## EASTER FESTIVITIES AT TIPPLE PARK MUSEUM

**Submitted by Melissa Killick | Tipple Park Museum**

Are you ready to get into the Easter spirit, with a little dash of cultural history? Tipple Park has

partnered up with Sandra Cherniawsky, who will be leading an Adult and Youth Pysanky Egg Workshop.

The first workshop will take place Saturday, April 6 from

3-5pm, for ages 16+. Sandra will be leading adults in designing their own Ukraine Pysanky Egg with dyes and historical symbols.

## \$100M IN FUNDING FOR STEEL AND ALUMINUM INDUSTRIES

**Submitted by Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that the Department of Innovation, Sci-

ence and Economic Development has announced that Regional Economic Growth through Innovation Steel and Aluminum Initiative, will provide funding of \$100 million in non-repayable contributions to small- and me-

dium-sized enterprises (SMEs) within Canadian steel and aluminum supply chains for investments in innovative projects that will enhance productivity and/or competitiveness.

## EX-RCMP MEMBER FACING ADDITIONAL CHARGES FOR OBSTRUCTION

**Submitted by ASIRT**

On March 28, 2019, former RCMP member Aaron Lee Saylor was charged with two additional counts of obstruction of justice and one count of breach of a recognizance.

Further to an ongoing investigation, it is alleged that between the dates of Feb. 8 and March 5,

2019, Mr. Saylor counselled or instructed the destruction of evidence and interfered with a witness in relation to his previous charges. Mr. Saylor will appear in the Provincial Court of Alberta on April 10, 2019.

On March 28, 2019, Sukhvinder Gill was also charged with two counts of obstruction of justice alleging that she engaged

in the concealment and/or destruction of evidence in relation to Mr. Saylor's charges, and acted to facilitate his planned exit from Canada. Ms. Gill was released on a promise to appear to attend court on May 8, 2019.

As these matters are now before the court, no further information will be released at this time.

## \$100M in Funding for Steel and Aluminum Industries

Continued from Page 1

Canadian (SME) manufacturers that are significant users of steel and aluminum play an important role in transforming these inputs into finished or semi-finished products for the manufacturing, defence, aerospace, energy, automotive, and construction industries. Esca-

lating commodity prices and increasing financial and competitive pressures have significantly impacted SMEs operating within Canadian steel and aluminum supply chains.

The Regional Economic Growth through Innovation Steel and Aluminum Initiative will:

•Assist firms with high growth potential to scale up and expand;

•Support technology demonstration and the commercialization of new technologies;

•Encourage the early adoption or adaptation of leading-edge technologies and processes to improve productivity; and

•Increase businesses' capacity to grow through market diversification and entry into global markets.

Contributions will range from \$150,000 to \$1 million, to support up to a maximum of 45 percent of eligible project costs.

Priority will be given to applications received on or before April 8, 2019.

"As Canada's steel and aluminum sectors are key contributors to the Canadian economy, I encourage small and medium-sized steel and aluminum industries to apply for this funding," concluded MP Eglinski.

For more information on how to apply please go to: <https://www.wd-deo.gc.ca/eng/19828.asp>

I'll bet you a week's wages that I can take something over to that other building in this wheelbarrow and you won't be able to wheel it back." The young guy laughs confidently, "You're on, old man. Let's see what you've got." So the old guy grabs the wheelbarrow by the handles. Then, he nods to the young man as he says with a smile, "Alright. Get in."

# DARWELL PUBLIC LIBRARY NEWS

**Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library**

Lac Ste. Anne County is conducting a Social Needs Assessment to better understand the social needs of residents in the Lac Ste. Anne County Area (including the towns, villages and summer villages). Paper copies of the assessment are available now at the library. The library is assisting by being a pick-up/drop off location during regular library hours. We would like to encourage all county residents to fill out the questionnaire by considering the needs of all members of your household; it should take about 15 - 20 minutes to complete. Questionnaires should be submitted by April 15, 2019. The assessment is also available on line by visiting the Lac Ste Anne County website @ <https://www.lscac.ca>. Wondering what to do with all those items from your spring cleaning? We continue our fundraising efforts to complete the library expansion. We are currently doing a Value Village donation drive and are looking for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. You can drop off your donations at the library expansion during regular library hours until early June 2019. Should these times not work for you please contact the library @ 780-892-3746 to make alternate arrangements.

The colouring club, LEGO and Family Games continue daily, during regular library hours, for patrons of all ages. We encourage you to ask about our passive program-

ming and provide ideas for what you would like to see in the library.

Preschool Story Time for children 0 to 5 years of age continues every Monday morning, except holidays, from 10 - 11 AM. This program will run until May 27, 2019. This is a free drop in program so come join us for stories, activities, crafts and a snack. All children must be accompanied by an adult as this is a program designed for parents/caregivers and children together.

The Book Club will be meeting on Monday, April 1, 2019 at 7:00 p.m. to discuss "The Midnight Rose" by Lucinda Riley. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you are interested in participating, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

Tai Chi practice is every Wednes-

day morning at the library, except holidays, from 10 - 11 AM until May 29, 2019. The drop-in fee is \$ 10.00. All you need are loose comfortable clothes and flat shoes.

Join us Thursday April 25, 2019 from 7:00 to 8:30PM as Lorraine Taylor, Horticulturalist, Lac Ste Anne County will be here to talk about Summer Flowering Bulbs. Begonia, dahlia, canna lily, and gladiolus-these are just some of the splendid summer flowering bulbs we can grow. Many have big, beautiful flowers and they bloom for much of the summer. Unlike hardy spring flowering bulbs, the storage roots of these tender perennials must be stored overwinter indoors. This class will look at getting them started and summertime care. Come and find out how you can add these pretty plants to your landscape. There is no charge to attend this session, but we ask you to pre-register by contacting the library @ 780-892-3746.

Join us for Family Movie Night, at the Lake Isle Community Hall on Friday, April 26, 2019. We will be showing the "G" rated title "Ralph Breaks the Internet". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission is \$ 2.50, and a concession will be available. See you there!

Are you interested in the library and would like to help determine the direction and growth of this valuable community service? The Darwell Public Library will be holding their Annual General Meeting on Monday April 29, 2019 starting at 7PM at the library. The AGM will be followed by the regular meeting around 7:30PM. Light refreshments will be available, and everyone is welcome to attend. See you there!

You can also find out what is happening at the library by checking our Website [www.darwellpubliclibrary.ab.ca](http://www.darwellpubliclibrary.ab.ca) or like us on Facebook @ DarwellPublicLibrary

# ERIN BABCOCK BACKS NOTLEY PLAN TO REDUCE WAIT TIMES

-- "Your vote decides the future of public healthcare" says Notley --

**Submitted by Alberta's NDP**

Alberta NDP Candidate Erin Babcock said Rachel Notley's plan to strengthen our public health system will improve emergency care, cut wait times for surgeries and get EMS crews back into the community faster.

Notley made the announcement in Calgary alongside

healthcare professionals. The plan targets \$90 million per year toward reducing surgical wait times and increasing emergency care for Albertans in need. Nearly 40,000 more Albertans will get the surgery they need over the next 3 years with this strategic investment.

"Albertans deserve a government that makes sure their loved ones get the care they need,

when they need it. I'm proud that Rachel Notley and our team are fighting for better frontline care."

Erin Babcock, Spruce Grove-Stony Plain candidate

Notley's plan will:

- Increase urgent access to specialists, such as internists,
- Create new community-based care teams to assist patients at home,

• Increase capacity for procedures that typically slow down the system—including cancer, cataract and cardiac surgeries, and

• Make sure paramedics will also spend less time in the ER and more time in the community under Notley's plan.

"Investing in surgeries, ERs, and EMS crews will mean tens of thousands more Albertans don't have to wait to get the care they need," said Babcock. "This will make a huge difference in the communities of Spruce Grove-Stony Plain

This announcement builds on Notley government's track record on reducing wait times, including wait times for breast cancer surgeries, stroke treatment centres, and radiation therapy. New or expanded health care facilities have been built or will be in Edmonton, Red Deer, Calgary, Lethbridge, Grande Prairie and Fort McMurray, and smaller communities across Alberta.

# TIPS & TOOLS FOR PARENTING TEENAGERS

Submitted by Parkland School Division

Parkland School Division is proud to present another FREE information session for caregivers. Our upcoming session will help parents and guardians guide their teenage children through this often tumultuous time of life, while minimizing family conflict by striking the right balance between teenage autonomy and parent authority.

Strong Families Series: Tips & Tools for Parenting Teenagers

Date: Tuesday, April 16, 2019

Time: 6-7:30pm

Location: Parkland School Division Centre For Education Board Room (4603 48th Street, Stony Plain)

Presented by Joel Pukalo, Registered Psychologist from Family Care Psychology

Parenting teenagers offers both challenges and opportunities. As teenagers seek independence, they are likely to push their boundaries in a variety of ways. While these challenges may create relational conflict, having the right tools to navigate such conflicts can create opportunities to strengthen the bond between teen and parent.

Join us this for this interactive session that provides parents with practical tips and tools to navigate challenges, improve communication and enhance their connection with their teenager.

A light supper will be provided. Limited childcare is available.

Space is limited, so please register early to reserve your spot.

# PARLIAMENT UPDATE – WEEK OF MARCH 18, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- C-83 – Corrections and Conditional Release Act (Third Reading)
- C-84 – An Act to amend the Criminal Code (bestiality and animal fighting) (Report Stage)
- C-92 – An Act respecting First Nations, Inuit and Metis children, youth and families (Second Reading)
- C-95 -- Appropriation

Act No. 4, 2018-19 (Royal Assent)

- M-203 – Fraud Activities against Seniors (First hour of First Reading)
- NDP Question of Privilege – Government Accountability
- S-6 – Instructions to FINA

On Monday, in the Standing Committee on Public Safety and National Security (SECU), we heard from witnesses on Cybersecurity in the Financial Sector as a National Economic Security Issue. Also, on Monday, I

attended a briefing session for parliamentarians who will be attending, as observers, the presidential election in the Ukraine.

On Tuesday, Budget 2019 was introduced.

On Wednesday, 61 votes were held on the Supplementary Estimates (B), 2018- 19 and 68 votes on the Interim Estimates.

On Thursday, an emergency debate was held that evening on the topic of the Prime Minister pressuring the former Attorney General to interfere in the prosecution of SNC-Lavalin.

You can read comments and

questions from Debates on the House Publications page at [www.ourcommons.ca/en](http://www.ourcommons.ca/en)

This week, I attended seven meetings, one event, recorded two messages and chatted with a local radio station in the riding.

On Friday, I flew back to the riding as Parliament will be down the week of March 25th.

Please note: During the week of March 25th, I will be in the riding office catching up on emails and phone calls. On Tuesday, I will be meeting with constituents and later attending an event.

On Wednesday, I will be travelling to the Ukraine as part of the Election Observation Mission for their presidential election, on March 31, 2019. I will be back in Ottawa the evening of April 2nd as Parliament will be sitting for the next two weeks.

Look for my next update for the week of April 1st on the happenings of Parliament

# LEARN TO PROTECT YOUR RURAL PROPERTY

**Get serious about rural security! Join Yellowhead County on April 11, 2019, in Peers to find out about rural crime prevention solutions that will help you protect the things that matter most.**

**Submitted by Stefan Felsing, Communications Department | Yellowhead County**

(March 26, 2019) – Do you live in a secluded, rural area? You may not be immune to potential break-ins, property damage and theft, but you can take steps to help reduce the chances of being a victim of rural crime.

If you live on an acreage, farm, or any out-of-the-way rural area, there are steps you can take to protect your home, possessions, and property. Join presenters Cor De Wit from Alberta Rural Crime Watch Association and Edson RCMP Staff Sergeant Peter King for a 2-hour information session and presentation on crime reduction tips and safety strategies for your property.

At the session, you'll learn

tips based on Crime Prevention through Environmental Design (CPTED) concepts and other measures to help prevent theft of your property. The CPTED concept uses the idea of good property maintenance and techniques to act as a deterrent to rural crime. It also increases the perceived likelihood of detection and apprehension of potential thieves coming on to your prop-

erty. These safeguards and other practical solutions will help you assess potential security risks and take action to prevent theft and other crime on your property.

In addition to physical deterrents that will help keep you and property safe from criminal actions, you'll also learn concepts to reduce potential criminal activity when posting on social

media that could assist a criminal in targeting your property.

The session is being presented by Yellowhead County in partnership with the Alberta Rural Crime Watch Association and the RCMP and takes place on April 11, 2019, at 7:00 PM at the Peers Multi-Plex. You will also have an opportunity to ask questions about how to best safeguard your property.

## Easter Festivities at Tipple Park Museum

This event is open to the public, and has free admission.

For guests who will be attending our Pysanky egg workshop April 13th, the program will take place in the boardroom, while the main area will be blocked off for Easter egg coloring.

Happy Easter everyone!

# UCP FAILED SPRUCE GROVE-STONY PLAIN ON FIGHTING RURAL CRIME

**Submitted by Alberta's NDP**

SPRUCE GROVE – If UCP candidate Searle Turton was serious about fighting rural crime why did Jason Kenney's UCP oppose giving RCMP the resources they needed to fight it?

On March 15, 2018, the UCP voted against \$37 million that was intended to go towards pay for the salaries and supports of rural RCMP officers.

On April 19, 2018, the UCP voted against an entire rural crime strategy that included:

- 59 additional RCMP officers
- 20 new crown prosecutors
- 40 new RCMP civilian personnel
- 4 new provincial court judges
- 55 new court clerks
- 13 new bail clerks

These resources have gone on

to reduce rural property crime by 16 per cent - all while the UCP voted against every single one of them.

"Under Rachel Notley's plan, rural crime is going down and officers are spending more time in our communities to ensure we're safe," said Erin Babcock, NDP candidate for Spruce Grove-Stony Plain. "I'm focused on fighting for what matters for everyone in our community. The UCP needs to answer for why

they voted against important funding to fight rural crime."

RCMP Superintendent Peter Tewfik said about the NDP's strategy: "We've looked at the data and I can tell you our crime reduction strategy is working. Midway through our first year of implementing the strategy, our data indicates our policing approach is making a difference."

Jason Kenney and UCP candidate Searle Turton have some questions to answer. Why did they reject funding to fight rural crime when they had the chance? Why now, with an election looming, do they decide that it's time to show leadership on an issue that the NDP has been leading from the start?

## EXPLAINING DANGEROUS RADON EXPOSURE

Radon is a colorless, odorless gas that forms naturally when radioactive elements, such as uranium, decay. These radioactive elements can be found in different amounts in soil and rock throughout the world. Though radon is present outdoors and in-

doors, it is often present in such small amounts that it does not pose a threat to human health. However, the American Cancer Society notes that prolonged exposure to high levels of radon can lead to lung cancer. People who work underground, such

as miners, are most likely to be exposed to high levels of radon. People who work in factories where uranium is processed or those who come in contact with phosphate fertilizers are more likely to be exposed to high, and potentially dangerous, levels of

radon. Building materials made from substances that contain radon also can lead to unhealthy levels of radon exposure. However, such substances, which the ACS notes include concrete and wallboard, often give off very low levels of radon.

## BENEFITS OF FREESTANDING TUBS

Few home design elements provide the instant wow factor of freestanding tubs. Freestanding tubs have an air of luxury that can help current homeowners relax, and impress buyers when homes go on the market.

Freestanding tubs are typically made of cast iron or porcelain. The home improvement website HomeAdvisor notes that cast iron is durable and solid and retains heat well, which is great for those who want to spend more than a little time relaxing in a freestanding tub. However, because cast iron is so heavy, installing a cast iron tub may require structural reinforcement of the flooring, which will add to the overall cost of the project.

According to HomeAdvisor, the average cost to install a tub varies widely depending on the type of tub, the materials its made of and other factors, including plumbing and piping. For example, the cost to install a freestanding tub will rise considerably if new plumbing and piping are necessary.

Before purchasing a freestanding tub, homeowners should seek estimates regarding installation, making sure to get them in writing. Contractors will determine if structural reinforcement is necessary and include such costs in their estimates. In addition, make sure to ask contractors to investigate piping and plumbing so no surprises pop up after the tub has been purchased and work has begun.

If estimates from contractors aren't budget busting, homeowners can consider these benefits of freestanding tubs before making their final decisions.

- **Cleaning:** Because they're detached from other bathroom fixtures and not flush against the wall, freestanding tubs tend to be easier to clean than built-in bathtubs. Freestanding tubs are accessible from all

sides, making it easy to reach all those nooks and crannies where grime can build up.

- **Return on investment:** In its 2018 "Cost vs. Value" report, Remodeling magazine noted that upscale bathroom remodels recouped 56.2 percent of their cost at resale. That was a better return on investment than

an upscale kitchen remodel (53.5 percent) and an upscale master suite addition (48.3 percent). The thought of a sizable return on investment can make relaxing in a freestanding tub that much more enjoyable.

- **Warmth:** Even freestanding tubs made of materials other than cast iron offer great

heat retention. Stone resin bathtubs, for example, provide excellent insulation on cold nights. That's ideal for people who want to unwind in the tub without having to exit early because the water has become cold.

Freestanding tubs can transform regular bathrooms into luxurious oases.

## GRAY IS HERE TO STAY IN HOME DESIGNS

Decorating a home in neutral tones has long been recommended as a way to sell a home quickly. But the color gray also provides a blank canvas for homeowners who have no intention of putting their homes on the market anytime soon.

Beige and white have long been go-to colors for neutral living spaces. But many interior decorators now look to gray as the neutral color of choice.

Design experts advise that gray has a broad range. Gray can include everything from silver to charcoal to a dusty cloud. According to the trendsetters at Glidden Paints, gray coordinates well with other colors. Plus, the neutral appeal of gray boasts a timeless quality.

Gray is not a clear-cut color

that's simply a 50-50 blend of white and black. Gray has subtle nuances that can lean toward blues, greens, taupes, and more depending on the lighting and surrounding furnishings. That means that homeowners who are ready to replace their furniture or accessories need not necessarily repaint if they've previously decorated in shades of gray.

Individuals need only replace small items to produce a big effect in rooms where gray is dominant. Because gray is so neutral, it works with soft, calming colors in various pastels, but equally as well with bright reds, yellow and oranges, according to Scott Bodenner, a Brooklyn-based textile designer.

Gray also is a predominant color in natural stones used throughout

homes in entryways, bathrooms and kitchens. It can make design sense to maintain continuity throughout by dabbling in gray elsewhere.

Designers have shown how gray does not have to be cold, industri-

al or gloomy. It can be sophisticated in just about any room of the house. More designers are now leaning toward warmer variations of gray, such as taupes and blends dubbed "greige," that are beautiful but not as stark as pure gray.

## RETHINK YOUR KITCHEN LAYOUT

Kitchens are the most popular rooms in many homes. Even though The U.S. Bureau of Labor Statistics states the average person spends just 68 minutes each weekday consuming food, and around 37 minutes preparing meals, the kitchen is not just a spot for food. It also is a gathering place for conversation, home-

work and family time.

In recognition that so much time is spent in this heart of the home, many people are embracing some of the more popular trends concerning kitchen layouts to maximize the comfort and efficiency of these rooms.

Communal zones

Unlike the days of yore when

the kitchen was utilitarian, today's home floor plans make kitchens a focal point of a home. Food preparation also is no longer a solitary task. Thanks to larger kitchen footprints and multiple zones set up for meal creation, a greater number of people can hang out in the kitchen and help with meals. You'll find multiple

sinks, large islands and more counter space are key components of modern kitchen layouts.

Dining nooks

Kitchen designs are bringing back banquette seating in a cozy nook. This design is a practical use of space, and can fit in large and small kitchens alike. It also can give a kitchen a high-end look, as built-in banquettes can highlight a bay window or seem custom-made for the space. Banquette seating can fit a number of people comfortably and provides a sensible and casual dining spot solution.

Family table

The trend experts at Southern Living magazine indicate that formal dining and living rooms are now used infrequently. As a result, kitchens have evolved to accommodate meal prep and dining. A large family table in the center of the room brings people into the kitchen to get more involved with food, according to San Francisco designer David Kensington.

Counter culture

Taking a page out of a favorite corner diner or bar, kitchens are increasingly outfitted with a large island flanked by chic counter stools, according to the design pros at Domino. Family members can pull up a stool and grab a quick snack. It's also a great place for friends to engage in conversation while a host or hostess prepares cocktails and appetizers for an evening soirée.

Work zone

Many families like to have an area of the kitchen set up as a tech zone where kids can do their homework and even parents can do some work, such as paying bills. Setting aside an area of counter space as a small desk area can be a great idea. Such areas also help parents keep a watchful eye on children while they're surfing the internet.

Kitchens are the hub of the household, and modern design trends cater to a growing need for a multipurpose space.

# YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

**Submitted by Dan Ivanov, Communications Department | Yellowhead County**

March 26, 2019

**Bylaw 02.19 Public Hearing** – A public hearing was held for Bylaw 02.19, an amendment to Land Use Bylaw 16.13 to align the county's Land Use Bylaw with recent changes to the MGA. Bylaw 02.19 would have the effect of establishing timelines for reviewing development permit applications and revising timelines for issuing decisions on development permit applications. Additionally, this bylaw revises the timeline for submitting an appeal to the Subdivision and Development Appeal Board. No public opinion was submitted for council's consideration.

**Guenette Area Structure Plan Repeal Public Hearing** – A public hearing was held in regards to Bylaw 05.19, which aims to rescind Bylaw 13.99, being the Guenette Area Structure Plan that is located within the NE 1/4 32-52-17-W5M. Approved in 1999, this structure plan allowed for the creation of a one-lot subdivision south of Edson. Since that time, policy changes have meant that developing an additional lot does not require such detailed planning. No public opinion was submitted for council's consideration.

**Terrace Heights North Joint Area Structure Plan Repeal Public Hearing** – A public hearing

was held in regards to Bylaw 05.19, which aims to rescind Bylaw 29.95, being the Terrace Heights North Joint Area Structure Plan that is located within the N 1/2 4-51-25-W5M. Bylaw 29.95 is now obsolete because the aforementioned lands have been annexed into the town of Hinton. No public opinion was submitted for council's consideration.

Edson Forest Products Letter of Support – Council provided a

letter of support for Edson Forest Products for the following: The company claims that they exceed the standards placed upon them by Alberta Environment and are seeking Yellowhead County council's support for an extension to the certificate of variance so they may continue to use the Olivine burner until such time as Pinnacle (the former consumer of Edson Forest Product's hog fuel) is operational or other options can be

pursued.

Hinton Mountain Bike Association Letter of Support – Council moved to send a letter of support to the Hinton Mountain Bike Association for their efforts towards obtaining grant funding for the Bighorn Trail project.

The next Council Meeting is April 9, 2019. The next Governance & Priorities Committee Meeting is April 16, 2019. All meetings start at 9:30 a.m. in the Council Chambers.

## NOTICE OF PUBLIC HEARING

In accordance with the requirements of Section 606 of the Municipal Government Act, as amended, the Council of Parkland County has scheduled a Public Hearing regarding the proposed adoption of the following Bylaw:

Bylaw: <b>2019-01</b>	Date: <b>April 9, 2019</b>	Time: <b>9:30 am</b>	Location: <b>Parkland County Council Chambers 53109A Hwy 779, Parkland County, AB</b>
-----------------------	----------------------------	----------------------	---

### Proposed Bylaw 2019-01 Cannabis Related Amendments to the Land Use Bylaw

As a result of the legislation enacted at the Federal and Provincial levels of government (*Cannabis Act*, October 17, 2018; *Gaming and Liquor Statutes Amendment Act*, May 30, 2018), Cannabis cultivation, processing, and retail sales, are legal and regulated in Canada. Municipalities, as the land use management authorities, are responsible for the land use and zoning regulations that will direct these activities. Bylaw 2019-01 includes new land use classes and definitions for a variety of cannabis-related activities; including Cannabis Cultivation, Cannabis Processing and refining the definition of Cannabis Retail Sales. This proposed bylaw also includes the necessary accompanying regulations and identifies appropriate land use districts for each of the new use classes.

### Hearing Procedure

This is a formal Public Hearing and Council is prepared to hear and receive formal submissions and presentations (verbal or written) from those who wish to speak to the proposed Bylaw. Written submissions or presentations may either be submitted in advance to Planning & Development by 4:00 p.m. on March 27, 2019, or submitted at the commencement of the Public Hearing on April 9, 2019.

Anyone wishing to make a verbal presentation to Council must notify Planning & Development Services in advance of the Public Hearing by 4:00 a.m., on March 27, 2019. Verbal presentations at the Public Hearing will be limited to a maximum of 10 minutes. Anyone wishing to make a verbal presentation who has not made prior arrangements may be allocated a time at the commencement of the Public Hearing. Council advises that this is your last opportunity to comment on the proposed Bylaw as Council is unable to receive further submissions after the Public Hearing is closed.

### Copies of Proposed Land Use Bylaw Amendment 2019-01

Copies of the proposed Land Use Bylaw Amendment 2019-01 are available free of charge during regular business hours (8:30 a.m. to 4:30 p.m., Monday to Friday) from Planning & Development Services at Parkland County Centre. **A Personal Note from Wayne William Heine:**

“ At the risk of dating myself – I’m one of the only few Realtors who survived but learned to thrive in difficult times during the early 80’s. With the Edmonton Market down 6% in 2018 and with 2019 starting down we need a new plan. We got one and would love to discuss it with you.
