PUBLIC ASSISTANCE SOUGHT TO LOCATE MISSING MALE

Submitted by Hinton RCMP

Hinton, Alta. - RCMP are asking for the public's assistance to locate 40-year-old Robert Allen Wetsch. Robert was last seen in Hinton on May 19, 2019.

Robert is described as:

- Male white
 - 6', 170 lbs.
 - Brown hair, hazel eyes
- RCMP have determined that

Robert is not in possession of a vehicle and may be on foot camping in the surrounding Hinton-area. Hinton RCMP are urging anyone camping or hiking in the area to be on the look out for Robert and to contact the Hinton detachment with any information.

Hinton RCMP are concerned for Robert's wellbeing. If you know the whereabouts of Robert Allen Wetsch, please contact the

Hinton RCMP at 780-865-5544 or your local police.

WHAT MATTERS TO YOU?

Submitted by MLA Shane Getson – Lac Ste. Anne – Parkland

As this is my first opportunity to write in this paper, I want to give a big thanks to the folks who own and work at this paper. Our local paper is something that we should all hold near and dear to our hearts, as it is a vital part of the fabric of our community. As good as the digital world is, nothing beats picking up a paper to connect you with the local events and news stories that are happening in our own

backyards.

The Community Voice has graciously offered me a spot in their regular publications to reach out to you to give updates on the progress of the provincial government; items that are in the Job Jar; as well to share some of the concerns that have been expressed that still need to be addressed. I will continue on the theme of "What Matters to You", because at the end of the day, that is why you sent me to the Legislature. It's now my job to make sure that I am addressing what is real in our communi-

ties, and what is impacting our lives. Guaranteed, if one person brings something forward, there are another 10 or 20 folks that are having a similar issue.

I've been spending most of my time in the Legislature as we are sitting four days per week. I'll have to admit that there's been a bit of a learning curve dealing with parliamentary procedure, but lucky for us our founding fathers had foreseen this circumstance, and the procedures are well documented and can be taught in short order.

What Matters To You?

Continued from Page 1

I have had several opportunities to speak in the House. I'm starting to settle down a bit now and a little less nervous. Initially, like I said in my Maiden Speech, I felt like a long-tailed

cat in a room full of rocking chairs! I have been able to ask questions about why we are not using fire retardant gels for forest fires and if the twining and the overpass at Highway 60 is still a go. I also had a chance to respond to a Motion on the

Oil by Rail cars contract which was made by the previous government. The Motion was defeated so that contract has been scrapped. It felt good to be your voice and to have a place at the table.

What Matters To You?

Continued from Page 2

One of the biggest highlights so far was meeting the Grade 6 classes of Muir Lake and Dunstable schools during their tour of the Legislature, answer their very direct questions, and have another job interview. Rest assured, these school kids are engaged on what's happening in their province and have absolutely no problems articulating what matters to them!

I've also had the chance to attend a few local events and if you see me out at one of these events, please come over and let me know how things are going for you, and where you would want me to focus some of my attention.

I am also a member of the following committees, and as such in addition to the regular local constituency work, am now able to have some input on a larger provincial scale:

1. Red Tape Reduction group
2. Heritage Trust Fund Committee

3. Resource Stewardship Committee
4. Northern Caucus
5. Capital Region Caucus
6. Skilled Trades Caucus, Deputy Chair

The fine folks of the Onoway and District Historical Guild has made a spot for my constituency office at the Onoway Heritage Centre.

Office set-up is still underway, but expect to be fully functional by July 3rd.

PARLIAMENT UPDATE – WEEK OF JUNE 10, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- C-58 (Senate amendments) -- An Act to amend the Access to Information Act and the Privacy Act and to make consequential amendments to other Acts
- C-68 (Senate amendments) -- An Act to amend the Fisheries Act and other Acts in consequence
- C-83 (Senate amendments) -- An Act to amend the Corrections and Conditional Release Act and another Act
- C-88 (Third Reading) -- Mackenzie Valley Resource Management Act
- C-98 (Referred to Committee) -- Royal Canadian Mounted Police Act
- C-100 (Second Reading) -- Canada-United States-Mexico Agreement Implementation Act
- C-101 (Second Reading) -- Customs Tariff
- C-331 (Second Reading) -- Federal Courts Act

• C-456 (First Reading) -- Post-Secondary Education Financial Assistance for Persons with Disabilities

• C-457 (First Reading) -- Employment Equity Act

• Motion M-203 (Third Reading) -- Ending the Captivity of Whales and Dolphins Act

• Report No. 14 -- Supporting Families After the Loss of a Child - Standing Committee on Human Resources, Skills and Social Development and the Status of Persons with Disabilities

On Monday, in the Standing Committee on Public Safety and National Security (SECU), we heard from MP William Amos, on his motion M-208, Rural Digital Infrastructure. This is a MUST for rural Canada and I fully support his motion.

On Wednesday, in the Standing Committee on Public Safety and National Security (SECU), we considered the draft report on Cybersecurity in the Financial Sector as a National Economic Security Issue. I would encourage my constituents to take the time to read this report.

It is extremely interesting.

For more information on these meetings, visit the SECU Committee website at: www.ourcommons.ca/Committees/en/SECU

Wednesday evening, my wife Nancy and I, were at the Hon. Andrew Scheer's Garden Party at Stornoway. This is a yearly event when all Conservative MPs, Senators and their spouses get together before the summer break.

On Thursday, I spent the day on House Duty and that evening I flew back to the riding to attend the Living Waters Catholic School in Edson 'Father's Day' celebration the next morning, followed by the Yellowhead County Senior Appreciation event at Wildwood Community Hall. Later that day I stopped at the Edson Legion spending some time with friends.

On Sunday, at 5:30am, I arrived in Ottawa and during the day Nancy and I spent some time at the Ottawa Beechwood Cemetery's RCMP section, to pay our respects to many of my mates who now rest peacefully in this beautiful place.

JOKE OF THE WEEK

On the sixth day God turned to the Archangel Gabriel and said, 'Today I am going to create a land called Canada. It will be a land of outstanding natural beauty; it shall have tall majestic mountains full of mountain goats and eagles, and beautiful sparkly lakes bountiful with carp and trout. There shall be forests full of elk and moose, high cliffs overlooking sandy beaches with an abundance of sea life, and rivers stocked with salmon.' God continued, 'I shall make the land rich in oil so to make the inhabitants prosper, I shall call these inhabitants Canadians, they shall be known as the most friendly people on the earth.'

'But Lord,' responded Gabriel, 'don't you think you are being too generous to these Canadians?'

'No, not really,' God replied, 'Just wait and see the neighbours I am going to give them.'

ASC FOCUSES ON EMPOWERING SENIORS IN JUNE

Nearly 40 per cent of Albertans age 55+ believe they have been approached with a potentially fraudulent investment.

Submitted by Alberta Securities Commission

CALGARY - June 6, 2019 – The Alberta Securities Commission (ASC) has launched a month-long senior outreach campaign across Alberta to recognize Seniors Month (June) and World Elder Abuse Day (June 15, 2019). Nearly 40 per cent of Albertans age 55+ believe they have been approached with a potentially fraudulent investment, as identified in an Investor Index Study commissioned by the ASC. The ASC's campaign is focused on empowering seniors to improve their financial literacy, recognize the signs of investment fraud, empower them to make wise investment decisions and encourage all Albertans to be aware of the signs and symptoms of elder financial abuse. In 2018, the ASC conducted an online quiz targeted towards senior Albertans, the results of which highlighted that over 50 per cent of Albertans 55 years of age and older didn't realize that if they had been a victim of a financial scam, they could be targeted again. This is an example of a "Recovery Room Scam" wherein the original fraudster often sells the victim's information to another scam, who then offers to recover their investment at a price. This may include paying taxes or a service fee, which is simply a fraudulent demand for more money and the victim loses again. It was also found that 61 per cent of respondents would consider an investment opportunity that 'guar-

antees' a legacy for their family, despite the fact that the promise of a 'guaranteed' return is an indication of a potential fraudulent investment. "Building relationships with seniors' groups is a critical part of our work to help Albertans advance their financial literacy and protect themselves from investment fraud," said Alison Trollope, Director, Communications and Investor Education. "This year, we are continuing to expand our reach, aiming to ensure all Albertans are empowered and have the knowledge to protect their retirement nest egg."

The ASC's 2019 activities aim to connect directly with seniors and their caregivers through a variety of community events, a financial

literacy quiz and seniors resources on Checkfirst.ca/seniors, including the Spot and Stop Seniors Investment Fraud fact sheet. Albertans can test their financial and investment knowledge and check if they are on the right track to protecting their financial future through the ASC's fun and interactive quiz called 'How Safe is Your Nest Egg'. The ASC is also a sponsor of the THIRD ACTION Film Festival in Calgary (June 7 – 9), which is focused on celebrating aging and the accomplishments of older adults to promote elder empowerment and an age-positive culture shift.

Albertans 55 years of age and older and members of seniors groups are encouraged to visit the ASC's

CheckFirst.ca/Seniors website for unbiased investor education information, tools and resources on recognizing and avoiding fraud and how to 'CHECK-PROTECT-INVEST' before investing. Albertans without internet access can call (877) 355-4488 to request printed copies of seniors' materials.

The ASC is the regulatory agency responsible for administering the province's securities laws. It is entrusted with fostering a fair and efficient capital market in Alberta and with protecting investors. As a member of the Canadian Securities Administrators, the ASC works to improve, coordinate and harmonize the regulation of Canada's capital markets.

A MESSAGE FROM MLA MARK SMITH: TRANS MOUNTAIN PIPELINE ANNOUNCEMENT

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

Well it finally happened. The Federal government has announced that it is prepared to move forward on the Trans

Mountain pipeline expansion. Albertans appreciate the second Federal government approval of this project but clearly this only one more step in a process that has already gone on for way too long. This approval is not construction of the pipeline and Albertans have spoken plainly that they will not be satisfied until this pipeline, and others, are built and the oil is flowing to tidewater and international markets!

The completion of the Trans Mountain pipeline is crucial to the Alberta economy. Completion of Trans Mountain will triple the amount of product we are presently delivering to Pacific tidewater. It is only then that Alberta will see any significant movement towards receiving fair market value for our energy resources. With a \$60 billion dollar debt only a creative and efficient use of existing tax dollars and the revitalizing of the Alberta economy will the government eventually be able to have the finances to help provide the services to help those who cannot help themselves or provide the education and health care that Albertan's both deserve and want.

This is a step forward but we should not celebrate until oil is flowing through the pipeline. It must also be understood that it is in Alberta's interests and all Canadians interests that more than one pipeline must be completed. Not only must we look towards a northern pipeline to the BC coast but we need a pipeline to Atlantic Canada. This decision will not stop the importation of foreign oil from being shipped half way around the world to markets in Central and Maritime Canada when Alberta oil and natural gas should be meeting the needs of Canadians and Canadian markets.

This is an important step forward but we must temper our enthusiasm with some political reality. This announcement is not going to deter the US funded, radical environmentalists across this country, but especially in BC, from trying to stop the progress of the Trans Mountain pipeline. This Federal decision is not going to magically change the position of the BC government nor will it stop the ill-advised actions of the Federal government as it looks like it will pass Bills C-48 and C-49.

Bills C-48 and C-69 pose a real threat to Alberta interests and should not proceed as written. The Federal government should accept all amendments to Bill C-69 coming out of the Senate. The Federal government should scrap bill C-48 that would shut down all tanker traffic off the coast of BC but would not address similar traffic on the east coast of Canada.

So the Federal government announcement that the Trans Mountain pipeline will finally proceed is good news and let us hope that it is the first step towards ensuring that Alberta will once again become a partner in prosperity in this country we all love called Canada.

SHANE GETSON

- C-469 (First Reading) -- Parks Canada Agency Act
- Motion M-173 (Deferred) -- Diabetes Awareness Month
- CPC Motion -- The Environment

On Monday, in the Standing Committee on Public Safety and National Security (SECU), we heard from Minister Ralph Goodale as well as several witnesses from the Department of Public Safety and Emergency Preparedness, the Department of Justice, Civilian Review and Complaints Commission for the Royal Canadian Mounted Police on C-98, 'An Act to amend the Royal Canadian Mounted Police Act and the Canada Border Services Agency Act and to make consequential amendments to other Acts'. This was followed by Clause-By-Clause consideration of the Bill.

For more information on this meeting, visit the SECU Committee website at: www.ourcommons.ca/Committees/en/SECU

On Monday evening, my wife Nancy and I attended, along with

my Conservative colleagues who were also retiring, a dinner at the home of our Conservative Leader, the Hon. Andrew Scheer. It was our final get together with Andrew and my colleagues.

On Tuesday, votes in the House went well into the night.

On Wednesday, I had a private meeting with Minister MacAulay to go over some Veteran issues in Yellowhead riding. That evening, I was on House Duty to midnight and during that time I spoke on Bill C-75, An Act to amend the Criminal Code, the Youth Criminal Justice Act and other Acts, and on C-83, Corrections and Conditional Release Act. It was a long day!

You can read the comments and questions from the Debates on the House Publications page at www.ourcommons.ca/en

On Thursday morning, I heard the sad news that my colleague, MP Mark Warawa had passed away. Mark and I along with other MPs, travelled together to Ukraine as observers during the Ukraine Presidential Election in March and again in April of this year. I will miss him. With a heavy heart I spent the morning on House Duty. That afternoon,

tributes were given by members from all parties on Mark's passing. The House was then adjourned for summer recess.

On Friday, I said good-bye to our Ukrainian intern, Mykola Antoniuk and thanked him for his time volunteering in my Hill office. I wished him a safe trip home. That evening, I will be returning to the riding as the House will be down for the summer.

This week, I attended four meetings and one event.

On Saturday, I will be attending the Dragonfly Festival Parade in Wabamun and later that day, I will be at the Galloway Station Museum in Edson.

On Sunday, you will find me at the Alberta Beach Alliance Church celebrating their 70 years of service.

During the week of June 24th, I will be travelling to Fort Nelson, B.C., to attend my grandson's graduation and ending the week in Grande Cache.

As the House has adjourned until the fall, my summer updates on my time in the riding will be sent at the end of July and August.

If you see me around the riding this summer, please say hi!

GYPSD JUNE SCHOOL NEWS

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellow-head Public School Division

EVANSVIEW SCHOOL

The students and staff at Evansview School have quite the sprint to the end of the school year! June is jam packed with special events and celebrations. We begin with our annual Track and Field Day where the Grade 6 students hope to shellac the teachers at tug-o-war!

June is also a time of transition where our Grade 6 students begin by meeting their new classmates and then tour Grand Trunk. They finish

their final year at Evansview with a special farewell meal and a clap out after our Awards Ceremony. It's a huge step moving from the "little school" to the "big school". All the best, Grade 6!

As we usher our Grade 6 class to their new school, we welcome our newest students in preschool and kindergarten. Two more open houses are to come with one being an informal visit to see the new classroom and meet the teacher for our incoming preschool students on June 12th. To culminate the end of Environment Week the kindergarten class hosted their preschool friends for a chance to experience part of

Forest Friday in our outdoor classroom on the 7th.

Environment Week is a time of outdoor fun for the kindergarten students as they spend time with their Grade 8 buddies (from Grand Trunk) to celebrate World Environment Day. Our focus was around water with a look at pollution and ways of purifying water to make it safer to drink. We also experimented with both saltwater and freshwater. As the month comes to a close, these classes will try their hand at orienteering and making pemmican.

Our year ends with a celebration of National Indigenous Peoples' Day when Evansview students play

different Indigenous games hidden throughout the school yard. In addition, we will celebrate all students at our awards ceremony on the last day of classes.

EVW EVENTS FOR JUNE

- June 25 Kindergarten Field Trip to Tipple Park Museum/ Gr. 6 Farewell Luncheon
- June 26 Evansview Celebrates National Indigenous Peoples' Day
- June 27 Awards Ceremony @ 1 pm/ Last Day of School for Students GRAND TRUNK HIGH SCHOOL(GT)

Moving into June, Grand Trunk High School has lots of milestones to celebrate! Some of the milestones include retirements of Grand Trunk family members, graduations, and the culmination of the 2018/2019 school year which was a year of forming relationships, and change for our staff and students.

We have two of our staff family that will be retiring in June. Mr. Jerry Dick has been a teacher at our school for over 30 years. He has also coached and mentored our students in volleyball and basketball. Mrs. Lynn Steckhahn has been our school librarian for many years. She has been there to welcome staff, students, and community members to our library, and school. Both Mr. Dick and Mrs. Steckhahn will be missed at our school!

Grand Trunk High School is hosting two graduations this year. In September we hosted the graduation for the 2017/2018 school year, then on June 30, 2019, we will host the graduation for the 2018/2019 school year. With the change in dates, we will also see a change in the format of graduation.

As the 2018/2019 school year wraps up, we look back at some of the key events in our school year. During our first two days of school, we started a conference style kick-off on the first day, and then invited Dwayne Peace in to speak with our students. In December, we had 'Learning Clicks' present to our students on career and post-secondary possibilities. Another important presentation was the 'White Hatter' presentation on Digital Citizenship and internet safety. Some of our students also had the opportunity to be part of a trip to Belize during spring break. We had our senior high girls' basketball team place fourth in provincials! Our students had many opportunities to learn and grow. The GT staff are very proud of what our students have accomplished!

PREVAIL

CELLULAR HOMEOSTASIS FORMULA

MAX

**A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!**

**How do you want your
BLOOD to look?**

Before PrevailMAX:

poor circulation

low energy

brain fog

dehydration

decreased nutrients

pH imbalance

poor endurance

After PrevailMAX:

better circulation

more vitality

mental clarity

cellular movement

nutrient assimilation

balanced pH

optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!

GYPSD June School News

Continued from Page 14

In May, our school took part in the YMCA exchange program which we hosted students from Orillia, Ontario, for a week and then sent a group of our Grade 9 students there for a week. Our Grade 7 and 8 students took part in Farm Safety in Wildwood. Our rock band students went on tour to Camrose, Forestburg, Sedgewick, and Wetaskiwin, with band students from Harry Collinge School. We also had junior high, and some senior high, students take part in track and field events at local events, zones, and provincials.

June is busy with diploma exams, provincial achievement tests, and final exams. Teachers are busy preparing students for these exams to make sure they are successful.

During Environment Week, our Grade 8 outdoor education students and the Evansview kindergarten students worked together by looking at water pollution. We looked at some of the ways that people are working to clean up water systems that are polluted with human waste and littering, as well as created a couple of filter systems together between our classes.

Our staff and students are looking forward to summer break, and return to a new school year rested and excited to work hard toward new opportunities and challenges.

WILDWOOD SCHOOL

Holy Moly we are down to the last few school days left in the 2018/2019 school year, and there are a lot of items left on the checklist to complete. Every year we comment how busy the month of June can be, and every year we get everything completed before the summer holidays begin.

May witnessed the successful completion of our 'It's Spring' luncheon, the annual Grade 6 field trip to Jasper, and a wonderful visit to Mother Earth Children's Charter School for the David Bouchard Day celebration.

June will see transition planning continue for our departing junior high students. Our Grade 6 class swam with their upcoming classmates from Evansview School on May 30th, and toured Grand Trunk with them on Monday, June 3rd. In addition to these activities, parents and students from Grade 6-8 (next year's Grade 7-9) are invited to Grand Trunk to attend an information evening on June 12th after completing option registration forms that were handed out on Fri-

day, June 7th.

Our upcoming kindergarten students had a transition day on June 10th. Kindergarten students (who are registered) rode the bus in the morning, but they were picked up by parents at noon. The students spent the morning with Mrs. Gerspacher and get a taste of what great adventures await them in the fall.

The annual Grade 9 Farewell will take place on Friday, June 14th. This annual event is the result of parent planning and has come together with the help of many parents and Mrs. Kolotyluk. We thank everyone for all of the efforts in fundraising and supporting this annual celebration.

Wrapping up the year, our K/3 class take part in a zoo field trip as well as the potential for our K/1 class to swim at the Green Grove Pool at Niton. These are exciting trips, and we encourage parents to consider volunteering to help out as supervisors. Spending time with students is a special opportunity, and means the world to your child if you can fit it into your schedule.

Our annual awards day is taking place on Wednesday, June 26th, and we will be sending the final report card home on that day as well. Please watch our facebook page and listen to the weekly announcements for more details as they become available.

THE LEARNING CONNECTION (TLC)

TLC Evansburg: May has been a busy month for students at TLC Evansburg, and has seen many students start to prepare for diploma exams. Our graduation celebration will be held at our centre on June 14th, and we are very excited for our graduates! Students from our centre have also had the opportunity to participate in several field trips. On May 27th, students from Evansburg TLC attended a field trip to Green Thumb Greenhouses. They had the opportunity to learn several new things about potted plants and how to care for them.

THE MOST COMPLETE NUTRITIONAL SPRAYS ON THE PLANET

CHARGES LAID IN EIA SECURITY BREACH

Submitted by Edmonton International Airport RCMP

The RCMP have laid charges against a male who breached security at the airport on May 29, 2019.

41-year-old Joel Edmund Garland of Edmonton is facing charges of mischief over \$5,000, endangering

the safety of an aircraft and uttering threats. Garland is scheduled to appear in Provincial Court of Alberta in Leduc on June 27, 2019.

BACKGROUND

Edmonton - RCMP at the Edmonton International Airport are investigating a security breach where a male passenger did not wait for

authorization to board his flight, and instead ran down the boarding ramp and on to the plane.

The plane was not occupied by any passengers at the time, and the flight crew was onboard in the process of completing their pre-flight briefings. The male uttered threats to the crew and, fearing for their

safety, the flight crew safely removed themselves from the plane. The male then caused damage to a door on the aircraft before police arrived and took the male into custody without further incident.

A 41-year-old male is presently in police custody and charges are pending.

HORSE SHOW AT THE WILDWOOD FAIR

Submitted by Wildwood & District Agricultural Society

Hello Riders!

We, the Wildwood & District Agricultural Society are turning 80

years young!!!

This year we will celebrate with a 2 day Fair August 16th and 17th including a horse show on both days, as always at the Wildwood & District Fair Grounds.

The Friday event will consist of

games, the Saturday show has the usual classes on the list. Also we became a member of the North Country Circuit, hoping to attract some new participants and friendly competition to our event.

If you would like to take part in

the fun or need more information please contact Sylvia @ 780-325-3817 or email lprsvla@telusplanet.net, you can also check us out on Facebook Wildwood Ag Society.

We are looking forward to seeing you there!

RCMP MAKE ARREST AT EDMONTON INTERNATIONAL AIRPORT

Submitted by EIA RCMP

Edmonton – On June 18 at approximately 7 p.m., the Edmonton International Airport Detachment responded to a call for service in relation to a male in distress in the airport parkade.

During the course of the inves-

tigation, it was revealed that the 41-year-old male from Edmonton was wanted on an outstanding arrest warrant. He was taken into RCMP custody and transported to the airport detachment. While in custody, the male became extremely agitated and the responding members were required to restrain him and take

him through the airport to a police vehicle for transport to an Edmonton hospital.

During transport, an incident arose that required RCMP to stop roadside to subdue the male, resulting in a Conducted Energy Weapon being deployed. Edmonton Police Service responded to assist, along with

EMS. Once the situation was under control, members were able to continue transport the hospital.

The investigation into this incident continues by both the RCMP and Alberta Serious Incident Response Team. No further information will be made available by RCMP.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

1	3	6	7	4	8	2	5	9
2	5	7	3	6	9	1	4	8
9	8	4	1	2	5	6	7	3
3	9	8	5	1	6	4	2	7
6	4	5	2	3	7	8	9	1
7	2	1	9	8	4	5	3	6
4	7	9	8	5	1	3	6	2
8	6	3	4	9	2	7	1	5
5	1	2	6	7	3	9	8	4

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

CANADA REVENUE AGENCY

-- ACTION PLAN FOR SMALL AND MEDIUM SIZED BUSINESSES

Submitted by Jim Eglinski,
ki, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform small and medium sized businesses in the Yellowhead, that the Canada Revenue Agency (CRA), after consultations with businesses, accountants, industry associations, and CRA employees, has released a report outlining an action plan to deliver service and program improvements for small and medium sized businesses through 2021.

Some improvements include:

- Businesses will be able to sign up to receive an email confirmation when the CRA receives a document or a payment.
- Businesses will be able to upload up to ten documents at once in the Submit documents online service.
- A new "Pay" button in the online portals will allow businesses to pay outstanding balances with the click of a button.

• The Liaison Officer Service is being expanded to include incorporated businesses.

• The Dedicated Telephone Service for tax preparers is becoming a permanent program.

• More CRA correspondence will be available in the online portals.

The CRA is also working to ensure that businesses and accountants know when these improvements are available.

Businesses can receive a CRA security code by email, request a Liaison Officer visit, and provide their employees T4 slips in electronic format.

"I encourage all small and medium sized businesses in the Yellowhead to take a few minutes and go over the CRA Action Plan to see how it may improve your delivery service and your business", concluded MP Eglinski.

The report can be found at: <https://www.canada.ca/content/dam/cra-arc/camp-promo/rprt2018-cra-arc-eng.pdf>

PURE HEMP CBD PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

WHAT IS CBD?

A Health and Beauty Breakthrough!

Cannabidiol, CBD, is one of over 80 active cannabinoid chemicals in the hemp plant. CBD, unlike, THC, does not produce euphoria or intoxication. CBD targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using CBD products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp CBD

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp CBD

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

CBD PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.

For more information, Call (780) 907-8642
