TRUDEAU LIBERALS FAIL TO SET CONSTRUCTION DATE FOR TRANS MOUNTAIN EXPANSION

Submitted by Jim Eglinski, MP – Yellowhead

June 19, 2019

Jim Eglinski, Member of Parliament for Yellowhead, today highlighted Justin Trudeau's failure to get the Trans Mountain Expansion built.

After pressure from Canada's Conservatives, Premiers, Mayors, job-creators, and Canadians, Justin Trudeau finally did

the right thing and approved the Trans Mountain Expansion. However, what the Liberals failed to do is commit to a construction date for this vital pipeline project.

"Thousands of Canadian oil and gas workers have been patiently waiting for this project to start. It is unacceptable that the Trudeau Liberals failed once again to put forward a comprehensive construction plan.

This pipeline project has been approved three times, yet not a single inch of new pipeline has been laid," said MP Eglinski.

Canadians are rightly concerned and want to know how this time will be any different. The Trudeau Liberals must answer these vital questions:

- Will construction of the pipeline begin in Burnaby this summer?

- Possession of a weapon for dangerous purpose
- Possession of break-in instruments
- Dangerous operation of a motor vehicle
- Operation while prohibited
- Failure to comply probation order (x3)
- Failure to comply with condition of undertaking or recognizance (x5)

warrants out of Athabasca, Red Deer and Boyle, Alta

After a judicial hearing, Marler was remanded into custody. His first court appearance will be July 4, 2019 in Stony Plain Provincial Court.

The investigation is ongoing and further charges are pending.

“Incidents like this demonstrate how effective law enforcement is at working together to pursue those who threaten public safety and solve crime,” said Inspector Mike Lokken, Parkland RCMP Detachment

Commander. “Collaboration between enforcement agencies comes with its challenges, but everyone worked together and a prolific offender’s crime spree was ended.”

If you have information about this investigation, please call the Stony Plain RCMP at 780-968-7267, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

Trudeau Liberals Fail to Set Construction Date for Trans Mountain Expansion

Continued from Page 1

- When will the pipeline be in service?
- Who will own and operate the pipeline?
- How will the Trudeau Liberals handle new court challenges?

How much have the Liberal delays cost taxpayers?

“Justin Trudeau has said he wants to “phase out” Canada’s oil and gas sector. Energy workers and their families deserve a government that champions energy projects, instead of kill-

ing them with last minute rule changes. We Conservatives under Andrew Scheer, have a plan to unite Canadians, get Canada’s energy sector back to work, and make life more affordable for Canadian families,” concluded MP Eglinski.

SUMMER GOINGS ON AT DARWELL PUBLIC LIBRARY

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

We are extending the collection date for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture) until July 10, 2019. You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. Drop off your donations at the library expansion during regular library hours. Should these times not work for you please contact the library @ 780-892-3746 to make alternate arrangements. Funds raised will go towards the completion of the library expansion.

Registration is now open for the Summer Reading Program for children 6 to 13 years of age at the Darwell Public Library? This year we will be exploring the Natural World and each week will be centred around various aspects of nature. We will be kicking off the program this year with the Kompany Family Theatre interactive performance of "Secrets of the Curious Creepy Crawlies" at the Darwell Centennial Hall. We are extending an open invitation to all families in the community, so even if you are unable to register your children for the program, we encourage you to attend the performance starting at 2 PM. Admission for non program attendees will be a donation of your choosing to the library. We have room for 15 participants, so we encourage you to pre-register by calling the library early to avoid disappointment. The program starts Thursday, July 18 from 1-3PM and will run for 6 consecutive weeks until August 22, 2018. See you there! Sponsored by FCSS from Lac Ste Anne County.

The Book Club is on Summer Break until Monday, September 9, 2019. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you want to participate, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

Join us on Monday, September 16, 2019 from 1 to 2 pm., as we are hosting a free demonstration session of Music Pups®. Katelyn Riva will

be here to present this fun filled class of singing, dancing, movement and instrument play. The Music Class® is an international music education company that offers playful and creative music and movement classes including the Music Pups® program. Should you wish to attend the session please register by calling the library @ 780-892-3746. The cost to attend would be as follows: children 9 months and under are free, 1 child is \$ 125.00, sibling \$ 75.00. Depending on interest and commitment of families, we would

look at running a 10-week program in the fall or early 2020. Should we meet the minimum required registration of 10 children we would look at reducing the cost by partial funding through our FCSS partners. We have a New Program Survey on our website and Facebook page and encourage you to provide your feedback.

The Darwell Library Friends Society will be holding a meeting Monday July 8, 2019 starting at 7PM at the library. All meetings are open to the general public and everyone is

PROTECTING YOURSELF FROM ALLERGIES

Submitted by Alberta Health Services – Andrea Juarez

Seasonal allergies occur at the same time of the year, every year. Exposure to pollen and snow mold, a type of fungus

on grass after snow melts, may cause allergic symptoms.

These symptoms may include itchy and watery eyes, sneezing, headache, fatigue and a runny, stuffy or itchy nose.

“Cleaning the inside of your nose with salt water, using a hu-

midifier in the bedroom and taking hot showers may help relieve symptoms,” says Yvonne Ewanicke, a site manager at Health Link. “You can also try taking an over-the-counter antihistamine to relieve symptoms.”

If symptoms continue, ask

your doctor if immunotherapy or allergy shots might help you. They help prevent and reduce allergies.

Visit myhealth.alberta.ca or call 811 for more information.

11 COMMUNITIES COME TOGETHER TO TACKLE ECONOMIC DIVERSIFICATION

Submitted by Community Futures Yellowhead East

Business diversification is a little like the weather – a lot of people talk about it but most feel not much can be done about it. However, it is essential to diversify our economy if we want to reduce exposure to the boom and bust cycles that Alberta knows well. Recognizing this, the communities of Swan Hills, Fox Creek, Whitecourt, Woodlands County, Mayerthorpe, Lac Ste. Anne County, Barrhead, County of Barrhead, Onoway, Alberta Beach and Westlock are working

together to develop a cross-regional strategy to build a stronger, more diversified economy. The Strategy will help guide the efforts of these communities as they try to improve our Regional economy by bringing the right tools and resources to businesses.

Central to the project is Community Futures Yellowhead East – a federally-funded economic development agency whose mandate is to enable business growth and regional cooperation. Their General Manager, Michelle Jones is very excited about this project and said “Nev-

er before have I seen this many communities come together to resolve a common issue. This could well be a game-changer for our Region.”

The project is being launched this week. The municipalities are providing lists of businesses, and shortly a number of businesses across the Region will be contacted for an interview by McSweeney & Associates, one of Canada’s most respected economic development consulting firms. The goal of the interviews is to better understand issues currently facing businesses, any opportunities for diversifica-

tion within specific businesses, as well as what needs to occur to grow a more sustainable and diversified economy. In addition to the interviews, all businesses will soon have the opportunity to participate in the project through an online survey.

Later this year, the completed Strategy will aim to address any common issues affecting businesses in our region and there will no doubt be a number of exciting projects and partnerships to improve the local business environment supporting business success and diversification.

GYPSD'S SUPERINTENDENT YOUTH COUNCIL

Submitted by Grande Yellowhead Public School Division

Grande Yellowhead Public School Division's Superintendent's Youth Council (SYC) affords students opportunities to build positive working relationships with others across the division, lead by example in their schools, provide valuable input on education initiatives, and

participate in leadership opportunities. This is the second year for the SYC, under the leadership of Carolyn Lewis, Superintendent of Schools.

The 2018 - 2019 SYC included student and teacher members from each of five high schools and The Learning Connection. There were both new and returning members chosen from those who demonstrate a diverse range of interests,

identities and perspectives, are passionate about and willing to share experience knowledge and skills, and are interested in leadership opportunities both at the division and school level.

This year's members had the opportunity to participate in three meetings with Superintendent Lewis. Agendas included a literacy activity, budgeting and planning information, an opportunity to provide student feedback on the pilot calendar and other education initiatives, facilitation skills practice, and the Making of a Leader activities. Teacher advisor, Jan Wiens shared that, "being able to ask their Superintendent questions and have Ms. Lewis value student-input, motivates students to be change-agents and continue to lead their school communities forward in the best interests of ALL students."

Student and teacher members expertly facilitated the Community Engagement Sessions in Evansburg, Edson, Hinton, Jasper, and Grande Cache and proposed Health and Wellness initiatives for their

schools.

Selected members also participated in leadership opportunities outside of the school division including both the Fall and Spring Public School Board Association Student Voice Conferences in Edmonton and Red Deer, a week-long conference in Ottawa with Encounters with Canada at the Terry Fox Centre, and the first ever Provincial Youth Mental Health Summit In Red Deer.

Dana Labiuk, a student member, expressed her "appreciation in the emphasis put on mental health, and excitement to learn more about how she can make a difference in our community".

The GYPSD Superintendent's Youth Council engages students as leaders for change within their communities and Grande Yellowhead Public School Division. Superintendent Lewis remarked how much she "values the input of our students. Their voice makes a significant difference and truly informs my decision making."

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

3	5	2	1	4	8	7	9	6
4	6	1	7	5	9	8	2	3
9	8	7	6	3	2	5	1	4
5	9	4	8	7	3	1	6	2

7	3	8	2	9	1	6	4	5
6	2	5	4	7	9	3	8	1
1	4	9	3	6	5	2	7	8

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
