Structure Fire in the Village of Alberta Beach

Continued from Page 1

Roughly 13-minutes after the initial page out, firefighters had water flowing and the initial fire had been knocked-down. After a quick search of the building, crews gained the upper-hand and stopped any further loss. Bitter cold and stubborn smouldering materials in concealed and unreachable spaces slowed the

final extinguishment for several hours. No one was injured due to the fire or during the firefight.

North West Fire Rescue – On-way would like to thank its partners Alberta Health Services, Ricks Water Hauling, AC Pure Water, Royal Canadian Mounted Police, Atco Gas, & Fortis Electric for attendance on scene as well as the community-minded couple that treated fire crews to

coffee and hot chocolate purchased from Momma’s in the Kitchen. North West would also like to thank Lac Ste. Anne County Fire Services for standing by in case they were needed.

At this time North West Fire would like to remind everyone that extension cords are not meant as a permanent electrical installation and space heaters need space. The cause of the fire is currently under investigation.

THE 2019 CAMP DOWN IS ON

Alberta Parks' online campsite reservations open Feb. 4.

Submitted by Government of Alberta

Starting at 9 a.m., campers can log on to reserve.albertaparks.ca to book their group camping areas. Comfort camping reservations open Feb. 11 at 9 a.m., while individual campsite reservations for the May long weekend start Feb. 19.

New this year is Kananaskis backcountry camping reservations which open Feb. 25 at 9 a.m. Combined with additional individual, group and comfort camping options, Alberta Parks is offering more than 650 new online booking options.

"Albertans continue to flock to our online reservation system with their sights set on connecting with the great outdoors and evenings relaxing around the campfire. This year, we're pleased to expand our reservation offering to include Alberta's magnificent backcountry." - Shannon Phillips, Minister of Environment and Parks

Staggered reservation times by region for individual campsites on Feb. 19 are:

- South region at 9 a.m.
- Kananaskis Country at 11 a.m.
- Central region at 1 p.m.
- Northwest/east regions at 3 p.m.

Reservations made for individual campsites are 90 days out from the booking date.

In 2018, the reservation system processed 164,101 individual campsites, 3,251 group camping areas and 3,638 comfort camping units. The 2018 total exceeded the previous year's online reservation tally of 163,780 and set a new record for annual bookings.

In the fiscal 2018-19 year, government is investing \$38 million in provincial park upgrades, expansions and modernizations as part of its \$239-million, five-year commitment under Budget 2016. Improvements to the provincial parks system include access for persons with disabilities, new and improved boat launches, facility upgrades and maintenance to popular amenities like picnic tables, fire pits and washrooms.

Quick facts

- The RAP system added seven campgrounds combining 457

individual sites, five comfort camping units, eight new group camping areas and 17 backcountry campgrounds with 206 (permit) sites this year.

Backcountry reservations are campground-specific only, not site-specific, meaning people who book into the campgrounds can select a vacant site upon arrival.

Comfort camping units are shelters that come in a variety of styles, such as a yurt or canvas-wall tent, and include amenities like beds, table and chairs, cookware,

utensils and power.

- Alberta's RAP system has nearly 600,000 account users.
- There are about 250 provincial campgrounds with more than 14,000 campsites in the Alberta provincial parks system.
- The RAP system allows online booking for 88 provincial campgrounds (the remaining provincial campgrounds are first come, first served), 162 group camping areas and 64 comfort camping units.
- The online system is mobile-friendly, so people can book

campsites on their mobile devices.

- To make an online reservation, set up an account or update your existing account in advance of the reservation days, visit Reserve.AlbertaParks.ca.
- Camping in Alberta remains an affordable family fun option; there are no new camping-related fee increases in 2019. Alberta Parks last introduced minor fee increases in 2016.
- Revenue generated from camping fees is invested back into Alberta Parks.

WEDDING INSURANCE CAN EASE NERVES

Couples spend thousands of dollars on their wedding ceremony and celebrations. The cost of a wedding varies depending on geographic location, but according to the business and financial resource Business Insider and The Knot 2017 Real Weddings Study, the average wedding in the United States costs \$31,391.

Insurance policies can help couples protect their wedding investment. Special event insurance provides coverage for various scenarios, including extreme weather, damaged gifts, lost jewelry, vendor cancellations or no-shows, venues closing before the wedding, and canceled weddings, according to Travelers Insurance. Insurance also may cover other unforeseen scenarios, such as unexpected expenses from

injuries during the wedding or spoiled food.

Policies will pay directly for any damage or injuries that occur, or reimburse the couple if the wedding is postponed or canceled. If weddings occur at home, some people's home insurance or umbrella policies may cover certain wedding liabilities. Most wedding venues carry their own liability insurance, so couples may not have to overlap there. However, for those who desire extra protection for vendor mishaps, it is wise to speak with an insurance professional about special wedding coverage.

Prices for wedding insurance policies can start at around \$100 to \$200 for minimum coverage and reach \$1,000 for more expensive ceremonies, according to the financial ad-

visement website NerdWallet.

Speak with an insurance agent and read policies carefully before purchasing one. Non-covered issues typically include theft or loss of an engagement ring; rainy days that do not classify as extreme

weather; switching vendors after a deposit is made; and risky entertainment, such as fireworks or live animals.

Protecting wedding expenditures with insurance policies can provide couples with added peace of mind on their big days.

SECRETS TO AT-HOME WEDDINGS

Many couples preparing for their trip down the aisle follow the familiar sentiments expressed by Dorothy in "The Wizard of Oz." Such couples feel "there's no place like home" when hosting a wedding ceremony or reception.

There are many benefits to hosting a wedding at home.

Homes often hold couples' most cherished memories, and hosting a backyard celebration or an intimate indoor ceremony at your own home or the abode of a loved one can be a cost-effective way to have a good time.

Here are some tips to help couples navigate hosting an

at-home wedding.

Assess the space

The average home is not equipped to handle hundreds of guests, wait staff, caterers, and parked cars. Concessions in regard to comfort and safety will have to be made when drawing up the guest list. The wedding resource

The Knot advises the general rule is six- to 10 square-feet of floor space per guest for row seating. You'll probably need even more space for buffet tables, seating and a dance floor.

You will likely need to temporarily move furniture to comfortably fit everyone indoors - or rent a large enough tent for a backyard wedding.

Hire a cleaning service

It's important to present a clean, inviting space when hosting a wedding at home. A cleaning service will conduct a thorough cleaning before and after the festivities, freeing up your time for last-minute tasks or to embark on your honeymoon.

Book an officiant early

Confirm with an officiant that they can oversee the wedding proceedings at your home. Many religious officials are not able to perform ceremonies outside of a place of worship.

Learn if it's legal

Certain municipalities may require permits for parking on street, noise past a certain hour, closing of streets, and much more. Do your research. You may need to coordinate parking at a nearby lot (like a school closed on the weekend) and shuttle people to your home.

Consult with an insurance carrier

Inquire if having such a large party at home is covered by your homeowner's insurance policy, particularly if your home is damaged or someone gets injured during the festivities. Supplemental liability insurance or an umbrella policy may offer greater protection.

Weddings at home can be a unique opportunity for couples who love the comfort and familiarity of their homes.

NOTES FROM THE ONOWAY LEGION

Submitted by Richard Moses | Onoway Royal Canadian Legion

Back to School for Supper?
On Friday, February 22, the Onoway teachers join Grandma Pat to prepare and serve a delicious meal. Enjoy roast pork loin, homemade applesauce, scalloped potatoes, and mixed vegetables.

Doors open at 3, with the meal served from 5:30 to 7 pm. Adults pay \$15; kids up to 10 years cost \$9 while 5 and under are free. To ensure enough food is prepared, reservations are recommended. Call Louise at 780-340-0760, or leave a message on the Legion answering machine at 780-967-5361.

Every meal ticket comes with a chance to win a free meal. Adults can also buy raffle tickets on a delicious meat package, or take a chance on the 50:50 draw. Back by popular demand

is Chase the President. This progressive jackpot (formerly know as Chase the Queen) increases in value each week there's no winner, while the chances of winning get better each week.

Volunteer Help Wanted!
The legion is always on the lookout for volunteers to help prepare and serve for the Friday night suppers. Choose your favourite way to help, and we'll pair you with a group for a night (or more, if you like). Bring a friend, or a family member. The more hands, the faster everything gets done! Call the legion at 780-967-5361, or Joanne at 780-960-4160.

Did You Know?
You don't need to be a legion member to participate in the many activities that happen at the Onoway Legion. If you'd like to join, though, you're welcome! Our membership coordinator is Cheryl Sadler.

-- DRAFT TAX LEGISLATIVE PROPOSALS REGARDING SALARY OVERPAYMENTS, INCLUDING PHOENIX PAY SYSTEM

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to advise constituents that the Department of Finance is releasing draft legislative proposals that would—under certain conditions—per-

mit an affected employee to repay to their employer only the net amount of the overpayment received in a previous year, rather than the gross amount (including taxes, CPP, and EI).

Under the proposed legislation:

*The CRA would be able to refund directly to the employ-

er the income tax, CPP, and EI withheld on an overpayment that occurred through a system, administrative, or clerical error.

*Effectively extend the existing rules for overpayments repaid within the same year to overpayments repaid within three calendar years after that year (or where arrangements have been made within that three-year period to make such a repayment).

*Public and private sector employers could elect to apply these new rules for any overpayment paid after 2015 due to a system, administrative, or clerical error, as long as they have not previously issued a T4 correcting for this overpayment.

For these new rules to apply, the employee must have repaid their employer (or made arrangements to repay) within three years following the end of the year in which the over-

payment took place. Where these conditions are not met, the current rules would continue to apply.

Canadians are invited to provide comments on the draft legislative proposals by February 15, 2019.

“I encourage you to take the time to comment on the draft tax legislation proposals. Your input will ensure this issue is finally rectified,” concluded MP Eglinski.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
