Breaking Ground on the Entwistle Community Hub

Continued from Page 1

“The hub will serve the community and surrounding area providing recreational, social and cultural needs for years to come, fulfilling the County’s goals and objectives identified in our hamlet re-investment strategy.”

Yellowhead County Mayor Gerald Soroka had this to say about the initiative: “Yellowhead County and Parkland County are both deeply invested in improving the lives of our residents—that’s why we are equal funding partners in this project. We’re proud to have such a close and fruitful partnership and prouder still to jointly build a better future for our communities.”

“This is a great addition to the Hamlet of Entwistle,” said Mike

Heck, Chief Administration Officer. “It will be a highlight for the community that will feature an outdoor pool with amenities for people of all ages, the Entwistle Library, and leasable tenant space, which will generate revenue for the County.”

Construction is expected to begin late June 2019. The Entwistle Community Hub is anticipated to open June 2020.

The old Entwistle outdoor pool was past its lifecycle and required an update. The new Entwistle Community Hub will be located at the same location as the original Entwistle outdoor pool (4916 51 St, Entwistle, AB).

COMMUNITY EVENT TO PAY TRIBUTE TO LAKE WABAMUN

Submitted by WASA

On Saturday, July 13 from 3:30-6:30, the Fallis Community Association (FCA) is hosting an appreciation BBQ and reception for the Wabamun Area Stewardship Association (WASA). The FCA also wishes to acknowledge the many other groups and individuals, that contributed to the successful efforts this spring, to oppose the proposed development of a 300 RV lot Ridge

Water Resort "Enroute and Destination Campground", situated on the north shore of Lake Wabamun, near the hamlet of Fallis. The event will be held at the Fallis Community Hall located just north of Highway 16, on Range Road 52.

The "Connect, Appreciate, and Learn" event will allow a great opportunity to network with others interested in protecting Lake Wabamun. The event will foster education, increase public awareness

to adopt practices to encourage and inspire individual accountability, and instill the value of responsible development around water bodies. Resource information booths will be set up by WASA, Alberta Fish and Game Association, Ducks Unlimited, Parkland County's Alternative Land Use Services (ALUS) and Green Acreages programs, Nature Alberta Living by Water, Alberta Land Management Society, Agroforestry and Woodlot Extension Society, and other organizations involved in preservation and conservation. Kids activities, raffles, a 50/50 draw, bar services, a slideshow profiling Lake Wabamun, and bird house kits to build provided by the Fish and Game Association will be available. The event is the collaboration of the Fallis Community Association's Community Engagement Committee and WASA.

The Fallis Community Association (FCA) recently created the Community Engagement Committee to better focus on its objects as a society. The Committee's charter outlines the FCA's objective for the committee to provide leader-

ship, education and networking in the community. Running the Hall takes a lot of time and energy of the Board of Directors and the creation of the Committee is intended to allow the Association to become more involved in issues that impact the local community without diverting time and attention from current Hall activities. In meeting its objectives, the Committee could become involved in networking sessions, educational forums and supporting local community initiatives. Part of that support could be in the form of providing meeting space. A separate account has been established to make sure that funds provided to operations or improvements of the Hall are properly used for those purposes. Separate fund raising will be used to support the activities of the Committee. The Committee's membership includes members of the FCA executive and board as well as community members. This will ensure good alignment and accountability to the Board. If you are interested in becoming a member of the Committee or want to discuss its mandate further, please contact Lau-

Community Event to Pay Tribute to Lake Wabamun

rence Waring at 780-797-3123.

In October 2018, WASA was established representing a group of more than 300 local concerned citizens that were opposed to the proposed RV Campground development by Samco Development Ltd. on Lake Wabamun. WASA is a non-profit organization with Incorporated Society status, and their vision and objective is to promote proper advocacy and stewardship of land development of Lake Wabamun and area. They are not against development, however it is recognized that unregulated population and recreational growth impacts the Lake and the reasons people use it and live there. The primary concern of WASA is to maintain the integrity of the Lake, the watershed, and the delicately threatened ecosystem for the present and for future generations. Follow their activities on the "Wabamun Area Stewardship Association" facebook page, or become a member and request additional information at falliscommunity@gmail.com.

Attend the WASA Save Our Lake "Connect, Appreciate, and Learn" event on July 13 to reflect on this ongoing task to preserve and sus-

tain the viability of Lake Wabamun. The actions of Samco have set a bad precedent for others involved in land development. It is critical that development on our precious and limited resources, such as Lake Wabamun, occurs carefully and not only within legal compliances, but also in concert with regard for the community. Collectively and indi-

vidually we can create and foster positive guardianship change by committing to make a difference to maintain and protect the plant and wildlife biodiversity, manage wetland and riparian areas, preserve the ecosystem and watershed integrity, and protect the health of our very fragile and threatened lake water bodies for the use and enjoyment

for all of our generations to come. Conservation is a collaborative community effort – get involved and join the ecological team. On July 13, come help to celebrate Lake Wabamun and all that is has to offer, and come to be better informed about what can be done to help preserve this valuable resource.

35TH ANNUAL ENTWISTLE RODEO RECAP

Submitted by Entwistle Rodeo

We had a great turnout for the 35th Annual Entwistle Rodeo, the weather was a little rainy at the beginning of the weekend but really it only cut the dust.

Trach Rodeo Stock came from St. Paul with many bucking horses and bulls that have been to rodeos all over Alberta.

We had a very successful weekend. The Spectator turnout was good and the covered grandstands

were filled. Contestant entries were about 250 and several local contestants from the surrounding area came to compete. Team Roping was won by local cowboys Cayden Nickel and Frankie Nash.

The crowd enjoyed the pig races, chicken scrambles and whiskey race. Each day 2 little piggies and 10 chickens went to new homes with excited new owners and parents shaking their heads and saying "Oh my we don't need a rooster!".

Saturday night Greg Germschild and his band and daughter Becky

Hull played in the Beer Gardens. The Roy Catt Watering Hole Saloon had posted memorabilia of newspaper articles and pictures and the Hotel Challenge Trophy from way back when. Lots of chuckles shared reading the old articles.

The Thriller Trick Riders made a performance each day and amazed us with their talents. Rimbey Royalty Queens and Lil Miss Contestants were present on Saturday. Stella Stevens and the 840 CFCW Prize Patrol came to the rodeo on Sunday.

The panel raffles were donated by Quintal Service Ltd of Onoway and

the winners were Stanley Zatorski and Andrea Meldrum for a set of isolation pens each. The 50/50 draw nearly sold out each day and the Saturday winner was Barb Madden of Wildwood and Sunday winner was Debbie Mears of Entwistle.

The crowd was entertained all weekend by announcer Robert Lind of Timberlind Auctions and rodeo clown Squirrelly Early Anderson of Medicine Lodge.

Thank you to all our great sponsors and volunteers that make this rodeo a success!!! Looking forward to seeing you all again in 2020.

Your continued support allows us to fund students at their awards ceremonies and community groups such as the Wildwood Agriculture Society for their young farming families and members. We also are supporting the Evansburg 3070 Army Cadets in Evansburg. We continue to enjoy our fun Saturdays at the meat draw. Now that we have a pool table back

in RCL Wildwood Br 149, there is opportunity for mini pool tournaments.

Did you know the Royal Canadian Legion Wildwood Branch 149 is celebrating our 75th Anniversary this year? We had hoped to have our celebration in August, but there just too many other events taking place. With all the community events going on this year and the Agriculture Society celebrating their 80th Anniversary for two days, we, the executive, decided that on September 13, 2019 we will be hosting a steak supper at 6:00 pm to celebrate receiving

our charter as of April 11, 1944. We invite everyone to come out to help us celebrate. Please join us for entertainment by DJ Lori Rehn. We will be inviting a number of special guests.

Our next supper is July 12, 2019 at 6:00 pm. Gina is preparing regular ole' chicken breasts with a cold plate, potato salad and garden salad. It goes without saying that there will be buns and dessert.

Did you miss our spring brunch in March? We hosted a, "Welcome to the "Summer Solstice Brunch", on June 22, from 10:30 am to 1:30 pm

pancakes, scrambled eggs, sausage, bacon, and strawberries. Where else would you get all that for \$10.00? We had a fantastic turnout. We really appreciate your support. The next one will be in September. Keep your eyes peeled for posters The bottle depot is open Tuesday through Friday 11:00 am to 5:00 pm. and Saturdays 10:00 am to 5:00 pm. We appreciate advance notice for large deposits, like a bottle drive, so we can serve you better.

We are open at 11:00 am for lunch on Thursdays with Eleanor Wiebe cooking up different items each week. We are open Friday afternoons from 1:00 pm till 5:30 pm or later if needed. Every Saturday we have a meat draw starting at 2:30 pm with a basket draw and a 50-50 draw. Meat draws have been expanded to include three meats and as always, bacon and eggs and now occasionally with sausage and eggs. Everyone is welcome to attend and try their luck. Meat draws are very well attended. Thank-you!

You do not have to be a member to attend any of our meat draws, suppers or lunches or just drop in for coffee and a visit. We appreciate your support of our Legion.

Our Casino event is scheduled for July 28 and 29, 2019 and we still need two more volunteers.

Next meeting is September 16, 2019 with the Executive meeting at 6:00 pm and the general meeting starting at 7:00 pm. Uniform Dress please. Want to join the Legion to help support your community? New members are always welcome.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

6	6	4	1	3	7	9	2	8
7	1	2	6	8	9	4	3	5
9	8	3	2	4	5	1	6	7
1	2	6	9	7	4	5	8	3
3	7	5	8	1	6	2	9	4
8	4	9	3	5	2	6	7	1
4	9	7	5	2	8	3	1	6
6	5	1	7	9	3	8	4	2
2	3	8	4	6	1	7	5	9

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
