Onoway Legion Presents Remembrance Poster Awards To OJSH Students

Continued from Page 1

Through the Legion's Annual Poster and Literary Contests, students across Canada are given the opportunity to honour our Veterans through creative art and writing projects.

On Friday, May 24th, members of the Royal Canadian Legion Branch No. 132 (Onoway) visited Onoway Junior Senior High School to present two students who had entered the annual contest and were successful in their endeavours. Legion members

Richard Moses (Vice-President) and Ted Latimer (Poppy and Remembrance) were joined by Onoway Town Councillor Pat St. Hilaire to present the awards.

Currently in Grade 8, Maya Roberts entered the Intermediate level black and white poster contest. Maya's poignant drawing of a military grave with battle boots, helmet and a posthumous medal won first prize at the Branch level and an Honourable Mention at the District Level. Maya's brother, Jake, attended the pre-

sentation where Maya was presented with certificates and a cash prize for her poster.

Current Grade 12 student Emily Fyfe entered her black and white drawing into the Legion contest at the Senior level. Her dramatic rendition of a warrior angel, dragging his poppy-filled parachute while carrying a fallen comrade to his rest won Emily first prize at the Branch level. Emily's drawing went on to win first place at the District level and then second place at the Command level. Emily's family was on hand to witness the award presentation where Emily was presented with three certificates and cash prizes. Emily said she was inspired to do the drawing by her father's service in the military.

Entries to the Legion's annual literary and poster contest are judged first at the local Branch level. Then, those winning submissions are forwarded to the District level. District level winning entries are then forwarded to the Command – or Provincial – level. The provincial winners are then sent to Dominion Command for judging. Entries for the contest have to be submitted by the November 15th deadline to the closest Legion branch.

Amber Alert Issued After Abduction

Continued from Page 1

An AMBER Alert was issued with a description of the alleged abductor, vehicle and child information at approximately 5:00 a.m., based on circumstances surrounding the ongoing investigation.

At approximately 7:00 a.m., Sylvan Lake RCMP attended to a vehicle roadside on Highway 20 north of Sylvan Lake where the mother and three children were located. The children were unharmed but taken to hospital as a precaution.

Charmaine Darnel was arrested and taken into police custody. Charges are pending further investigation and additional information will be released when available.

AMBER Alerts are used by police to engage the public in locating an abducted child (or adult with a proven mental or physical disability) who is at risk of harm. The Alberta RCMP would like to thank the member of the public for alerting police after they received the AMBER Alert that led to a swift resolution to this morning's incident.

JOKE OF THE WEEK

A small boy was at the zoo with his father. They were looking at the tigers, and his father was telling him how ferocious they were.

"Daddy, if the tigers got out and ate you up..."

"Yes, son?" the father asked, ready to console him.

"...Which bus would I take home?"

“Seniors’ Week is an opportunity to thank seniors for the lifetime of service they have provided to their families, friends and neighbours. Seniors built Alberta into a key engine of our collective prosperity – and they continue to contribute through caregiving, volunteerism and experience.” - Josephine Pon, Minister of Seniors and Housing

Seniors’ Week celebrations will kick off with an event on Monday, June 3 in Medicine Hat.

“Seniors need to be recognized and acknowledged for the vital role they play in our daily lives. They provide us with valuable knowledge, skills and experiences that benefit us now and will continue to benefit our province, cities and towns in the future.” - Ted Clugston, mayor,

City of Medicine Hat

During Seniors’ Week, Albertans 65 years and older receive free general admission to the province’s 20 historic sites, museums and archives. Free admission does not apply to tour groups; fees for special programming at facilities still apply.

A calendar of Seniors’ Week events and more information can be found at alberta.ca/seniors-week.aspx.

LAC STE ANNE PROPERTY TAXES INCREASED 16 % FROM 2018 TO 2019!!

This huge increase in property taxes is a direct consequence of LSAC Administration and Council hindering commercial and residential development.

Both of these provide tax revenue up to 1000 times greater than farmland.

I'm not advocating converting prime agricultural land into businesses and homes, but LSAC has many parcels of land that are not suitable for agriculture.

Administration and Council have also put an insurmountable barrier to development: a December 2018 policy requires developers pave the County roads to the nearest highway. While Administration and Council might naively believe this will get their roads paved, it actually makes developing in LSAC too costly. Developers will go elsewhere.

LSAC is in a Death Spiral -- without changes to allow commercial development, taxes will only go up.

For example, I have been trying to develop steep and rocky land into a back-to-nature campground, where every campsite would have between 0.3 and

1.0 acres. This development would create jobs, support local businesses, diversify Alberta's economy, provide amenities for local homeowners, and increase LSAC's commercial tax base. The tax on this parcel of land

would increase approximately 100-fold over bare land.

Administration and Council were fully supportive of this project until November 2018, when they suddenly killed the project and stopped communicating with me. Details are available at www.NakamunOasis.ca

sis.ca

I have discovered that Administration and Council hinder some developments, while allowing other developments to bypass the mandatory approval process.

(These developers have a friend on Council.) Neither of

these are in the best interests of LSAC.

In the interest of fairness and accountability, the Minister of Municipal Affairs should launch an investigation into the actions of Lac Ste Anne County Administration and Council.

REEVE'S MESSAGE

Submitted by Lac Ste. Anne County | www.LSAC.ca

The month of June is here, and summer is right around the corner!

I hope that everyone had a chance to get out and enjoy the Victoria Day long weekend, doing what you love to do with friends and family. Whether it was camping in one of our many beautiful campgrounds that are now open, spending time out on

the lake, or just gathered around a kitchen table, I hope you were able to make some happy memories.

As many of you know this last month was a very sad one here in Lac Ste. Anne County. It was with heavy hearts, that Lac Ste. Anne County and Lac Ste. Anne County Fire Services sadly announced the sudden and tragic passing of active Firefighter Joshua Pare-White on April 26, 2019. A funeral service was held

in memory of Joshua Pare-White on Monday, May 6, 2019. We are ever-grateful for Firefighter Pare-White's dedication and Service to the Lac Ste. Anne County community. May he rest in peace.

Things have been very busy around the County office as Council and Staff have been hosting the Grade Six students from Onoway, Mayerthorpe, Alberta Beach, Rich Valley, Darwell, and Sangudo schools. They have had the chance to engage and learn about local government. Many laughs have been shared as we engage in mock Council Meetings with the students voting on items like "Should we build a Tim Horton's in Darwell or Sangudo?" or "Should we build a new Library?". Needless to say, they are getting a hands-on understanding of how local government processes work.

Not to mention, the students gained first-hand knowledge from department representatives on horticulture, land use, mapping, road maintenance and

more before breaking for a BBQ lunch provided by the staff. We have thoroughly enjoyed sharing our days with the students and wish them nothing but the best in the future.

As a reminder, with continued dry and windy conditions the Fire Hazard Rating for Lac Ste. Anne County is high. We ask that you use common sense and adhere to the advisories when posted. Please report any wildfire to 9-1-1 with the exact location to assist Lac Ste. Anne County Fire Personnel in locating and extinguishing these fires in a timely fashion. Your cooperation is greatly appreciated. Additional information may be found on albertafirebans.ca.

The Animal Control Services has been exceptionally busy with the uncharacteristically large volume of beavers in the County this season. We would like to remind the public that our number one priority in the control of these animals is to focus on infrastructure and fields yielding crops.

On Monday, in the Finance Committee, we heard from witnesses during our clause-by-clause consideration of Bill C-97 the Budget Implementation Act. Later, in the Standing Committee on Public Safety and National Security (SECU), we heard from witnesses during our clause-by-clause consideration of Bill C-93, An Act to provide no-cost, expedited record suspensions for simple possession of cannabis. That evening, the government adopted the extension of sitting hours and conduct of extended proceedings. The House will sit from 6:30pm to midnight starting on Tuesday, May 28th until summer recess.

On Tuesday, I met with Ukrainian interns (Canada-Ukraine Parliamentary Program (CUPP)), who are volunteering in various MP offices to learn first-hand how our democracy works. During my meeting with them we discussed the role of Parliamentarians, issues presently before the House and much more.

On Wednesday, I attended the TELUS Days of Giving. This is the 14th Anniversary of this event of giving back to the community where we work and live. I assisted with filling the backpacks for a school in my riding. Later that afternoon in the SECU Committee, we heard from witnesses on Cybersecurity in the Financial Sector as a National

Economic Security Issue and later from witnesses on Motion 208, Rural Digital Infrastructure. That evening I attended the Wild Game Reception for Retiring MPs hosted by the Conservative Hunting and Angling Caucus (CHAC), where I was presented with an 'Honourary Lifetime Member' certificate.

For more information on these meetings, visit the SECU Committee website at: www.ourcommons.ca/Committees/en/SECU

On Thursday, I participated in debate on C-93, An Act to provide no-

cost, expedited record suspensions for simple possession of cannabis.

You can read comments and questions from Debates on the House Publications page at www.ourcommons.ca/en

Thursday evening, I returned to the riding and will be heading to Grande Cache Community High School's graduation ceremony the next day where I will be addressing the graduates. The Class of 2019's theme is 'Night at the Oscars.' Yes, it will be a night for all the graduates, their friends and family to ac-

knowledge each other and be proud of what they have achieved. This evening will be a stepping stone to their future.

On Saturday, I will be dropping in at the Parkland Lodge Fundraiser BBQ in Edson followed by addressing the Holy Redeemer High School's graduation ceremony that evening. Their theme is 'Enchanted Forest.' An enchanted forest is a giant tree (the graduates) whose branches (future possibilities) stretch up into the clouds (their success is boundless).

GOLFER'S GUIDE

FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

Choose the right clubs: Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit, it will be like walking around in shoes that are the wrong size.

Get on the ball: Choose the right kind of golf ball for your game. While golf balls all look the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on

the green and stop. More skillful players should use these.

Consider the elements: Weather is always a factor in golf and dealing with it must always be considered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising up into the breezes. And downwind, make sure to judge the intensity of the breezes so

you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

Putting and chipping is priority: Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more time working on your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and making more putts. Focus

more on your short game than your drive and you will improve.

Play the 19th hole: Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

3	5	9	1	2	4	7	8	6
8	7	2	6	3	9	1	4	5
4	6	1	5	8	7	3	2	9
6	2	8	9	1	3	4	5	7
1	3	5	7	2	6	8	9	4
9	4	2	5	6	8	3	1	7
2	8	7	3	9	5	6	1	4
5	4	3	7	6	1	2	9	8
9	1	6	8	4	2	5	7	3

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
