# YOU'D NEVER GUESS THAT FLORA WEISS IS 103 YEARS OLD!

Submitted by Yvonne Slemko | Onoway and District Historical Guild

Residents of Chateau Lac Ste. Anne gathered together recently to help Flora Weiss celebrate her 103rd birthday.

Members of the Onoway and District Historical Guild presented her with certificates commemorating this amazing event from MP Dane Lloyd, Governor General Julie Payette, Prime Minister Justin Trudeau and Her Majesty Queen Elizabeth II.

Fellow residents presented her with gifts, including a special planter in recognition of her devotion to the Chateau's garden.

Flora expressed her appreciation and, with as much energy as she had decades ago, greeted all who came. A unique birthday cake (with one candle that Flora quickly blew out) and boisterous singing of "Happy Birthday" rounded out the occasion.

Flora was born in a log cabin near Sangudo, was raised there and spent all her married life on a farm in the area. It's hard to imagine all the changes that she has lived through. She was born during World War I, lived through the Depression and World War II, and is still smiling in today's fast-moving technological world. She has stories to tell - an inspiration to us all!

Flora Weiss holds a certificate from Queen Elizabeth congratulating her on her 103rd birthday

Maisie, an elderly woman lived on a small farm in Canada, just yards away from the North Dakota border. Their land had been the subject of a minor dispute between the United States and Canada for years. The widowed woman lived on the farm with her son and three grandchildren.

One day, Albert, her son came into her room holding a letter. 'I just got some news, Mom,' he said. 'the government has come to an agreement with the people in North Dakota. They've decided that our land is really part of the United States. We have the right to approve or disapprove of the agreement. What do you think?'

'What do I think?' sighed Maisie. 'sign it. Call them right now and tell them we accept. I don't think I can stand another Canadian winter.'

# ALBERTA BEACH MAYOR'S MESSAGE

Submitted by Village of Alberta Beach

Welcome to 2019 at Alberta Beach! After a long hard winter we are all looking forward to a relaxed, warm and enjoyable summer. We would like to welcome our new Development Team – Kim Kozak, Development Officer and Linda Henrickson, Planner – they will be sharing the duties.

Once again we have all noticed the conditions of our roads. Last fall our contractor was able to start on a few

of our worst areas, and has promised to continue once the road bans are off June 15th. Again we thank you for your patience. The Tri-Village Regional Sewer Commission has been installing the new Force Main Sewer Line from the main lift station behind the new motel out to the lagoon. The path goes through the ball diamonds down 47 Avenue to Boundary Road (42 Street) and then east through the golf course to the lagoon. The new line will eliminate the line breaks we have been having on 50 Avenue over the last few

years. We appreciate your patience on this project!

As a lake community, we are in a unique position and have an important role to play in the protection of our many lake and watershed; they are vital to our local economy. The Lake Isle and Lac Ste. Anne Water Quality Society (LILSA) is an organization that helps maintain and improve the quality of our lakes. We encourage all residents; property owners and visitors to support LILSA by purchasing an annual membership. Memberships are \$20.00 per family and allow the members to vote at the Annual General Meeting. The money raised goes directly into costs the costs associated with running LILSA, their programs and events, and applying for grants. In other words, money raised in the area goes right back to helping our lakes and watershed. To support LILSA, Alberta Beach will be selling memberships at the Village Office (LILSA receipts will be given). We hope you support LILSA in their important work.

We have our Public Works department working hard to clean up our Village, I encourage all of you to do

the same. Remove all those old and tired vehicles parked in your yards, cut your grass and weeds, fix those fences and paint if needed. Take pride in where you live. Respect you neighbors and yourselves. To report an unsightly property, please call By-Law at 780-924-3434.

The RCMP have once again agreed to offer Enhanced Policing patrols that started on May long weekend and will run through to mid-September. They have been utilizing their field office that is set up in our administration building, offering year round patrols.

As always if you have any questions, comments or concerns or would just like to sit down and have a coffee with myself or any member of Council or our municipal team please contact the Village Office. Again as a reminder, Council Meetings are held on the third Tuesday of each month at 7:00 p.m. in the Alberta Beach Council Chambers that are temporarily located in Unit 5A, 4000 Museum Road until further notice. Everyone is welcome to attend.

Let's all have a safe and enjoyable summer. Sincerely, Jim Benedict

# GRADUATION 2019 BECOMES A REALITY

Submitted by Onoway Jr Sr High School

Last September, it seemed graduation day for OJSH Grade 12 students was still a far off dream with lots of time to determine courses, work on assignments, socialize with friends

and enjoy being the senior class of high school. However, as is the case, the year flew by as courses, assignments, projects, studying, sports and other extra-curricular activities and, most importantly, final exams consumed students' time.

On June 28th, graduation for the

Class of 2019 became a reality. The graduation ceremony for 80 eager and excited yet nervous graduates took place in the gymnasium at 2:30 p.m.

Grad day at OJSH began at noon when beautiful girls and handsome boys, dressed in their finest formal

wear, gathered in the gymnasium to have a group photo taken. Then it was a rush to dressing rooms to quickly change into the grad cap and gowns. Staff members were on hand to assist our graduates so that they made it in time for the formal group portrait – this is the photo that will eventually hang on our school walls. Once the formal picture taking was complete, it was time for the ceremony. As in the past, the ceremony was live-streamed on the school's web site.

Principal Lobo conducted the ceremony as proud parents and siblings, relatives, community members and honoured guests watched the proceedings. Mr. Lobo gave his opening address after the Grad 2019 procession and after OJSH staff members Ms. Karla Schmidt Peterson, Mr. VanCamp, Mr. Eastman and Mr. Huxley led the audience in "O Canada". It was then the time for dignitaries to give greetings and special messages to the grad class.

Dane Lloyd, MP for Sturgeon River-Parkland, delivered a well-spoken message to the grads once again this year. Next, MLA for Lac Se. Anne-Parkland Shane Getson spoke to the graduating class, expressing his best wishes on behalf of the Government of Alberta. The grads were honoured to have Chief Tony Alexis of the Alexis Nakota Sioux Nation speak next. Mr. Alexis is an eloquent speaker whose words are always significant and well expressed.

After Chief Alexis, Trustee Christine Peck brought greetings from Northern Gateway Public School Board. Next to bring a special message to the Class of 2019 was Councillor George Vaughan from Lac Ste. Anne County. Mayor Judy Tracy spoke to the class on behalf of the Town of Onoway. Laura Harrison spoke on behalf of the OJSH School Council and the Superintendent's message of congratulations was brought to the grads by Deputy Superintendent of NGPS Michelle Brennick.

# MEET OUR SPONSOR -- TYSCHUK CONSTRUCTION LTD.

Submitted by Onoway Royal Canadian Legion

Over the past few years the Onoway Legion has been blessed with a long list of very supportive corporate sponsors for our Friday night dinners, and for special occasions like VE Day and Remembrance Day.

One of these well-known sponsors and supporters is a local company that has been in business in Onoway since 1946. Tyschuk Construction Ltd. (TCL) has been providing support and encouragement to residents, businesses and organizations like the Onoway Legion for many years.

TCL was established by James and Katherine Tyschuk after James was discharged from the army. Originally, they settled on a farm north of Onoway but soon moved into a home in central Onoway. James' interests and education as a civil engineer and aircraft mechanic complemented their original business in the trucking industry and further complemented the company's expansion into excavating.

The company moved to its current 20-acre location in 1970. The company has continued to broaden its expertise to include municipal infrastructure and most recently specializing in water pipeline installations.

The company currently has 20 employees with Katherine and three of her 5 children (Jim, Garry & Cheryl) actively involved in the day to day business.

TCL has developed an excellent reputation as a company based upon integrity and qualified well-trained employees who are known for their support of Onoway and the surrounding district.

Onoway Legion 132 is very grateful for the ongoing support from TCL and the Tyschuk family. At the recent June 4th VE dinner, we were very pleased to accept the family's presentation of a wonderful picture of James Tyschuk in Halifax on May 7th, 1945, celebrating the defeat of Germany.

# GOLFER'S GUIDE

## HOW TO AVOID INJURIES ON THE GOLF COURSE THIS SUMMER

(NC) For even the best of us golf can be a frustrating sport. The precision, patience, resiliency, and mental strength required challenges even the most talented and level-headed participants. With that being said golf is one of the most popular Canadian summer past times and is enjoyed by Canadians of all skill levels. While golf will undoubtedly test our mental strength, it can

be even more taxing on our bodies. The constant bending over, repetitive swing motion, and hot weather conditions take a physical toll.

Here are some tips to help prepare your body for a round of golf and avoid injury:

**Find your swing:** It is very easy for amateur golfers to injure themselves by repeatedly doing an incorrect swing. Everyone's swing is different,

but it is important to work with a swing that benefits our game and body. Consulting with a professional before hitting the links will help develop our game and avoid injury.

**The right equipment:** Wearing proper golf attire goes beyond simply looking the part. Your playing partners will be intimidated when they see you strut to the tee box looking like Jordan Spieth; that is

until you flub your first drive 20 yards right into the water. Wearing soft spike golf shoes gives you greater shock absorption and cushioning. This helps your back in both the short and long term.

**Preparation:** Always make sure to stretch your muscles prior to and after a round of golf. We may be in a rush to reach the 19th hole, but it is important to cool our muscles down after a strenuous round.

**Carrying your bag:** Lugging your golf bag around the course adds a lot of unnecessary stress to your body. Elect to either drive a golf cart or else push your pull your bag using a golf bag cart.

**Hydrate:** Hydration is fundamental to success and safety in any sport. This is magnified when we are playing an outdoor sport during the summer. Drinking water helps decrease your risk of injury and fatigue when on the golf course.

If you are able to identify the suspect or have information about this investigation, please call the Stony Plain RCMP at 780-968-7267, or call your local police detachment.

# AGRICULTURAL SERVICES SEASONAL SPRAYING PROGRAM

Submitted by Lac Ste. Anne County | [www.LSAC.ca](http://www.LSAC.ca)

Please note that the County's Agricultural Services department will be carrying out targeted roadside spraying of woody vegetation (brush), noxious weeds, and prohibited noxious weeds throughout the County. These activities will occur June through September.

Requests for additional herbicide application inside property owners' fence lines will be considered upon signed agreement.

Those who wish to NOT have roadside right of ways adjacent to their property sprayed may choose to opt out of this program. Opting out requires registering with the County annually. Opt-out application forms are available at the Coun-

ty office, or downloadable at [www.LSAC.ca](http://www.LSAC.ca).

The intent of the seasonal spraying program is multi-fold:

- Controlled propagation of noxious and prohibited noxious weeds within the county
- Increased safety through improved roadside and intersection sightlines
- Reduced road maintenance costs

and improvement in a road's ability to dry; and elimination of vegetation that may obstruct snow removal during winter months

For more information on how the County's Agricultural Services team can help you this season, call 1.866.880.5722 and speak with one of our friendly Ag Services specialists

# ONOWAY GOLDEN CLUB CELEBRATES SENIOR'S WEEK

Submitted by Onoway Golden Club

Onoway Golden Club hosted a beautiful catered dinner at the Onoway Community Hall on Tuesday evening, June 3rd in celebration of Alberta's Senior Week. Members of our community that were 90 and over, along with a guest were treated to a complimentary dinner and a small favor. Eligible guests over 90 were Mrs. Flora Weiss, 102 years young, Mrs. Ruth Schultz, Peter Bentley, Maggie Krasnow, Marie Calder and Irene Stevensen. Irene was unable to attend but received

her meal at home. Many thanks to an FCSS grant for their contribution to our dinner. Over 80 guests attended the dinner of roast beef and chicken with all the trimmings, provided by Bonnie's catering. Door prizes were donated by Onoway Guardian Drugs, East End Bus, Bonnie Read, and Michelle Bourke. Proceeds from a draw were donated to Onoway Public Library. Many thanks to all the contributors.

Our regular season is coming to an end, although the centre will be open every Tuesday through July and August for anyone wishing to come out to socialize and share in

a game or two. If you would like more information, please call our president June Schneider or any of the members or drop in and have some fun.

Music Night returned on June 1st where our regular jammers came out to share some tunes and others came to listen and enjoy a snack lunch. Keep tuned for a follow up!

During Heritage Days we provided a float for the parade. A beautiful 1958 Dodge sedan owned and chauffeured by Jack Cooper was tastefully decorated and riding along were Flora Weiss, Ruth Schultz and Peter Bentley with

Zakkery passing out treats along the way. Following the parade the Club served hamburgers, hot dogs and homemade pies to an appreciative crowd. A great time of fellowship was enjoyed making the pies prior to the event.

Our thoughts and prayers are with Peter who has more recently been admitted to hospital.

Our dear Flora will be celebrating her 103 birthday on June 29th. We wish her good health and we extend a Big Thank you for her love and friendship.

Hope you all have a great summer.

We had our Lifeskills achievement day on June 8th, thank you to everyone that came out. The hall looked amazing with all the wonderful quilts hanging on the wall. Our Quilting members also had there technique challenge on display for us. For this year's challenge, our quilting members took a class at Homestead Fabrics And Quilting to learn how to make Jelly Roll Rugs. All the rugs turned out very well, good job to all our Quilting members! Our Foods members had some very delicious treats on their tables for our guests to try. They

also decorated awesome display boards to show us what other foods they had made throughout the 4-H year. Our Vet Science members created very engaging and educational displays to show case what they did and what they learned through the Vet Science project this year! Once again Dr. Nay did a Great job teaching everyone! Last but not least our Lifeskills Achievement day had their first ever bird show! Two of our feathered friends members brought pheasant chicks that will be released in late August. One of our feathered friends members brought seven Pekin ducklings, and one brought 3 different breads of chickens. Overall we had a great year with lots of fun projects, and it was a lot of fun to see them all at our

Lifeskills Achievement day! Throughout the summer our club will be doing various activities such as helping out at the Cherhill Fundays, and working the concession at the Darwell Barn Burner. Some of our members will also be attending 4-H summer camps. For next year our club is excited to possibly have a couple new projects as well as all the fun projects we have already. ## Graduation 2019 Becomes a Reality

Continued from Page 6

As a tribute to the graduating class, the students were saluted with an Honour Song performed by the Logan Alexis Singers. Valedictorian Ashley Davis then spoke on behalf of the graduating class, her address expressing how meaningful this special day was for her and for each and every OJSH graduate. The ceremony continued as the

graduates were introduced by teacher Mrs. Ellie Anderson and by retiring teacher Mr. Renato Chiumento. Each student was called onto the stage individually to receive their diploma and a handshake from Mr. Lobo. In a special tribute to the graduates' success, those who were First Nations also received an eagle feather from OJSH Native Counsellor Tracey Noyes. The eagle feathers had been blessed by an Elder,

Francis Alexis in a ceremony several days prior to the ceremony. Those graduating students of Metis heritage received a special Metis sash from Counsellor Dean Bellerose.

After Mr. Lobo gave his closing remarks, there was the Grad 2019 Recession with special songs chosen by the students. This was the time for family hugs and photos, a change out of the grad gowns into formal wear before going off to the

arena for the banquet and an evening filled with family, friends, laughter, some tears, and a sense of joy and accomplishment.

The staff at OJSH wish this year's graduating class safe journeys and a wonderful future.

Go to the [onewayhigh.ca](http://onewayhigh.ca) website to view a special Grad 2019 Newsletter edition that has photos of the grads and a copy of Ashley's Valedictory address.

## Barrhead RCMP Report: June 20 - June 26, 2019

Continued from Page 1

This incident was also captured on surveillance video and police easily recognized the suspect. The male has not been located as yet and an arrest warrant is pending.

On June 23 police responded to a complaint of suspicious persons on Range Road 33. The caller reported a male and a female walking and thought they looked out of police. When police located the couple they determined that the female was wanted and that she was on conditions to have no contact with the

man. The male was on conditions to have no contact with the woman and both were arrested. When the male was arrested and searched he was found in possession of a prohibited weapon. Trace amounts of crystal meth were also seized. The 41 year old male and 28 year old female, both of Edmonton, were subsequently released on conditions.

Early on June 27 Barrhead Detachment received a report of an armed and possibly suicidal male who had just walked away from a residence in Barrhead. The complainant reported hearing one gun-

shot shortly after the male departed. Minutes later the complainant reported hearing a second gunshot. Several callers also reported hearing gunshots. Members from Barrhead and Westlock responded along with a police dog handler from Stony Plain. The Emergency Response Team was being consulted when members located the male walking along 53 Avenue. The male did not comply with direction from police and the police dog was deployed to effect his arrest. The male was taken into custody after sustaining several bite injuries. He was treated at Bar-

rhead Hospital and discharged into police custody. The 37 year old Barrhead male remains in custody and is charged with several weapons and other offences. Members would like to thank the public for their assistance in providing information.

# WHAT MATTERS TO YOU?

Submitted by **MLA Shane Getson – Lac Ste. Anne - Parkland**

Only a few weeks have passed, but honestly, it feels like a month or two. It has been a long couple of weeks with a few real late-night sessions, the longest one going on for 45 hours, from July 3-5th. This session brought the House to adjournment until October 22nd.

What Matters to you...the items that were on our platform, and what I have heard directly from you, are the items we're working on. The provincial carbon tax is gone and now we're challenging the federal one.

Bill 13, The Alberta Senate Election Act, which had been around since 1987 and gave Albertans the power to elect their senator nomination candidate had expired under the previous government. It became clear to us though with Bill C-69, the no-more-pipelines bill, that elected Senators who are accountable to Alberta voters are more likely to defend our province's interests. This government fought hard to get this obvious right to select a candidate back to you. Yes folks, Bill 13 was passed!

If you want to see how these proceedings go, I strongly recommend to either come on down and see this live, or have a look on the web site / television channel for the legislature (<http://assemblyonline.assembly.ab.ca/Harmony>) Your tax dollars pay for it, you may as well use it.

The other big achievement is that I am able to get some great support, feedback, and yes, answers from Cabinet ministers, and we are navigating our way through the departments. I didn't know a bunch about these folks when they were chosen, but I can see why now. They're very strong, responsive and care about Albertans.

Over the last few weeks I've managed to take care of my work in the Legislature, and also get in

some community engagement in mornings, evenings, and on the weekends. Parades, birthdays, graduations, and anniversaries. I have to tell you the more people I meet in our area, the prouder I am to represent you. For example, I met Flora Weiss who recently celebrated her 103rd birthday. Needless to say, Flora faced more challenges that you and I can imagine throughout her life. So, of course I had to ask what her secret is. She said "stay positive and be resourceful". Flora – you truly are an inspiration!

Congratulations also to all the Grads. Keep working hard. The future is yours to build.

None of these events come together so effortlessly without the dedication and hard work of so many volunteers. These community events that we enjoy so much wouldn't happen without you. Thank you.

It may have seemed that we were as stable as a newborn calf in getting our office up and running. I appreciate your patience! We're set up now over at the Oneway Heritage Center, open Mon-Fri, 9-4. Come and see us anytime and if you need to see me before or after those hours, that can be arranged too. I'm sorry, but we're still waiting on Telus to give us phone service. Until that happens though, you can reach me by email at [LacSteAnne.Parkland@assembly.ab.ca](mailto:LacSteAnne.Parkland@assembly.ab.ca)

I'm really looking forward to working out of our Oneway office. I'll be closer to all the communities and I'll get a better sense of our local issues. I'm also looking forward to receiving invitations to your local events. Just drop us a line, book the time and date, and I'll be there. No better way to get my ear than if I'm out there with you at your event.

Thanks again to all of you who have told me about the hope, optimism, and positive feelings out there. Let's keep it up, and get the province rolling the right direction again. Respectfully, Shane.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

5	6	4	1	3	7	9	2	8
7	1	2	8	9	4	3	5	6
9	8	3	2	4	5	1	6	7
1	2	6	9	7	4	5	8	3
3	7	5	8	1	6	2	9	4
8	4	9	3	5	2	8	7	1
4	9	7	5	2	8	3	1	6
6	5	1	7	9	3	8	4	2
