CANADA SUMMER JOBS 2019 NOW OPEN

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is encouraging organizations in his riding to apply for the 2019 Canada Summer Jobs (CSJ) Program. This unique funding initiative helps employers create summer job opportunities for those between the ages of 15 and 30.

Please note that updates have been made for CSJ 2019 that will make it easier for employers to provide good quality summer jobs.

- Fewer barriers to good quality jobs: expanded eligibility to include all youth between the ages of 15-30 who are legally entitled to work in Canada – not just students.

- Updated eligibility criteria: the eligibility criteria have been changed to set out what is and isn't eligible for funding.

- Better job matching: All positions will be posted on jobbank.

gc.ca and on the app, to get the word out and help match young people with employers and good quality jobs.

Everything can be submitted online through the Government Grants and Contributions Online Service. You can complete the application at your leisure and track its status once it has been submitted.

Funding is available for not-for-profit organizations and public and private sector employers with 50 or fewer employees. If you are a non-profit organization you can receive up to 100 percent of the provincial/territorial minimum hourly wage, as well as employment-related costs. Public-sector employers and small businesses can receive up to 50 percent of the provincial/territorial minimum hourly wage.

CSJ focuses on local priorities, including:

- 1.Organizations that provide services to, and that express an intent to hire, youth who self-identify as being part of the groups which are

underrepresented or have additional barriers to the labour market;

- 2.Opportunities for youth to gain work experience related to the skilled trades;

- 3.Opportunities for youth in rural areas, remote communities and Official Language Minority Communities;

- 4.Small businesses, in recognition of their contribution to the creation of jobs; and

- 5.Organizations which deliver supports or services to seniors.

I encourage you to take advantage of this program and apply for funding by January 25th, 2019.

For more information on CSJ, including the eligibility criteria and application guide, visit Canada.ca/Canada-summer-jobs, a Service Canada Office or call 1-800-935-5555.

“Canada Summer Jobs is designed to focus on local priorities, while achieving tangible results for both our youth and our communities, and I know it will benefit many,” concluded MP Eglinski.

Winters are fierce in Minnesota where he lives, so the owner of a construction project felt he was doing a good deed when he bought earmuffs for his foreman. Noticing, however, that the foreman wasn't wearing the earmuffs even on the bitterest day, the project manager asked, "Didn't you like the muffs?" The Foreman said, "They're a thing of beauty." "Why don't you wear them?" The Project Manager said. The Foreman explained, "I was wearing them the first day, and somebody offered to buy me lunch, but I didn't hear him! Never again, never again!"

NATIONAL NON-SMOKING WEEK: WHAT ARE YOUR REASONS?

Submitted by Alberta Health Services

Over the past 30 years, Canada has dedicated a week to advocate and promote awareness about the health effects of tobacco. Alberta Health Services (AHS) recognizes National Non-Smoking Week during the week of Sunday January 20th – Saturday January 26th. During this time, we hope to provide information on the resources and support services that are available to access

for anyone who is seeking to reduce or quit their tobacco use.

This year, the AHS Tobacco Reduction Program has set the provincial theme as, “What Are Your Reasons?” This theme is a way to highlight the many reasons that individuals choose to reduce or quit their tobacco use. To spark some inspiration and encourage consideration to anyone’s tobacco reduction journey, please find the following list of resources and tips to help you think about your reasons to quit.

- Considering your personal reasons to quit can help you stick with it as it becomes meaningful for you (i.e. money, health, family, freedom).

- Try it first – a “practice quit”. Quit for 1, 3, or 5 days. Learn from your experience and then try going longer next time.

- Keep track. Use journal or download an app to track your experience. Reflect on what went well, what was difficult, and how you would improve

next time.

- Text to quit. Join the Text to Quit Program from AlbertaQuits. To learn more and to register, visit the AlbertaQuits website: www.albertaquits.ca/quitting/text

- Speak with someone over the phone, call 1-866-710-QUIT (7848) to receive confidential and non-judgmental support.

- Join a group session. QUITCORE is a FREE group program that builds skills in a supportive environment. Sign up for the next group session running in your area by visiting the AlbertaQuits website: www.albertaquits.ca/quitting/support-groups

- Order a QuitKit. Call 1-866-710-QUIT to learn more and order one for yourself.

- Visit AlbertaQuits website. AlbertaQuits provides an extensive amount of support and tips to quit smoking, including a customized dashboard around your personal experiences of tobacco use. The website also includes an online community forum where people can post their experiences of tried or successful quit attempts, and are ready to support you in your own journey.

So what are your reasons? How will you celebrate National Non-Smoking Week?

RCMP WARN PUBLIC ABOUT CANADIAN COUNTERFEIT BILLS

Submitted by **Stony Plain/Spruce Grove/Enoch RCMP**

On Jan. 15, 2019 the Spruce Grove RCMP were alerted to counterfeit Canadian currency in circulation from local businesses. The currency in question was missing several security features and was printed on regular paper instead of the new polymer material. Further to the counterfeit currency one legitimate bill was discovered to have been altered. RCMP are advising businesses to be cautious when accepting any denominations of cash and

to familiarize themselves with Canadian currency security features by reading the Bank of Canada website. <https://www.bankofcanada.ca/banknotes/vertical10/security-features/>

If you suspect someone is attempting to pass you a counterfeit bill, the Bank of Canada advises:

“Politely refuse the note and explain that you suspect that it may be counterfeit. Ask for another note (and check it too). Advise the person to check the note with the local police. Inform your local police of a pos-

sible attempt to pass suspected counterfeit money.”

If you have any information re-

garding counterfeit bills, please call the Stony Plain RCMP at 780-968-7267.

SEMCAMS WELCOMED AS THE NEWEST SPONSOR AT THE ALLAN & JEAN MILLAR CENTRE

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

SemCAMS is partnering with the Allan & Jean Millar Centre, and has entered into an agreement for naming rights for the Aquatic Centre.

“The Allan & Jean Millar Centre is an important part of the community of Whitecourt, and we are happy to support a facility that contributes so much to the health and vibrancy in the area,” said Dave Gosse, Executive Vice President of SemGroup’s Canada Operations (SemCAMS). “Our entire team looks forward to our new relationship with the Centre as sponsors of the recreation facility’s pool. Additionally, our employees and their families look forward to continuing to enjoy such a great facility.”

“I am pleased to welcome SemCAMS as a naming sponsor at the Allan & Jean Millar Centre,” added Whitecourt Mayor Maryann Chichak. “Enhancements to our facilities come from donors like SemCAMS, and for them to step up to the plate and provide additional opportunities is welcome by not only the Town of Whitecourt, but by residents from throughout our region.”

ARE YOU DOING YOUR PART TO RECYCLE?

Due to globalized recycling changes, it is more important than ever that only **acceptable and non-contaminated items** are placed in the correct County recycling bins.

Some commonly misunderstood items are being placed in the the recycle bins. These items inevitably end up in the landfill.

In an endeavour to reduce our carbon footprint, Lac Ste. Anne County has installed signage on the bins at our local Transfer Stations to assist with any recycling questions.

DEVON RCMP SEEKING PUBLIC ASSISTANCE IN LOCATING MISSING FEMALE

Submitted by Devon RCMP

UPDATE #1:
Jan. 16, 2019

Devon, Alta. – Devon RCMP continue to investigate the disappearance of Kathleen Rose Ferraz-Duchesneau (25) of Devon.

On Jan. 6, 2019 at 11:10 p.m. Kathleen’s vehicle was located, abandoned, south of the Devon Bridge. Kathleen has not been located since the discovery of her vehicle.

To date, the RCMP have been following up on all tips provided, unfortunately no viable information or sighting has resulted. Local businesses have been solicited for any video surveillance, and local homeowners have been requested to check their property for any information that may lead to her whereabouts. Several RCMP units and detachments are involved and working collaboratively to explore all avenues of investigation. The RCMP continue to liaise with various community search groups.

There has not been sufficient evidence at this point for the RCMP to have made any determination that this is a criminal incident.

“I know that everyone wants to help find Kathleen, so I’m asking the public to assist by providing the RCMP information and allowing us to do our investigational job” says Sergeant Jolene Nason of the Devon RCMP. “The public is welcome to conduct searches in open, public areas but should not be going on private property where they may be alarming homeowners and putting themselves in unsafe situations.”

If you have seen Kathleen or have any information on her whereabouts, please contact Devon RCMP at 780-987-3414. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the “P3 Tips” app available through the Apple

App or Google Play Store.

BACKGROUND:

On Jan. 6, 2019, at approximately 11:10 p.m., Kathleen’s vehicle was observed parked and running in the medium, between the north and south bound lanes, just south of the Devon Bridge.

- Caucasian
- 5’ 5” tall

- 240 lbs
 - Green eyes
 - Blondish/brown hair
 - Possibly wearing glasses
 - Possibly wearing purple jacket with white fur around the hood
 - Blue jeans
- There is a general concern for Kathleen’s safety and well-being.

Alberta teachers Maxine Hildebrandt and Lisl Gunderman turned a coincidental meeting into a class cultural exchange that connected communities and broke barriers. Because of their unique class project, they will jointly receive a Governor

General's History Award for Excellence in Teaching. Her Excellency the Right Honourable Julie Payette, Governor General of Canada, will present the award to them on January 28, 2019, at Rideau Hall in Ottawa.

Hildebrandt, who teaches a grade three-four split class at Mother Earth's Children's Charter School, and Gunderman, a grade four and

five teacher at Wildwood School thirty kilometres away, met at a hunting instructor course. Inspired by the course's hands-on, collaborative learning style and their shared vision, they developed a cultural exchange between their classes to teach their students social studies and science — and also about each other.

"It is an opportunity to actually

learn who your neighbours are and learn what their stories are — and really, that is what history is all about," said Hildebrandt.

Over a four-month period, Hildebrandt's and Gunderman's students learned to appreciate history from multiple perspectives. Students learned about the importance of storytelling in Indigenous cultures; they tanned hides, panned for gold, built inukshuks and learned about local medicinal plants. They fished for trout, and then shared their feast with older generations. Students made long-lasting friendships and learned valuable life skills.

"It really elevated everyone's sense of pride in who they are and where they come from," Gunderman said.

Hildebrandt and Gunderman are two of seven recipients of the Excellence in Teaching Award, chosen from twenty-five finalists. The winners will share a \$2,500 prize. In addition, their schools will share a \$1,000 prize.

"With this award, we celebrate the extraordinary work of teachers who outdo themselves every day to shape our adults of tomorrow. Knowledge of our history is a fundamental element of this education. The winners certainly have a significant influence on their students, enabling them to understand their history through unique and innovative projects," said Janet Walker, President and CEO of Canada's History Society.

The award is administered by Canada's History Society with support from TD Bank and EF Educational Tours.

"Congratulations to this year's award winners of the Governor General's History Award for Excellence in Teaching," said Andrea Barrack, Global Head, Sustainability and Corporate Citizenship, TD Bank Group. "At TD, we understand the instrumental role teachers play in shaping the future of our country. Awards like Excellence in Teaching make it possible for us to continually celebrate educators who go above and beyond every day to creatively engage students in learning about Canada's remarkable history."

Two Alberta Teachers Partner To Receive Governor General's History Award For Excellence In Teaching

Continued from Page 12

The Governor General's History Award for Excellence in Teaching was established in 1996 to recognize teachers who have distinguished themselves through innovative projects that encourage their students to explore Canadian history while

thinking historically about the past.

About Canada's History Society

Canada's History Society is a national charitable organization with a mission to promote greater popular interest in Canadian history through its magazines, Canada's History (formerly The

Beaver) and Kayak: Canada's History Magazine for Kids, as well as its education and award programs.

LISL GUNDERMAN AND MAXINE HILDEBRANDT - BACKGROUND

• Their project is one of six award-winning submissions for the 2018 Governor General's History Award for Excellence in Teaching prize. The two teachers will share the award.

About Lisl Gunderman

• Lisl Gunderman has taught at Wildwood School, a kindergarten to grade nine school in Wildwood, Alberta, for 26 years.

• Many students at her school come from European backgrounds.

About Maxine Hildebrandt

• Maxine Hildebrandt teaches at the Mother Earth's Children's Charter School in Stony Plain, Alberta. It is a kindergarten to grade nine school with around 70 students, mostly of Cree, Stoney, and Métis descent.

• Mother Earth's Children's

Charter School is Canada's first and only Indigenous charter school.

About the Cultural Exchange

• The cultural exchange was supported with a grant from the Canadian Multicultural Education Foundation, to find ways for Indigenous and non-Indigenous students to form partnerships.

• There were four outings the classes did together, with each school hosting two events:

- Event 1: A storytelling day with Métis author David Bouchard.

- Event 2: Historical hands-on knowledge including hide tanning.

- Event 3: A field trip to the Pembina River Valley to learn the area's history, build inukshuks, pan for gold, and learn about local medicinal plants.

- Event 4: A trout pond fishing trip with Wildwood grandparents, ending with a fish feast.

• Students learned valuable life skills and wrote to each other as pen pals.

MORINVILLE-ST. ALBERT NDP CHOOSES SHAWNA GAWRELUCK

Submitted by Alberta NDP

ST. ALBERT – Shawna Gawreluck is the Alberta NDP’s candidate in Morinville-St. Albert for the 2019 provincial election.

Gawreluck is a married mother of three, small business owner,

and as a board member for the Jessica Martel Memorial Foundation an advocate for women facing domestic violence.

“I just don’t think Jason Kenney will fight for what matters to families,” said Gawreluck. “I’ve lived through deep Conservative cuts. We were trying to grow our

family and our business while paying for rising tuition and daycare fees. Kenney and the UCP would make life harder for families like mine.”

Kenney has proposed a \$700-million tax cut for the wealthiest Albertans and advocated for privatizing healthcare

and cutting education.

“In the next few months, we face a critical choice. Take a close look at Kenney’s promises, and the choice becomes very clear,” said Gawreluck. “Rachel is the one who will fight for what matters.”

OJSH Band Program Hosts Special Guests

Continued from Page 1

Then, on Friday, we welcomed over fifty Grade 8 students from Bishop Lloyd Middle School in Lloydminster along with their band director Anya Pogorelova.

As an exceptional honour for the musicians and as a special treat for the audience, the two school bands premiered a

brand new composition by Peter Meechan, Close to the Sun. Of special note is that this original composition was commissioned especially for the OJSH Band program and is, in fact, dedicated to our band teacher, Mrs. Anderson. Audience members were able to hear its inaugural debut at the concert.

The audience, composed most-

ly of parents, was highly enthusiastic and appreciative of the concert. It was especially entertaining and educational when Dr. Ambrose and Dr. Meechan ‘dissected’ Close to the Sun for the audience. The conductor and the composer took phrases from the composition, had the band members play it, and then they described to the audience the ‘what’ and the ‘why’ of that part

of the composition.

The OJSH Band program would not have been able to hold such an exciting educational event were it not for OMPA (Onway Music Parents Association). OMPA very generously and graciously funded the workshop for our students so they could experience some extraordinary musical tuition. Thank you OMPA!

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
