LAC STE ANNE REFUGEE PROJECT IS PLEASED TO ANNOUNCE: OUR FAMILY HAS ARRIVED!

Submitted by Lac Ste Anne Refugee Project

It is with great excitement that we announce: Our family has arrived. On July 31, just after noon, our family arrived at the Edmonton International Airport. An excited welcoming partying was eagerly waiting to take them to their new home.

Displaced now from their home in Iraq for 6 years, our family has finally landed safely in Canada and is ready to start a new life.

We are so thrilled they will get to enjoy some beautiful summer weather together before the season changes and it is time for the kids to settle into school.

After a few days to recover from the long flights and jetlag, the family will be getting on with big job of learning English and adjusting to life in Canada.

JOKE OF THE WEEK

A head teacher is making his rounds of the school when he hears a terrible commotion coming from one of the classrooms. He rushes in and spots one boy, taller than the others, who seems to be making the most noise. He seizes the lad, drags him to the hall, and tells him to wait there until he is excused. Returning to the classroom, the head teacher restores order and lectures the class for half an hour about the importance of good behaviour. 'Now,' he says, 'are there any questions?'

One girl stands up timidly. 'Please sir,' she asks, 'may we have our teacher back?'

FARMCASH: "A NEW COMPETITIVE OPTION" CASH ADVANCE PROGRAM PROVIDED BY ALBERTA WHEAT COMMISSION WILL LAUNCH SEPTEMBER 1

Submitted by Alberta
Wheat Commission

The Alberta Wheat Commission (AWC) and Agriculture and Agri-Food Canada (AAFC) are pleased to announce another competitive option for Alberta's crop, livestock and honey producers to help manage cash flow throughout the year. Beginning September 1, 2018, AWC will provide cash advances through FarmCash under AAFC's federal Advance Payments Program (APP).

APP is a federal loan guarantee program which provides agricultural producers with easy access to low-interest cash advances up to \$400,000 per program year based on the value of their agricultural product, with the Government of Canada paying the interest on the first \$100,000 advanced to a producer and the remaining \$300 thousand at a low interest rate.

FarmCash will offer interest free advances and low interest rates on 45 commodities, including all major crops, livestock and honey, through a fully automated and efficient web-based platform. The Alberta Wheat Commission will administer the program which is designed to help producers meet their financial needs, cash flow obligations and increase marketing opportunities to improve profitability.

"AWC believes that like any management tool, farmers need options. By launching FarmCash, AWC saw an opportunity not only to introduce a new competitive option into the market but also to better serve Alberta's farmers and help improve long-term profitability." - Kevin Bender, AWC Chair

AWC is committed to administering a fully transparent and accountable business model where 100 per cent of any proceeds from the program will be used

to benefit the entire agriculture industry in Alberta.

"Ensuring our programs continue to respond to the needs of farmers remains a priority for our Government. With its established relationships in the province, AWC is well positioned to offer Alberta farmers an additional option for cash advances that will help producers meet their needs

and grow their businesses." - Lawrence MacAulay, Minister of Agriculture and Agri-Food

AWC encourages farmers to sign up to receive notifications here or to call 1-855-376-2274 to learn more about the program. AWC is approved as an official administrator of the Advance Payments Program by Agriculture and Agri-Food Canada.

Lac Ste Anne Refugee Project Is Pleased To Announce: Our Family Has Arrived!

Continued from Page 1

We hope to have a public meet and greet at the end of September. A chance for you to meet the family and us all to express our thanks to this amazing community that made this sponsorship possible.

Yasir, Sarah, Mallak and Matti and Grampa Sami send their heartfelt gratitude to everyone in the community who has so generously supported them. Looking forward to meeting everyone soon.

When asked after almost 2 weeks here, "what would you like for me to put in the paper?", here are some of their answers:

"It is very nice here. There is freedom in Canada, freedom and safety from ISIS, no bombs or being killed, this is especially for the children. The children have never played outside except in concrete school playground and now they have grass and can play outside all the time."

"We thank to all the community for all the things they have given us and all they have done to get us here to such a beautiful place. We thank all Canadian people for all their help and making us so welcome in Toronto and here in Alberta."

They landed in Toronto and got all the paperwork done there so that they could come here to stay.

My word it is a process but so well worth it.

BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.

COME JOIN THE SANGUDO ART CLUB

Submitted by the Sangudo Art Club

The Sangudo Art Club starts up their fall session on September 5th, 9:00 a.m. at the Sangudo Community School. You would be hard pressed to find a more enthusiastic and talented group of members than those associated with the Art Club.

Members, of all ages, spend up to three hours together each week during fall and winter sessions to socialize and exchange ideas while bringing their paintings to life. Many of the members work on their individual paintings at home also.

Over the last 2017/2018 season, the club members enjoyed the teachings of various art instructors. In September Dianna Hanna instructed an acrylic workshop painting a land-

scape done with a palette knife. October's guest art instructor, Deanne Jackson taught an oil workshop painting a still life on a black canvas. The following month, Mickey Krikun presented a full day class of a pencil landscape, focusing on light and dark values. During November, the members also had the opportunity to display their paintings that they had diligently worked on at the Sangudo Blitz. Thank-you to the community for their support at our art shows, fundraisers and yearly Blitz raffle which enable us to bring in more guest art instructors and help offset the operational cost of the club. At the Sangudo Blitz in November, our first prize painting by the Sangudo Art Club was won by Carol Ohler, 2nd prize of \$75 was won by Bernie Keller, 3rd prize of

\$50 was won by Ralf Saunders, and 4th prize of \$25 was won by Ben Klatt. Congratulations!

This past December, our members did Christmas art crafts with all the students from the Sangudo Community School. This was thoroughly enjoyed by both the students and members of the art club. We hope to do more projects with the school in the future. Tammy Taylor presented a fully day workshop in February painting a cardinal. In March, Doug Downey taught a workshop painting an acrylic mountain landscape. April's guest art instructor was Dianna Hanna with an acrylic workshop painting spring flower's. The following month, Laura Cox instructed an acrylic class on a local landscape. Thank-you to everyone for making this past year so success-

ful. We are grateful for the Recreation Facility and Program Assistance grant through the Lac Ste. Anne County and local community donations that help enable us to hire these talented instructors and learn and improve on painting techniques.

If you have an interest in painting, please join us. Come and enjoy the camaraderie of other fellow artists, learn new techniques and improve skills. Annual membership fee is only \$25.00. If you are interested in attending a guest workshop, the fee for members is \$30 and for non-members is \$50. Everyone is welcome to join, for more information please contact, Patricia Kowalik at 780-785-2112 or check out our website: www.sangudoartclub.weebly.com

LETTER TO THE EDITOR - RE: LAC STE ANNE PARKLAND CONSTITUENCY

Submitted by Brian P. Shabada

As Albertans we have grave concerns with the direction of our current leadership at both the Provincial and the Federal levels. Our roots from a political standpoint have remained Conservative so when the UCP was formed, we joined. Our hope was that we would be able to put some candidates forward that have experience, credibility, humility and a genuine desire to work for the good of all Albertans.

Fast forward a few months and it appears that we are seeing is a very

disturbing trend. The candidates that have put forward their nominations come from all walks of life which should imply acceptance and diversity in the Party.

We understand that the UCP party is the only party that runs their nominations the way this process is functioning, with candidates putting themselves forward. The others all select their candidates to put forward in elections. We beg to differ.

What appears to be occurring in the Lac Ste Anne Parkland Constituency mirrors what transpired in the Chestermere-Strathmore Riding. After 5 potential candidates were

slated to run for the seat, only Leela Aheer was left standing at the end. The reaches of this discord even saw the President of the UCP interim joint board resign. Jason Kenney appointed Aheer to the UCP Deputy Leader position AFTER she supported the merger of the Wildrose and the Progressive Conservatives. Let's get to the Lac Ste Anne Parkland Constituency.

There were 5 candidates that put their names forward. One, Jerry Molnar, (one of two candidates that are NOT residents of the riding), is no longer in the race as the Committee requested his removal. Not a lot

of information forthcoming to the members as to why, but nonetheless, four candidates remain. The second candidate that does not reside in the Constituency is Leah Wood. Yet another former Wildrose that according to Jason Kenneys post is a "Voice of common sense & passionate about the future" (this can be seen on Leah's Facebook). He also in his commendation has put forward her twitter account which has been suspended (Leahwood@sandmanhorse). Her FB accounts have been scrubbed from the internet earlier this year. Her 'ranch' Facebook page, Bent River Valley Ranch has completely disappeared. The Facebook page she is currently utilizing has a very short history, starting from February 25, 2017.

There are some anomalies that have been presented to the Party by the other 4, (now 3) candidates. Concerns that have been brought forward to them by membership. People who have knowledge of issues of integrity, many that have resulted in court action. Then why would the Party Leader continue with the appearance of support for that one candidate over another? Should he not as the Party Leader follow the same decorum as the current Board of Executives in the Lac Ste Anne Parkland Constituency and accept the vote of the membership without any bias? What process is being utilized to vet candidates? Is it an equitable process or are they just following the "She Leads" movement that speaks to gender parity, quotas.

As members, we want the BEST candidate to win. We don't want any smatterings of any wrong doing or favoritism to cloud the nomination. We don't want the "sacrificial lamb" that dances to whatever drum is beating. There has also been rumors in our constituency that unfair access to voters information from the two joined parties was utilized. Campaigning began long before the nominations were put forward by and for the Wildrose Candidates. In our opinion, in order for the UCP to rise to the top of the Political House in Alberta, there needs to be a very serious look taken at the candidates they seem to want to push forward. The choice should be the people's, not the parties.

I'm signing with great concern for the integrity of the party and the values I thought it stood for.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
