SPRUCE GROVE RESIDENT WINS \$1 MILLION ON LOTTO 6/49!

Submitted by Megan Petricig, Western Canada Lottery Corporation

Christopher Buda is thankful he made it to the store in time to purchase a LOTTO 6/49 ticket. The Spruce Grove resident won \$1 million on the October 10

draw after almost missing the draw's 8:30 pm MT purchase cutoff.

"I slid into the store right before the cutoff," he said. "I thought I was going to miss this draw, so this is just incredible."

LOCAL ART EXHIBIT

Submitted by Melissa Killion | Tipple Park Museum

Looking for something to do this chilly November, or looking for the perfect local Christmas gift? Then why not stop by Tipple Park Museum and explore our local art exhibit.

We have amazing talent displayed, ranging from fine art

paintings to stained glass ornaments, all designed and created by local artists in and around the Evansburg area.

How neat would it be to purchase a one of kind creation! Not only are you shopping local and supporting independent businesses but you are also making an economical impact in your community.

The art exhibit will be on display until the end of November. If you would like to check it out, the Museum is open Wednesday to Saturday 10-5pm.

Come on down, take your time or simply just stop by the museum for a nice warm cup of coffee.

LUMINARIA NIGHT

Submitted by Melissa Killion | Tipple Park Museum

Twinkle twinkle
 Little light
 Christmas is coming
 And it is ever so bright
 Carol carol
 Everyone
 Time to bundle up
 And sip some hot chocolate
 From that cup
 Jolly jolly
 Soon to come
 Festive Music
 And a romantic stroll

Oh, what fun!
 Time to light up those pathways again, serve hot chocolate and stroll underneath the start light with our second Luminaria Night happening Friday, November 30.

If you missed out last year, here is a preview of what is about to happen. The pathways behind Tipple Park Museum are going to be brightened up with over 100 candles in festive paper bags creating a romantic atmosphere. Along the pathways, you will find students serving free

hot chocolate, along with Christmas carols playing out of the gazebo. During that time, in the Museum we will have Christmas crafts along with a concession.

If you would like to join in on the fun please bring food for our local Food Bank or new toys for Santa's Anonymous.

Thank you to Entwistle School Students who once again, are going to volunteer for this lovely event.

Doors will open at 7:30 pm.
 Merry Christmas.

This week, I attended 14 meetings and two events, as well as recorded a radio message. The House has been adjourned for Friday so that MPs can travel back to their ridings in order to participate in Remembrance Day ceremonies. On Friday, as a member of the Alberta MP Rural Crime Task Force, I will be participating in a Rural Crime symposium in Red Deer. On Sunday, I will be attending a Remembrance Day ceremony in Thorsby as well as visiting local Legions in the area. Look for my update next Friday on my travels throughout the riding.

On Monday, I had the opportunity to ask a question during debate on the NDP Motion on Service Standards for Veterans. You can read all questions, comments, and speeches in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

JOKE OF THE WEEK

A German Shepherd, Doberman and a cat have died. All three are faced with God who wants to know what they believe in. The German shepherd says: "I believe in discipline training and loyalty to my master." "Good," says God. "Then sit down on my right side. Doberman, what do you believe in?" The Doberman answers: "I believe in the love, care and protection of my master." "Ah," said God. "You may sit to my left." Then he looks at the cat and asks, "And what do you believe in?" The cat answers: "I believe you're sitting in my seat."

Spruce Grove Resident Wins \$1 Million On LOTTO 6/49!

Continued From Page 1

The happy winner said he was surprised when he looked up the winning numbers and saw that they matched his selections.

"I had to check my ticket a few times before it started to sink in," he said. "I checked the web-

site a couple times and scanned my ticket at a couple stores."

"It kind of felt like time had slowed down," he continued. "Like I was moving in slow motion—I really didn't think it could be real."

Now that the initial shock has started to wear off, Buda said he

has one main plan for his windfall—to be debt-free.

"We're going to pay all of our bills and pay off our mortgage," he said. "We're really looking forward to not having a mortgage payment every month."

Buda purchased his winning LOTTO 6/49 ticket at the Shell

located at 138-70 McLeod Avenue in Spruce Grove. He won his million-dollar prize on LOTTO 6/49's October 10 Guaranteed Prize draw. His winning selection was 21899417-01.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

Here is what's happening at the library.

Preschool Story Time for children 0 to 5 years of age continues Monday mornings (except holidays) from 10 – 11 AM until November 26, 2018. All children must be accompanied by an adult as this is a program designed for parents/caregivers and children together. This is a free drop in program so come join us for stories, activities, crafts and a snack.

Xmas Family Movie Night, at the Lake Isle Community Hall, will be held on Friday, November 23, 2018. We will be showing the "G" rated title "Incredibles 2". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission for children at this event will be free and \$2.50 for adults. A concession will be available. Children will receive a grab bag at the end of the movie, see you there!

We will be hosting a Seasonal String Art Craft session on Wednesday, November 28, 2018 from 3:30 to 5PM. This program

is for children at least 6 year of age and up. Lana Bouma will lead the children through this fantastic project. There is no charge for the program, but we ask you to pre-register by calling the library @ 780-892-3746 as space is limited to 10. A snack will be provided.

The Book Club Potluck meeting will be held on Monday, December 3, 2018 at 6:00p.m. to review "Full Disclosure" by Beverley McLachlin. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspec-

tive to add to our conversation. If you are interested in participating, you can register and make arrangement for loan of the current title by calling the library @ 780-892-3746. All our programs are sponsored by The Darwell Public Library Society, Darwell Library Friend Society, FCSS and the CLSA Library Grant.

The health benefits of Tai Chi, a gentle form of exercise can help maintain strength, flexibility and balance, and could be the perfect activity for the rest of your life. Tai chi is often described as "meditation in motion,,". There is growing evidence that this mind-body practice, which originated in China, has value in treating or preventing many health problems. And you can get started even if you aren't in top shape or the best of health.

Tai chi differs from other types of exercise in several respects. The movements are usually circular and never forced, the muscles are relaxed rather than tensed, the joints are not fully extended or bent, and connective tissues are not stretched. We currently have a signup sheet in the library for a 4-month beginner Tai Chi class that will run 2 times a week, starting in February and ending in May 2018. There will be a cost for this program which is yet to be determined based on facility cost and number of registrants. We need a minimum of 15 committed people to register to see the program go forward, at a reasonable cost, so if you are interested please stop by and add your name to the list along with your preference for daytime or evening sessions.

The Darwell Public Library Society will be holding their next regular meeting on Monday, November 26, 2018 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

VETERANS IN NEED HAVE A NEW PLACE TO SEEK HELP

Submitted by Government of Alberta

Edmonton-area veterans will soon have a one-stop shop to find hous-

ing, get mental and physical health supports and receive help securing employment.

The provincial government is investing \$3 million in a new Veterans Service Centre and transitional housing project in north Edmonton. The project will help link veterans to a range of services, including transitional housing, employment and training services and crisis supports.

“Men and women who have served in the military make incredible sacrifices in the line of duty.

When the time comes to hang up the uniform, transitioning to civilian life can be difficult. This new service centre and transitional housing will be key in helping ensure veterans at risk of homelessness have the supports they need.” - Nicole Goehring, MLA and Government of Alberta Liaison to the Canadian Armed Forces

Veterans Emergency Transition Services (VETS) Canada, a non-profit organization, will manage the operations of the Veterans Service Centre. They will also lead the intake process for veterans in need of housing.

“From our research with thousands of in-crisis veterans across the country, we have learned that those who are struggling are in desperate need of a ‘one-stop shop’, a safe place where they can go and receive immediate support and services from qualified personnel and other veterans, without having to chase a referral to another location. That is what this project is all about.” - Debbie Lowther, chair/co-founder, Veterans Emergency Transition Services Canada

The service centre is located along public transportation routes with access to the downtown core, the operational stress injury clinic and the Edmonton Garrison. It is just steps away from an apartment building, purchased by the Government of Alberta, to provide transitional housing for 15 homeless veterans. The Royal Canadian Legion, Alberta-NWT Command, is contributing up to \$75,000 to furnish the suites in the building.

“We are pleased be able to make a financial contribution to this project. As we come closer to Remembrance Day, it is important to remember veterans’ sacrifice and their service, but also to look forward and to provide essential supports and collaboration with our partners to ensure that veterans themselves have the opportunities to live their lives fully and enjoy the freedoms that Canada has asked them to defend.” - Chris Strong, president, The Royal Canadian Legion, Alberta-NWT Command

The service centre is expected to be operational before the end of the year. Veterans are expected to begin moving into the transitional housing in the coming months.

THINGS TO LOOK FOR WHEN BUYING A HYBRID

If you want a vehicle that provides energy-efficient transportation, produces few emissions, is quiet, and reduces reliance on petroleum products, a hybrid or electric vehicle is probably the right choice.

A mere 17 years ago hybrid cars were hard to come by, with the Honda Insight and the Toyota Prius being the most widely available models. Today, there are more hybrids and electric vehicles than ever before. In 2018, U.S. News & World Report was able to list 18 of their favorite picks of hybrid and electric cars - and this was just in the "priced below \$30,000" range.

Widespread availability (most major car manufacturers offer one or more hybrid models) and major environmental and eco-

nomical benefits have made hybrids attractive to a wide range of people. While there are many similarities between hybrid and electric vehicles and gasoline-powered cars and trucks, there are certain differences that prospective hybrid buyers may want to learn before they begin shopping.

The average hybrid costs more up front than the equivalent gas model. However, the long-term fuel savings associated with hybrids can mitigate those upfront costs. If money is a concern, do the math when comparing models to see which hybrid vehicle will provide a shorter payback range in fuel savings over initial investment price.

A hybrid vehicle may be advantageous over an electric vehicle

for certain reasons. According to Consumer Reports, even though electric motors are three times as efficient as gasoline engines, gasoline provides much more energy in a given model - and does so at less cost than vehicles that need batteries and electric storage solutions. Hybrids offer the best of both worlds, in that they can use electricity when it is most efficient, and have the power of a gas engine when practical.

Check to see if a hybrid is a full hybrid or mild hybrid, which provides limited electric assist to bolster fuel economy. Plug-in hybrids are other options. These vehicles allow drivers to plug in to recharge the vehicle's batteries and maximize its usage of electricity. Once the battery is depleted, or during longer trips,

the engine turns on to generate electricity. Research the types of hybrids and decide what aligns best with your driving habits.

The vast majority of hybrids use automatic transmissions and will feature battery and fuel-usage meters so that drivers can keep track of energy usage, helping to develop smarter driving habits in the process. Hybrids work quite well with city driving, but can provide considerable fuel savings during highway driving as well. Discuss available technological features when comparing models so you can see where the fuel savings are coming from.

Hybrids and electric vehicles present yet another option for drivers to consider when buying new vehicles.

SUCCESSFULLY SWITCH AUTO INSURANCE PROVIDERS

Once drivers purchase an auto insurance policy, many simply let the policy renew each year. But with a little digging, drivers may be able to reduce their insurance costs considerably.

According to the Insurance Information Institute in New York, consumers should ask themselves if they're happy with the cost, service and coverage of their existing policies whenever it's time to renew. If they are, they should stick with their existing policies. However, if customers feel things can be better, then it's a perfect time to see what's available. Many driver advocates advise shopping for a new policy every two or three years.

When it comes time to switch car insurance companies, follow these steps and remember to avoid gaps in the coverage.

- Compare apples to apples. When shopping for new policies, consumers should compare the same features offered by various providers, including coverage types, deductibles and any limits. Keep a copy of your existing policy's declarations page so that all quotes can be accurately compared to the existing policy.

- Research any cancellation fees. Before switching over, find out if there are any cancellation fees associated with an existing policy.

- Eliminate coverage gaps. Eliminate gaps in coverage by ensuring a new policy begins the moment the existing one ends. This prevents potential financial ruin should a driver get into an accident without any insurance during a gap period.

- Take note of any life-

style changes. Be sure to list anything that can affect the cost of coverage, such as anti-theft devices on the vehicle, window etching or updated driving habits.

- Explore union or group affiliations. Drivers who are members of particular clubs, professional organizations or something similar may be eligible for special policies with certain providers. Make a list of any affiliations and contact the organizers to see if they have relationships with auto insurance providers. Law enforcement personnel or veterans may be eligible for certain discounts as well. Some insurance carriers only cover police officers or former military. It pays to look into these discounts.

- Consider small companies. Just because they don't

advertise as much as some of the more well-known providers does not mean small insurance companies are not capable of providing sufficient, affordable coverage. There are plenty of reputable small companies that offer excellent rates to drivers willing to exercise their due diligence.

- Check with the existing provider, too. Drivers can discuss their current rates and coverage with their existing insurance company, who may offer suggestions on reducing coverage or even offer lower prices in an effort to hang on to customers. Consider these possibilities before switching.

Shopping around for a new automotive insurance policy may help customers cut rates and increase coverage.

ENHANCE NIGHTTIME VISIBILITY IN 4 SIMPLE STEPS

(MS) - Most drivers are less comfortable driving at night than during the day. Statistics indicate that drivers' fears about driving at night are not unwarranted. According to the National Safety Council®, traffic death rates are three times greater at night than during the day. However, drivers need not stay tethered to their couches at night just because driving in the dark can be dangerous. In fact, four simple steps can help drivers enhance their nighttime visibility and reduce their risk of being in an accident.

1. Turn your headlights on earlier.

Daytime running lights can make it easier for drivers to be seen during the day, but they are not designed for nighttime driving. If you are struggling to see as evening transitions into nighttime, turn your headlights on earlier, using your car's automatic switch setting if it has one.

2. Prioritize headlight maintenance.

Properly maintained headlights can improve driver visibility at night. And such maintenance is simple, yet effective. Simply check the age and performance of your headlight bulbs. If they are more than three years old and/or dimming, replace them to ensure optimal performance.

3. Upgrade your headlights.

A recent AAA study discovered that the halogen headlights found in more than 80 percent of vehicles on the road today fail to safely illuminate unlit roadways, even when vehicles are moving at speeds as low as 40 miles per hour. By upgrading their headlights, drivers

can quickly and effectively put more light on the road. Lumileds, a leading lighting solutions company for the automotive industry, offers a state-of-the-art headlight bulb that can dramatically upgrade and improve your vehicle's lighting. The advanced technology in the Philips X-tremeVision headlight bulb can increase vision by up to 100 percent more than standard bulbs, putting more light where it's needed so drivers see more of the road ahead of them.

4. Keep your headlight lenses clear.

The plastic headlamp lenses found on most vehicles tend to become hazed and yellow over time from the effects of sunlight, ozone, road pollution, and carwash chemicals. Such clouding reduces headlight output and compromises nighttime visibility. Designed to restore plastic lenses in less than 30 minutes, the Philips Headlight Restoration Kit quickly and effectively combats clouding on headlights as well as taillights, turn signals and reflective lens covers, improving driver visibility while also making cars more visible to other drivers. In addition, the Philips Headlight Restoration Kit employs a protective UV coating that produces longer lens clarity

while preventing future clouding for up to two years.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

November 6, 2018
Education Highlights
Grande Yellowhead Public School Division (GYPSD) trustees ensure that jurisdictional priorities (student learning, teaching and leadership excellence, and community engagement) in place for students to achieve

their educational goals and meet provincial educational standards. On a regular basis, representatives from Learning Services provide updates to trustees on various student learning initiatives and programs as the board requires accountability from administration to ensure that these learning supports are being effective.

Today's meeting included a report on the current literacy strategies in place across the di-

vision: staff professional development opportunities, divisional assessments, and literacy support interventions, as well as information on inclusive education supports that are accessible to all GYPSD students.

Other Notes of Interest

- Trustees attend educational conferences in order to learn about important issues and new initiatives. Trustee Zaporosky was approved to attend the National School Boards Association (NSBA) Annual Conference from March 30 - April 1, 2019, on behalf of the board. Scheduled workshops on advocacy, governance and executive leadership, innovations in district management, board and superintendent partnerships, student achievement and accountability, and technology solutions are just a few of the transformational sessions on the 2019 NSBA Conference's agenda.

As part of their financial responsibilities, the board received a report from Facility Services about the scheduled maintenance and upgrades for GYPSD buildings over the current school year using Infrastructure Maintenance Renewal (I.M.R.) Expenditure funding. IMR funding from the province is provided to school authorities primarily to upgrade building components to meet health and safety standards, replace failed facility components, or meet municipal requirements based on number of students, area, and age of school facilities. GYPSD received \$1,505,848 in funding for the 2018-2019 school year: \$242,000 less than the prior school year. Schools in all five zones are scheduled for various upgrades including roofing, replacement LED lighting, and funds to address annual flooring and painting needs.

- Trustees spoke about their recent attendance at various community meetings and events over the last few weeks where they shared key messages about GYPSD with the community-at-large. They also enjoyed their recent school visits in the Edson and Lobstick zones to see schools' focus on the jurisdictional priorities.

- As part of the new pilot calendar, the board wishes everyone a well deserved new Fall Break from November 12th to 16th, and enjoy their time with family and friends.

- Superintendent Lewis provided highlights from this month's leadership meetings with principals and assistant principals that focused on developing: teacher and leadership excellence skills, instructional focus, and generative dialogue.

MENTAL HEALTH ACT & FIREARM INVESTIGATION

Submitted by **Stony Plain/Spruce Grove/Enoch RCMP**

tober 31, 2018 at approximately 9:20 pm, RCMP were called to the Willow Park neighbourhood for a Mental Health Act and fire-

arms complaint. Stony Plain General Duty members along with Police Dog Services (PDS) attended and safely located a

male and the firearm.

RCMP thank the public for their assistance and support during this investigation.

HWY 748 AND ROSEVEAR BRIDGE ROAD CONSTRUCTION CONTINUES

Submitted by **Stefan Felsing, Communications Department | Yellowhead County**

Originally, planned for completion on October 31, 2018, the project has experienced numerous delays due to weather, and construction issues. Currently, the road surface is being paved, but it is uncertain wheth-

er paving will be completed and whether the bridge will be ready for traffic this year.

It is the intent of the County and the contractor to complete the paving and allow full access by the end of the month, but this is weather dependent. Should the conditions remain less than optimal for paving, the paving will be postponed until the summer of 2019. This will ensure a

quality highway surface for the travelling public.

The County is continuing to manage the project within the original project budget. However, the project has not yet been completed. Based on the terms of the original contract, the contractor has until June 15, 2019, to complete the project.

That said, Highway 748 will be open for both lanes of traffic by

the end of the month, whether a paved or gravel surface is available, with the temporary detour removed and traffic unimpeded in both directions. Please remember this remains a construction zone and requires reduced speed.

We understand your concerns and are working with our contractor to meet the needs of public safety.

PURE POTENT CBD DROPS

The World's Purest CBD Oil

• 500mg • 750mg

Organic Non GMO

CBD is in a class of its own - affordable,
high quality, and convenient!

WHAT IS CBD?

Cannabidiol (CBD) is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side-effects and a lack of psychactivity (typically associated with marijuana products and high THC).

Our CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain 0.3% THC.

Benefits of CBD Oil

- Reduce Nausea & Vomiting
- Suppress Muscle Spasms
- Reduce Seizures & Convulsions
- Promotes Health
- Promotes Brain Tissue & Bone Growth
- Fibromyalgia Pain
- Reduces Blood Sugar Levels
- Antibacterial
- Anxiety & Depression
- Reduces Nicotine Cravings
- Digestive Aid
- Anti-Psychotic
- Ringing Ears - Tinnitus
- Inhibits Cell Growth in Tumors

CBD HEALTH BENEFITS

Mental & Brain Health
CBD affects principal cannabinoid receptor in the brain promoting a healthy state of mind.

General Health
Cannabidiol has incredible medicine benefits and will improve overall wellness.

Healthy Balance
Cannabidiol helps restore healthy balance to the endocannabinoid systems.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	2				1	8		7
		3	7		9			
6		7	8			3		
	1	8	9	4			6	
						1	2	3
3	5							
		2			6		3	8
8			5			9		
		1	2	9				

ANSWER:

4	2	5	3	6	1	8	9	7
1	8	3	7	5	9	2	4	6
6	9	7	8	2	4	3	5	1
2	1	8	9	4	3	7	6	5
7	4	9	6	8	5	1	2	3
3	5	6	1	7	2	4	8	9
9	7	2	4	1	6	5	3	8
8	6	4	5	3	7	9	1	2
5	3	1	2	9	8	6	7	4

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

PREVAIL

CELLULAR HOMEOSTASIS FORMULA

MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!

How do you want your
BLOOD to look?

Before PrevailMAX:

- poor circulation
- low energy
- brain fog
- dehydration
- decreased nutrients
- pH imbalance
- poor endurance

After PrevailMAX:

- better circulation
- more vitality
- mental clarity
- cellular movement
- nutrient assimilation
- balanced pH
- optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
