directed to investigate the circumstances surrounding a traffic stop by members of the Stony Plain RCMP that resulted in serious injury to a 29-year-old man.

On Aug. 5, 2018, at approximately 1:46 a.m., officers

stopped a vehicle on Township Rd 232 and Range Rd 280. There were two people in the vehicle. Police identified the passenger, a 29-year-old man, and advised him that he would be detained on outstanding warrants. The man got out of the vehicle and ran into a wooded area north of the vehicle stop location.

The RCMP sent a police dog and a handler to the scene to help find the man. When police located the man, a confrontation

occurred. During a struggle with officers, the man sustained dog bite punctures/scratches on his right forearm, cuts or bite marks to the left ear and surrounding area, and a skull fracture with a cut on the left side of his head near the ear.

The man was taken to hospital and needed stitches to the area around his left ear. The skull fracture was deemed minor, the man was medically cleared and released into police custody.

At the time of the stop, the man had outstanding warrants for possession of a weapon for a purpose dangerous to the public peace, possession of a controlled substance, theft under \$5,000, and three counts of failing to appear in court.

ASIRT's investigation will focus on the man's arrest and the circumstances surrounding his serious injury. The RCMP will maintain responsibility over the investigation into the criminal conduct of the occupants of the vehicle.

With the investigation underway, ASIRT will not make any further comment until the matter is concluded.

ASIRT's mandate is to effectively, independently and objectively investigate incidents involving police that have resulted in serious injury or death to any person, as well as serious or sensitive allegations of police misconduct.

# IT'S SINGING TIME AGAIN WITH THE LAC STE. ANNE COMMUNITY CHOIR!

**Submitted by Lac Ste. Anne Community Choir**

The Lac Ste. Anne Community Choir is about to begin its next season, and we're inviting the many people who've told us they'd love to become part of this successful group to join.

Most of our members live in the Lac Ste. Anne/Onoway area, but others come from as far away as Edmonton, Wabamun, Sandy Beach, Spruce Grove and

Sangudo. They all just love singing, and enjoy the camaraderie and friendship of the group, so are willing to travel for both rehearsal and performances. We rehearse in Alberta Beach, a central location.

Director Debbie Rosen is proud of her part in the Lac Ste. Anne Community Choir. "This choir performs above all expectation. The combination of seasoned choir singers, professionals, and amateurs who have

never read a note of music really works. The joy that results is infectious, and the proven health benefits of choral singing combine with this joy to inspire both singers and audience."

While we strongly encourage those with choral experience to join us, there are no auditions, and people with no choirs in their past, and/or no music reading ability, are also welcome. Rehearsal CDs of all parts are included in the registration pack-

age, so those who need to learn by ear will have an excellent tool to use to learn the music. Debbie Rosen will inspire you to excel, make you laugh along the way, and leave you with a smile on your face at the end of every rehearsal.

The next season of the Lac Ste. Anne Community Choir begins Wednesday, September 5. Registration begins at 6:15 p.m. at the Heritage Centre in Alberta Beach (5012 - 49 Avenue). At 7 p.m., the first practice begins. All rehearsals are Wednesdays from 7 - 9 p.m., preparing for Christmas-season concerts.

Membership is just \$70 each session (September to December; January to May), with a discount for multiple family members. No one is refused membership, and if necessary, fees may be adjusted to meet individual needs. Each member is also asked to help with our various fundraising efforts. A black binder plus concert clothing is the only other cost.

Questions? Call Diane at 780-924-2348 or Deb at 780-497-0531.

# LETTER TO THE EDITOR: FLOWERING RUSH INFESTATION AT LAKE ISLE

Submitted by Patricia (Patti) Fish

Many Lake Isle Residents are frustrated and confused to learn that local residents' concerns have, for the second year in a row, thwarted the Alberta government plans to combat the Flowering rush infestation at Lake Isle with a federally approved herbicide treatment.

Our watershed community is home to many people who hold

many different relationships with water. Beyond these differences, people are united in their genuine concern for the health of these lakes and fragile ecosystem. We can trust that everyone concerning themselves with the Flowering rush infestation is acting on what they believe is the best way to protect these freshwaters.

Whether our knowledge originates from sacred wisdoms or modern science; each of us holds

a piece of Truth. We don't need to repeat the mistakes of the past and divide ourselves into 'us' versus 'them'. Current times challenge us to offer respect, openness and trust to each other, as a way to reconcile our differences.

This herbicide application was stopped by ordinary people who called on the Ministries to address their concerns. This is a good reminder that democracy works if people do.

We all have a voice, and we all should use it. You are encouraged to mail your comments and concerns to the (2) Ministers responsible for addressing the Flowering Rush crisis at Lake Isle.

You can tell them why you are concerned that a herbicide would be introduced to Lake Isle fragile aquatic ecosystem; You can tell them why you are concerned that this planned herbicide application is getting thwarted year after year. You can tell them what this all means to your lifestyle, your relationship with the lake, your property value, etc.

People are also being encouraged to come and hear the information being presented by Honorable Oneil Carlier, (AAF) and Mr. Travis Ripley, (AEP) regarding this decision and the government plans for the upcoming year. They will be speaking at LILSA AGM/ Conference Saturday Aug 18 – 9:30am – 12:00pm at Alberta Beach Heritage Center: 5012 49 Ave. Alberta Beach, AB.

Your presence at this meeting amplifies your expectation that "something" must be done to address the seriousness of the threats to Lake Isle, Lac Ste. Anne, and all the fresh water resources in the Sturgeon River Watershed.

Every mailed-in letter must be responded to. For the price of 2 stamps, you will be heard!

1. Honourable Shannon Phillips, Alberta Minister of Environment and Parks (AEP)

Mail to: 208 Legislature Building | 10800 - 97 Avenue Edmonton, AB Canada T5K 2B6

2. Honourable Oneil Carlier, Alberta Minister of Agriculture and Forestry (AAF)

Mail to: 229 Legislature Building | 10800 - 97 Avenue Edmonton, AB Canada T5K 2B6

Thank you to everyone for caring for the water and making your valuable contribution to this Alberta government process!

# CANADA'S CONSERVATIVES CALL ON TRUDEAU GOVERNMENT TO DEFEND BEEF PRODUCERS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: On August 7, 2018, Jim Eglinski, Member of Parliament for Yellowhead, along with 32 Conservative MPs, wrote to the Finance Minister about the potential impact sanctions or tariffs would have on Canadian beef producers.

"With the escalation of the trade

conflict between Canada and the United States, export industries, such as the beef sector, have become increasingly nervous about what the future holds," stated MP Eglinski. "It is important that we stand up for the 60,000 beef farmers across Canada, 18,000 of which are in Alberta.

The co-signed letter requests that the Liberal government consult the beef industry and prepare a package

of broad-based tax cuts and industry supports for the agricultural sector in the event of further retaliatory trade measures that could cause significant damage to Canadian beef producers.

The Conservative Caucus has been touring Canada this summer listening to workers, business leaders and labour groups from across the country about the ongoing trade dispute with the United States and its effects on Ca-

nadian families. The beef sector employs more than 60,000 people, and is responsible for \$6.8 billion in sales.

"We will continue to listen to Canadians and help protect local jobs in Canada," concluded MP Eglinski.

# FUNDING FOR STUDENT PLACEMENTS IN THE MINING SECTOR

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform local companies that the Department of Employment, Workforce Development and Labour has announced that it will provide \$7.8 million over the next four years to the Mining Industry Human Resources Council for their Gearing Up:

Developing Mining Talent Through Work-Integrated Learning project.

"This project will help 850 students throughout Canada in the STEM and business fields to develop important skills and gain valuable workplace experience," stated MP Eglinski.

Interested companies can apply to the Mining Industry Human Resources Council, which is a not-for-profit organization that works with stakeholders to identify and address the human resources and labour market

challenges facing the Canadian minerals and metals sector.

Applicants must be Canadian-owned small, medium or large companies involved in the mining or mineral exploration sector. Not-for profits and educational institutions can also apply.

Eligible employers will receive up to 70% of an intern's salary (up to \$7,000) for new WIL placements involving under-represented groups (women, immigrants, people with disabilities and first year students). Other

placements are eligible to receive 50% of an intern's salary (up to \$5,000).

There is currently no established deadline.

"This is a program that many companies in Yellowhead can take advantage of. I encourage all those who are eligible to fill out an application and invest in a student," concluded MP Eglinski.

# GOLFER'S GUIDE

## DRIVE HOME A WINNING GOLF TOURNAMENT

Hosting a golf tournament is a great way to entertain customers, thank employees or raise funds for your group. While there are many details to arrange, organizing such an event doesn't have to be distressing.

Experts recommend that you cover the basics first. Picking the right date and a course that is suitable for your group is the first priority. The earlier you do this the better as you will get a wider selection of dates and courses.

Ensuring your guests are well fed and hydrated out on the course should be another priority. In the heat of summer, a good supply food and non-alcoholic beverages will ensure your participants enjoy a healthy and safe round.

What about prizes? The excitement of winning something is always a big draw, so hit up local businesses, suppliers, business partners and friends for prize donations.

To take your tournament to the next level, you could offer hole-in-one prizes such as a car, boat, trips or cash. "Adding big prizes to your golf tournament doesn't have to be an expensive or worrisome endeavour," says

Andrea Martin, Senior Underwriting Manager, Wayfarer Insurance. "You can get insurance coverage that will pay for the prize in the event that a

golfer hits an ace."

One of the biggest tips is speak to the professionals at the golf course where you book your tournament.

Often courses will have staff to assist you, or at least literature that will help you plan a successful event.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

			8		1	5		3
			3	9	2			
							8	
	8		6		3	1	7	4
1								
			4		7	8		2
		4			6	9	3	
	5		1					
	2	8		3		6	4	1

**ANSWER:**

4	9	2	8	7	1	5	6	3
8	6	5	3	9	2	4	1	7
3	7	1	5	6	4	2	8	9
2	8	9	6	5	3	1	7	4
1	4	7	9	2	8	3	5	6
5	3	6	4	1	7	8	9	2
7	1	4	2	8	6	9	3	5
6	5	3	1	4	9	7	2	8
9	2	8	7	3	5	6	4	1

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
