JOKE OF THE WEEK

Jacques Larouche, a Canadian calls the RCMP, 'Hello is this the RCMP? I'm calling about my neighbour, Étienne Dubois. He is hiding marijuana in his firewood.'

The next day the RCMP descends on Étienne's house and search the shed where the firewood is kept. They break open every piece of firewood, but find no marijuana. They apologise to Étienne and leave.

Now the phone rings at Étienne's. 'Hey Étienne, did the RCMP come to your house?' **'Yep.'**

'Did they chop all your firewood?' **'Yep.'**

LANDFILL OPERATORS PLEAD GUILTY

Submitted by Government of Alberta

The Town of Whitecourt and Woodlands County, operators of the Whitecourt Regional Solid Waste Management Authority, have each pleaded guilty to one count under the province's Environmental Protection and Enhancement Act.

In an agreed statement of facts, the parties admitted starting landfill alterations without first

receiving permission. The remaining charges against the parties were withdrawn.

Sentencing

The Town of Whitecourt was penalized \$69,630 for its role in the offence; Woodlands County received \$30,370 penalty. The funds from this conviction will be used for two creative sentencing projects. One portion will see \$15,000 set aside for training for landfill operation and management. A second proj-

ect, for which \$80,000 will be diverted, will study how poplar trees aid in absorbing and cleaning waste-tainted water from the waste cells.

Quick facts

The Government of Alberta relies on the public to report environmental spills and releases or environmental emergencies. To report these types of incidents, please call the 24-hour EDGE (Environmental and Dangerous Goods Emergency)

hotline at 1-800-222-6514.

Alberta Environment and Parks focuses on education, prevention and enforcement to ensure all Albertans continue to enjoy a clean and healthy environment.

When individuals, companies or municipalities fail to comply with environmental legislation, Environment and Parks has a range of options, depending on the offence, to ensure compliance.

ALBERTA RCMP REITERATES WILDFIRE SAFETY MESSAGING

Submitted by Alberta RCMP

Edmonton – While various wildfires across Alberta continue to challenge firefighters, our police operations continue to be focused on keeping Albertans safe. Due to worsening wildfire con-

ditions, RCMP reminds motorists across Alberta to turn your headlights on, obey posted road signs and follow instructions provided by local authorities and emergency personnel.

The RCMP is ensuring the safety and security of people and property on the ground by

controlling access points on the highways leading into the communities affected by wildfires and putting in place the resources necessary to mitigate criminal activities such as looting.

Anyone who chooses to ignore evacuation notices is potentially putting not only themselves in

danger, but also is placing First Responders in harm's way.

The patience and cooperation of affected people has been appreciated. During times like this, it is extremely important that residents follow instructions provided by emergency personnel.

HOME CHILD CARE PROVIDER AND HOME SUPPORT WORKER

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that Immigration, Refugees and Citizenship is launching 2 new pilots that will help caregivers who come to this country make it their permanent home.

The Home Child Care Provider and Home Support Worker pilots will open for applications on June 18, 2019, replacing the expiring

Caring for Children and Caring for People with High Medical Needs pilots.

Caregivers will now only receive a work permit if they have a job offer in Canada and meet standard criteria for economic immigration programs. Once working in Canada, caregivers will be able to begin gaining the required two years of Canadian work experience to apply for permanent residence.

Through these new pilots, caregivers will also benefit from:

- occupation-specific work permits, rather than employer-specific, to allow for a fast change of employers when necessary;
 - open work permits and/or study permits for the caregivers' immediate family, to help families come to Canada together; and
 - * a clear transition from temporary to permanent status, to ensure that once caregivers have met the work experience requirement, they will be able to become permanent residents quickly.
- "This will provide caregivers

from abroad and their families with a clear, direct pathway to permanent residence," concluded MP Eglinski.

The expiring pilots will close to new applications on June 18, 2019. Caregivers who have applied before this date will continue to have their applications processed through to a final decision.

BLUE-GREEN ALGAE BLOOM ADVISORY ISSUED FOR LAC STE. ANNE

Submitted by Alberta Health Services

A blue-green algae (cyanobacteria) bloom has been identified in areas of Lac Ste. Anne. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Lac Ste. Anne, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions

can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Lac Ste. Anne, until further notice.

Please note that areas of Lac Ste. Anne in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on

health concerns and blue-green algae, please call Health Link at 811. Additional information is also available online, at www.ahs.ca/bga.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

NOTES FROM THE ONOWAY LEGION

Submitted by Richard Moses | Onoway Royal Canadian Legion

Summer Dinners

This will be the last regular column until late summer. Friday din-

ners will continue over the summer, ranging from burgers to steak to a corn roast. Check Facebook or the message board at the legion entrance to learn what each week's offering will be. The weekly column will begin again in late summer.

Parking at the Legion

Please note: The back lot at the Anglican church across the road from the legion has traditionally been available for legion use when not needed by the Church or their renter groups. However, the back lot will no longer be available for Legion use on Fridays because a group is now meeting at the church each Friday evening.

Parking is always an issue and it's only fair that priority in the church

lot be given to people renting church space. There is still a great deal of street parking, and a couple of disabled parking spots in front of the legion and the church. If they are full, feel free to use the no-parking zones in front of both buildings to drop off passengers before parking elsewhere.

Kitchen Manager Required!

The Legion is urgently in need of a Kitchen Manager. The volunteer Kitchen Manager is not expected to prepare meals, but to provide guidance to four other volunteers (volunteer coordinator, Friday night dinner coordinator, special events/functions coordinator, kitchen administrator). He/she must also ensure the four others are in place and trained. The manager is also responsible for managing the finances and related record-keeping, and helping the dinner coordinator to fill each open Friday. Contact Carol at 780-967-0607 or by email at oldcrone11@gmail.com if you feel you can help keep Friday night dinners happening.

Wednesday Night Pub Night

For the summer, the legion will be open every Wednesday for a Pub Night. Play pool, darts, cards or just socialize over a cold one. Everyone is welcome.

Did You Know?

With more and more people now sensitive to strong scents (perfume, aftershave, etc.), the legion is moving toward a scent-free environment. Please consider others when you're choosing what to wear.

YOUTH EMPLOYMENT AND SKILLS STRATEGY (YESS) FUNDING

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that the Department of Employment and Social Development is providing funding to organizations to deliver a range of activities that help youth overcome barriers

to employment and develop a broad range of skills and knowledge to participate in the current and future labour market.

The application period is open from June 3 to July 26, 2019. Funding projects are scheduled to begin on April 1, 2020.

The projects can be:

- National: activities must take place in three or more provinces

or territories

- Regional: activities can be provincial, territorial, or local in scope, but limited to one province or territory.

YESS will provide up to \$600M to organizations over three years.

“This will help youth overcome barriers to employment and I encourage organizations in

the Yellowhead, to apply,” concluded MP Eglinski.

More information can be found at:

RCMP MAKE ARREST AT EDMONTON INTERNATIONAL AIRPORT

Submitted by EIA RCMP

Edmonton – On June 18 at approximately 7 p.m., the Edmonton International Airport Detachment responded to a call for service in relation to a male

in distress in the airport parkade.

During the course of the investigation, it was revealed that the 41-year-old male from Edmonton was wanted on an outstanding arrest warrant. He was taken into RCMP custody and transported to the airport detach-

ment. While in custody, the male became extremely agitated and the responding members were required to restrain him and take him through the airport to a police vehicle for transport to an Edmonton hospital.

During transport, an incident arose that required RCMP to stop roadside to subdue the male, resulting in a Conducted Energy Weapon being deployed.

Edmonton Police Service responded to assist, along with EMS. Once the situation was under control, members were able to continue transport the hospital.

The investigation into this incident continues by both the RCMP and Alberta Serious Incident Response Team. No further information will be made available by RCMP.

SCOTT SAFETY CENTRE EXPANSION PROJECT UNDERWAY

Submitted by Town of Whitecourt

Equipment and crews are on site at the Scott Safety Centre to begin work on the 2,000 square foot expansion project.

The partnership project, which will be completed by Brennex Building Corporation Ltd., is scheduled for completion at the end of October 2019 and will include the following components:

- A dressing room for exclusive use by the Whitecourt Wolverines Junior A Hockey Team;
- Reception Area;
- Offices;
- Washrooms/Shower;
- Laundry Room.

Brennex Building Corporation Ltd. has indicated that it will be using local contractors to complete the project.

"I'm happy to see crews on site and construction work underway at the home of the Wolverines, the Scott Safety Centre," stated Whitecourt Wolverine own-

er Brent Stark. "Our Club has been looking forward to this for a long time, and the new dressing rooms, additional offices and other amenities will help our Club meet our long and short term goals."

Having an exclusive area for the Junior A team further cements the presence of the Wolverines in our region, and will allow for other community groups to make use of the space currently allocated to the Club. The Whitecourt Wolverines will start pre-season activities in August and utilize its existing dressing room, and then will transition to the new space upon project completion.

"After years of working together on this project, I'm so pleased to see construction started and on target for completion for use in the 2019/2020 AJHL season," added Whitecourt Mayor Maryann Chichak. "Not only will the expansion project provide dedicated space to the

Whitecourt Wolverines, but it will free up space at the Scott Safety Centre for other user groups and better meet the needs of our community."

Season tickets are now on sale! Call Wendy at 780-268-0107 for details. For information on the Whitecourt Wolverines visit www.whitecourtwolverines.ca.

SPACE CAMP WINNERS

Two intrepid County candidates have been selected to attend Cosmodome Space Camp in Laval, Quebec this summer.

Local students David Minchin and Jasmine Wegewitz are about to embark on astronaut training! They were the lucky two selected to attend the Cosmodome Space Camp in Laval, Quebec this summer. David and Jasmine underwent a vetting process that

included grades, reference letters and an essay on why they were ideal candidates. Congratulations!

The County also congratulates runners-up Stanley Sorensen and Ijse Bouis for their excellent submissions, and thanks all applicants for participating.

Additionally, a heartfelt thanks goes out to the selection committee: County Councillors Lloyd Giebelhaus and Nick Gelych; County Administration Trinity Hinds; Northern Gateway Public School Representative Sherry Jeffreys; and community member Carol Ohler. The County appreciates your time and careful consideration of each and every application. Thank you!

RESOLUTION OF ENVIRONMENTAL CHARGES RELATED TO WHITECOURT REGIONAL SOLID WASTE MANAGEMENT AUTHORITY

Submitted by Town of Whitecourt & Woodlands County – July 10, 2019

The Town of Whitecourt (Town), and Woodlands County (County), as the joint operators of the Whitecourt Regional Solid Waste Management Authority (Authority), were each issued penalties pursuant to an offence under the Alberta Environmen-

tal Protection and Enhancement Act. The penalties resulted from charges pertaining to environmental upgrades initiated at the Whitecourt Regional Landfill in 2016 to extend the lifespan and capacity of the facility.

The Authority began work on the Whitecourt Regional Landfill Environmental Upgrades Project in 2015. The project, which will be completed in

six phases, includes the development of new cells and a new leachate collection system which will extend the lifespan of the facility by 39 years. After identifying and resolving the process and communication issues which led to the charges in question, the Authority worked with Alberta Environment to amend the project approval, and successfully completed Phase 1

of the upgrades project in 2017. The Authority takes protection of the environment seriously and took immediate steps to improve its procedures to guard against the possibility of future issues arising. In addition, the Authority worked with Alberta Environment approval staff on the completion of the project to incorporate elements that meet or exceed current best practices, while ensuring the environment was protected at all times.

As part of the resolution, the Town and County proposed that a significant portion of the penalty imposed should provide a direct public benefit. It has been agreed that the Town and County will collectively contribute \$80,000 towards an innovative phytoremediation research project being conducted by Innotech Alberta Inc. that will impact future enhancements at all Alberta landfills, including the regional facility. InnoTech will be researching whether the planting of trees and vegetation on or around landfill cells can be used to reduce the amount of landfill leachate from the cells. It is currently intended that the results of the project will be incorporated into the Whitecourt Regional Landfill’s operations, and will provide a more cost effective process to treat leachate on site. The Town and County will also collectively contribute \$15,000 for training landfill managers on leachate management, in addition to fines imposed on each of the Town and County that total \$5,000 under the Environmental Protection and Enhancement Act.

The Town, County, and Authority will all continue to work to meet the public’s expectations that operations meet the highest standards of compliance and environmental protection are met.

PARKLAND RCMP ARREST MALE FOR NUMEROUS CHARGES IN MULTIPLE JURISDICTIONS

Submitted by Parkland RCMP

Spruce Grove, Alta. - On June 22, 2019 at 2:17 a.m., Parkland RCMP were dispatched to a report of a break and enter to a business located in the Spruce Grove Industrial Park. Entry had been gained to the business and a service vehicle had been stolen. The service vehicle had a tracking device.

The vehicle was tracked to St. Albert, Alta. where St. Albert RCMP attempted to pull the vehicle over, but the suspect fled from police. The suspect drove the vehicle through multiple residential properties and then left the St. Albert area and proceeded to Morinville, Alta. While in Morinville, the suspect committed several offences including, robbery, break and enter and theft.

In a coordinated effort between Edmonton Police Service Air Services, Morinville, St. Albert and Parkland RCMP, the suspect was located and arrested without incident.

Matthew Marler (30), of no fixed address, was charged with the following offences:

- Robbery with offensive weapon
- Possession of property obtained by crime over \$5,000
- Possession of a weapon for dangerous purpose
- Possession of break-in instruments
- Dangerous operation of a motor vehicle
- Operation while prohibited
- Failure to comply probation order (x3)
- Failure to comply with condition of undertaking or recognizance (x5)

Marler was also arrested for warrants out of Athabasca, Red Deer and Boyle, Alta

After a judicial hearing, Marl-

er was remanded into custody. His first court appearance will be July 4, 2019 in Stony Plain Provincial Court.

The investigation is ongoing and further charges are pending. "Incidents like this demonstrate how effective law enforcement is at working together to pursue those who threaten

public safety and solve crime," said Inspector Mike Lokken, Parkland RCMP Detachment Commander. "Collaboration between enforcement agencies comes with its challenges, but everyone worked together and a prolific offender's crime spree was ended."

If you have information about

this investigation, please call the Stony Plain RCMP at 780-968-7267, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS.

ALBERTA RCMP REMINDS PUBLIC OF BEST RESOURCES TO ANSWER MOST COMMON 911 CALLS DURING WILDFIRES

Submitted by Alberta RCMP

Edmonton – In an effort to help mitigate some of the common calls the Operational Communications Centre (OCC) receive during the wildfires, the Alberta RCMP hosted a press conference at “K” Division Headquarters to provide Albertans and evacuees

with the best resources for their most common questions:

- For questions concerning highway closures or road conditions due to heavy smoke, contact Alberta 511 at 511.Alberta.ca or call 511.

- For questions regarding evacuation reception centres, please visit Alberta.ca/emergency. The current evacua-

tion centres are as follows:

- The Slave Lake Legacy Centre
- The Misery Mountain Ski Hill in Peace River
- La Crete Heritage Centre
- Grande Prairie Regional College
- Fort Vermillion Community Cultural Complex

Note: All evacuees should

register with an evacuation reception centre, if alternate accommodations have been found. This is to help ensure authorities can reach you if the situation changes.

- For questions regarding pets, please call High Level Animal Control at 780-926-2201. For evacuees within the Wabasca, Alta. area, please fill out an online form on the Alberta Animal Disaster Response Facebook group, or text 403-869-4964 and provide your name, contact number, number of animals missing, address they were last seen, and a brief description of your pet.

- For questions regarding livestock, please note that the County of Northern Lights is providing temporary access hours from 7 a.m. to 10 p.m. for residents to enter the property to handle livestock care. Residents must register for a temporary access pass at the County Office.

- For questions on returning home, please follow the Government of Alberta Twitter page hashtags #ABFire and #ABemerg

Fast facts:

- The Alberta RCMP has deployed approximately 40 additional members from various detachments across the province help augment existing detachments to ensure the safety of Albertans and to protect their property.

- In 2018, the OCCs took more than 910,217 calls for service with 220,608 (25%) coming from 911. Of these calls, 2,609 were generated as high priority or urgent police requests.

“On behalf of the Alberta RCMP, I would like to thank our provincial partners, first responders and continued assistance from firefighters for their tireless assistance. I would also like to thank all the well-wishes and heartfelt comments the Alberta RCMP has received. These messages have not gone unnoticed.” – Supt. Terry McLachlan, Alberta RCMP.

WHITECOURT RCMP LAY CHARGES AFTER B & E INVESTIGATIONS

Submitted by Whitecourt RCMP

Whitecourt, Alta. - On July 3, 2019, Whitecourt RCMP responded to a break and enter at the Canadian Tire location where numerous tools and a BB gun were stolen. On July 6th, 2019, Whitecourt RCMP responded to another break and enter, this time at First Choice Husky on Kepler Street. Cigarettes were stolen from this location.

As a result of the RCMP investigation, Cavan Watt (21) of Whitecourt was identified and charged with:

- Break and enter to a business
- Break and enter to steal a firearm
- Adult disguised with intent to commit an offence
- Theft under \$5000

- Possession of methamphetamine
- Fail to comply with conditions of an undertaking

Cavan Watt was held for a bail hearing and released on a recognizance to appear in Whitecourt Provincial Court on August 13, 2019.

As this matter is now before the courts no further information will be released.

If you have any information regarding this occurrence or any other investigation please contact the Whitecourt RCMP at 780-779-5900 or call your local police service. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

4		2	5		3			7
			1					4
3	8			7				
6			8	1				5
1	9				6			
8	2		7			6		
2	7	8				5	4	
	4	3			2			6
	1			5			8	

ANSWER:

4	6	2	5	9	3	8	1	7
7	5	9	1	2	8	3	6	4
3	8	1	6	7	4	9	2	5
6	3	7	8	1	9	4	5	2
1	9	5	2	4	6	7	3	8
8	2	4	7	3	5	6	9	1
2	7	8	3	6	1	5	4	9
5	4	3	9	8	2	1	7	6
9	1	6	4	5	7	2	8	3

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
