## NOTICE OF MOTION: TRANSFER OF JUNIOR HIGH PROGRAM AT WILDWOOD SCHOOL

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

The Grande Yellowhead Public School Division's (GYPSD) Board of Trustees put forward a NOTICE OF MOTION yesterday at the public board meeting

proposing a transfer of the junior high program (Grades 7-9) from Wildwood School to Grand Trunk High School in Evansburg.

In order to consider the potential transfer of a program, there are a number of legislative requirements that must be met under Section 58 of the School Act and sections 3 and 4 of the

Closure of Schools Regulation, as well as steps under Board Policy 15. Board Chair Brenda Rosadiuk also is adamant that affected families have adequate time to share their thoughts with trustees, and opportunity to receive the critical factors that have prompted the transfer proposal.

# Notice of Motion: Transfer of Junior High Program at Wildwood School

### Continued from Page 1

A public meeting have been scheduled on February 25, 2019, to discuss the viability of the junior high program at 7 p.m. at Wildwood School as per the Closure of Schools Regulation, Section 1.1(2):

Where a board plans to transfer an education program pur-

suant to subsection (1)(c)(iii), the board shall organize and convene an information meeting for the purpose of informing the parents of the students affected by the transfer of the transfer and the alternative arrangements for continuing the education program at another school.

An operational review over the last few months has recom-

mended to the board that the junior high program (Grades 7-9) at Wildwood School may no longer be financially viable to sustain due to declining student enrolment, and program equity issues. Affected students could transfer to Grand Trunk High School effective September 3, 2019. Wildwood School would continue to provide education for students in kindergarten to Grade 6.

The division's first priority is always to make decisions that are in the best interest of students. Over the last several years, the enrolment at Wildwood School has continued to decline; for the current school year, there are twenty-four junior high students enrolled in Grades 7-9. It is the board's policy that the minimum critical enrolment number for a program to be sustainable is thirty students in any three consecutive grades (Policy 15, Sec.1.1.2.2). Wildwood School has also posted a deficit budget

over the last few years, indicating that its budget cannot support the identified percentage of the combined teacher and support staff budget for operations. (Policy 15, Sec.1.1.3.3) With the transfer of Wildwood's junior high program to Grand Trunk High School, it is projected that Wildwood School will erase its deficit and be able to operate with a balanced budget to deliver an elementary program.

The final decision on whether to transfer the junior high program effective for the 2019-20 school year will be made by the board at the Public Board Meeting on April 3, 2019. If a member of the public would like an opportunity to speak at the meeting in April, please review Board Policy 7 - Board Operations, Appendix A - Public Comments and Delegation Protocol - section 3 for the protocol for public comments in a public board meeting.

# THE 2019 CAMP DOWN IS ON

## Alberta Parks' online campsite reservations open Feb. 4.

Submitted by Government of Alberta

Starting at 9 a.m., campers can log on to [reserve.albertaparks.ca](http://reserve.albertaparks.ca) to book their group camping areas. Comfort camping reservations open Feb. 11 at 9 a.m., while individual campsite reservations for the May long weekend start Feb. 19.

New this year is Kananaskis backcountry camping reservations which open Feb. 25 at 9 a.m. Combined with additional individ-

ual, group and comfort camping options, Alberta Parks is offering more than 650 new online booking options.

"Albertans continue to flock to our online reservation system with their sights set on connecting with the great outdoors and evenings relaxing around the campfire. This year, we're pleased to expand our reservation offering to include Alberta's magnificent backcountry." - Shannon Phillips, Minister of Environment and Parks

Staggered reservation times by

region for individual campsites on Feb. 19 are:

- South region at 9 a.m.
- Kananaskis Country at 11 a.m.
- Central region at 1 p.m.
- Northwest/east regions at 3 p.m.

Reservations made for individual campsites are 90 days out from the booking date.

In 2018, the reservation system processed 164,101 individual campsites, 3,251 group camping areas and 3,638 comfort camping units. The 2018 total exceeded the previous year's online reservation

tally of 163,780 and set a new record for annual bookings.

In the fiscal 2018-19 year, government is investing \$38 million in provincial park upgrades, expansions and modernizations as part of its \$239-million, five-year commitment under Budget 2016. Improvements to the provincial parks system include access for persons with disabilities, new and improved boat launches, facility upgrades and maintenance to popular amenities like picnic tables, fire pits and washrooms.

Quick facts

- The RAP system added seven campgrounds combining 457 individual sites, five comfort camping units, eight new group camping areas and 17 backcountry campgrounds with 206 (permit) sites this year.

- Backcountry reservations are campground-specific only, not site-specific, meaning people who book into the campgrounds can select a vacant site upon arrival.

- Comfort camping units are shelters that come in a variety of styles, such as a yurt or canvas-wall tent, and include amenities like beds, table and chairs, cookware, utensils and power.

- Alberta's RAP system has nearly 600,000 account users.

- There are about 250 provincial campgrounds with more than 14,000 campsites in the Alberta provincial parks system.

- The RAP system allows online booking for 88 provincial campgrounds (the remaining provincial campgrounds are first come, first served), 162 group camping areas and 64 comfort camping units.

- The online system is mobile-friendly, so people can book campsites on their mobile devices.

- To make an online reservation, set up an account or update your existing account in advance of the reservation days, visit [Reserve.AlbertaParks.ca](http://Reserve.AlbertaParks.ca).

- Camping in Alberta remains an affordable family fun option; there are no new camping-related fee increases in 2019. Alberta Parks last introduced minor fee increases in 2016.

- Revenue generated from camping fees is invested back into Alberta Parks.

# HOLIDAY GROCERY SHOPPERS IN ALBERTA RAISE RECORD AMOUNT OF FUNDS FOR LOCAL FOOD BANKS AND FOOD BANKS ALBERTA

Loblaws customers and colleagues donate over \$350K to help thousands of families across the province

Submitted by Jessica Benzinger, Proof Inc.

Spruce Grove, Alberta – January 24, 2019 – Real Canadian Superstore, Real Canadian Wholesale Club, No Frills, YIG and Extra Foods located all across Alberta are celebrating their most successful Holiday Food Drive to date, with over \$350,000 raised and thousands of pounds of non-perishable food items donated to Food Banks Alberta and local food banks across the province. This is the largest amount of money ever collected by the local stores for their twice-annual food drive, exceeding the 2017 provincial Holiday Food Drive total by over \$115,000. For the first time ever, more than \$2 million in cash was donated nationally during the food drive at Loblaws stores across Canada.

The Holiday Food Drive ran from December 1 to 24 at all Real Canadian Superstore, Real Canadian Wholesale Club, No Frills, YIG and Extra Foods across the province. Donations of food and funds were collected

for Food Banks Alberta and 48 local food banks in all areas of Alberta.

“A recent Food Banks Canada survey revealed that nearly half of Canadians know someone who has visited a food bank. The need for support only continues to grow,” said Stephanie Walsh-Rigby of Food Banks Alberta. “The Loblaws Holiday Food Drive helps to keep the

shelves of food banks across the province stocked with healthy choices all winter long, making a huge impact on our neighbours who rely on the support of a local food bank.

“Real Canadian Superstore is proud to have a long history of supporting those in need here in Alberta through colleague-led initiatives such as the Holiday Food Drive,” said Keith Manas-

terski, Manager, Real Canadian Superstore. “Year after year our customers and colleagues donate food items or add a few dollars to their grocery bill to ensure that people in their own communities have enough to eat. We want to thank Albertans for their generosity during the record-breaking 2018 Holiday Food Drive – they have really gone above and beyond this year.”

# KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

February 6, 2018

After a detailed discussion on the benefits and possible challenges in the implementation of a division-wide junior kindergarten program, the Board of Trustees approved administration to move forward with the program in all GYPSD elementary schools where viable, effective the 2019-20 school year. The division has been investigating the establishment of a junior kindergarten program over the last few months after inquiries from several communities. With today's approval, administration will begin conversations with local playschools societies across the division to determine where the new programs are needed.

The board put forward a Notice of Motion at today's meeting proposing a transfer of the

junior high program (Grades 7-9) from Wildwood School to Grand Trunk High School in Evansburg, effective September 3, 2019. In order to consider the potential transfer of a program, there are a number of legislative requirements that must be met under Section 58 of the School Act and sections 3 and 4 of the Closure of Schools Regulation, as well as steps under Board Policy 15.

Other Key Notes of Interest

- The board reviewed an updated report on the division's Occupational Health and Safety (OHS) Program. The health and well-being of all GYPSD staff, students and visitors is a priority for the board. The division has implemented OHS committees at all school facilities thus trustees receive regular reports on the division's compliance status with all applicable safety and compliance regulations.

- A report was presented to the board on the cleanliness of

schools. All GYPSD schools have formal cleanliness inspections following each school break as well as regular spot inspections. The board appreciates the diligent work of the facilities department ensuring the excellent cleanliness of division schools.

- The board approved an amendment to Policy 7 - Board Operations, Appendix A - Public Comments and Delegation Protocol to align with the language in Administrative Procedure 151-1 Public Questions and Delegation Protocol. The amendment outlines the procedure to speak at a public board meeting.

- Trustees approved a request for a leave of absence for Trustee Zaporosky effective February 27, 2019, for an undetermined amount of time.

- Information was shared with trustees about the division's new nomination and evaluation process for the 2019 Edwin Parr Teacher Award sponsored

by the Alberta School Boards' Association that recognizes excellence in first year teaching. GYPSD trustees will nominate one of their first year teachers for this annual award by March 15, 2019.

- GYPSD schools are activity hubs in each of the division's communities. The number of community organizations that use GYPSD school facilities was noted in a report at today's meeting. The board fully supports the community use of school facilities for educational and recreational activities and has no desire to implement cost recovery user fees.

- Building collaborative partnerships with local municipal districts in all GYPSD communities is a priority for the board, and appreciates these positive working relationships that support what is best for the students of GYPSD.

Trustees shared information from various stakeholder meet-

## WEDDING INSURANCE CAN EASE NERVES

Couples spend thousands of dollars on their wedding ceremony and celebrations. The cost of a wedding varies depending on geographic location, but according to the business and financial resource Business Insider and The Knot 2017 Real Weddings Study, the average wedding in the United States costs \$31,391.

Insurance policies can help couples protect their wedding investment. Special event insurance provides coverage for various scenarios, including extreme weather, damaged gifts, lost jewelry, vendor cancellations or no-shows, venues closing before the wedding, and canceled weddings, according to Travelers Insurance. Insurance also may cover other unforeseen scenarios, such as unexpected expenses from

injuries during the wedding or spoiled food.

Policies will pay directly for any damage or injuries that occur, or reimburse the couple if the wedding is postponed or canceled. If weddings occur at home, some people's home insurance or umbrella policies may cover certain wedding liabilities. Most wedding venues carry their own liability insurance, so couples may not have to overlap there. However, for those who desire extra protection for vendor mishaps, it is wise to speak with an insurance professional about special wedding coverage.

Prices for wedding insurance policies can start at around \$100 to \$200 for minimum coverage and reach \$1,000 for more expensive ceremonies, according to the financial ad-

visement website NerdWallet.

Speak with an insurance agent and read policies carefully before purchasing one. Non-covered issues typically include theft or loss of an engagement ring; rainy days that do not classify as extreme

weather; switching vendors after a deposit is made; and risky entertainment, such as fireworks or live animals.

Protecting wedding expenditures with insurance policies can provide couples with added peace of mind on their big days.

## SECRETS TO AT-HOME WEDDINGS

Many couples preparing for their trip down the aisle follow the familiar sentiments expressed by Dorothy in "The Wizard of Oz." Such couples feel "there's no place like home" when hosting a wedding ceremony or reception.

There are many benefits to hosting a wedding at home.

Homes often hold couples' most cherished memories, and hosting a backyard celebration or an intimate indoor ceremony at your own home or the abode of a loved one can be a cost-effective way to have a good time.

Here are some tips to help couples navigate hosting an

at-home wedding.

Assess the space

The average home is not equipped to handle hundreds of guests, wait staff, caterers, and parked cars. Concessions in regard to comfort and safety will have to be made when drawing up the guest list. The wedding resource

The Knot advises the general rule is six- to 10 square-feet of floor space per guest for row seating. You'll probably need even more space for buffet tables, seating and a dance floor.

You will likely need to temporarily move furniture to comfortably fit everyone indoors - or rent a large enough tent for a backyard wedding.

Hire a cleaning service

It's important to present a clean, inviting space when hosting a wedding at home. A cleaning service will conduct a thorough cleaning before and after the festivities, freeing up your time for last-minute tasks or to embark on your honeymoon.

Book an officiant early

Confirm with an officiant that they can oversee the wedding proceedings at your home. Many religious officials are not able to perform ceremonies outside of a place of worship.

Learn if it's legal

Certain municipalities may require permits for parking on street, noise past a certain hour, closing of streets, and much more. Do your research. You may need to coordinate parking at a nearby lot (like a school closed on the weekend) and shuttle people to your home.

Consult with an insurance carrier

Inquire if having such a large party at home is covered by your homeowner's insurance policy, particularly if your home is damaged or someone gets injured during the festivities. Supplemental liability insurance or an umbrella policy may offer greater protection.

Weddings at home can be a unique opportunity for couples who love the comfort and familiarity of their homes.

# CANADA'S VOLUNTEER AWARDS' NATIONAL ADVISORY COMMITTEE

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that Employment and Social Development Canada on January 14, 2019 announced a call for nominations for Canada's Volunteer Awards' National Advisory

Committee (NAC). The NAC advises and assists the minister on all matters relating to the selection of Canada's Volunteer Awards (CVA) recipients. The committee will consist of 15 volunteer members and serve for a term of three annual program cycles.

During its mandate, the Canada's Volunteer Awards National Advisory

Committee will:

- engage its networks and support the promotion of the Canada's Volunteer Awards program through stakeholders across Canada;
- make recommendations to the Minister relating to the procedural and promotional aspects of the program; and
- assess nominations and assist the

Minister on all matters relating to the selection of award recipients.

The deadline for submission is February 15, 2019 at 23:59 PST.

For more information visit: <https://www.canada.ca/en/employment-social-development/programs/volunteer-awards/national-advisory-committee.html>

## CALL FOR COMMENTS

### -- DRAFT TAX LEGISLATIVE PROPOSALS REGARDING SALARY OVERPAYMENTS, INCLUDING PHOENIX PAY SYSTEM

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to advise constituents that the Department of Finance is releasing draft legislative proposals that would—under certain conditions—permit an affected employee to repay to their employer only the net amount of the overpayment received in a previous year, rather than the gross amount (including taxes, CPP, and EI).

Under the proposed legislation:

\*The CRA would be able to refund directly to the employer the income tax, CPP, and EI withheld on an overpayment that occurred through a system, administrative, or clerical error.

\*Effectively extend the existing rules for overpayments repaid within the same year to overpayments repaid within three calendar years after that year (or where arrangements have been made within that three-year period to make such a

repayment).

\*Public and private sector employers could elect to apply these new rules for any overpayment paid after 2015 due to a system, administrative, or clerical error, as long as they have not previously issued a T4 correcting for this overpayment.

For these new rules to apply, the employee must have repaid their employer (or made arrangements to repay) within three years following the end of the year in which the overpayment took place. Where these

conditions are not met, the current rules would continue to apply.

Canadians are invited to provide comments on the draft legislative proposals by February 15, 2019.

Please send your comments to [fin.overpayments.2019.trop-payes.fin@canada.ca](mailto:fin.overpayments.2019.trop-payes.fin@canada.ca) or by mail to: Tax Policy Branch - Department of Finance Canada, 90 Elgin Street Ottawa, Ontario K1A 0G5.

# WABAMUN SCHOOL FEBRUARY NEWS

Submitted by Les Worthington, Principal | Wabamun School

There is always lots of great things happening at Wabamun School. I encourage you to take a look at our monthly calendar which can be found at the end of February's Newsletter on our webpage (Wabamun.psd70.ab.ca)

Here are some of our highlights:

Community Breakfasts & Breakfast Club – We are very fortunate to have breakfast available at the school every day from 8:00-8:30. Colleen Atkinson and her team of volunteers do an amazing job of ensuring that all of our students have the opportunity to get a healthy start to their day. The menu varies daily and includes an amazing variety of delicious and healthy foods. Personally, I'm a big fan of the banana wraps and grilled

cheese sandwiches! We have also received several sponsors this year for our (now monthly) Community Breakfasts. Community Breakfast take place in the gymnasium and are open to the public, and bring together the students, staff, parents, and community members. You are invited to our next Community Breakfast on Friday, February 22 starting at 8:00. A huge thank you to Friends of the Tomahawk School who have sponsored this Community Breakfast. See you then!

Community Blanket Exercise – I'm keeping this short because I really want you to watch the video. Mrs. Stankov and an amazing group of our students will be facilitating a Blanket Exercise in our gym on Thursday, February 28th from 1:00-3:00. This is open to adult community members, but you must commit in advance, as we need at least 20 participants to make this successful. Having participated in the Blanket Exercise I can share

with you that it's an emotional an amazing experience.

If you're interested, please email me (lworthington@psd70.ab.ca), call the school, reply on the thread, or message me.

Coffee with the Principal – Approximately once a month I meet with parents and community members for what we like to call "Coffee with the Principal". In a nutshell, it is an informal conversation about whatever is on your mind (school, community, sports, my tie collection, etc...), all while enjoying a cup (or two) of coffee. As a school administrator it is important for me to engage the community, for you are all stakeholders in strengthening our school, which in turn strengthens the community. Last month's coffee was hosted by Jingl's. I'm pleased to announce that this month's Coffee with the Principal will be taking place at Wabamun Village Office on Wednesday, February 6th at 9:00 a.m.! Please come and join us. Hope to see you there!

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

9	5	8	4	7	2	1	6	3
2	1	7	9	3	6	8	5	4
3	6	4	1	5	8	9	2	7
