SIDE BY SIDE SINGLE MOMS GROUP

Submitted by Melissa Killion & Michele Shpakowsky

Are you a single Mom, Aunt or Grandmother? then this new, safe and exciting group is for you.

Side by side single Moms is a place where Single Mothers can feel safe and connect with other

ladies that are facing the same struggles and successes.

Every month we will be offering a new and exciting program along with free and exciting childcare. This way you can enjoy your time while the children do the same.

This month we are proud to host What's for Dinner! A course

that teaches you about simple meal planning. This event will take place Thursday, January 24 from 6 – 8 pm at Tipple Park Museum. A free supper will be provided before the course for both parent and children. If you are interested in attending please phone 780-995-4980 or 780-977-0062 to reserve a spot.

CANADA SUMMER JOBS 2019 NOW OPEN

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is encouraging organizations in his riding to apply for the 2019 Canada Summer Jobs (CSJ) Program. This unique funding initiative helps employers create summer job opportunities for those between the ages of 15 and 30.

Please note that updates have been made for CSJ 2019 that will make it easier for employers to provide good quality summer jobs.

- Fewer barriers to good quality jobs: expanded eligibility to include all youth between the ages of 15-30 who are legally entitled to work in Canada – not just students.

- Updated eligibility criteria: the eligibility criteria have been changed to set out what is and isn't eligible for funding.

- Better job matching: All posi-

tions will be posted on jobbank.gc.ca and on the app, to get the word out and help match young people with employers and good quality jobs.

Everything can be submitted online through the Government Grants and Contributions Online Service. You can complete the application at your leisure and track its status once it has been submitted.

Funding is available for not-for-profit organizations and public and private sector employers with 50 or fewer employees. If you are a non-profit organization you can receive up to 100 percent of the provincial/territorial minimum hourly wage, as well as employment-related costs. Public-sector employers and small businesses can receive up to 50 percent of the provincial/territorial minimum hourly wage.

CSJ focuses on local priorities, including:

1. Organizations that provide

services to, and that express an intent to hire, youth who self-identify as being part of the groups which are underrepresented or have additional barriers to the labour market;

2. Opportunities for youth to gain work experience related to the skilled trades;

3. Opportunities for youth in rural areas, remote communities and Official Language Minority Communities;

4. Small businesses, in recognition of their contribution to the creation of jobs; and

5. Organizations which deliver supports or services to seniors.

I encourage you to take advantage of this program and apply for funding by January 25th, 2019.

For more information on CSJ, including the eligibility criteria and application guide, visit Canada.ca/Canada-summer-jobs, a Service Canada Office or call 1-800-935-5555.

JOKE OF THE WEEK

Winters are fierce in Minnesota where he lives, so the owner of a construction project felt he was doing a good deed when he bought earmuffs for his foreman. Noticing, however, that the foreman wasn't wearing the earmuffs even on the bitterest day, the project manager asked, "Didn't you like the muffs?" The Foreman said, "They're a thing of beauty." "Why don't you wear them?" The Project Manager said. The Foreman explained, "I was wearing them the first day, and somebody offered to buy me lunch, but I didn't hear him! Never again, never again!"

GREEN ACREAGES

Submitted by Parkland County

If you live on an acreage and are looking for some projects to take on around the house, why not look into some of the projects that qualify under our Green Acreages program? The Green Acreages program aims to provide support to help fund projects that contribute to public environmental benefits.

Whether its building a nesting box to help support our bird population by creating a specialized habitat for them, or restoring your pond or slough on your property to protect aquatic resources and benefit the wildlife habitat, there are lots of projects for you to choose from. Make sure you take into consideration native plant species! These are species that are from our region and most projects require you to use native plants.

Learn more about the Green Acreages program and download your project plan template at www.parklandcounty.com/greenacreages.

DEVON RCMP SEEKING PUBLIC ASSISTANCE IN LOCATING MISSING FEMALE

Submitted by Devon RCMP

UPDATE #1:
Jan. 16, 2019

Devon, Alta. – Devon RCMP continue to investigate the disappearance of Kathleen Rose Ferraz-Duchesneau (25) of Devon.

On Jan. 6, 2019 at 11:10 p.m. Kathleen's vehicle was located, abandoned, south of the Devon Bridge. Kathleen has not been located since the discovery of her vehicle.

To date, the RCMP have been following up on all tips provided, unfortunately no viable information or sighting has resulted. Local businesses have been solicited for any video surveillance, and local homeowners have been requested to check their property for any information that may lead to her whereabouts. Several RCMP units and detachments are involved and working collaboratively to explore all avenues of investigation. The RCMP continue to liaise with various community search groups.

There has not been sufficient evidence at this point for the RCMP to have made any determination that this is a criminal incident.

"I know that everyone wants to help find Kathleen, so I'm asking the public to assist by providing the RCMP information and allowing us to do our investigational job" says Sergeant Jolene Nason of the Devon RCMP. "The public is welcome to conduct searches in open, public areas but should not be going on private property where they may be alarming homeowners and putting themselves in unsafe situations."

If you have seen Kathleen or have any information on her whereabouts, please contact Devon RCMP at 780-987-3414. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple

App or Google Play Store.

BACKGROUND:

On Jan. 6, 2019, at approximately 11:10 p.m., Kathleen's vehicle was observed parked and running in the medium, between the north and south bound lanes, just south of the Devon Bridge.

Kathleen is described as:

- Caucasian
- 5' 5" tall

- 240 lbs
 - Green eyes
 - Blondish/brown hair
 - Possibly wearing glasses
 - Possibly wearing purple jacket with white fur around the hood
 - Blue jeans
- There is a general concern for Kathleen's safety and well-being.

TWO ALBERTA TEACHERS PARTNER TO RECEIVE GOVERNOR GENERAL'S HISTORY AWARD FOR EXCELLENCE IN TEACHING

Award-winning class project making connections between communities

Submitted by Mark Reid,
Director of Communications
| Canada's History Society

Alberta teachers Maxine Hildebrandt and Lisl Gunderman turned a coincidental meeting into a class cultural exchange that connected communities and broke barriers. Because of their unique class project, they will jointly receive a Governor General's History Award for Excellence in Teaching. Her Excellency the Right Honourable Julie Payette, Governor General of Canada, will present the award to them on Janu-

ary 28, 2019, at Rideau Hall in Ottawa.

Hildebrandt, who teaches a grade three-four split class at Mother Earth's Children's Charter School, and Gunderman, a grade four and five teacher at Wildwood School thirty kilometres away, met at a hunting instructor course. Inspired by the course's hands-on, collaborative learning style and their shared vision, they developed a cultural exchange between their classes to teach their students social studies and science — and also about each other.

"It is an opportunity to actually learn who your neighbours are and learn what their stories are — and really, that is what history is all about," said Hildebrandt.

Over a four-month period, Hildebrandt's and Gunderman's students learned to appreciate history from multiple perspectives. Students learned about the importance of storytelling in Indigenous cultures; they tanned hides, panned for gold, built inukshuks and learned about local medicinal plants. They fished for trout, and then shared their feast with older generations. Students made long-lasting friendships and learned valuable life skills.

"It really elevated everyone's sense of pride in who they are and where they come from," Gunderman said.

Hildebrandt and Gunderman are two of seven recipients of the Excellence in Teaching Award, chosen from twenty-five finalists. The winners will share a \$2,500 prize. In addition, their schools will share a \$1,000 prize.

"With this award, we celebrate the extraordinary work of teachers who outdo themselves every day to shape our adults of tomorrow. Knowledge of our history is a fundamental element of this education. The winners certainly have a significant influence on their students, enabling them to understand their history through unique and innovative projects," said Janet Walker, President and CEO of Canada's History Society.

The award is administered by Canada's History Society with support from TD Bank and EF Educational Tours.

"Congratulations to this year's award winners of the Governor General's History Award for Excellence in Teaching," said Andrea Barrack, Global Head, Sustainability and Corporate Citizenship, TD Bank Group. "At TD, we understand the instrumental role teachers play in shaping the future of our country. Awards like Excellence in Teaching make it possible for us to continually celebrate educators who go above and beyond every day to creatively engage students in learning about Canada's remarkable history."

About the Governor General's History Award for Excellence in Teaching

The Governor General's History Award for Excellence in Teaching was established in 1996 to recognize teachers who have distinguished themselves through innovative projects that encourage their students to explore Canadian history while thinking historically about the past.

About Canada's History Society
Canada's History Society is a national charitable organization with a mission to promote greater popular interest in Canadian history through its magazines, Canada's History (formerly The Beaver) and Kayak: Canada's History Magazine for Kids, as well as its education and award programs.

It is our pleasure to officially announce that The Evergreens Foundation and Pembina Housing Authority have consolidated operations effective January 1, 2019.

The consolidation was formalized on December 18, 2018 when the Honourable Lori Sigurdson, Minister of Seniors and Housing, issued the Ministerial Order dissolving Pembina Housing Authority and naming The Evergreens Foundation as the management body responsible for all former Pembina Housing Authority Schedule A Properties.

The consolidation adds 19 family housing units and 32 Seniors Self Contained suites to The Evergreens Foundation operation. The existing operation manages 332 units comprised of Seniors Lodges, Senior Self Contained Apartment buildings, Community and Family Housing and Rent Supplement designations.

We warmly welcome Pembina Housing Authority staff and tenants to The Evergreens Foundation as we continue to provide housing that "Promotes Quality of Life and Independence".

LISL GUNDERMAN AND MAXINE HILDEBRANDT - BACKGROUNDER

- Their project is one of six award-winning submissions for the 2018 Governor General's History Award for Excellence in Teaching prize. The two teachers will share the award.

About Lisl Gunderman

- Lisl Gunderman has taught at Wildwood School, a kindergarten to grade nine school in Wildwood, Alberta, for 26 years.

- Many students at her school come from European backgrounds.

About Maxine Hildebrandt

- Maxine Hildebrandt teaches at the Mother Earth's Children's Charter School in Stony Plain, Alberta. It is a kindergarten to grade nine school with around 70 students, mostly of Cree, Stoney, and Métis descent.

- Mother Earth's Children's Charter School is Canada's first and only Indigenous charter school.

About the Cultural Exchange

- The cultural exchange was supported with a grant from the Canadian Multicultural Education Foundation, to find ways for Indigenous and non-Indigenous students to form partnerships.

- There were four outings the classes did together, with each school hosting two events:

- Event 1: A storytelling day with Métis author David Bouchard.

- Event 2: Historical hands-on knowledge including hide tanning.

- Event 3: A field trip to the Pembina River Valley to learn the area's history, build inukshuks, pan for gold, and learn about local medicinal plants.

- Event 4: A trout pond fishing trip with Wildwood grandparents, ending with a fish feast.

- Students learned valuable life skills and wrote to each other as pen pals.

EARLY COAL PHASE OUT: GOOD OR BAD POLICY?

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency Office

In a previous article I addressed the need for governments to make good policy decisions that:

- have an aspirational goal,
- consider and reflect public thought,
- at the very least do no harm,
- and establish an economic environment that will create jobs.

Here is one example of how a bad policy decision has hurt Albertans.

During its term in government the NDP with little to no consultation fast tracked the phase out of coal.

Now there is no doubt that this new plan to replace coal generated electricity with renewable energy and natural gas was an aspirational goal but did it reflect public thought, do no harm and create jobs?

Within the electrical industry

the phase out of coal resulted in electrical chaos, lost jobs, stranded assets and the tax payer on the hook for at least \$1.7 Billion dollars in payouts to the electrical companies.

The County of Parkland believes that this decision has resulted in a loss of 25-30% of their tax base, partially because of the loss of jobs in both the coal industry and the fact that running a natural gas electrical power plant needs significantly fewer workers.

Now that renewable energy is becoming an important part of the Alberta electricity story we must also come to terms with the fact that when the sun doesn't shine and the wind doesn't blow electricity is not being produced and an alternate source of energy must be found.

Alberta is tied into a continental electricity distribution grid that connects us to the rest of Canada and the United States.

So where do we receive the electricity we need when the sun

doesn't shine or the wind doesn't blow?

Some of it comes from the Alberta-Montana tie in line.

How does Montana produce much of their electrical energy? Coal

So we find ourselves in the position where rather than producing electricity in Alberta, creating jobs and wealth and a larger tax base this government would prefer to buy from Montana, create jobs in Montana.

The result is what we call bad policy that hurts Albertans and can't even make the claim that we are sacrificing jobs for the environment because the carbon is still being produced by carbon leakage into Montana from plants that are less efficient than in Alberta.

This is just one clear example of how bad policy hurts everyday Albertans and why we need to be careful in crafting policy and in choosing governments as we move in to 2019.

PARKLAND COUNTY, CITY OF SPRUCE GROVE AND TOWN OF STONY PLAIN SIGN LETTER OF INTENT FOR REGIONAL PLAN

Submitted by Town of Stony Plain

Coming together in the spirit of collaboration, Parkland County, the City of Spruce Grove and the Town of Stony Plain have committed to the development of a new Regional Plan.

“While we’ve had a strong history of partnering on regional initiatives, the regional letter of intent demonstrates our willingness to forge a deeper partnership, an alliance that will see strategic and coordinated planning and investments in the region.” - Mayor Rod Shaigec, Parkland County

The Regional Plan will guide future economic development, land use, and sustainability across the region, with the best interests of all three communities in mind. The result will be responsible stewardship of financial, environmental, and

human resources to create beneficial and sustainable growth for the entire Tri-Municipal Region.

The growth needs within the region can best be met through a coordinated and collaborative effort. Coming together to combine each municipality’s efforts will allow for the most effective return on investment and reduce the costs incurred by current and future ratepayers.

“As a Tri-Municipal Region, we certainly recognize there are significant benefits to working together that will benefit all our residents. This letter of intent for the development of a new Regional Plan is a wonderful example of how we are committed to developing collaborative ideas and solutions that will create synergies and savings in the region.” - Mayor Stuart Houston, City of Spruce Grove

When completed, the Regional Plan will provide certainty for

the region through alignment of key municipal elements.

“Regionalism is a focused approach to collaborative systems across municipal boundaries while maintaining a localized autonomy and governance. The Town of Stony Plain believes in and will continue to advance regionalism through active efforts in planning and action.

The Town’s commitment is outlined in its Policy Statement on Regionalism. Signing this letter of intent for a Regional Plan is another example of how the Tri-Municipal Region is coming together to increase service levels to all residents of Stony Plain, Spruce Grove and Parkland County.” - Mayor William Choy, Town of Stony Plain

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

8	2	9	7	1	6	3	5	4
7	6	3	5	9	4	2	1	8
4	1	5	8	3	2	7	6	9
5	9	2	4	6	7	8	3	1
6	4	7	1	8	3	5	9	2
1	3	8	9	2	5	6	4	7
9	5	4	6	7	8	1	2	3
2	8	1	3	5	9	4	7	6
3	7	6	2	4	1	9	8	5

	2		7	1	6			4
7			5			2	1	
4	1					7		
			4					
6	4	7		8			9	
1	3			2		6		
9	5		6		8			
			3	5	9	4	7	
	7	6			1			5

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
