ONOWAY QUILT SHOW

Submitted by the Onoway & District Quilting Guild

The Onoway & District Quilting Guild presented their first Quilt Show at the Onoway Community Hall on Saturday, June 8th in conjunction with the Onoway and District Heritage Days. It was a great success, displaying about 120 quilts plus approximately 50 wall hangings and runners. A few vendors offered quilting fabric and notions for sale.

All of the items were eloquently displayed in the upper level of the hall and were admired by a large and appreciative crowd that came to see the work of a lot of talented people from the

local area.

Quilts of every size, color and description were on display. Flying geese, paper pieced birds, appliqued and any term used in the world of quilting were shown in these works of art. The many guests that attended were in awe of the work that went in to creating these quilts, wall hangings and runners.

Although many quilts are now commercially quilted, some of the ones presented were hand quilted. The art of quilting has come a long way with the techniques, tools and fabrics that are now available. Many hobbies have become a dying art but, rest assured, the art of quilting is alive and well.

The Quilt Raffle quilt, made and donated by Sheila Auch, was won by Flora Weiss of Onoway. Flora will be celebrating her 103rd birthday later in June, Congratulations Flora! The wall hanging, also created & donated by Sheila Auch was won by Norma Jean R. of Carvel.

Several door prizes were donated and given out throughout the day.

A great deal of credit goes to those who provided their items for this presentation. To all those that organized, installed the racks, etc. for displaying the items, setting up and taking down, well done!

WHAT MATTERS TO YOU?

Submitted by MLA Shane Getson – Lac Ste. Anne – Parkland

As this is my first opportunity to write in this paper, I want to give a big thanks to the folks who own and work at this paper. Our local paper is something that we should all hold near and dear to our hearts, as it is a vital part of the fabric of our community. As good as the digital world is, nothing beats picking up a paper to connect you with

the local events and news stories that are happening in our own backyards.

The Community Voice has graciously offered me a spot in their regular publications to reach out to you to give updates on the progress of the provincial government; items that are in the Job Jar; as well to share some of the concerns that have been expressed that still need to be addressed. I will continue on the theme of "What Matters to You", because at the end of the

day, that is why you sent me to the Legislature. It's now my job to make sure that I am addressing what is real in our communities, and what is impacting our lives. Guaranteed, if one person brings something forward, there are another 10 or 20 folks that are having a similar issue.

I've been spending most of my time in the Legislature as we are sitting four days per week.

JOKE OF THE WEEK

On the sixth day God turned to the Archangel Gabriel and said, 'Today I am going to create a land called Canada. It will be a land of outstanding natural beauty; it shall have tall majestic mountains full of mountain goats and eagles, and beautiful sparkly lakes bountiful with carp and trout. There shall be forests full of elk and moose, high cliffs overlooking sandy beaches with an abundance of sea life, and rivers stocked with salmon.' God continued, 'I shall make the land rich in oil so to make the inhabitants prosper, I shall call these inhabitants Canadians, they shall be known as the most friendly people on the earth.'

'But Lord,' responded Gabriel, 'don't you think you are being too generous to these Canadians?'

'No, not really,' God replied. 'Just wait and see the neighbours I am going to give them.'

On Friday, July 5 choir members trade music for cooking. The menu includes BBQ chicken, home-baked beans, baby potatoes, garlic bread, spinach salad, a veggie tray and dessert.

Tickets will be available for the second Napoleon BBQ, donated by SANG, and the draw will be that evening. Tickets are \$5 each.

Book your reservation by texting 780-340-0760, or leave a message on the Legion answering machine at 780-967-5361. Doors open at 3, with the meal served from 5:30 to 7 pm. Adults pay \$15; kids up to 10 years cost

\$9 while 5 and under are free.

As usual, the bar will be open, along with the usual draw for a free meal. You'll have a chance to buy raffle tickets on a delicious meat package, on the 50:50 draw, or the Chase the President raffle, a progressive

jackpot that increases in value each week there's no winner.

Did You Know?

You'll have a second chance on a Napoleon BBQ, if you're not the lucky winner of the one being raffled off by the library. The Lac Ste. Anne Com-

munity Choir is selling tickets on a second one!

Friday dinners over the summer will range from burgers to steak to a corn roast. Check the message board at the legion entrance to learn what each week's offering will be.

What Matters To You?

Continued from Page 1

I'll have to admit that there's been a bit of a learning curve dealing with parliamentary procedure, but lucky for us our founding fathers had foreseen this circumstance, and the procedures are well documented and can be taught in short order.

I have had several opportunities to speak in the House. I'm starting to settle down a bit now and a little less nervous. Initially,

like I said in my Maiden Speech, I felt like a long-tailed cat in a room full of rocking chairs! I have been able to ask questions about why we are not using fire retardant gels for forest fires and if the twining and the overpass at Highway 60 is still a go. I also had a chance to respond to a Motion on the Oil by Rail cars contract which was made by the previous government. The Motion was defeated so that contract has been scrapped. It felt good to be

your voice and to have a place at the table.

One of the biggest highlights so far was meeting the Grade 6 classes of Muir Lake and Dunstable schools during their tour of the Legislature, answer their very direct questions, and have another job interview. Rest assured, these school kids are engaged on what's happening in their province and have absolutely no problems articulating what matters to them!

I've also had the chance to attend a few local events and if you see me out at one of these events, please come over and let me know how things are going for you, and where you would want me to focus some of my attention.

I am also a member of the following committees, and as such in addition to the regular local constituency work, am now able to have some input on a larger provincial scale:

1. Red Tape Reduction group
2. Heritage Trust Fund Committee

3. Resource Stewardship Committee

4. Northern Caucus

5. Capital Region Caucus

6. Skilled Trades Caucus, Deputy Chair

The fine folks of the Onoway and District Historical Guild has made a spot for my constituency office at the Onoway Heritage Centre.

Office set-up is still underway, but expect to be fully functional by July 3rd.

Sat, June 29th 11 – 2 at the Onoway Heritage Centre. (4708 Lac Ste. Anne Trail, Onoway)

Many thanks again to you, the constituents of Lac Ste. Anne-Parkland, for hiring me for this job, and giving me the opportunity to work for you in getting our Province back on track.

WHITECOURT RESPONDS TO EMPLOYER NEEDS

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

The Town of Whitecourt is taking action, and listening to local businesses and industry.

Whitecourt's location is an obvious advantage for business; however, understanding our workforce capabilities, human resource and training needs, along with the potential to become a regional training centre, is a bit more complex.

Responding to employer-expressed needs, the Town of Whitecourt has commissioned a Community Training and Workforce Needs Analysis to quantify local labour force strengths, and identify gaps in occupational skills and training. This information will be used to develop a strategy to strengthen Whitecourt's workforce competitiveness.

"Economic development and business attraction and retention is changing. It used to be about providing affordable land and util-

ities, and now it is about fostering the right talent in the right place to meet business needs," said Rhonda Hough, Economic Development Officer for Whitecourt.

Whitecourt has engaged McSweeney & Associates to develop this strategy. McSweeney & Associates will be completing a thorough analysis of Whitecourt's economy and workforce, including interviews with local employers and focus groups for the Town's leading and emerging employment sectors to get a complete overview of workforce and training needs. These business visitations will commence the first week of June 2019.

Whitecourt Mayor Maryann Chichak added, "Our Council knows that healthy businesses mean a healthy and vibrant community. This is a priority for us so to ensure Whitecourt is the go-to place for regional operations, and we hope that many of our businesses will be involved in this project."

SUNDAY PULL A BUST!

Submitted by Carol Saunders

The season of 2019 for the tractor pulls has started again. The Ol' Pembina Tractor Pull

Society had their first pull on June 8 & 9th, the lineup for this pull was only 30 Tractors and 5 entries for the demo. Everyone seemed to have a good time and the competition was as strong as ever. We have a good bunch of guys and gals who drive at our pulls.

The feature tractor for the farmers day pull was owned by Ken Dewdney and is a Cockshutt 30, Don and Myrtle Dewdney bought this tractor at an auction near Cremona, Alberta. I do believe in the early 1980's. I think Jack Fry was the previous owner. We used the tractor to rake hay, pull a small manure spreader, also a grain wagon and

any other job it was big enough to handle. Our Cockshutt 30 was a faithful little helper. We have passed this tractor on to Ken our son. Ken is now a member of the Ol' Pembina Tractor Society and this will be his first pull. Good luck son!

We have the 6 classes and the bantam and demo as well. The winners of each class is the following:

- Bantam
- 1st - Hal Lougheed - 190.08 Ft.
 - 2nd - Dave Lougheed - 161.06 Ft.
- Class 1
- 1st - Tony Hnatiuk - 204.07 Ft.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

1	3	6	7	4	8	2	5	9
2	5	7	3	6	9	1	4	8
9	8	4	1	2	5	6	7	3
3	9	8	5	1	6	4	2	7
6	4	5	2	3	7	8	9	1
7	2	1	9	8	4	5	3	6
4	7	9	8	5	1	3	6	2
8	6	3	4	9	2	7	1	5
5	1	2	6	7	3	9	8	4

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Saturday was the 1st. Day for the pull. The sun was shining and it was warm. Sunday started out very nice with the sun shining, then the rainstorms hit. After the first rain the guys got busy blading the tract and pulling the tire to help dry the tract. The tract was drying and coming along very nicely and ready to start pulling when the second storm hit. That was the end of the pull and everything was cancelled.

We had a draw for two of our drivers again this year. The lucky winners of this Draw was Jacob Wilson of Whitecourt and John Hansen of Sangudo, Jacob is a new Member for the first

time this year and it's nice to see them win. John Hansen has been a member of the club for a while now and it was his first win. Congratulations to you both.

The little tractor and sled was out for the little kids again so they can drive just like there dad's. This goes pretty good for the kids.

Our silent auction was held again this year on Saturday from 11:00 am--2:m pm. The Main feature was a Massey 44 Tractor donated to the club from Bill

Braithwaite of Sangudo. The auction was quite successful again with the bidding frantic towards the end of time period. Everyone was quite happy with their purchases. The announcer this year was Bruce Barerree. He does a good job announcing for the club.

The Shurra family served the hamburgers, hot dogs and other goodies this year. The food was very good and everyone enjoyed the taco salad in a bag. A very tasty lunch was served both days

to us all. Thank you.

A supper was served on Saturday and Sunday for all the drivers, volunteers and anyone else who helped with the many things that has to be done. Mary-jane Suntjens cooked the food for both days and as usual the meals were very good. An excellent job Maryjane and it was much appreciated by us all. A big hand to you and your workers. our next pull will be held this fall on august 25th. Hope to see you there.
