WESTLOCK RCMP ARREST TWO FOLLOWING POLICE CAR RAMMING

Submitted by Westlock RCMP

Charges have been laid following a violent police car ramming which occurred just after midnight on June 14, 2019.

Investigation following the incident led to the search of the stolen truck. RCMP seized contraband under the controlled drugs and substances act as well as a firearm, ammunition and break-in instruments.

24-year-old Hope Elizabeth Nixon of Spruce Grove is charged criminally with possession of property obtained by crime over \$5,000 and fail to comply with the condition of an undertaking/recognition. She is also facing three charges under the Controlled Drugs and Substances Act of possession of methamphetamine, heroin and cocaine.

24-year-old Damian Devon Thomas of Whitecourt is charged with:

- Assault on police officer with a weapon (x2)
- Assault with a weapon (x2)
- Dangerous operation of a motor vehicle
- Mischief over \$5,000 (x2)
- Mischief under \$5,000 (x2)
- Unauthorized possession of a firearm
- Possession of property obtained by crime over \$5,000

11 COMMUNITIES COME TOGETHER TO TACKLE ECONOMIC DIVERSIFICATION

Submitted by Community Futures Yellowhead East

Business diversification is a little like the weather – a lot of people talk about it but most feel not much can be done about it. However, it is essential to diversify our economy if we want to reduce exposure to the boom and bust cycles that Alberta knows well. Recognizing this, the communities of Swan Hills, Fox Creek, Whitecourt, Woodlands County, Mayerthorpe, Lac Ste. Anne County, Barrhead, County of Barrhead, Onoway, Alberta Beach

and Westlock are working together to develop a cross-regional strategy to build a stronger, more diversified economy. The Strategy will help guide the efforts of these communities as they try to improve our Regional economy by bringing the right tools and resources to businesses.

Central to the project is Community Futures Yellowhead East – a federally-funded economic development agency whose mandate is to enable business growth and regional cooperation. Their General Manager, Michelle Jones is very excited

about this project and said “Never before have I seen this many communities come together to resolve a common issue. This could well be a game-changer for our Region.”

The project is being launched this week. The municipalities are providing lists of businesses, and shortly a number of businesses across the Region will be contacted for an interview by McSweeney & Associates, one of Canada’s most respected economic development consulting firms.

JOKE OF THE WEEK

A Canadian is walking down the street with a case of beer under his arm.

His friend Arnie stops him and asks, 'Hey Bill, whatcha got that case of beer for?'

'Well, I got it for my wife, you see?' answers Bill.

'Wow!' exclaims Arnie, 'Great trade.'

PURSUIT WITH STOLEN VEHICLE ENDS IN CHARGES

Submitted by Whitecourt RCMP

Whitecourt, Alta. - 28th, 2019 Whitecourt RCMP with the assistance of the Whitecourt Integrated Traffic Unit were advised of a stolen vehicle approaching the area that was taken in an earlier carjacking that lead to a pursuit with RCMP in Valleyview and Fox Creek Detachments.

RCMP members deployed to intercept the vehicle as it approached Whitecourt. The suspect vehicle continued to drive erratically nearly causing col-

lisions with other users of the road. There were multiple reports to police from concerned motorists who described the driving pattern as dangerous. The stolen vehicle was located by members in an unmarked police vehicle shortly thereafter.

A Tire Deflation Device commonly known as a spikebelt was successfully deployed by RCMP. The stolen vehicle continued on rims and with the help of a citizen in a tractor trailer unit the vehicle was forced into the ditch ending the pursuit and concern for public safety on the

highway. The driver Tyler Daniel Burns (28) of Edmonton was arrested without incident.

Burns is facing the following charges from this incident:

1. Flight from a peace officer - 320.17 of the Criminal Code
2. Dangerous Driving - 320.13(1) of the Criminal Code
3. Fail to perform physical coordination tests - 320.15(1) of the Criminal Code (Impaired Operation by Drug)
4. Possession of Stolen Property over \$5000 - 355(a) of the Criminal Code

5. Fail to comply with Recognition - 145(3) of the Criminal Code

Burns remains in custody pending a bail hearing at St. Albert Provincial Court on June 3, 2019.

STUDENT OPPORTUNITIES BEYOND THE CLASSROOM

Submitted by Onoway Junior Senior High School

Did you know that as a high school student at OJSH, you can earn post-secondary credits and credentials? Dual credit programming allows high school students to take post-secondary, college or university courses and earn both high school and post-secondary credits for the same course. Students are able to graduate high school with their Alberta High School Diploma and, in addition can earn post-secondary credentials. The post-secondary courses are free for high school students.

Students spend their days at OJSH taking their regular high school classes such as English Language Arts and Biology but they also take specialized post-secondary courses. Most often, the post-secondary courses comprise half the student's day. Sometimes, the students enrolled

in dual credit must go off campus and travel to another educational institution to take their post-secondary credit courses.

Some of the more popular post-secondary programs that high school students can take are: Health Care Aide Certificate (Norquest College), Power Engineering Class 4 (Northern Lakes College), Oil Field Operator (Northern Lakes College), Service Rig Floor hand Technician in partnership with Northern Lights School Division, Office Professional Certificate (Norquest College), and Harley Davidson Technician (Grande Prairie Regional College / Fairview Campus). Other programs are also available. This year, OJSH will have three high school graduates who will have also earned their Health Care Aide credentials: MJ Wilcox, Natasha Kashman and Treasure Fowler. For the 2019-2020 school year, OJSH will have three students

taking the Educational Assistant program and one taking Oilfield Operator training.

In addition to dual credit programs, there are other exciting off-campus educational opportunities available to OJSH students. Two of the most popular options are RAP (Registered Apprenticeship Program) and the Green Certificate program. As with the dual credit program, RAP students are both full-time students and registered apprentices. Students divide their time between taking classes that will earn them a high school diploma or certificate of achievement and an approved work site. The RAP apprenticeship ends when the RAP apprentice finishes high school. The high school graduate/RAP apprentice is then automatically registered as a regular apprentice and credits earned while in the RAP program are applied to their apprenticeship. This year, graduate Clayton Wie-

be – working at Western Star as a RAP student - will achieve his RAP certificate in Mechanics.

Careers Next Generation is another resource that schools can access. Every year OJSH welcomes Careers Next Generation to our school to speak to students about the career opportunities that they can access. Careers Next Generation provides internships, mentoring, camp, tours and workshops so students can explore options beyond the classroom. They can facilitate RAP placements. Although he graduated last year, OJSH student Jacob Tracy registered for school this semester and got a RAP from Careers Next Generation. He is with Utmost Electric in Spruce Grove.

The Green Certificate program uses an apprenticeship style of delivery in which students learn a specialized part of the agricultural industry in the field. Students are paired with knowl-

Student Opportunities Beyond The Classroom

edgeable trainers when they are in the field. For example, a high school student wishing to become a farm production technician (completing a Level I Green Certificate) requires taking three courses which, upon completion, will earn them 16 credits. The program provides students with opportunities to earn a recognized credential leading to a career in agribusiness.

The Green Certificate Program currently consists of eleven specializations: cow calf beef production, dairy production, feedlot beef production, field crop production, irrigated field crop production, sheep production, swine production, beekeeper production, equine production, greenhouse production and poultry production.

This school year, we had 9 students enrolled in the program, three of whom are graduating and have achieved their Green Certificate. Grade 12 students Bailey Bartel, Santina Bassanese, and Desiree Foster-Kemps have successfully earned their Green Certificates in Equine Production—they are now certified Equine Technicians.

If students want to explore future career choices over the summer, NGPS once again is offering Career Exposure at summer boot camps. Career Exposure boot camps give high school students a 'taste' of possible future

careers. The hands-on courses are free and can supply one to six credits for successful completion by the student. Some of the offerings this year are Business Enterprise, Culinary Arts,

Forestry, Art, Robotics, Construction, Medical Minds, and Safety Certification. Last year, the Safety Training Certification (Seven Safety Credentials) was offered at both Hilltop Jr. Sr.

High in Whitecourt and at Onoway.

For more information on these opportunities, please contact the school at 780-967-2271.

11 Communities Come Together To Tackle Economic Diversification

Continued from Page 1

The goal of the interviews is to better understand issues currently facing businesses, any opportunities for diversification within specific businesses, as well as what needs to occur to grow a more sustainable and diversified economy. In addition to the interviews, all businesses will soon have the opportunity to participate in the project through an online survey.

Later this year, the completed Strategy will aim to address any common issues affecting businesses in our region and there will no doubt be a number of exciting projects and partnerships to improve the local business environment supporting business success and diversification.

WHITECOURT FIRE BAN LIFTED

Submitted by Town of Whitecourt

Due to recent precipitation and forecasted weather, the Town of Whitecourt has lifted its fire ban. A fire ban had been in place within Town limits since May 22, 2019 due

to the extreme fire hazard. Although the fire ban has been lifted, we ask residents to be diligent and aware of potential fire risks. Whitecourt residents are reminded that the Town of Whitecourt requires permits for all residential fire pits and temporary burning. For

more information on fire pit and burning permits visit www.whitecourt.ca.

The operation of Off Highway Vehicles (OHV) within the Town of Whitecourt is governed under Off Highway Vehicle Bylaw 1138 which prohibits OHV use within

Town boundaries between April 1 and November 30 annually. Penalties for contravening Bylaw 1138 range from monetary fines to OHV seizure.

For information on fire bans currently in place throughout Alberta visit www.albertafirebans.ca.

WHITECOURT ANNOUNCES PEMBINA PIPELINE CORPORATION’S PLANS TO BUILD A NEW OFFICE AND REGIONAL WAREHOUSE IN THE COMMUNITY

Submitted by Town of Whitecourt

On May 30, 2019 the Town of Whitecourt announced that Pembina Pipeline Corporation (Pembina), a leading transportation and mid-stream service provider, will build a new office and regional warehouse in Whitecourt. Pembina purchased 8.2 acres in Whitecourt’s Hilltop East Industrial Park for the development and plans to re-locate operations from its existing Whitecourt office in early 2021.

“This is exciting news for our community,” said Whitecourt Mayor

or Maryann Chichak. “While there is still so much talk about Alberta’s economy, Pembina’s decision to build a new office in Whitecourt reinforces that investments are still being made in the oil and gas industry and there is still confidence in the transportation of our natural resources. I’m so proud of the efforts made collectively by Whitecourt and Woodlands County in showcasing our community while Pembina was deciding on its location. This move highlights the important and exciting role our community plays in the development of the Duvernay Shale Play.”

“Pembina has proudly been a member of the Whitecourt area for over 50 years,” says Rob Smith, Manager, Northern Lights District, Pembina Pipeline Corporation. “Employees at our Whitecourt office are responsible for safely operating approximately 1,500 kilometres of pipelines, six pump stations, and two truck terminals in the Whitecourt area. In addition to pipeline operations, Pembina has also significantly expanded its gas processing operations in the area with further growth on the horizon. This new office will accommodate the business growth we’ve experi-

enced and further demonstrates our commitment to our employees and the community in Whitecourt.”

Planning and engineering for the development is underway, and construction is anticipated to start later this year.

“The Town of Whitecourt will continue to support Pembina and assist them in connecting with local contractors and suppliers as they develop their regional office, pipelines and infrastructure in the area,” added Mayor Chichak.

COUNTY CAREER OPPORTUNITIES

If you have the knowledge, skills and attitudes that will enhance our workplace and align with our municipal goals, and if you’re looking for a career with real potential for growth, we want to hear from you. Visit LSAC.ca/Careers to explore these opportunities in detail.

COMMUNITY SERVICES POSITIONS

ADMINISTRATIVE ASSISTANT **Full-Time Permanent Position**

This role is responsible for providing general administrative and clerical support to the Community Services and Enforcement Services departments to ensure operations are coordinated in an effective and efficient manner. One to three years relevant and related work experience in an office administrative position, or similar position is required. Work experience in a municipal environment is an asset.

COMMUNITY PEACE OFFICER (CPO) **Full-Time Permanent Position**

Duties of the CPO include patrolling, investigating and responding to complaints, and performing enforcement within the County. Primary roles include enforcement of commercial vehicle weights and off highway vehicles; ensuring compliance with the Traffic Safety Act on roads where contravention puts people in danger or damages infrastructure; and other duties as assigned.

Good communications and public relations skills are essential to this role. The CPO will possess a valid Alberta Operator’s Licence at all times during employment with Lac Ste. Anne County.

BYLAW ENFORCEMENT & COMPLIANCE OFFICER **Full-Time Permanent Position**

Reporting to the GM of Infrastructure & Planning, the Bylaw Enforcement & Compliance Officer is tasked with maintaining, preserving and enforcing municipal bylaws in a fair, professional and diplomatic manner; including but not limited to: Land Use Bylaw, Noise Bylaw, Business License Bylaw, Unsightly Premises Bylaw, Nuisance, and Snow Removal Bylaws. Duties include responding to and investigating related complaints.

TOWN OF MAYERTHORPE: MAYOR JANET JABUSH

Submitted by Town of Mayerthorpe

Mayor of Mayerthorpe. I guess that's another name to which I'll answer now. More importantly I answer to wife of Darrel, mom to Cole, Pam and TJ, mom-in-law to Tamy, Sean, and Shara and Grandma (Gran) to Felicity, Nik, Will, Hayden, Quinn, Tomasyn, Reid and Parker.

I grew up in Edmonton, but I've

always been a small town girl at heart. Darrel and I have Mayerthorpe home for the past 13 years. Now, two of our kids and their families, including five of our grandkids call this town home too.

That's why I ran for council in 2017 and why I decided to run for mayor. I owe it to my family and to all the other families who live, work and play in Mayerthorpe.

I'm committed to advancing the interests of our community through

sustainable economic development and advocacy with regional and provincial stakeholders. Working within our region on key initiatives in support of those interests is a focus for this council and our administration.

When I'm not busy doing "Mayor Stuff", you'll find me with my family or, in the summer, riding my motorcycle. I work from home in the safety field and I'm a mature You Tuber. The opportunity to serve

this community as its Mayor is humbling and I will always do my best to be deserving of the trust you've placed in me.

COUNCILLOR ANNA GREENWOOD

I am excited to be elected to Mayerthorpe Town Council. I believe Mayerthorpe is a great town and I am looking forward to collaborating with the rest of council, as we work towards making it become even better.

I was born and raised on a family farm north of Sangudo. This farm has been in operation for 100 years and is now on the fourth generation. I graduated from Sangudo High School and then attended the University of

Alberta obtaining a Bachelor of Education degree.

I moved to Mayerthorpe and began teaching in 1983 and remained at Elmer Elson Elementary until my retirement in December of 2018. During that time I taught for 21 years, was assistant principal for 8 and a half years and principal for 6 years.

Over the years I have been involved in the community in many ways. I have been a mem-

ber of the curling club, ladies fastball team, community slow pitch teams, ladies hockey team player and coach and I still remain a golf club member. I was a member of the Citizen's Advisory group which helped create the 25 year sustainability plan for the town. I have served on the FCSS board as well as the youth justice committee.

Mayerthorpe is my home and I want to make it the best place to live, not only for myself but ev-

ery citizen. I want our community to be sustainable and grow by becoming the choice of new families and businesses.

GOLFER'S GUIDE

HOW TO MAKE THE MOST OF YOUR DAY ON THE COURSE

(NC) Most great golf games are filled with sun, competition and camaraderie, but you can enhance the experience with a few tips that have less to do with your swing, and a lot to do with your 18-hole enjoyment:

Dress for success: The right golf apparel can be as important as the clubs you carry. Check the weather in advance to make sure you'll be as comfortable as possible during play. Determine if you're dressing to impress or to elevate your game. Light, non-restrictive clothing will allow you to swing freely and keep you comfortable and cool in the heat, or warm if the temperature drops. If you're a guest, always check out the dress code at the club you'll be visiting to ensure you comply with the rules.

Choose your company carefully: Your playing partners can have a lot to do with how you play and how you socialize on the golf course. If you're out with friends, you can relax and enjoy the day knowing what to expect. But if it's a game with your boss or clients, always make sure to test the waters. Will they play by the rules or is it just a relaxed day? Are your clients there to play golf or do business?

Understanding the landscape on the first tee will alleviate any awkward moments later on.

Create friendly competition: Sure, there's already a scorecard, but you can add more competitive fun to your game by creating a little friendly rivalry. For example, try a little Bingo Bango Bongo - a points based game that awards a total score based on three kinds of achievement: Bingo - first person on the green gets a point; Bango - the player whose ball is closest to the pin

when all balls are on the green gets a point, Bongo - the player who is first to hole out gets a point. Add up the points and the person with the highest total for the round wins.

Walk it off : Make a small 'healthy' tweak to your game by walking vs. taking a cart. When you choose to walk rather than drive 18 holes, you'll cover approximately six kilometres and burn around 1,500 - 2,000 calories. Golfers that ride carts will burn only about 1,100 - 1,300

calories.

Say cheers and enjoy: The 19th hole remains one of the best holes on the course. Cap off a great day by enjoying a light meal or a light beer such as Molson Canadian 67, which is brewed to 67 calories per 341ml bottle and 3% ABV. This crisp, refreshing beer can be paired nicely with a protein boost of chicken or fish.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

MAY 29, 2019

Whitecourt has received \$100,000 from the Enabling Accessibility Fund Grant to complete the Rotary Park Accessible Pathway Connection Project. The project was identified as a priority for Rotary Park during the development of the Sportsfield Master Plan. The project includes the construction of an accessible pedestrian pathway that will provide spaces for community groups and organizations to set up tents and displays during local events (e.g. Farmers Markets, Party In The Park, Canada Day). The spaces will connect to power; the pathway will include lighting; and charging stations will be installed for mobility devices.

The contract for the 2019 Street Improvement Program has been awarded to E-Construction. The Program includes rehabilitation of roadways and the paved trail network, utility cut restoration work, and the Driveway Replacement Program. Information on the construction schedule and locations will be posted online at www.whitecourt.ca and on

Whitecourt's Facebook page as details are confirmed.

The 2019 20-Year Capital Plan has been adopted. The Plan, which includes 132 projects, provides a vision for the longterm development of Whitecourt's infrastructure; land development; parks and trails; and, building and recreational/cultural facilities to meet the needs of our growing community. The Plan incorporates projects and timelines identified through engineering studies, planning sessions, workshops, budget deliberations, and public engagement activities.

The Vitalization Grant Program assists property owners in the downtown core and along the Highway 43 corridor to upgrade the façade of their building to meet the stone and wood architectural theme of the Whitecourt Vitalization Plan. Since the program's inception, \$142,000 has been allocated to local enhancements projects valued at over \$1.2 million. The following businesses have been awarded funds under the 2019 program:

- CDR Developments Inc. to install cedar accent boards and stone at 4819 50 Avenue.

- Hendrickson Black Chartered Professional Accountants to install additional stone to the storefront of 5011 50 Avenue.

A second round of applications to the Vitalization Grant Program will be accepted until August 1, 2019. Please visit www.whitecourt.ca for eligibility criteria and application information.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

4	8	7	2	5	1	6	3	9
9	5	2	6	4	3	7	8	1
6	3	1	8	7	9	4	2	5
3	9	4	5	1	6	2	7	8
2	6	5	4	8	7	1	9	3
1	7	8	9	3	2	5	4	6
5	1	9	3	2	4	8	6	7
8	2	3	7	6	5	9	1	4
