## FAMILY CHRISTMAS AT THE GUNN HALL

**Submitted by Marlane Janke & Liane Wenckowski, Hall Representative's | Gunn Hall**

What an amazing evening to begin our Christmas Season. On December 8th the hall board volunteers welcomed many families into our community hall. The colorful decorations, beautiful tree, pretty Christmas table décor and sparkling lights created a warm, friendly and inviting atmosphere, encouraging the spirit of Christmas for all that attended. We were sold out for this year's event again.

Heike Post, Bob Clark and their kitchen helpers certainly worked hard and put in a lot of hours preparing the delicious traditional meal for all to enjoy. It is always

a challenge bringing it out of the kitchen and setting up as the hall is full of little people running around, chasing each other and just having a lot of fun - exactly what little ones do. We had 44 children ages 13 and under who were so excited to be waiting for supper and anticipating what was to come.

The magical appearance of Santa Claus arrived shortly after supper was finished. On entering the hall Santa was jingling his bells and grabbed the attention of all the children. Their faces lit up with ear to ear smiles and each child was anxious to have their turn sitting on his knee to receive what he had chosen for them this year. It was great to watch and share in this happy time. Santa did have some helpers as he was not able to

fit all his gifts into one sack.

The Onoway Cadet's provided their services with the kitchen cleanup as well as picking up gift wrappings and any other messes created by our group. This is a big help and is so appreciated by all of us.

After Santa left the building to continue his work, Neil's DJ Service played music for everyone to dance to and enjoy. Throughout the evening door prizes of poinsettia's were given out, two prize raffles were done and a Silent Auction was offered for the adults. The Silent Auction is greatly supported by the many donations from surrounding businesses in the nearby towns & cities as well as some families contributing what they are able.

# OJSH SUPPORTS CHRISTMAS CHARITIES

Submitted by Wanda Pederson | Onoway Junior Senior High School

Although Christmas is usually a time of fun and joyful festivities, of sharing good food and sweet treats, of creating warm memories with loved ones, it is also a time of giving – not just to family and friends, but to those who are in need.

This year, the students at OJSH

are helping others by organizing and participating in a variety of charities that will help in Third World countries as well as locally. OJSH is a “Webs of Support” school. Staff and students create emotional support webs that uplift, encourage and anchor others so that those who are webbed-up have a better chance of living a positive life. Our school has taken that philosophy one step further: OJSH wanted to help to thicken webs for people in Third World countries and, at the same time, make gift giving easier for the school community. OJSH merchandise customized with individual’s names, family photos, or other personal graphics were made available for purchase on a school-based web site until December 7th. Not only would the student or staff member have a great gift for someone, the proceeds from the giftware sales were allocated to World Vision, an organization that buys goats, chicken and other livestock for Third World people to help them thrive and improve their standard of living.

During the first week of December, the OJSH Student Council, under the direction of Principal Lobo and E.A. Ray Huxley, held a Mitten, Sock and Hat Drive for those less fortunate. Students and staff were encouraged to donate new mittens, gloves, hats, toques, and socks throughout the week. Donated items were collected in a decorated Christmas box in the front foyer. At the end of the week, Mr. Huxley gathered all the donated items and delivered them to Pastor Rick Foster. The Student Council has also planned

an exciting activity week for the days leading up to the Christmas break. Of particular importance is the Student Council’s annual food bank initiative. Each day, Monday through Thursday, students and staff are being asked to bring a food item. For example, on Monday, December 17th, people are asked to bring canned items and jars; on Tuesday, boxed or bagged items are requested. On Wednesday, December 19th, toiletries are being asked for and on Thursday, it is the giver’s choice to bring whatever they can. On the last day of school before Christmas holidays, the Onoway Food Bank will come to the school and pick up the items.

The high school Cosmetology students under the guidance of Mrs. Villneff are once again holding the very popular Christmas manicures for charity. The manicures will be done by our talented cosmetology students for a very reasonable price of \$5.00 for regular polish and \$10.00 for gel. Nail customers must make appointments at lunch-time for their very special manicures that will take place from December 10th to 20th during Block 2 and the noon break. All proceeds from this fun event will go to Santa’s Helpers Onoway.

Teaching and modelling ‘giving’ to our students empowers them: giving encourages conversations about what is important in our lives and what is the right thing to do. And of course, by giving, students see that they can make a difference and provide some relief to others from poverty, struggling and suffering.

**JOKE OF THE WEEK**

A father took his son Billy to the Penney’s mall to see Santa. They stood in line awhile, and finally the boy was able to meet Santa and sit on his lap. “What would you like for Christmas, Billy?” asked Santa. “An X-Box and a Hobbit game,” Billy said. “Okay, we’ll see what we can do about that,” said Santa with a big smile. Later on that day they also went to see Santa at the Sears mall. When Santa asked Billy what he wanted for Christmas, Billy said, “An X-Box and a Hobbit game.” “Will you be a good boy and do what your daddy tells you?” Santa asked. Billy turned to his dad and said, “Let’s go back to the other Santa, Dad.” “Why Billy?” asked his father. “Because I didn’t have to make any deals with that one.”

# MAYOR'S MESSAGE

## Submitted by Village of Alberta Beach

2018 is coming to an end and it's been quite the year in our Village. Recently there was a fire at the Alberta Beach Post Office, our Fire Department (Onoway Regional Fire Services / Northwest Fire & Rescue) received the page out at 2:17 a.m. and were on scene at 2:21 a.m., 4 minute response time which is awesome. They were able to save the building, all the mail and packages were salvaged or protected in place and no injuries were reported (public or firefighters) great job! Unfortunately our busy little post office is temporarily closed and all our mail and packages will be temporarily re-routed to the Onoway post office, until a permanent solution is found. We will try to keep you informed as we receive updates from Canada Post.

I would also like to announce, this month we came to an agreement with Lac Ste. Anne County, they have implemented a process where both fire services (Lac Ste. Anne County Fire and Onoway Regional Fire Rescue) will be paged out simultaneously to all motor vehicle accidents on all local highways. This addresses the immediate concern of getting emergency response to a scene as quickly as possible and saving lives. Thank you to Reeve Blakeman, his council and county staff as well as Onoway Regional Fire Services for working with us and implementing this service.

This past spring everyone noticed the frost heaves in our roads and alleys, we were not alone in this, as it was a common occurrence through – out the province. Our contractors were able to do repairs to a few of the worst roads and have committed

to return in June, once the roads bans are lifted to continue repairs and paving. Thank you for your patience.

We must give a big shout out to our Deputy Mayor Angela Duncan, who was elected as Director; Villages West on the AUMA Executive Board her term on this board will run 2018 – 2020. Congratulations Angela, your seat on this board will give our Village much needed exposure on the Provincial stage.

Alberta Beach also has a new Public Works Manager, Harold (Happy) Johnson. I would like

to thank Jason Madge for filling in as the Public Works Manager and helping us in our search for a new manager. Contact information for our Public Works Department is 780-924-3322.

As always if you require information or have any concerns please contact the Village office at 780-924-3181. Or if you would like to sit down and have a coffee with myself or any member of Council, please call the office to set up an appointment, we will strive to make ourselves available. As a reminder, Council meetings are

held the third Tuesday of each month at 7:00p.m. in the Alberta Beach Council Chambers (4935 – 50th Ave) everyone is welcome. I again encourage you to get involved in your community, because when we all get involved, we can make a positive difference.

At this time on behalf of our Council and Village Staff, we would like to wish everyone a Very Merry Christmas and a prosperous New Year. Please be safe, don't drink and drive.

Sincerely,  
Jim Benedict, Mayor

REEVE'S MESSAGE
NOVEMBER 2018

November has been a month of Remembrance, and support for some very worthwhile causes around Lac Ste. Anne County. At the November 8th, regular County Council meeting Council and Staff paused for a moment of silence to remember and reflect on the brave men and women that lost their lives and those who continue to risk their lives for the freedoms that we all share. We Thank you for your service.

Council and Staff also showed support for Family Violence Prevention Month by wearing purple ribbons to bring awareness to the cause. November is a time to increase awareness to create change in our communities. We all have the right to feel safe. It takes all of us working

together to support healthy relationships, safer homes, and communities. And finally, Council and Staff raised \$524.50 towards the "Movember" cause, which is the leading charity changing the face of men's health by addressing some of the biggest health issues faced by men: prostate cancer, testicular cancer, and mental health and suicide prevention. Funds were raised by purchasing stick-on mustaches that were worn for a group photo held November 23rd, at the regular County Council meeting. Thank you to all those who donated and supported our worthwhile causes this month, it makes me proud to be part of such a strong team of caring individuals.

Earlier this month, Council was able to attend the Rural Mu-

nicipalities of Alberta (RMA) Fall Convention in Edmonton. This was an opportunity for both Provincial and Municipal Elected Officials to meet and discuss many of the upcoming changes, proposed legislation and any contentious issues faced by Rural Municipalities within the Province. The biggest issue that many are still awaiting resolution on the new provincial funding formula which will replace the MSI funding for Municipalities.

It has been a month of collaboration and working with many other groups and municipalities. Council continues to work with the Rich Valley Agriculture Society to find a solution to the issue with the ice plant at the arena. In addition to the regular meetings this month, Council also met with Sturgeon County to discuss joint municipal possibilities and Inland Aggregates regarding long-range activities within the municipality. We also continue to work with the Town of Mayerthorpe on the Agriculture Sector Study. With increased calls on Highways 43 and 633, Lac Ste. Anne County Fire Services continues to work with Onoway Regional Fire to support our residents in receiving the best possible response times.

We were also fortunate to have a representative from STARS Al-

berta attend our last meeting to update Council and Administration on the initiatives being taken on by STARS along with the total amount of STARS responses within Lac Ste. Anne County (including all Summer Villages and Towns) for 2018 which was 29. This is a vital service to our residents we are very lucky to have this caliber of care available in our area, so please if you have the opportunity to donate to this worthwhile cause, do.

Alright, on that note, I will conclude with a reminder to all those that can, Council and Staff will be accepting donations from December 1st - December 14th of non-perishable food items, and new unwrapped toys for the West and East end food banks and Santa's Anonymous initiatives. As we enter the final month of 2018, take time to reflect on the good this year has brought and the goals you hope to achieve in 2019!

Season's Greetings
From Lac Ste. Anne County Council and Staff, sincere wishes are extended for a joyous, festive season and for peace, health and prosperity in 2019.

# STRUCTURE FIRE IN THE VILLAGE OF ALBERTA BEACH

**Submitted by David Ives, Fire Chief | NORTH WEST FIRE RESCUE – ONOWAY**

Alberta Beach, AB – December 5, 2018

At 0217 this morning North West Fire Rescue – Onoway was paged to a structure fire at 4715 47 Street, Alberta Beach (the Post Office building). At 0219 North West Fire – Onoway paged out its mutual aid partners from Lac Ste. Anne County Fire Service for back-up. At 0220

North West Fire Rescue – Onoway was rolling with its first two units.

At 0221 North West Fire – Onoway crews noted smoke exiting the roof vents. After a quick size-up, interior operations begun with the “All Clear” being called shortly thereafter. By 0244 the fire had been contained, power and gas shut off, and mutual aid units were stood down before arrival. At 0310 a secondary search had been completed further confirming no casualties while ambitious efforts

to salvage and protect letters, packages, and gifts was well underway.

Significant smoke damage and fire extension was rooted-out over the next few ours until the Office of the Fire Commissioner representative assumed command of the scene for investigations purposes at 0710 this morning. Crews assisted with the investigation until released at 0848.

The building is intact, Canada Post’s mail was protected, and no one was injured. North West

Fire Rescue – Onoway would like to thank Lac Ste Anne County Fire Services for being willing to help and the Royal Canadian Mounted Police, Fortis, and the Office of the Fire Commissioner for their on-scene assessment. Please be reminded: do not to overload electrical outlets and ensure all electrical renovations are completed by qualified electricians and under permit.

## UCP LAC STE ANNE – PARKLAND CONSTITUENCY ELECTION ROUND TWO

Why Round Two?

August 21 & 22, 2018 the UCP membership turned out in large numbers and elected a highly qualified constituency resident, Dale Johnson, to represent Lac Ste Anne-Parkland as the UCP candidate for the upcoming Provincial election which will be held in 2019.

Dale Johnson pulled an upset with the help of grassroots UCP voters. He won the election fairly and squarely which was acknowledged by the Provincial UCP Board.

Five weeks (September 29, 2018) after the election the Provincial Board notified Dale Johnson he would be disqualified because of a very minor and disputed technical oversight in his nomination application.

WHY DID IT TAKE TWO

MONTHS TO ORGANIZE THE NEXT LSA-PARKLAND NOMINATION ELECTION? Because of the strong backlash from the UCP voters in the constituency to the disqualification of our duly elected candidate. The Provincial UCP board with their convoluted logic did not respect the voter's wishes or their intelligence to vote for a well known, respected candidate and long time resident of the Constituency! They waited for the backlash to die down before calling the next nomination election.

The LSA-Parkland Constituency Association Board did not have the backbone to stand up to the Provincial UCP old boys/girls insider's club. They did not back Dale Johnson as the voter's choice for the UCP Candidate.

There are two nominees to

consider for the December 15th & 17th elections:

Shane Getson – a very well spoken and highly qualified nominee WHO LIVES IN THE CONSTITUENCY (Onoway area.)

Leah Wood – who lives in the Drayton Valley area (NOT IN THE CONSTITUENCY). She ran and lost to Dale Johnson in the previous election.

Well Folks, it's time to send another strong message to the Provincial UCP Board! We do not want a cherry-picked interloper who DOES NOT LIVE IN THE CONSTITUENCY to represent our LSA-Parkland Constituency at the Provincial level. Please don't let the questionable actions of the UCP Board prevent you from once again voting for the right person as the LSA-Park-

land representative. Let's get out and vote to support the only candidate that lives in our constituency, SAHNE GETSON.

Let us, the grassroots, reinforce the theme LET DEMOCRACY REIGN.

The new nomination election dates for a UCP Candidate for the LSA-Parkland Constituency are:

- December 15th
  - Evansburg Legion, 10:00am - 2:00pm
  - Mayerthorpe Legion, 4:00pm - 8:00pm
- December 17th
  - Muir Lake Community League, 10:00am - 2:00pm
  - Onoway Heritage Centre 4:00pm - 8:00pm

# RIDING UPDATE – WEEK OF NOVEMBER 12, 2018

Submitted by Jim Eglinski, MP – Yellowhead

It has been a month since I was able to spend a full week in the riding. Much of the week was spent in the Edson office, meeting with constituents, returning phone calls and addressing important riding issues.

Last Saturday, while in Drayton Valley, I met the winner of

my 2018 Christmas card contest, Abigail Mallory, a grade six student from St. Anthony School. I was so pleased to present her with a congratulatory certificate.

Last Sunday, I attended the Remembrance Day ceremony in Thorsby. I also dropped in at the legions in Winfield, Warburg, and for the “Ringing of the Bells” at Pigeon Lake.

On Tuesday of this week, I

attended the Jasper Chamber of Commerce AGM, and updated everyone on the happenings in Ottawa and on Thursday, I helped tally votes at the UCP vote in Edson.

On Friday, I met with constituents and later spent time shoveling snow. Isn't winter fun! Oh well, look at the bright side --- it is good exercise for me.

Saturday morning, I attended

the Yellowhead EDA Director's Meeting, and then on to Drayton Valley for their 9th Annual Foundation Festival of Lights Gala Dinner that evening.

I will return to Ottawa on Sunday, as the House of Commons is scheduled to sit for the next four weeks before the Christmas break. Look for my update next Friday on the happenings of Parliament.

# PARLIAMENT UPDATE – WEEK OF DECEMBER 3, 2018

Submitted by Jim Eglinski, MP – Yellowhead

The House of Commons debated the following:

- C-21 – An Act to Amend The Customs Act (Senate Amendments)
- C-75 – Criminal Code (An Act to amend the Criminal Code, the Youth Criminal Justice Act and other Acts and to make

consequential amendments to other Acts) (Third Reading)

- C-84 – Criminal Code ((bestiality and animal fighting) (Second Reading)
- C-86 – Budget Implementation Act, 2018, No. 2 (Third Reading)
- C-88 – Mackenzie Valley Resource Management Act (Second Reading)
- C-90 – Appropriation

Act No.3, 2018-19 – (Third Reading)

- C-316 – Canada Revenue Agency Act (Report Stage)
- C-392 – Aeronautics Act (Second Reading)
- C-415 -- An Act to Establish a Procedure For Expunging (Second Reading)
- Motion 151 -- National strategy to combat plastic pollution
- Conservative Opposition Motion – The Economy

On Monday, I presented a petition on human organ trafficking. Later, I participated in debate on C-88, wherein I strongly stressed that the Liberal government should leave the people of northern Canada with their resources and let them be their own environmentalists and stewards of the land.

On Tuesday, I attended an All-Party Renewable Fuels Caucus Breakfast Meeting. That afternoon, in the Standing Committee on Public Safety and

National Security (SECU), we continued the study on Motion 167, Rural Crime in Canada and on Thursday, we continued our study on Motion 161, the Record Suspension Program. Please see: [www.ourcommons.ca/Committees/en/SECU](http://www.ourcommons.ca/Committees/en/SECU).

On Tuesday evening, I attended the All-Party Climate Change meeting.

On Friday, while on House Duty, I asked two questions during debate on C-21.

You can read comments, speeches and debates on the corresponding day's Hansard on the House Publications page at: [www.ourcommons.ca/en](http://www.ourcommons.ca/en)

This week, I attended 10 meetings, one event and recorded two tapings. This week-end I will be in the riding and returning to Ottawa on Sunday. My next update will be on the happenings of Parliament as it continues to sit for the last week before Christmas break.

# MOVEMBER MADNESS AT LAC STE. ANNE COUNTY

Submitted by Lac Ste. Anne County | [www.LSAC.ca](http://www.LSAC.ca)

County Administrators move the bar for 2018 Movember Fundraising.

During the month of November,

County Council and Administration raised a total of \$524.50 to be donated towards men's prostate cancer, testicular cancer, mental health and suicide prevention. This successful Movember initiative was a first for the County. Funds were raised by purchasing stick-on moustaches for

a photo shoot held November 23rd, during which additional donations were collected. Councillor Giebelhaus also graciously donated one of his coveted stone carvings for a draw, with all proceeds going toward the Movember cause.

Beginning in 2003, Movember

has grown into a global movement, inspiring support and raising money for vital health issues that affect men. For more information about the Movember foundation, please visit [ca.movember.com](http://ca.movember.com).

# LOCAL REAL CANADIAN SUPERSTORE ASKS RESIDENTS TO HELP MAKE EVERYONE'S HOLIDAY FEAST SPECIAL

## In-Store Holiday Food Drive in support of Parkland Food Bank Society runs to December 24

Submitted by Food Banks Alberta

Spruce Grove, Alberta – December 7, 2018 – For many Canadians, it's easy to picture a holiday feast: platters generous-

ly heaping with delicious food and all the fixings. But for Canada's 800,000 monthly food bank users, holiday dinners don't have the same ring. That's why Real Canadian Superstore in Spruce Grove has teamed up with the

Parkland Food Bank Society for their holiday food drive, which is on now until December 24. This year, these organizations are reminding community members that even a small donation is all it takes to enable us all to

enjoy a special holiday dinner.

"We know that sometimes there's a big difference between dinner at our own house and what's on the table just down the street," says Keith Manasterski, Manager, Real Canadian Superstore. "This year we want to inspire people in Spruce Grove to make meaningful donations of funds and food to our local food bank so we can help bridge the gap between neighbours and make sure everyone has a happy holiday and nutritious food throughout the winter months."

Statistics confirm that Canadians are closer to the issue of hunger than ever before. Nearly half of Canadians admit they know someone who has visited a food bank, up from 40 per cent in 2012. But there's some reassurance in the fact that 80 per cent of people in a recent Food Banks Canada survey said that Canadians like themselves play a role in helping those in need.

"We really see people stepping up to support their local food bank, whether it is during the holiday season or throughout the year," says Stephanie Walsh-Rigby of Food Banks Alberta. "We hope the Loblaw holiday campaign will give community members across Alberta a reason to get out and donate so we can all enjoy the holidays together."

This year, Real Canadian Superstore is calling for donations of nutritious nonperishable food items - think of healthy items you would choose to feed your own family - as well as baby food and money. To see a full list of the most needed items in Spruce Grove, go to: <http://parklandfoodbank.org/get-involved/food-wishlist>. It's easy to donate – simply place food items in the special food drive bins in-store or make a monetary donation at the checkout.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
