LUMINARIA NIGHT AT TIPPLE PARK MUSEUM

Submitted by Melissa Killick | Tipple Park Museum

Our second annual Luminaria Night at Tipple Park Museum was a huge success! With over 150 visitors throughout the

night, there was not a second when the Museum was empty. Over 100 candles on the pathways were lit in paper bags along with hot chocolate, Christmas lights, music and kids crafts in the building made for a festive

night.

A HUGE thank you to everyone who was kind enough to Volunteer! Without your help, the Luminaria Night would have been cancelled.

COUNTY TO RETIRE OLD FIRE HALL, WATER TOWERS

This December, Yellowhead County would like to celebrate the departure of Wildwood's fire hall and water tower, as well as Evansburg's water tower.

Submitted by Dan Ivanov, Communications Coordinator | Yellowhead County

This December, Yellowhead County is planning to dismantle two historic water towers from Evansburg and Wildwood, as well as the old Wildwood fire hall. Both towers have been out of service since the

mid-80s, and the Wildwood fire hall has likewise reached its lifespan.

The county has since built a new fire hall in Wildwood to replace the old and outdated hall. Likewise, the two towers have exceeded their life expectancy and will need to be removed as in many communities throughout Alberta.

Visit Yellowhead County's Face-

book page to take a guess at what year the water towers were erected. Correct guesses will win a fun county prize! And if you have any old photos of the water towers, make sure to share them with us on our Facebook page!

It was nice to see our local schools come together for the Community portray a friendly atmosphere.

Thank you to Servus Credit Union for providing us with a grant to purchase Christmas lights for the event.

With your help, we also filled a bin full of Food for our local Foodbank. Once again, I would like to thank our community and volunteers for their support and hard work. On behalf of Tipple Park Museum Merry Christmas.

JOKE OF THE WEEK

Darren remembers accompanying his father out shopping in the toy department of Hamleys one Christmas Eve. Dad said, 'What a marvellous train set. I'll buy it.' The girl behind the counter looked pleased and murmured, 'Great, I'm sure your son will really love it.' Dad replied with a glint in his eye, 'Maybe you're right. In that case I'll take two.'

SEARLE TURTON WINS UNITED CONSERVATIVE NOMINATION IN SPRUCE GROVE-STONY PLAIN

Submitted by United Conservative Party

United Conservative Leader Jason Kenney has issued a statement following the nomination of Searle Turton as the party's candidate in Spruce Grove-Stony Plain for the 2019 provincial election:

"Over the last two days, more than 600 United Conservative members in Spruce Grove-Stony Plain voted to choose their candidate for the next election from amongst three great contestants.

I would like to congratulate Searle Turton on winning this incredibly competitive race.

Searle is a committed conservative with extensive experience in Alberta politics. A three-term councillor for the city of Spruce Grove, Searle has a unique un-

derstanding of the issues most important to the people of this riding and has represented them well for close to a decade in municipal politics. Searle is a husband and father of two and prior to his election to city council, he spent 15 years in private sector real estate investment. Searle brings a wealth of knowledge and experience to our United Conservative team as we work to present Albertans with a common-sense alternative to the NDP. I am pleased to welcome Searle as the United Conservative candidate in Spruce Grove-Stony Plain.

I would also like to thank Mathew Clarke, Jerry Semen, and their teams for their participation in the democratic process and dedication to our movement."

GUNN HALL'S NOVEMBER 4TH CRIB TOURNAMENT

Submitted by **Marlaine Janke, Hall Representative | Gunn Hall**

We had 48 teams come out to enjoy 12 games of cards at our tournament. We understand that an important part of the tournament for our players is to enjoy a delicious lunch. Our kitchen volunteers strive for this and pleased everyone with their ham and scalloped potatoes meal with all the extras. They did an amazing job and were complimented by many.

Our prize allocations are as follows:

The 1st place team, Phyllis Webster & Anita Samson of Swan Hills received the amount of \$350. 2nd Place for \$250 was won by Terry Ryder & Stephanie Trynchy of Whitecourt. 3rd place for \$150 was won by Dale & Shirley Dunlop of Edson. 4th place for \$75 was won by Gail Hrycak & Gayle Schneider of Barrhead. We paid a \$20 prize to the last place team but choose not to disclose their names. No one wants to know that anyway – haha!!

We paid a \$50 prize to Don Fehr of Onoway who was fortunate to have a 28 point hand – just one away from the jackpot of 29. We also paid out \$120 to the 12 players that had 24 point hands.

The jackpot was not won this time and will be carried forward to our next tournament. This can be won by getting the highest score possible of a 29 point hand.

Two 50/50 draws were held. The first being \$235 won by Doreen Turnbull of Barrhead and the second being \$240 won by Maxine Bourdon of Whitecourt.

The 19 pot in the first 6 games came to \$34.25 won by Sharon Underhill of Gunn and the afternoons was around the same but the winner ran so fast with the money

we didn't get their name – haha!! Even by winning these small pots, the days entry fee cost is covered. This was our organizations

6th crib tournament and we all appreciate the support from the surrounding communities. Congratulations to all the winners and

we hope your day was enjoyable. Also a special thanks to all the volunteers who contribute to making this event run smoothly.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
