1000 ACRES OF ALUS

Submitted by Parkland County

Thank you to all of our farmers and ranchers who participate in the ALUS Parkland program. Together, we've reached a huge milestone of over 1,000 acres enrolled in the program. In fact, we're closer to a total of 2,100 acres enrolled!

This would not have been possible without our agricultural community coming together and realizing the benefits of imple-

menting programs that help protect and enhance our ecosystems. Some of the projects implemented include a pasture pipeline, which ensures cows have clean drinking water and the creation of a wetland to enhance biodiversity and flood and drought mitigation.

The Alternative Land Use Services (ALUS) program invests in local farmers and ranchers who steward our working landscapes to provide ecosystem services such as clean air, clean water, and more biodiversity to our

communities. Parkland County's ALUS program has been working with local producers to put in local projects one acre at a time since 2012. Being one of the first ALUS communities in Alberta to reach over 1000 acres in our program is a big accomplishment for our County!

If you are a farmer or rancher and are interested in seeing how ALUS can help you, please visit www.parklandcounty.com/ALUS or give our ALUS Coordinator a call at 780-968-8888 ext. 8286.

GYPSD JANUARY SCHOOL NEWS

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellow-head Public School Division

GRAND TRUNK HIGH SCHOOL (GTHS)

December was an action packed, fun filled month at Grand Trunk: time flies when you're having fun. Grand Trunk Students' Union led the fun with their '12 Days of Christmas'. Activities included a movie day, hot chocolate mornings, cook-

ie days, holiday hat day, ugly sweater day and a pajama day, to name just a few. On December 19th, thanks to our amazing school council, Grand Trunk enjoyed a huge family style turkey dinner with all of the fixings. Students raved about how this was "the best turkey I've ever had!" and we all ate until we were completely content. A huge thank you goes out to the incredible volunteers who made this day possible.

Our sports programs have been

very busy with the start up of basketball season. Senior teams have been experiencing great success, with both the boys and girls winning our home tournament, 'Bears' Breakout Bash'. So far it has been a great start for both senior teams. On December 19th and 20th, members of our volleyball and basketball teams assisted with the Santa's Anonymous initiative in our community, helping collect and create the Christmas boxes. Both basketball teams also participated in our annual Alumni Basketball tournament on December 21st and 22nd. Junior basketball has also begun and for the first time in years, 21 boys came out to tryouts, resulting in the creation of two teams. The junior teams have begun their GYPSD league play, and are coming together for a successful season.

Students from Niton, Seba Beach, Wildwood, Entwistle and Evansview, attended a presentation from The White Hatter group, regarding online safety. There was also a parent session open to the public that evening.

Students learned how to protect themselves online and the steps to safe internet use. Students acknowledged the importance of this information and enjoyed the presentation.

Planning for the YMCA Orillia Exchange trip has begun and the excitement around the trip is increasing amongst our student population. There is still a lot of planning, but the trip is well worth the efforts. Another trip to mention is the student trip to Belize coming up in March of 2019.

JANUARY NEWS FROM WABAMUN SCHOOL

Submitted by Les Worthington, Principal | Wabamun School

Welcome back from the Christmas break! I hope you had opportunities to spend time with family and friends, as well as to take some time for yourselves. Back on December 22nd I posted on Wabamun Village Voices that I would start posting updates on some of the projects that we have been working on, as well as other things that everyone (students, families and community members) can look forward to. I'll be sharing all of the postings with you in the newsletter. You may also choose to check out each of the posts so you can join selected conversations and share as you'd like. I'd like to emphasize that Wabamun School is a proud member of the community of Wabamun, and we look forward to celebrating and promoting the things that make Wabamun an amazing place for people to live and to raise their children!

Basketball, Archery, and more... It's important that students be given the opportunity to grow and develop in a variety of ways including, but not limited to: academically, socially, artistically and athletically. This past fall our volleyball teams provided us with some of the most memorable seasons in school history. The boys captured silver and the girls won gold! That momentum has carried over and we are pleased to announce that we will have a boys team participating in league play (practices start Monday, yes this Monday ☐) and their first game is a home game this coming Wednesday. Our girls will have a developmental team and Mr. Kucher and I will schedule some exhibition games. In addition, Mr. Little and I will be starting archery soon for students in grades 4-9. Our plan is to practice during lunch once or twice a week and participate in one or two tournaments. Finally, Mrs. Nickel and I will be accepting applications from our junior highs as we assemble a team for the Kids Can Cook challenge! Here is the list of the home game for the boys (which will usually start between 4:00 & 4:30). I hope you can come out and cheer them on. I'll be posting when the girls will be having their games. Boys Basketball Schedule of Home games: January 9th, 16th & 30th.

Before & After School Care will

be arriving at Wabamun School starting September 2019. I've had great conversations with both Cindy Van Beers (who will be providing the care) and Parkland School Division. Normal hours will be from 7:00-8:30 a.m. & 3:00-6:00 p.m. In addition, there will be full day daycare (7:00 a.m. – 6:00 p.m.) on non-school days (PD day, Teacher's Convention, Spring Break, etc). The cost for fulltime is \$350/month. If you qualify for subsidy, then the parent portion will be \$40/month. Part-time care will also be available.

ALZHEIMER INFORMATION SESSION AND SUPPORT GROUP

Submitted by Stefan Felsing, Communications Department | Yellowhead County

Arlene Huhn, Regional Lead for Client Services and Programs and Velma Roberts, Program Coordinator from the Alzheimer Society of Alberta and Northwest Territories will be coming to the Evansburg Heritage House on January 17, 2019 at 6:30 pm to have a community education session regarding Alzheimer

disease and dementia. They will be talking about reasoning and communication with a person that has the diagnosis of Alzheimer's disease/dementia, the thought process, short term memory and long term memory, medications, expectations and advice for care partners.

This is a great opportunity to find out more about Alzheimer's disease and dementia.

This is a launch to start an Alzheimer/Dementia Support Group in the

Evansburg/Wildwood area where care partners can come together in a safe, confidential environment to talk about their experiences and learn from each other.

Information and hand-outs will be available as well as further resources. There is no cost and light refreshments will be available.

PLANETARIUM RETURNS TO TIPPLE PARK MUSEUM 2019!

Submitted by Melissa Killion, Museum Manger | Tipple Park Museum

Have you ever wondered what is up in the sky above us? Or are you just interested in Astrology? either way we have a great educational experience coming to Tipple Park Museum. We are thrilled to announce our Family Night at the

Planetarium Friday January 18 at 7pm. Admission is \$3.00/person for those over 5 years of age. Listen to stories and learn about constellations with hands on crafts and storytelling. This event is fun for the whole family.

Staff are going to take people on an outer space journey describing the stars and planets, seeing satellite images, three dimensional shapes and so much more! There

are going to be various craft tables set up in the Museum hosting various age group activities for everyone to take part in.

Its not everyday a Planetarium comes to Evansburg, so we might as well make the most of it. I have to admit I'm pretty excited myself. Hope to see everyone there.

And as our good buddy Spock would say "Live long and prosper".

January News from Wabamun School

Continued from Page 5

Based upon my experience as both a parent and an educator these rates are very reasonable. I'm aware of other programs that are only afterschool care for close to \$500/month.

Several people have approached me about the need for before and after school care in the area. The school has the space, we have a provider and a model (there currently is a program ran by Cindy out of Parkland Village School), and the approval to go ahead from PSD.

What I need to do now if confirm the level of interest. Please add to this thread or message me directly.

Spread the word!

Field Trips – Several students have already had the opportunity to participate in field trips this year including: WE Day (Student Leadership), Alberta Legislature (Grades 6-9), Net Zero House (7-9), Bee Aware (7), University of Alberta Volleyball Games (Volleyball teams), and Cinderella at Horizon Stage (Kindergarten – 3). Between January and June, we have already booked the following: PARTY Program (8 & 9; Feb 5th), Matilda at Citadel Theater (3-9; Feb 27th), Drumheller – Sleeping with the Dinosaurs (3-5; May 1st & 2nd), Swimming Lessons (1-5; May 6th- 10th), and Edmonton Valley Zoo (Kindergarten – 2; June). These educational opportunities, although not necessary, do enhance stu-

dents learning of the curriculum, and create positive memories that students share with their friends and remember for years to come. Parents do share the cost of these fees, and we are fortunate to have Wabamun School Fundraising Association donate thousands of dollars annually to Wabamun School to help create these opportunities. On a future posting I will be celebrating our volunteers! More great things to come tomorrow!

Brazilian Jiu Jitsu update – I've had a couple of meetings with Rodrigo Resende, and received lots of positive feedback from both interested parents and adults for classes in Wabamun. As such, this will continue to be something we pursue. Fees would be reasonable and Rodrigo is willing to work with families who may need assistance.

What we need is a location where we can setup jiu jitsu mats on a permanent basis. Unfortunately, potential locations, such as Jubilee Hall and Union Hall, wouldn't work because the mats would need to be setup before a class, and removed after. This isn't ideal as the mats are 3'x 6' and made of a dense foam. I do have an area in mind that could serve us well, but do you know of a space that could potentially work? Bathrooms and a potential area to get changed would also be beneficial.

Also a huge thanks to Sarah Nipshank (FCSS) and Shawn Patience (CAO – Village of Wabamun) who have also assisted in trying to make this come to

fruition.

Rebranding – Since last year we have been undergoing a thorough rebranding processes as we work towards finding a new school name. Students in the past who have participated on sports teams have gone either by Wabamun Waves or Wabamun Whitecaps. Going forward it's important to note that the new name will be representative of all our students (K-9) in every capacity (classroom, fieldtrips, clubs, teams, etc.), not solely teams. We began reviewing our PRIDE virtues by having the students select the virtues they felt were important for all members of the school community to try to achieve: Perseverance: Being persistent, refusing to stop despite failures, delays and difficulties. Respect: An act of giving particular attention. Integrity: The quality of being honest and fair. Determination: A quality that makes you continue trying to do or achieve something that is difficult. Empathy: The ability to put aside your ego, step into someone else's shoes and experience their emotions. When we do this, we create connection.

Having selected new virtues, we then began this year by searching for a name with the criteria that it could not already be used by another school in the division or area, had to be reflective of the virtues and needed to have a connection to the community of Wabamun. After months of whittling down the list we have arrived at the final two that we are in the

final stage of selecting: Wild or Wolverines. Once we have a final name selected we will have a logo contest and then a graphic designer to refine the final product. From there we will put that new logo on everything and share it with everyone! Pens, stickers, shirts, coffee cups, magnets, etc. The goal will be to continue to create a school community where everyone (students, staff, parents, and community members) feel a part of the school and that we continue to show that we are "The PRIDE of the Community"!

Community Breakfasts & Breakfast Club – We are very fortunate to have breakfast available at the school every day from 8:00-8:30. Colleen Atkinson and her team of volunteers do an amazing job of ensuring that all of our students have the opportunity to get a healthy start to their day. The menu varies daily and includes an amazing variety of delicious and healthy foods. Personally, I'm a big fan of the banana wraps and grilled cheese sandwiches! We have also received several sponsors this year for our (now monthly) Community Breakfasts. Community Breakfast take place in the gymnasium and are open to the public, and bring together the students, staff, parents, and community members. You are invited to our next Community Breakfast on Friday, January 18th starting at 8:00. A huge thank you to our local Servus Credit Union who both sponsored the meal, and will be on site to help serve. See you then!

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

6	1	5	3	2	4	7	8	9
8	7	4	1	9	5	6	3	2
2	3	9	7	6	8	5	1	4
3	6	7	4	5	2	1	9	8
4	8	1	9	3	6	2	7	5
9	5	2	8	7	1	4	6	3
1	9	8	2	4	7	3	5	6
5	2	3	6	1	9	8	4	7
7	4	6	5	8	3	9	2	1

			3		4	7		9
	7				5	6		
2			7	6	8			1
	6				2	1	9	
	8	1	9			2		
	5		8	7				3
	9					3		6

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
