STATEMENT ON THE PASSING OF FORMER SPEAKER GENE ZWOZDESKY

Submitted by Legislative Assembly of Alberta

On behalf of the Members of the Legislative Assembly of Alberta, Hon. Robert E. Wanner, Speaker of the Legislative Assembly of Alberta, offers sincere condolences to the family of Hon. Gene Zwozdesky, former Speaker of the Legislative Assembly of Alberta.

"It was with great sadness that I learned of Mr. Zwozdesky's passing. Anyone who ever met him knows that Gene Zwozdesky was a force of energy who lived every moment to its fullest. He cared deeply about his family, his community and his province. With a distinguished public service career spanning more

than 20 years, his never-ending zest for life makes his passing seem almost surreal," said Wanner.

On April 23, 2012, Gene Zwozdesky was elected to his sixth term as the MLA for Edmonton-Mill Creek. He was elected as the 12th Speaker of the Legislative Assembly on May 23, 2012.

Before becoming an MLA, Mr. Zwozdesky worked as a teacher, administrator, professional musician and business owner. He was also the Executive Director of the Alberta Cultural Heritage Foundation and of the Alberta Ukrainian Canadian Centennial Commission, as well as Music Director for the Shumka Dancers and Cheremosh Dancers. Following his time at the

Alberta Legislature, Mr. Zwozdesky continued to show dedication and leadership through his involvement with the Alberta Association of Former MLAs.

"While I did not have the pleasure of working directly with Mr. Zwozdesky, I can speak to his undeniable commitment and his legendary charisma," said Wanner. "I was so appreciative of his advice and assistance during the transition into my role as Speaker."

"On behalf of all Members of the 29th Legislature, I extend my deepest sympathies to his loved ones and to the many people he impacted throughout his life and career."

HOCKEY GIVES BACK

Submitted by Onoway Midgets

The 3rd Annual Midget Christmas Showdown took place on December 14, 2018. It was a night of hockey and Christmas cheer as the Onoway Midgets took on the Edson Sabres! Players wore their best Christmas attire and anyone in attendance was encouraged to do the same.

In support of Onoway Santa's Helpers & Onoway Food Bank the Onoway Midget Eagles collected food bank donations as well as money and toys for the less fortunate. We were able to collect quite a haul of food and toys to share in our community! We also had a fun

time wearing our Christmas sweaters too!

Thanks to the Edson Sabres and the community members who attended for getting in the spirit and sharing too. Also congratulations to

Shjon Lyttle for winning the door prize draw!

A special thanks to a former Midget player, Colton Sand, for planning and organizing The 3rd Annual Midget Christmas Showdown.

JOKE OF THE WEEK

On New Year's Eve, Marilyn stood up in the local pub and said that it was time to get ready. At the stroke of midnight, she wanted every husband to be standing next to the one person who made his life worth living. Well, it was kind of embarrassing. As the clock struck, the bartender was almost crushed to death.

DECORATED PLANTERS BRIGHTEN WINTER LANDSCAPE

Submitted by Lac Ste. Anne County | www.LSAC.ca

With our relatively short summers, gardeners look for ways to extend the seasons for our landscapes. At the County office all summer long we enjoyed the

beautiful new flower planters. The colourful containers were overflowing with lantana, rudbeckia, and bright petunias. In November we transformed the summer planters with winter designs. Theresa Utri of Beyond the Blue Sky provided the cre-

ative inspiration. Theresa also led a Winter Planter Workshop at the County building, using locally collected plant material along with special evergreens from the George Pegg Garden. Plans are under way for a new season of horticultural classes

in 2019. Contact Horticulturist Lorraine Taylor at LTaylor@LSAC.ca for email notices about coming events. Visit Beyond the Blue Sky's Facebook page for updates about Theresa's Western Décor workshops in Darwell.

MAN CHARGED WITH SEXUAL ASSAULT; POLICE SEEK ADDITIONAL COMPLAINANTS

Submitted by Edmonton Police Service

MRU #: 18R124 - The Edmonton Police Service has charged Vincent Noseworthy, 39, in connection to a sexual assault and believes there may be additional complainants.

On Sunday, Oct. 14, 2018, an adult female reported to police that she had been sexually assaulted by a male, identified as Vincent Noseworthy, on Tues-

day, Aug. 14, 2018. The female reportedly met Noseworthy, who she became acquainted with through Tinder, for a date. The two then drove to a rural location outside of Edmonton in the female's vehicle where Noseworthy allegedly confined her and violently sexually and physically assaulted her. Noseworthy was arrested on Wednesday, Oct. 31, 2018 and has been charged with aggravated sexual assault, sexual as-

sault, choking with the intent to overcome resistance, assault and unlawful confinement. He has since been released on conditions. Noseworthy is active on online dating websites and may use the name "Vinnie Worth." As a result, investigators believe there may be additional complainants and are concerned that he may commit another offence against someone while in the community.

In the interest of public safety, police are releasing a photo of Noseworthy and are encouraging any additional complainants to come forward.

SANGUDO HORTICULTURAL CLUB 2018 YEAR IN REVIEW

Submitted by Brenda Ogden | Sangudo Horticultural Club

First our upcoming events for 2019.

January 21-2019. Roxanne Lewchuk will take us on a walk of her garden. It really brightens up our snow filled gazes to see green again.

January 26-2019. 12th annual Garden Days. Kevin Napora from Salisbury Greenhouse will be our keynote speaker. Kevin is a landscaper with 25 years of experience. He is the author of the book the Perfect Time to Garden. He uses the power of nature to inspire, create and motivate.

Michelle Bourke will be giving us insights on how to set up boundaries in large rural yards.

The year 2018 in review:

January 22 Lori Birchill used natural areas in her yard and gave them a theme. Small pockets were formed with unique characteristics, and an overall awesome effect was achieved.

January 27 Gardeners Day was a huge success with speaker Morgan Webb. The CHED radio garden show co-host had the audience engaged throughout his presentation. Inge and Koen DeHerdt provided information on the DeHerdt Garden in Barrhead and knowledge about potatoes. The location change to the Sangudo school gave us extra space which added a layer of comfort to the activities of the day.

February 26 Marilyn Nordlund from Honey's Greenhouse, talked about tree and shrub selections for our area. She reinforced the need to water young bushes in their first year until they are established, to plant in areas that have well drained soil, and to buy plants that fit into the hardiness zone of your yard.

March 26 Nick Lysachok spoke to us about Dahlias and Delphiniums. Nick also has a commercial garlic farm which we had a chance to tour in August.

April 23 Mel Kirsch had a presentation on growing fruit trees. Grafting: Graft on the same type of tree until you have enough experience to experiment. Graft high enough to protect your graft against frost. Graft using a seal to protect against bacterial infection. Graft while the tree is flowering, so it will have the most energy to aide the graft process. May or June are the best times, but the graft will be slower to take if

grafted in late June. Trees with old stumps are the best for grafting on, as their roots are well established.

May 26 The horticultural club's annual plant sale. Perennials, annuals and edible plants are on the table for public purchase.

May 28 The Sundial Park and Sangudo spring clean-up. This is a way to give back to the community

August 14 Yard Tours. We were able to see two sites where Nick Lysachok has garlic bulbs growing. He also had massive plantings of squash and other vegetable produce. The other yard we viewed was the immaculately manicured lawn and flowers on Bill and Penny Szybunka's farm.

August 21 There was a combined tour in August with the Magnolia/

Stony/Lobstick garden clubs. The group toured the garden of the president of the Lobstick Garden Club, Clara Qualizza. It was a stunning garden, packed with a vast selection of cut flowers.

September 24 The focus of this meeting is sharing the fruits of our labor from our garden and discussing how the year went. Our plant of the year the Northline Saskatoon didn't produce leaves on most of the stock that we had purchased. They came with a guarantee, so we will try again next year. The cry of the true gardener.

October 22 Lorraine Taylor, the Horticulturist from Lac Ste. Anne county, brought her extensive knowledge, and lots of plant material. By the end of the evening we had

learned how to propagate pieces of plants; in our houseplant makeover topic.

November 26 Christmas Party. There was a potluck meal, followed by a gardening jeopardy game. The game was the brainchild of one of our members Helen Watson. Then we had a gift exchange. A fun and full evening.

The horticultural club meets the 4th Monday of most months at the Sangudo Golden Club.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
