INVESTIGATION INTO SERIOUS INJURY DURING STONY PLAIN VEHICLE STOP

Submitted by Alberta Serious Incident Response Team (ASIRT)

The Alberta Serious Incident Response Team (ASIRT) has been directed to investigate the

circumstances surrounding a traffic stop by members of the Stony Plain RCMP that resulted in serious injury to a 29-year-old man.

On Aug. 5, 2018, at approximately 1:46 a.m., officers stopped a vehicle on Township

Rd 232 and Range Rd 280. There were two people in the vehicle. Police identified the passenger, a 29-year-old man, and advised him that he would be detained on outstanding warrants.

EVANSBURG GETS MEDIEVAL

Submitted by Jakob Kubke, Museum Manager Assistant | Tipple Park Museum

Hear ye! Hear ye! Have you ever wanted to draw a bow and shoot an arrow? Have you ever

wanted to shoot said arrow at somebody? Well, want no more! At the Evansburg Medieval festival on August 25, you can do just that with Arrow Tag! Don't worry, the arrows are padded and it's a real sport!

That's not the only thing to do at our family friendly Medieval Fest. You can also build a castle out of boxes and defend your castle with a shining foam sword!

TESTING MAY TEMPORARILY IMPEDE TRAFFIC IN YELLOWHEAD COUNTY

Submitted by Stefan Felsing, Communications Department | Yellowhead County

The engineering firm Tetra Tech Canada is conducting pavement strength testing and asphalt core extraction along 10 individual roads in the County over five consecutive days between August 10th – August 20th, 2018.

The purpose of this evaluation is to obtain pavement structure information to assist in the County's pavement management plan.

The strength testing is a stop & go procedure and each test typically take less than 2 minutes per loca-

tion. The work will also consist of extracting 32 asphalt cores with 50 mm diameter throughout the testing zone. Each core will be extracted separately, one at a time, and

will require temporary single lane occupancy for about 15 minutes.

Traffic may incur short delays during testing. We apologize for any inconvenience.

NEW EXHIBIT: WILDFLOWERS OF EVANSBURG

Submitted by Melissa Killick | Tipple Park Museum

Have you ever wondered what types of flowers grow around Evansburg? Well now is your chance to find out. Tipple Park Museum has released a new exhibit: Wildflowers of Evansburg. The exhibit will run to the end of September.

Guests will get to learn about

fourteen different types of flowers, medical benefits of flowers, characteristics, growing season, life cycle of a plant and seeds. We have a lot of hands-on activities. Each flower panel has a seed station where guests will get to look and feel all the different types of flower seeds. In the center of the exhibit room we have a seed table! Guests will get to plant their own seeds of choice, take them home and watch them bloom.

We have many different wildflowers growing in the area, and it is fascinating to discover their benefits and pure beauty. Some information might even surprise you!

If you would like to check out this exhibit please visit us at Tipple Park Museum located in Evansburg. We are open from 10-2 Wednesday to Saturday.

MORAND INDUSTRIES PRESENTS

LETTER TO THE EDITOR: POSSIBLE CLOSURE OF WILDWOOD SCHOOL

Submitted by Nick Myschuk

I believe that the time has come when I need to express my personal beliefs as per the matter of education in the East end of Grande Yellowhead School Division. The fact that hundreds of people have signed a petition relating to the possible closure of Wildwood School has prompted me to write.

Wildwood School and I have a long standing relationship. I attended the school for grades one to nine, then 3 years to Evansburg High School and following university I taught at Wildwood School for 33 1/2 years... that's more than 40 years in total. With such a record anyone reading this would agree that the closing of Wildwood School would be an especially sad day for me.

So far I have attended three meetings regarding the matter of education in this area. From these meetings I have come away with some basic information. For many years the enrolments at all three schools – Wildwood, Evansview and Grand Trunk High School have been declining. Because of their respective ages all three schools are in need of modernization. I am sure I am correct in stating that more than half of all the students attending all three schools get to school by riding a bus.

It is time to recognize a very important fact of life. The enrolment in this area has dropped to the point where all the students could easily be educated in one school. But a lot of people are of the frame of mind that putting kindergarten to grade twelve in one building is not a good idea. So a very sensible solution would be to have one school for kindergarten to grade six and another one for grades seven to twelve.

I challenge anyone reading this letter to look at a map of the East end of Grande Yellowhead School Division. There is no problem in deciding where all grade seven to grade twelve students would go. They would all attend Grand Trunk High School. For the elementary school it

would be most sensible to pick a location that is most central for this part of the division. Unless you are totally blind it is glaringly obvious that Wildwood is the most central location for the elementary school. All kindergarten to grade six students should be bussed to Wildwood School. Since the majority of students already ride the bus it would not take a genius to re-arrange buss routes to make this happen.

Here is where I would like to take a little side trip. For more than 60 years Wildwood area students have attended Grand

Trunk High School and have every year boosted the enrolment of the school. Now, I believe the time has come for the tables to be turned. It is "pay-back" time. Since Wildwood is the most sensible location for the elementary school it is time for Evansburg to boost the enrolment of the centralized school. I repeat: My recommendation for one elementary school in Wildwood is totally visible and sensible. The number of elementary students in the Wildwood area and Evansburg area is not really significantly different. Since the distance from

Wildwood to Evansburg is the same as Evansburg to Wildwood it is really not asking too much to have all the elementary students, including the Evansburg are ones to attend the centralized school in Wildwood. If this was done Wildwood would end up with an elementary school that would be viable for many years and Evansburg would have a junior-senior high school. Thus, both communities would have a school. Isn't this the most sensible solution for both communities?

CELEBRATE LAKE HEALTH DAY AT SHININGBANK LAKE ON AUGUST 15

Submitted by Stefan Felsing, Communications Department | Yellowhead County

Join Yellowhead County Agricultural Services and the Stewardship Alliance for Conservation Agriculture (SACA) at the

Shiningbank Lake day-use area anytime between 11am and 2pm on August 15 for a free BBQ and to learn something new about the lake!

Several educational tables will be set up that both kids and adults can enjoy at their leisure. The types of things you and your kids can expect to learn about are;

- Blue Green Algae – What it is and what causes it
- Wildlife – Learn about the types of wildlife that you may encounter around the lake and how to be wildlife smart if you do encounter them
- Responsible Lake Use – Get information on what it means to respect our lakes and how to be

a responsible lake user.

- Water Quality – What it means and how to test it
- Invasive Species – Find out about what types of invasive species threaten our provinces water bodies and what you can do to help keep them out of the lake!
- Riparian Health and Agriculture – Find out how farming close to a lake can affect it and what should be done to protect it.

This event helps bring awareness of the riparian health, biodiversity, wildlife habitat, water quality, and shoreline health to landowners, producers and recreational users on or near Shiningbank Lake.

Letter to the Editor: Possible Closure of Wildwood School

Continued From Page 3

Implementation of this two school solution will not come easily because it will require the acceptance of certain facts of life. If Wildwood is recognized as the best centralized location for the elementary school then all such students would be required to attend this school. I can see the greatest uproar coming from parents who now have students walking to Evansview School. From ten miles away I can hear the statement: "NO WAY AM I GOING TO PUT MY CHILD ON A BUS TO GO TO WILDWOOD SCHOOL!" Unfortunately there are times in life when we have to do things we don't like for the betterment of the majority. If Wildwood School was closed there are students who walk to school now who would have to start riding a bus somewhere... so what's the difference? I can repeat one hundred times THE BEST LOCATION FOR THE ELEMENTARY SCHOOL IS IN WILDWOOD and I hope that people attending the September meeting will recognize this fact of life.

I have one more very important point to make. By modernizing Wildwood School to accommodate all elementary students and modernizing Grand Trunk High School for all Junior-Senior high school students there would absolutely no need to modernize a third school. Obviously, such a school would not be needed. Just think of all the millions of dollars that would be saved.

In closing, I would like to ask all those who have read to this point, especially those who have signed the petition, to consider seriously what I have proposed as the solution for education in the east end of Grande Yellowhead School Division. I think it makes sense, if you think so then phone or write to people who are going to make critical decisions about this matter in September.

Evansburg Gets Medieval

Continued From Page 1

If you aren't looking to vanquish your foe in glorious battle, there are activities for the more gentle of heart, too. A craft session will interest friend and foe alike. Stained "glass" windows, knight's helmets,

and medieval calligraphy are just a few of the cool crafts that will be available. You can also learn about heraldry and design your own coat of arms!

A Grand Feast will be held. Bring \$5.00 for a delicious meal, including some authentic medieval dishes.

A dance will be demonstrated, and you can be a part of it too.

A costume competition is another feature of the festival. Come in your best medieval-looking garb, the winner will be crowned king or queen!

In addition to all of this, real living history reenactors will be

present to show how people would have looked and lived in the Middle Ages. Ask them anything and they will teach you!

The Evansburg Medieval Festival is on August 25, 4pm to 8pm. Bring \$5 per person for the feast at 6pm.

Pax vobiscum (Peace be with you).

Investigation Into Serious Injury During Vehicle Stop

Continued From Page 1

The man got out of the vehicle and ran into a wooded area north of the vehicle stop location.

The RCMP sent a police dog and a handler to the scene to help find the man. When police located the man, a confrontation occurred. During a struggle with officers, the man sustained dog bite punctures/scratches on his right forearm, cuts or bite marks to the left ear and surrounding area, and a skull fracture with a cut on the left side of his head near the ear.

The man was taken to hospital and needed stitches to the area around his left ear. The skull fracture was deemed minor, the man was medically cleared and released into po-

lice custody.

At the time of the stop, the man had outstanding warrants for possession of a weapon for a purpose dangerous to the public peace, possession of a controlled substance, theft under \$5,000, and three counts of failing to appear in court.

ASIRT's investigation will focus on the man's arrest and the circumstances surrounding his serious injury. The RCMP will maintain responsibility over the investigation into the criminal conduct of the occupants of the vehicle.

With the investigation underway, ASIRT will not make any further comment until the matter is concluded.

ASIRT's mandate is to effectively,

independently and objectively investigate incidents involving police that have resulted in serious injury

or death to any person, as well as serious or sensitive allegations of police misconduct.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		8		1	5		3	
		3	9	2				
						8		
	8		6		3	1	7	4
1								
		4		7	8			2
		4			6	9	3	
	5		1					
	2	8		3		6	4	1

ANSWER:

4	9	2	8	7	1	5	6	3
8	6	5	3	9	2	4	1	7
3	7	1	5	6	4	2	8	9
2	8	9	6	5	3	1	7	4
1	4	7	9	2	8	3	5	6
5	3	6	4	1	7	8	9	2
7	1	4	2	8	6	9	3	5
6	5	3	1	4	9	7	2	8
9	2	8	7	3	5	6	4	1

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
