FARMCASH IS LIVE AND READY FOR APPLICATIONS AT FARMCASHADVANCE.COM

Submitted by Victoria Decker, Communications Manager | Alberta Wheat Commission

August 31, 2018 – FarmCash, a new cash advance option led by the Alberta Wheat Commission (AWC) under the Federal Government’s Advance Payments Program (APP), is now live and ready to accept applications on September 1 for the Fall

Advance at farmcashadvance.com. Farmers who use the on-line application will be guided through a step-by-step process that is simple, efficient, and saves time on paperwork.

FarmCash offers advances on 45 commodities of up to \$400,000 per program year with \$100,000 interest-free and \$300,000 at a low interest rate.

“One of our goals in developing FarmCash is to improve the

user experience,” said Kevin Bender, AWC Chair. “Our web-based platform slims down the application process so applicants are only navigating through information that’s relevant to what they’re applying for. Our ultimate goal is to deliver something really simple that saves time. Farmers can also apply the traditional way if they prefer.”

CALMAR DISTRICT FIRE STATION NOW OPEN

Submitted by Lindsay Chambers, Communications Coordinator | Leduc County

Construction is now complete and operations have begun at the new \$3.5-million fire station, which will serve Leduc County Fire Services’ Calmar Fire District for the next 40-plus years.

“The Calmar District Fire Station is a valuable infrastructure investment for our county, which will allow Leduc County Fire Services to serve the Calmar Fire District today, tomorrow and in the future. We are pleased that the station was completed on time and on budget, and are excited for the enhancements to the community that this building will bring.” - Mayor Tanni Doblanko

The new station features five double-depth bays -- roughly double the size of the former station -- and is home to firefighters and apparatus responding in the Calmar Fire District and beyond.

“The new Calmar station is in the most centralized district in Leduc County, making it the ideal location to house specialized equipment. This will benefit all residents and businesses throughout the county.” - Fire Chief Keven Lefebvre, Leduc County Fire Services

The mobile command unit, which acts as a command centre for response, and the investigation support unit, which provides supplies and relief to firefighters as they respond to emergencies, will be relocated to the Calmar District Fire Station from the Ni-

sku District Fire Station. In addition, Leduc County maintains an agreement with Alberta Health Services to ensure an ambulance remains in the community on a part-time basis, responding from the new fire station.

Leduc County began managing and operating fire and disaster services in the Calmar Fire District -- which includes all property east of Range Road 275 and west of Range Road 262, including the Town of Calmar -- on Jan. 1, 2017.

Leduc County also manages and operates the fire service in the Nisku, New Sarepta and Thorsby fire districts and has mutual-aid partnerships in place with the other districts in the county.

TO HELP OR NOT TO HELP FACILITATING POSITIVE ACTION FROM BYSTANDERS

Submitted by Heather Slade, Coordinator | Pembina Crisis Connection Society

YOU ARE INVITED TO PREVENT ABUSE & BULLYING
Tuesday, November 13, 2018 at 7:00pm at Lakeview Inn & Suites
Everyday we are bystanders to situations in which people need

assistance. There are countless moments in our daily lives in which we witness people in circumstances that have the potential to cause them harm. How do we decide who to help and why?

This presentation will provide an overview of social-psychological research & theories on bystander behaviour. We will

explore the factors that facilitate positive action as well as common factors that inhibit action. This session will conclude with 5 pivotal steps that individuals must undertake to provide effective intervention to assist those in need.

This FREE presentation is proudly hosted by: Pembina Crisis Connection Society

FarmCash Is Live and Ready For Applications at farmcashadvance.com

Continued From Page 1

FarmCash will provide top-notch customer service and any proceeds from the program will be reinvested back into Alberta's agriculture industry to benefit all commodities.

"We see a tremendous amount of value in the Federal Government's APP program as a cash flow management tool and we look forward delivering FarmCash to serve farmers' needs

through a fully transparent financial model," Bender added.

Farmers may also apply by downloading the complete form and emailing it to farmcash@albertawheat.com, by speaking to a FarmCash representative at 1-855-376-2274, by faxing it to 403-717-1966, or by mail or in person at AWC's Calgary office.

With the first iteration of the website now open for business, AWC's next step is to continue improving the online process by introducing new time-saving

features to be ready in time for the Spring advance.

Visit farmcashadvance.com to learn more about the program and to apply for the fall advance.

Farmers seeking more information about FarmCash, please contact: Syeda Khurram, Chief Operating Officer - FarmCash, Chief Financial Officer and Director of Human Resources | Alberta Wheat Commission at skhurram@albertawheatbarley.com or 403-219-6264

JOKE OF THE WEEK

A new pastor was visiting the homes of his parishioners. At one house it seemed obvious that someone was at home, but no answer came to his repeated knocks at the door. Therefore, he took out a card and wrote "Revelation 3:20" on the back of it and stuck it in the door. When the offering was processed the following Sunday, he found that his card had been returned. Added to it was this cryptic message, Genesis 3:10." Reaching for his Bible to check out the citation, he broke up in gales of laughter. Revelation 3:20 begins "Behold, I stand at the door and knock." Genesis 3:10 reads, "I heard your voice in the garden and I was afraid, for I was naked."

RIDING UPDATE: SEPTEMBER 1 – 14, 2018

Submitted by Jim Eglinski, MP – Yellowhead

The end of the summer break has been very busy with meetings and events as I prepare to head back to Ottawa for the Fall Session.

I enjoyed the long weekend at home with my family before getting back to work. I spent a lot of time in the Edson office

making phone calls and meeting with constituents. I also made a few home visits to meet with constituents.

On September 7, I attended the grand opening of the Ukrainian Consulate in Edmonton, and I was back in Edson the following day to participate in the rededication of the CT-133 jet in RCMP Centennial Park.

On September 11, I attended

a lunch with the Edson Rotary Club to provide updates on current issues. On the following day, I participated in Impact Day with the Edson District Learning Center.

On September 13, I attended the 15th anniversary of the Good Sam and Evergreen Foundation in Evansburg and later met with constituents.

On September 14th I flew back

to Ottawa as Parliament resumes on September 17.

The entire summer break was full of meetings with constituents and attending events across our beautiful riding of Yellowhead.

My updates will resume on a weekly basis and I look forward to bringing all of the concerns I have heard this summer to the House of Commons.

MP JIM EGLINSKI NAMED TO NEW COMMITTEES

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: MP Jim Eglinski, Member of Parliament for Yellowhead, has officially been named to two new committees: the Standing Committee on Public Safety and National Security (SECU) and the Standing Joint Committee on the Library of Parliament (BILI).

SECU reviews the policies, programs and expenditure plans

of government departments and agencies responsible for public safety and national security, policing and law enforcement, corrections and conditional release of federal offenders, emergency management, crime prevention and the protection of Canada's borders.

BILI consists of Members from both the House of Commons and Senate, and it assists the Speakers of both Chambers in reviewing the effectiveness,

management, and operation of the Library. The Speakers of both chambers, assisted by the Joint Committee, direct the day-to-day functioning of the Library, and, with the approval of both Houses, may make orders and regulations to govern how the Library is managed and how moneys are expended. The Joint Committee, under this arrangement, plays a role in the direction of the Library of Parliament by supporting the Speakers as

they provide direction to the Library.

"Given my 35 years of experience as an RCMP member, I am excited to bring my practical knowledge to the table. The Liberals have been failing Canada on matters of national security, including border security and increased crime and gang activity. I look forward to playing an active role in keeping this Liberal Government to account for their failures," concluded MP Eglinski.

CONSULTATION – TAXATION OF CANNABIS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, would like to inform residents that the Department of Finance has launched a consultation on a set of technical draft regulatory and legislative proposals under the Excise Act, 2001 that would provide for the additional excise duty rates for each province or territory that has signed a CCTA with the Government of Canada. These rates would come into effect

when cannabis for non-medical purposes becomes available for legal retail sale.

In keeping with the agreement reached by Finance Ministers, under the CCTAs, revenues from the excise duties on cannabis products will be shared on the following basis: 75 per cent to provincial and territorial governments, and 25 per cent to the federal government. Provinces and territories will work with municipalities according to shared responsibilities towards legalization.

In addition, federal revenues

from the excise duty on cannabis will be capped at \$100 million per year for the 24 months that follow the legalization of non-medical cannabis. Excess federal revenues over the \$100 million cap will be provided to provinces and territories that have concluded a CCTA with the federal government.

This consultation seeks comments on additional regulatory proposals that would provide:

- exemptions for certain entities to allow the possession of cannabis products stamped for multiple jurisdictions, under

certain conditions;

- the ability for third parties to possess cannabis excise stamps for specific purposes; and
- exemptions from the proposed excise duty for certain cannabis-based products that are not intended for human consumption.

Canadians are invited to provide comments on the draft regulatory and legislative proposals detailed below by October 17, 2018. Comments can be sent to: fin.cannabis-duty.2018.droit-cannabis.fin@canada.ca.

For more information and to participate, visit: <https://www.canada.ca/en/department-finance/news/2018/09/backgrounder--modifications-to-the-excise-duty-framework-on-cannabis-products.html>

MP JIM EGLINSKI ANNOUNCES 3RD ANNUAL CHRISTMAS CARD ART CONTEST

Submitted by Jim Eglinski, MP – Yellowhead

MP Eglinski is pleased to announce a call for submissions to his 3rd annual Christmas Card Contest. Each December, Members of Parliament have the opportunity to send out Christmas cards to constituents. Usually, these cards display the family of the parliamentarian and/or an Ottawa scene. However, giv-

en that there are many talented young individuals within the Yellowhead riding, MP Eglinski wants to recognize one of these artists and showcase their artwork.

Guidelines, Rules and Conditions:

1. This contest is open to all students in the Yellowhead Riding who are in Kindergarten through Grade 8.
2. Each entry must be accom-

panied by a signed entry form, which can be obtained from www.jimeglinski.ca.

3. All formats welcome...water colour, pastel, crayon, painting, pen and ink drawing, photograph, etc.

Completed artwork must be submitted with the entry form, postage free, to my Ottawa Office at:

MP Jim Eglinski
Room 304, Justice Building

House of Commons

OTTAWA ON K1A 0A6

The winning entry will be displayed on the cover of MP Eglinski's 2018 Christmas card, and the name of the artist will be printed (with parental permission) on the back of the cards.

Submission Deadline: October 9, 2018

Good luck! Use your imagination, and most of all, have fun!

CONSULTATION – PROPOSED BAN OF STRYCHNINE

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is informing residents that Health Canada has quietly launched a public consultation on a proposed ban of strychnine. Strychnine is a registered pesticide used by growers to control ground squirrels, which are more commonly known as gophers.

The Pest Management Regulatory Association (PMRA), under Health Canada, is proposing to

“cancel the registration of Maxim 2% Liquid Strychnine Concentrate, and to require removal of ground squirrel use from the label of S.A.R.M Gopher Poison R.T.U.” The agency sites the effects on non-target animals as the reason for the review.

A previous review was conducted in the early 2000s, but found little-to-no evidence that strychnine harmed non-target animals.

“In the last review, the Conservative Party worked hard for several years to fight for farmers

and ranchers, due to the plague of gophers in Western Canada. In the end, the decision was made to allow access to strychnine on an emergency basis,” stated MP Eglinski.

The consultation period, which is taking place over the summer, and during harvest season, closes on September 27, 2018.

Conservative MPs are requesting an extension of the consultation period in order to give farmers and ranchers an opportunity to comment following their very busy harvest season.

“Gophers do an incredible amount of destruction to crops and their ground tunnels pose a risk to livestock. Preventing the use of strychnine to address the issue, without indication of secondary harm, is unacceptable,” concluded MP Eglinski.

For more information and to participate, visit: www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public-consultations/proposed-re-evaluation-decisions/2018/strychnine.html

RAIL SAFETY IMPROVEMENT PROGRAM

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of funding being invested in rail safety within Alberta and the riding. This week, the Department of Transportation announced \$3.3 million to support eighteen projects in Alberta.

The funds are part of the Rail Safety Improvement Program, which provides grant and contribution funding to improve rail safety and reduce injuries and fatalities related to rail transporta-

tion. The announced funds will be used to:

- build fencing and other barriers to discourage trespassing on railway properties;
- install flashing lights, bells, and gates at the crossings;
- install advanced train detection and crossing control system.

In Yellowhead, Canadian National Railway will receive \$163,800 to upgrade a rail crossing on Range Road 73 with gates.

The announcement comes amid ongoing concerns about rail safety in Edson.

“While I welcome the fund-

ing announcement, for years our communities in Yellowhead have experienced safety issues in which trains block crossings for unacceptable amounts of time,” stated MP Eglinski.

MP Eglinski took the opportunity to remind residents that the Canadian Transportation Agency (CTA) has launched a consultation on rail-related regulations and is requesting the feedback of Canadians. All those interested are invited to share their views to ensure that the CTA's rail-related regulations and guidance materials are relevant, clear and up to date. Participants can submit

comments to ferroviaire-rail@otc-cta.gc.ca before the September 30, 2018 deadline.

“If residents are being excessively held up by a train at a rail crossing or have a safety concern, I am encouraging them, as well as stakeholders with a vested interest in rail safety, to make their voices heard in this consultation,” stated MP Eglinski.

More information on the announced projects can be found at:

<http://www.tc.gc.ca/en/programs-policies/programs/rail-safety-improvement-program/rsip-itr-infrastructure-projects.html>

LET LOCATIONS INSPIRE DESIGN

Homeowners looking to add flair to their homes can find inspiration anywhere. Style can even be tailored to reflect places homeowners have visited.

Whether they call to mind the narrow streets of London, the sand-bleached beaches of a Caribbean island or the urban buzz of New York City, designs can reflect one's travels and evoke some of the same feelings homeowners got when visiting their favorite places. Professional interior designers often pull inspiration from unique places, and so can homeowners who love to travel.

Those who want to illustrate their wanderlust through their home's decor can consider these tips.

Work with colors

Think about the colors that signify a particular locale and bring those hues into the space. The

color palettes of the beach, for example, include grays, beiges, blues, and greens. The popularity of gray-tone neutrals allows homeowners to bring in these colors as a neutral backdrop, and then add a splash of whimsy with a few decorative accents.

Try natural materials

Vacation hotspots like Hawaii, Southern California and other areas of the Pacific tend to put heavy emphasis on natural materials. Items like bamboo, sea grass, stones, and woven baskets can invite the outdoors into a home.

Embrace the vibe

Urban centers are awash in energy and color. This spirit can be reflected with modern architecture, bold prints, metallic accents, and innovative lighting.

Pick an inspiration piece

Homeowners can direct their

focus to one particular memento from a vacation or excursion. A vivid piece of artwork, a piece of furniture, a sculpture, or even a wardrobe element can serve as a catalyst for an entire room. Use this piece to match colors and

textures.

Remember, to evoke the spirit of an area when decorating, keep it subtle. Too many details or over-the-top replication might seem like one is dressing a stage set rather than his or her home.

HOW TO CHOOSE THE RIGHT WINDOW TREATMENTS FOR YOUR HOME

Plantation shutters? Mini-blinds? Cafe curtains? Formal draperies? Homeowners' options in regard to window treatments for their homes are extensive,

which can make outfitting home interiors challenging for novice decorators.

Some people do not pay a lot of attention to window treat-

ments, failing to realize just how great an impact the right window treatments can have on a space. According to the design experts at Hunter Douglas, window treatments are often an afterthought because residents may not consider them necessities. As a result, homeowners may install whatever is on hand or accept window treatments that came with a house or apartment. But ignoring window treatments, especially when they can fulfill certain needs, is a missed design opportunity.

One of the first steps to choosing window treatments is determining your end goal. Is privacy your main goal? Are you seeking more natural light in a room? Is there too much light and you need

to darken the room? Window treatments can serve multiple functions, and some treatments may make better fits depending on homeowners' ultimate goals.

Semi-sheer window treatments are often fabric and can help brighten rooms with natural light but offer little privacy. They're usually appropriate for spaces where people gather, such as living rooms, dens or dining rooms. Semi-sheer curtains may be paired with another complementary window treatment so privacy can be customized as needed. For example, sheer curtains let light into a bedroom, but shades can be drawn at night.

Maximum privacy

How To Choose The Right Window Treatments For Your Home

bathrooms can benefit from extra privacy. While some people may think that privacy comes at the cost of light, that's not always the case.

Functional curtain panels can be drawn closed when privacy is desired and then opened to let in light. The thickness of the fabric will also dictate the amount of privacy the panels create.

Tiers are hung on a short rod-pocket panel and usually cover the lower one-third of a window. They're popular choices to let light in from the top, but obscure views from the bottom portion of the window.

Cellular shades are another option that provide privacy but still let light in. Cellular shades come in hard and fabric varieties

and their use depends on the room. Many cellular shades are constructed with a honeycomb design, offers the design resource Houzz, so they can insulate as well as decorate windows.

Blackout shades/shutters
Perfect for rooms where babies nap, shift workers rest during daylight hours or external lights, such as that from a street lamp, need to be blocked out, blackout shades do just what their name implies. A dense fabric lining helps keep light out entirely.

Shutters also can block out light but add to the character of the room. They can be painted a bright color to make a statement or match wall colors to blend in seamlessly.

When selecting window treat-

ments, shoppers can choose retail options or custom treatments. Many designers recommend custom window treatments because they are measured, manufactur-

ered and installed specifically for homeowners' windows. However, there are many DIY options available at budget-friendly retailers.

NEW VETERAN'S SERVICE CARD

Submitted by Jim Eglinski, MP - Yellowhead

ment of National Defence has announced that new Veteran's Service Cards will be distributed to former and releasing Canadian Armed Forces members who completed basic training and have been honourably released.

The new cards will provide a tangible symbol of recognition for former members, encourage an enduring affiliation with the Canadian Armed Forces and ensure linkages to Veterans Affairs Canada support programs as

military members transition to post-service life.

The cards are a response to a call for action by Canadian Armed Forces members, Veterans, and the Veterans Ombudsman's 2012 report.

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform local residents that the Depart-

The 2015 Conservative election platform promised to issue a similar card to reduce red tape for those seeking Veteran services and make it easier for them to receive benefits. However, the Conservatives would have gone a step further to make the card official government identification.

"We thank the government for implementing our 2015 campaign commitment, but Vets wanted this to be official government ID - it is not. Let's make that happen!" tweeted MP Phil McColeman, the Conservative Shadow Minister for Veterans Affairs.

The new Veteran's Service Card will be distributed in stages beginning in September 2018. The first stage includes all newly releasing Canadian Armed Forces members.

Interested Veterans who released from the Canadian Armed Forces between February 2016 and September, 2018 can apply for the card during stage two beginning in December 2018.

The third stage will begin Summer 2019, and will see cards produced and issued upon request, to all eligible Veterans released prior to February 2016.

"Canada and its Veterans share a social covenant and the federal government should be committed to providing them the best possible services and benefits. I am pleased to see this development and look forward to working towards official government I.D. for our Veterans," concluded MP Eglinski.

For more information, visit: www.canada.ca/en/department-national-defence/services/benefits-military/transition/service-card.html

PURE POTENT CBD DROPS

The World's Purest CBD Oil

• 500mg • 750mg
Organic Non GMO

CBD is in a class of its own - affordable, high quality, and convenient!

WHAT IS CBD?

Cannabidiol (CBD) is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side effects and a lack of psychactivity (typically associated with marijuana products and high THC).

Our CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain 0.3% THC.

Benefits of CBD Oil

- Reduce Nausea & Vomiting
- Suppress Muscle Spasms
- Reduce Seizures & Convulsions
- Promotes Health
- Promotes Brain Tissue & Bone Growth
- Fibromyalgia Pain
- Reduces Blood Sugar Levels
- Antibacterial
- Anxiety & Depression
- Reduces Nicotine Cravings
- Digestive Aid
- Anti-Psychotic
- Ringing Ears - Tinnitus
- Inhibits Cell Growth in Tumors

CBD HEALTH BENEFITS

Mental & Brain Health

CBD affects principal cannabinoid receptor in the brain promoting a healthy state of mind.

General Health

Cannabidiol has incredible medicinal benefits and will improve overall wellness.

Healthy Balance

Cannabidiol helps restore healthy balance to the endocannabinoid system.

DISTRIBUTORS NEEDED! Home Based Business MLM

FOR PETS

CBD Dog Treats and 250mg CBD Oil for Pets

- Highest Quality Ingredients
- Natural
