RCMP ARREST MALE FOR INDECENT ACT

Submitted by **Stony Plain/Spruce Grove/Enoch RCMP**

Acheson, Alta. – On April 2, 2019 at approximately 12:59 p.m. Stony Plain/Spruce Grove RCMP officers responded to a call reporting an indecent act. A vehicle was parked on the side of the road with the driver's side

door open. A male was sitting in the driver's seat, fully exposed and was engaged in an indecent act.

Andrew Hawkins (36) from Redwater, Alta. was charged with:

- Indecent act
- Possession of Methamphetamine

Andrew Hawkins was released

from custody on a recognizance and will be appearing in Stony Plain Provincial Court on May 1, 2019.

RCMP are asking anyone who may have witnessed this incident, or has been a victim of such an act to please contact Stony Plain RCMP at 780-968-7267 or your local police detachment.

Approval: Transfer of Junior High Program at Wildwood School

Continued from Page 1

Wildwood School will continue to provide kindergarten to grade six programming.

Trustees deliberated over the potential benefits and challenges of transferring the program. Superintendent Lewis provided data results from both schools and outlined a thoughtful transition plan for both students and families, which includes orientation nights and school tours between both schools.

Board Chair B. Rosadiuk spoke about the decision. "Our board's first priority is always to make decisions that are in the best interest of students. Declining enrolments combined with a recurring deficit school budget over the last six years has resulted in a program that is no longer sustainable. Our board is not alone in having to make these difficult decisions. There are 41 rural school jurisdictions in the

province who are also facing declining enrolments and inequitable program offerings for their students."

Both schools will now finalize

plans to assist their families, students and staff in a smooth and positive transition for the upcoming school year.

Communities will also have three years to introduce coordinated access systems to prioritize those individuals most in need of housing and support services.

"For too many Canadians, homelessness is a reality as well as a challenge for communities.

Through initiatives such as this, we can help address homelessness at the community level," concluded MP Eglinski.

GREEN SHIRT DAY - 2019

Submitted by Parkland School Division

April 4, 2019 - In memory and honour of Parkland School Division former students Parker Tobin and Connor Lukan, some schools chose to participate in activities and encouraged students to wear green on Friday April 5th, 2019 to observe the first-ever Green Shirt Day as the new day to raise awareness for organ donors fell on a weekend. On April 7, Canadians were encouraged to WEAR GREEN to remember the Humboldt Bus Tragedy and in honour of the Logan Boulet Effect and let's inspire one another by registering as donors, and telling our families.

Logan's Story

On April 6, 2018, Canadians were heartbroken to hear the news of the Humboldt Broncos bus crash. Of the 29 passengers, sixteen lost their lives and thirteen will all bear physical and emotional scars for life.

On April 7, 2018, Humboldt Broncos defenceman, Logan Boulet succumbed to his injuries, his parents, Bernadine and Toby Boulet offered to donate his organs so that six lives could live on. They did so, because Logan told his parents, he was registering as an organ donor, and that he was inspired by his coach and mentor Ric Suggitt. Ric passed on June 27th, 2017 and was also an organ donor and saved 6 lives.

What happened following this selfless act, is nothing less than miraculous and became known across Canada as the "Logan Boulet Effect".

As news spread of the organ donation, by this young hockey player, over 100,000 people registered to become organ donors in the days and weeks that followed. To date this is the largest number of Canadians registering to become organ donors in Canadian History due to one event – one person.

Green Shirt Day, hopes to hon-

our, remember, and recognize all the victims and families of that fatal crash, and to continue Logan's legacy, by inspiring Canadians to talk to their families and register as organ donors.

In Canada, almost 90% of Canadians say they support organ donation, but only 23% have actually registered their intent to donate. Though donation rates have improved over the last ten years, there is more to be done as approximately 250 Canadians

die annually waiting for an organ transplant.

NEWS FROM THE ROYAL CANADIAN LEGION WILDWOOD BR 149

Submitted by Charlotte Winters and Ellen Greenwood

If you did not join us for our, "Welcome to Spring Brunch Meet and Greet" on March 30 you missed a spectacular brunch. The menu included pancakes, strawberries, bacon, sausages, scrambled eggs and hash browns.

Presidents' message: As I go around town I have received

many compliments on a job well done. When is the next one they would ask? A special thank you to the current Executive who put in a great effort towards a job well done. Kudos to all. To the members of the community I say welcome back. The Legion is a place which is open to the public. You do not have to be a member to sign and visit.

On April 12 at 6:00 pm there will be a supper at the RCL Wildwood Br 149. On the menu

this time we will have oven fried chicken with all the fixings. Gina of Gina's Sugar Shack in Wildwood made Lasagna for supper March 8 and it was delicious. Gina received many compliments. Thank You to all those people who braved the weather and the highway to come out to help support our legion. Again we ask you to phone ahead to reserve your tickets or drop in to purchase advance tickets. We don't want to turn people away if

we become over booked. Please phone 780-325-2015 to reserve your tickets.

The Saturday meat draws, basket draw and 50/50 draws, continue to be well attended, but we always have room for more attendees. Membership is not required. Remember we also have a meat draw on supper nights which is held on the 2nd Friday of the month starting at 6:00 pm as well as the ever popular basket draw and a 50-50 draw.

The bottle depot is open Tuesday through Friday 11:00 am to 5:00 pm and Saturday's 10:00 am to 5:00 pm. Did you know we will open up to receive your bottles for any large bottle drive? Just phone ahead to make arrangements. We appreciate your business. With the warm weather and the snow melting in the ditches we expect business to pick up in the bottle depot.

Lunches on Thursdays change from week to week with new choices available. We are open at 11:00 am for lunch on Thursdays. Elnora Wiebe is helping out with the lunches. Thank you Mary Anderson for filling in for Thursday lunches. Crib was played on Thursday and will continue in the afternoons at 1:00 pm. for those who still want to play. The lounge is open Friday afternoon from 2:00 pm.

Once again membership is not required and everyone is welcome to attend and try their luck. Thank you for coming to support our Legion. The next meeting will be April 15, with executive meeting at 6:00 pm and the general meeting at 7:00 pm. Dress will be uniform.

SPRING FLOODING EXPECTED TO MAKE WAVES: FLOOD PREPAREDNESS TIPS FOR CANADIANS

Submitted by FirstOnSite Restoration

Sorry to rain on your parade, but with spring well underway, a down-pour is next up on the forecast. As

Canada faces April showers, flooding becomes an imminent risk for property owners, residents and businesses.

Each spring, regions across Canada experience the wrath of flooding. Last year alone, snowmelt led to evacua-

tions in B.C., Alberta and New Brunswick, while areas in Ontario declared a state of emergency due to increased sea levels.

To provide insight of the damage ahead, last year alone insured dam-

age from severe weather in Canada reached \$1.9-billion, a majority of that due to flooding. Last fall's GTA flood alone caused over \$80-million in insured damage.

Spring Flooding Expected To Make Waves: Flood Preparedness Tips For Canadians

elevated the costs of flooding (now the costliest type of property damage) and the stakes for property owners are at an all-time high.

From urban sprawl developments on floodplains to the concrete landscapes of Canada’s developing cities, the loss of absorbent ground is accelerating with ever-increasing amounts of water left with no place to go.

Localized flooding is a top concern for Canadians who are likely wondering – what’s next and what can I do?

Water damage, mould and property loss are only some of devastating outcomes when property owners are unprepared, or unsure of how to deal with the after-effects of a flood.

FirstOnSite Restoration has spent the past decade mitigating floods and disasters for businesses and homeowners across Canada.

Here are several ways to protect properties against flood damage, whether commercial or residential.

Flooding prevention tips

1. Waterproof your basement, fill any cracks in the foundation, and put weather protection sealant around windows and the base of ground-level doors. Install flood shields or barriers for basement windows and doors.

2. Clear debris from your roof and eavestroughs so that they drain properly during heavy rains. Downspouts should extend at least six feet from the basement wall, well away from your and neighbouring properties.

3. Clear snow from roof. Your roof is designed to handle a certain load, but heavy snowstorms can cause snow to overload its capacity. A snow thaw can lead to roof leaks as water seeps into cracks and damaged vents. Basements can also flood when large amounts of snow and ice melt quickly. *Only a professional should attempt to access or climb a roof in the winter

4. Raise large appliances in the basement onto wood or cement blocks. If possible, raise electrical panels, switches, sockets, wiring and heating systems – otherwise protect them with a floodwall or shield.

5. Anchor furnaces, water heaters, and/or oil tanks to the floor. Unsecured, they may tip over or float in a flood. A ruptured tank may leak fuel, creating a serious fire hazard.

6. Check that all basement flood drains are not blocked or covered. For extra precaution, you can install a water alarm to let you know if water is accumulating.

7. Make sure your sump pump is working and install a battery-operated

backup in case of a power failure.

8. Install backflow valves for drains, toilets and other sewer connections in the basement. These valves automatically close if water or sewage backs up from the main sewer.

9. Turn off the electricity in flood-prone areas of the property if a flood is expected in your area.

10. Talk to your insurance agent about flood insurance. Standard residential insurance may not cover floods caused by water overflowing from lakes, rivers and other bodies of water (called overland flooding) but may be available separately. For business owners, flood insurance could be available as an add-on coverage to

commercial property or to business interruption insurance policies. Commercial sewer backup coverage may also be available but usually purchased separately.

11. Stay informed. Follow the latest public weather alerts for your area at https://weather.gc.ca/warnings/index_e.html.
