MALE ARRESTED ON CANADA WIDE WARRANT

Submitted by Drayton Valley RCMP

Drayton Valley, Alberta - On Monday May 6, 2019, at approximately 9:00 p.m., Drayton Valley RCMP, with assistance from the Western Alberta District Rural Crime Reduction Unit, arrested one of Edmon-

ton's Most Wanted Criminals, 29 year old Terence John Woodward. Woodward was wanted on a Canada Wide Warrant for Parole Violation stemming from a previous drug trafficking conviction.

BUS INCIDENT NEAR EVANSBURG

Submitted by Grande Yellowhead Public School Division

MAY 6, 2019 - At approximately 8 a.m. this morning, a school bus

in Yellowhead County was involved in an incident with another vehicle on its regular route to Evansburg schools. There were no reported injuries and students were safely transported to their respec-

tive schools. The families of all students have also been contacted.

The incident is under investigation by local police and Grande Yellowhead Public School Division.

RCMP INVESTIGATE ARMED ROBBERY

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

Stony Plain/Spruce Grove/Enoch RCMP are investigating an armed robbery which occurred at the Lakeside Liquor store located in Wabamun, Alta.

On April 17, 2019 at 12:18 p.m., a male entered the store and demanded money from the till. The male was carrying a knife and had his face covered with a mask. The male

obtained an undisclosed amount of money and left on foot. No one was injured.

The suspect is described as:

- Caucasian
- Approximately 6'4"
- Thicker body size but not fat
- Wearing a red and black plaid jacket over a black shirt with yellow and red on it
- light coloured ball cap with a dark brim
- black pants with a stripe down

the side

- white shoes
- Approximately 30 yrs. old
- Has a deep voice

If you have information about this investigation, please call the Stony Plain RCMP at 780-968-7267.

PARLIAMENT UPDATE – WEEK OF MAY 6, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- C-55 (Senate amendments) -- An Act to amend the Oceans Act and the Canada Petroleum Resources Act
- C-84 (Third Reading and Passed) -- Criminal Code
- C-91 (Third Reading) -- Indigenous Languages Act
- C-93 (Second Reading) -- An Act to provide no-cost, expedited record suspensions for simple possession of cannabis
- C-266 (Second Reading) -- Respecting Families of Murdered and Brutalized Persons Act
- C-406 (Second Reading) -- An Act to amend the Canada Elections Act (foreign contributions)
- C- 446 (First Reading) -- School Food Program for Children Act
- CPC Opposition Motion -- Price of gas

• S-203 (Third Reading) -- Ending the Captivity of Whales and Dolphins Act

On Sunday, May 5th while in Ottawa, my wife Nancy and I attended an event Commemorating the Battle of the Atlantic.

On Monday, I participated in a short research interview regarding a study to better understand how representatives [MPs] deal with the extreme work load their position involves.

Later that day, in the Standing Committee on Public Safety and National Security (SECU), we continued hearing from witnesses on Bill C-93, An Act to provide no-cost, expedited record suspensions for simple possession of cannabis.

You can read comments and questions from Debates on the House Publications page at www.ourcommons.ca/en

On Tuesday, I asked a question during the Conservative Opposition Motion on the 'Price

of Gas'. Also, on Tuesday, MP Mark Warawa delivered his farewell speech ahead of his retirement. This can be found on my Facebook at: www.facebook.com/jimeglinski.mp

On Wednesday, in the SECU Committee, we heard from witnesses on the Subject Matter of Clauses 222 to 224 (Part 4, Division 10) of Bill C-97, An Act to implement certain provisions of the budget tabled in Parliament on March 19, 2019 and other measures.

For more information on these meetings, visit the SECU Committee website at www.ourcommons.ca/Committees/en/SECU

On Thursday, close to 20,000 people were on Parliament Hill for the National March for Life.

This week, I attended eight meetings and four events, I will remain in Ottawa over the weekend.

Look for my update next Friday on the happenings of Parliament.

JOKE OF THE WEEK

Four high school boys afflicted with spring fever skipped morning classes. After lunch they reported to the teacher that they had a flat tire. Much to their relief she smiled and said, "Well, you missed a test today so take seats apart from one another and take out a piece of paper." Still smiling, she waited for them to sit down. Then she said: "First Question: Which tire was flat?"

SOARING EAGLES CAMP RETURNS AT ALBERTA RCMP HEADQUARTERS

Submitted by Alberta RCMP

The Alberta RCMP is excited to announce that the second Soaring Eagles Camp is actively accepting applications for 32 Indigenous youth who have a genuine interest in policing as a career.

The program is designed to simulate the same physical and intel-

lectual training regular members receive in Depot. The week-long camp will take place at K DIV HQ from August 4-9, 2019 and will be offered to First Nation, Metis and Inuit youth between the ages of 16-19-years-old who embody the RCMP spirit.

“Experiences like these open doors for building trust and recon-

ciliation with the Indigenous communities, all while representing the changing face of the RCMP,” said Sgt. Kimberly Mueller, Indigenous Recruiting.

The Alberta RCMP invites members of the public to encourage

eligible candidates to apply. All applications are to be submitted to Indigenous Recruiting by June 1, 2019, via mail or email at RCMP.KRecruiting-KRecrutement.GRC@rcmp-grc.gc.ca.

Male Arrested on Canada Wide Warrant

Continued from Page 1

A search warrant was executed at Woodward’s residence in Drayton Valley. As a result, members seized 35.6 grams of methamphetamine, 4.0 grams of cocaine, a small quantity of heroin, a significant amount of cash and several prohibited devices.

Two other males and three Females were also arrested, several charges against these individuals are pending.

Woodward has been charged with 2 counts of possession of a controlled substance for the purpose of trafficking, Possession of currency obtained by commission of a Criminal Offence, Possession of a prohibited device, Possession of a weapon for a purpose dangerous to the public, and possession of a prohibited device while prohibited.

Woodward was additionally charged with flight from police stemming from an incident which occurred in Drayton Valley on April 11, 2019.

The Drayton Valley RCMP remains fully committed to building “safe communities” by enforcing laws to their fullest extent. Members of the public who suspect drug activity in their community are encouraged to contact their local RCMP detachment.

If you have information about this

incident or any other incident, please call the Drayton Valley RCMP at 780-542-4456. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), or by internet at www.tip-submit.com. You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest(s), you may be eligible for a cash reward.

An update will be provided when new information becomes available

GYPSED MAY SCHOOL NEWS

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

EVANSVIEW SCHOOL

Staff and students returned from spring break rested and ready to jump into learning! It was a calm month with few changes in the routines of our school days. Students in Grades 2 to 6 had the opportunity to once again play mini-basketball. While sadly the recent return of 'Old Man Winter' led to the cancellation of the mini-basketball tournament in Edson, students did have the chance to travel to Niton School on April 15th and play rematch games. Kindergarten to Grade 2 students also had the opportunity to play developmental minibasketball on Wednesday evenings. Thank you to our many volunteer coaches and coordinator for giving our students this great opportunity!

Parent-Teacher Interviews and celebrations of learning were held on April 17th and 23rd, in conjunc-

tion with our Scholastic Book Fair. It was great to share student accomplishments with so many families - the pride was in abundance!

April 27th was the fifteenth annual Grouch's Ball - Evansview School's biggest fundraiser for enriching the learning experiences of our students. How wonderful to see past students, now graduated, attending this year's event.

We bridge into May with Education Week. Our theme is "Education Week is 'Seusstastic'!" Focusing on literacy, each day centers around one Dr. Seuss book and quote. Students get to enjoy his work in a variety of way ranging from read alouds, to a rap version of 'Fox in Socks'. If you're in our building, you may notice other 'wacky' things:

- Wear a Shirt with a Message Day
- Wacky Wednesday - Mismatched & Inside Out Day, AND Hat Day (Hats on for Mental Health)
- Crazy Sock Day

The week is being culminated with 'Green Eggs and Ham Day'.

You guessed it - You will find Mr. Kolotyluk and Mrs. Jones serving up green eggs and ham - Seuss-style!

EVV EVENTS FOR MAY

- May 14 Gr. 6 Visit to Grand Trunk High School/Kindergarten & Gr. 5 Field Trip - U of A Botanical Gardens
 - May 16 Crossing Guard Field Trip - Whitecourt Swimming Pool/ Gr. 1 & 2 Field Trip - U of A Botanical Gardens
 - May 17 No School for Students
 - May 20 STAT: No School
 - May 22 Science in Motion
 - May 23-24 Gr. 6 Outdoor Ed - Camp Yo Wo Ch As
 - May 24 Gr. 1 & 2 Field Trip - Whitecourt Children's Festival
 - May 31 Track Meet
- GRAND TRUNK HIGH SCHOOL**

April has been a great month at Grand Trunk. We have seen more classes take advantage of the warmer weather with some class-

es moving outdoors. We also had a couple of field trips for our students this past month. Our Grade 8 outdoor education students have been working with the Kindergarten Forest School at Evansview. We have learned some games and songs together, and investigated our local ecosystem. This has been a great opportunity for our Grade 8 students to build relationships outside our school building.

These students were joined by students in other grades in our school on April 16th for a day of skiing at Marmot Basin in Jasper. The students on the trip ranged from beginners to expert skiers, with everyone of them asking when we can go back again. As Marmot closes for the year at the beginning of May, they will have to wait with anticipation for next season.

Our Grade 7 students went to Clover Bar Waste Treatment Centre, and Telus World of Science on April 24th to learn about human waste treatment and management, heat and temperature, and Earth sciences. During Education Week,

GYPSD May School News

our school will be involved in the following activities:

- Our rock band program will perform as part of the Yellowhead Regional Arts Festival. This will be the first adjudicated performance of the year.
- Our students and the Evansburg Fish and Wildlife officers will be looking at an ecological issue with a new beaver population at the edge of town.
- A few of our classes will be buddied with various classes at Evansview School to share a love of literacy with each other.
- We will also learn about taking pride in our school and community, as well as learn about citizenship, with a culminating activity of a school grounds spring cleaning.

As we move into May and June, there will be many more activities coming for our students, including attending a multi-school junior high track meet at Entwistle School.

WILDWOOD SCHOOL

The students of Wildwood School continue to enjoy the breakfast program that was started at the beginning of February. The program serves between 75 and 85 percent of our students, and is enjoyed in each classroom on a daily basis. In addition to the regular breakfast, our school council is now offering a free pancake breakfast once a month, with talk of offering pancakes twice a month next year. Students always look forward to the pancakes and smiles start as soon as the smell of pancakes reach students' noses when they enter the building first thing in the morning.

The middle of May is going to see the "It's Spring" luncheon at the Wildwood Community Hall. The luncheon is going to take place on Wednesday, May 22nd, from 12-2 p.m. Along with tea, participants will enjoy soup, canapes, and dessert. The tickets for this event are now on sale at the community convenience stores and at the school. Tickets are \$15.00 each and are selling steadily so please pick yours up as soon as possible.

Grade 6 students are getting ready to take part in the annual (and long standing) Grade 6 year-end field trip to Jasper. This trip has been going on long enough that we have parents attending as chaperones who took part in the trip when

they were in Grade 6. This annual trip has students learning the history of the area and exploring some of the natural beauty that is part of Jasper's charm over a couple of days.

Throughout the months of May and June, Wildwood School will be working with the administration of Grand Trunk High School to transition our junior high students for the 2019/2020 school year. There are a variety of activities planned to ensure students become comfortable with attending Grand Trunk. Mrs. Zadderey and Mr. Randall will also work with Mr. Kolotyluk from

Evansview to ensure their Grade 6 students have the opportunity to meet their future classmates prior to the start of the next school year.

The end of May brings the Wildwood School grandparent program to a conclusion. Our students have enjoyed their time working with these volunteers, and extend their sincere appreciation for everyone who helped with this weekly program. It is very special to watch the students interact and learn from seniors within the community. Thanks to everyone who played a role in this wonderful program.

THE LEARNING CONNEC-

TION (TLC)

TLC Evansburg: April has been a busy month for students at TLC Evansburg, and has seen students starting to get ready for diploma exams coming up in June. Earlier in the month, students and staff started a project together to hatch several duck and chicken eggs. The eggs have been in the incubator for a few weeks now, and students are looking forward to seeing them hatch. Students and staff are also looking forward to wearing their hats in honor of Hats On for Mental Health Day on May 1st.

GOLFER'S GUIDE

TIPS FOR NEWCOMERS TO THE GAME OF GOLF

Few hobbies can be as enjoyable one moment and as frustrating the next as golf. Golfers know a great putt can be quickly followed by a bad tee shot, and maintaining their composure through the highs and lows of the game is a key to success on the links.

Maintaining that composure isn't always easy, even for the professionals. It's even more difficult for beginners, who quickly learn the game of golf involves more than just spending sunny weekend afternoons on pristine golf courses. In fact, golf can be quite demanding, and beginners would be wise to heed a few tips before hitting the course.

* Don't commit to an expensive set of clubs right off the bat. Golf clubs can be very expensive, so

beginners should buy an affordable secondhand set of clubs so they can get the hang of what they like before spending a lot of money. Visit a pro shop and explain that you are just a beginner. The shop will likely make some valuable suggestions and might even let you try out a pair of clubs. In addition, many driving ranges allow customers to rent clubs, and this can be a great and inexpensive way to find the right clubs for you.

* Take lessons. Even the very best at self-teaching might find it extremely difficult to become a self-taught golfer. When first trying your hand at golf, take some lessons and don't expect to be playing 18 holes any time soon. Before hitting the course, where you might be discouraged and

you might frustrate those golfing behind you, learn the fundamentals by taking a few lessons at the driving range. Learn from a professional, who won't offer you any hidden secrets to golfing glory (there aren't any) but will offer sound advice on the game's fundamentals.

* Take the game home with you. Beginners can even take advantage of golf's vast popularity by taking the game home with them. This doesn't mean building a putting green in your backyard. Rather, purchase some instructional DVDs to learn the game during your down time throughout the week. Many golfers don't have time to hit the links during the week, but they do have time to watch some DVDs when they get

home from work. Such instructional DVDs can help you master your grip and stance, which you can then take with you to the course over the weekend.

* Have fun. Golf is a fun game; it just takes time to hone your skills. But even if you aren't ready for the professional tour after your first few rounds, you can still have fun. Don't let some beginner's frustration, which every golfer experiences, ruin the fun of the game. Take note of your surroundings when you hit the links, and appreciate the time you're spending with your group. If the game becomes more a source of frustration than fun, then take a break and put in some more work away from the course, be it at the driving range or studying at home.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

April 24, 2019

Trustees approved the 2019/2020 school calendar, and approved-in-principle the 2020/2021 and 2021/2022 calendars. Board Chair Brenda Rosadiuk noted that the board was very pleased with the high percentage of survey respondents on this year's pilot calendar, which included a fall break. Based on the input received, the next three years have a condensed fall break and an extended spring break. Please see the press release for more information. All three calendars are available on the division's website.

The board approved a letter to the Premier of Alberta in support of the repeal of the Tobacco Reduction Amendment in regards to the potential effects the repeal may have on public health, particularly on school-aged youth.

Ten student teachers from the University of Alberta were placed

in schools throughout the division for the 2018/2019 school year.

A letter from the Honourable Minister of Education D. Eggen noted the positive review from the department on the division's current Three-Year Education Plan and Annual Education Results Report.

Trustees shared individual highlights from their attendance at various stakeholder meetings and school events:

Hinton Trustees Ellen Aust and Shirley Capu to attended Hinton school council meetings and shared their enjoyment of an Indigenous Hoop Dancer presentation at Harry Collinge High School.

Jasper Trustee Dale Karpluk also attended school council meetings in her ward as well as community meetings from the local chamber and immigration coalition.

Edson Trustees Fiona Fowler and Joan Zaporosky enjoyed the PCHS One Act plays at the Red Brick Theatre and spring concert at Mary Bergeron Elementary.

Board Chair, Brenda Rosadiuk, noted the high recent election voter turnout. On behalf of the board, she

publicly recognized the work from both outgoing MLAs for the division, and looks forward to working with the two new incumbents. She also acknowledged the many letters of support from GYPSD school councils to Alberta Education requesting a review of the funding framework.

Superintendent Lewis shared information on the various meetings and events she attended over the last few weeks in support of the Board's

three priorities of student learning, teaching and leadership excellence, and community engagement. She hosted the year-end meeting with the current Superintendent's Youth Council where the students shared some inspiring stories and thoughtful insights on student learning priorities. Superintendent Lewis also thanked the Board for their dedication and continued efforts advocating public education.

Lawn & Garden

The Businesses in the following Guide can be your One Stop Solution to all your Lawn & Garden Needs!

Lawn & Garden

HOW TO BRING BENEFICIAL BEES BACK

Bees, birds and butterflies play integral roles in pollinating many of the crops humans rely on for sustenance. The National Pollinator Garden Network, through the National Wildlife Federation, recently launched the Million Pollinator Garden Challenge, an effort to increase the amount of nectar and pollen food sources as the organization aims to reverse the alarming decline of pollinators such as honey bees, native bees and monarch butterflies.

Many people are afraid of bees because of their propensity to sting. Unlike their wasp and yellow-jacket cousins, honeybees and bumble-

bees are much more docile and content to hop from bloom to bloom without paying humans any mind. The only time such bees may resort to stinging is if someone inadvertently steps on them.

Bees are beneficial for yards. Gardener's Supply Company says one out of every three bites of food humans take depends on a pollinator. That's because about 150 crops grown in the United States depend on pollinators. Even though there are 4,000 species of native or wild bees in the continental United States, many populations are in decline. According to the Pollinator Partnership, various areas of North

America have lost more than 50 percent of their managed honeybee colonies in the past 10 years.

Bringing these important pollinators back will take a little work, but it is possible.

- Plants that offer cover can be attractive to bees that desire a respite from the sun and heat. Coleus and other ground cover offerings can be handy.

- Offer water in shallow dishes, as even bees need a cool drink to stay hydrated.

- Bees like various plants, so plant more than one species. Some plants that bees tend to like include Alyssum, aster, geranium, bee balm, poppies, and clover.

- When planting, include some native species.

- Brush piles, dry grasses and dead woods offer nesting areas for bees.

- The Gardener's Supply Company also says that bees find blue, purple and yellow flowers most appealing. Opt for more of these hues when planning gardens.

- Above all, avoid using pesticides in the yard. Even organic ones can be toxic to bees and other pollinators, and they may contribute to colony collapse disorder.

With these techniques in mind, homeowners can attract more bees to their yards and gardens, which can benefit bees and humans alike.

HOW COLOR CAN AFFECT YOUR GARDEN

Flower gardens can add color and awe-inspiring appeal to a property. The National Gardening Association notes that gardeners can find nearly every color of the spectrum in flowering perennials. So whether you prefer soft pink, are partial to bright red or want to relax in a garden and gaze at something deep blue, chances are you'll find a perennial to tickle your fancy.

The NGA offers the following breakdown of colors to help gardeners learn how their gardens can set the mood they're looking for.

Bright colors

A garden full of bright colors like red, orange, magenta, and yellow can provide

a landscape with vigor and energy. The NGA notes that brightly colored flowers can withstand especially bright sunshine, meaning gardeners can marvel at their appearance even when the sun might be adversely affecting other plants and flowers.

Pastel colors

Pastels, which include soft pink, powder blue, lavender, and peach, create a tranquil feeling in a garden. This makes pastel perfect for those who want their gardens to be a relaxing, peaceful respite from the hustle and bustle of everyday life. The NGA notes that pastels may look washed out in the midday sun, so they might be best enjoyed

early in the morning or late in the afternoon.

Complementary colors

Complementary colors are those that are opposite one another on the color wheel. Orange and blue are examples of complementary colors. According to the NGA, complementary colors can add creative energy and vitality to a garden.

Harmonious colors

These colors are those that are next to each other on the color wheel, such as orange and red. The NGA recommends harmonious colors for gardeners looking to create a unifying feel in their gardens without resorting to a monochromatic color scheme. Har-

monious colors give off a gentle feeling that can make for a relaxing garden atmosphere.

Monochromatic colors

Monochromatic gardens can be awe-inspiring even though they stick to a single color and don't provide an array of awe-inspiring colors. The NGA notes that gardeners with monochromatic gardens make them interesting by using plants of various sizes and shapes.

When planting a garden, gardeners can choose whichever color scheme they prefer. To learn more about the effects of color on a garden, visit the National Gardening Association website at www.garden.org.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

We are still collecting your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. Drop off your donations at the library expansion during regular library hours until early June 2019. Should these times not work for you please contact the library @ 780-892-3746 to make alternate arrangements. Funds raised will go towards the completion of

the library expansion. Preschool Story Time for children 0 to 5 years of age continues Monday mornings, except holidays, from 10 – 11 AM. This program will run until May 27, 2019. This is a free drop in program so come and explore early literacy with stories, activities, crafts and a snack. All children must be accompanied by an adult as this is a program designed for parents/caregivers and children together. This program is sponsored by FCSS.

Tai Chi practice is Wednesday mornings at the library from 10 – 11 AM until May 29, 2019. The drop-in fee is \$ 10.00. All you need are enthusiasm, loose comfortable clothes and flat shoes.

Family Movie Night, at the Lake Isle Community Hall, will be held on Friday, May 24, 2019. We are showing the “G” rated title “Mary Poppins Returns”. The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission is \$ 2.50, and a concession will be available. See you there! This program is sponsored by the Darwell Library Friends Society.

The Darwell Public Library Society will be holding a meeting Monday May 27, 2019 starting at 7PM at the library. All meetings are open to the general public and everyone is welcome to attend. See you there!

The next Book Club meeting is on Monday, June 3, 2019 at 6:00

p.m. to discuss “Princess: A True Story of Life Behind the Veil in Saudi Arabia” by Jean P. Sasson. This is our potluck meeting before we break for the summer. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you want to participate, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

Introduce your child to music when they are most able to learn – the first years of life. The Music Class® is an international music education company that offers playful and creative music and movement classes including the Music Pups® program. We will be hosting a demonstration session of Music Pups®, on Monday, June 10, 2019 from 10 to 11 am. Are you interested in exploring music in an interactive form with your young child(ren)? Katelyn Riva will be here to present this fun filled class of singing, dancing, movement and instrument play. There is no cost to attend this session, but we ask you to pre-register by calling the library @ 780-892-3746. Depending on interest and commitment of families, we would look at running at 10-week program in the fall or early 2020. We have a New Program Survey on our website and encourage you to provide your feedback on this program.

Father’s Day is fast approaching and if you are still looking for a gift idea, we’ve got you covered. Mark the date, Wednesday, June 12, 2019 from 3:30 to 5PM on your calendar. Paulette Belhumeur Gillespie from Paulette’s Sign’s and Designs will be here to lead you through this fantastic painted project designed for children 6 years old and up. The cost will be \$ 3.00 per person and we have 15 spots available. Check our website or Facebook page, pick one of three designs, and let us know your choice when you register by calling the library @ 780-892-3746. This program is sponsored by FCSS.

The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

PREVAIL
CELLULAR HOMEOSTASIS FORMULA **MAX**

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU ...RIGHT DOWN TO THE LAST CELL!

How do you want your BLOOD to look?

Before PrevailMAX:	After PrevailMAX:
poor circulation	better circulation
low energy	more vitality
brain fog	mental clarity
dehydration	cellular movement
decreased nutrients	nutrient assimilation
pH imbalance	balanced pH
poor endurance	optimal endurance

PREVAILMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!

CARBON TAX RULING: STATEMENT FROM PREMIER KENNEY

Submitted by Government of Alberta

Premier Jason Kenney issued the following statement about the Saskatchewan Court of Appeal's ruling that the federal carbon tax is constitutional:

"We are reviewing the decision, but our initial reaction is that this narrow, split decision is far from the broad victory the federal govern-

ment sought and we are glad all five justices rejected the federal government's claim for a sweeping power to regulate GHG emissions in the provinces.

"The decision's application to Alberta remains to be seen because, frankly, the previous NDP government under Ms. Notley was missing in action, failing to participate in the Saskatchewan Court of Appeal. As a

result, Alberta did not contribute to the record before the court.

"We disagree with the narrow ruling by the majority that the federal government has the power to ensure a provincial minimum price on carbon, and will be joining Saskatchewan in their appeal to the Supreme Court of Canada.

"That said, the new government of Alberta takes our environmental

responsibilities very seriously and during the election we put forward a serious plan for reducing GHG emissions.

"We believe that our strong plan makes a federal carbon tax redundant and that a consumer-punishing retail carbon tax – whether imposed by the NDP or by Justin Trudeau – is the wrong way to go. It's all economic pain and no environmental gain."

CALL FOR PROPOSALS FOR UNION TRAINING AND INNOVATION PROGRAM

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to advise that Employment and Social Development Canada has launched a call for proposals for the Investments in the Training Equipment stream of the Union Training and Innovation Program. Approximately \$10 million is being invested.

The Program has two streams, is

open to all unions, including those that do not provide training recognized by provinces and territories as technical apprenticeship training, and those that do not operate training facilities:

•The Investments in Training Equipment stream helps unions purchase new and up-to-date training equipment. Continuous technological change puts pressure on training providers to ensure workers are developing the right skills needed on the job site.

•The Innovation in Apprenticeship stream supports innovative approaches to address challenges limiting apprenticeship outcomes, including barriers to participation and success in the trades for key groups such as women, Indigenous people, newcomers and persons with disabilities. This stream is open to a range of stakeholders and partners, but unions need to be involved, either as the lead or as a partner on projects.

Through the Investments in Train-

ing Equipment stream of the Union Training and Innovation Program, successful applicants will receive financial support to purchase up-to-date training equipment and materials, so trades workers can get the skills they need.

The call for proposals closes on May 29, 2019.

"I am encouraging trade unions and training trust funds representing workers in the Red Seal trades in the Yellowhead to apply for funding," concluded MP Eglinski.

W Alternative
Available in:
• Oils
• Sprays
• Cream
• Soaps
• And more!

B Benefits:

- Reduces pain
- Helps with rashes
- Reduces muscle spasms
- Relieves anxiety

Obituaries

Yvonne Karen Wylie (nee Friesen)
 June 20, 1953 – April 23, 2019 It is with great sadness that we announce Yvonne's passing at the University of Alberta Hospital on Tuesday, April 23, 2019 after a short but courageous battle with cancer at the age of 65 years. Yvonne retired five years ago from Canada Post where she ran the post office in Seba Beach, Alberta for 32 years. Yvonne is survived by her son, Nathan and his wife Camelle of Toronto, Ontario; two granddaughters, Emily Ann of Surrey, British Columbia and Susanne Faith of Sechelt, British Columbia; mother, Marg Friesen of Edmonton, Alberta; father, Ray Friesen of Surprise, Arizona and his wife Joyce; sister, Anita Wylie of Edmonton, Alberta and her children, Amanda and Edward; as well as many aunts, uncles, cousins, and extended family in Canada, United States of America, England and Ireland. Yvonne will be greatly missed but never forgotten by her family, friends, and extended families. Special thanks to Yvonne's friends, Elaine, Darlene and Chris for their help and support. Thanks to the florists, caterers and Fallis Community Hall. Our family would also like to thank everyone for their many kind words in phone calls, cards, and emails at this difficult time. A Funeral Service was held Monday, May 13, 2019 in Fallis Community Hall. Arrangements entrusted to the care of Sturgeon Memorial Funeral
