## GROUCH NOMINEES SELECTED

Submitted by Al Hagman

The time has come to an end for the reign of current Grouch, Kristen Logan. She has spent the last year terrorizing the community and now must lay down her pick axe and helmet. We would like to thank her for the effort she has given in her elected roll.

Fortunately, two "Grouch in Training" candidates have been nominated to take up the job for

**Dallas Rushton**

2019-2020. The first candidate is Dallas Rushton. Dallas is a former owner of the consignment clothing store in Entwistle. Nowadays, she can be seen at

**Lorraine Kothke**

the arena playing "Pickle Ball" where she punishes her opponents in a legally acceptable manner.

## EVANSBURG RCMP ISSUE PUBLIC SAFETY ADVISORY RE: TUBING ON PEMBINA RIVER

Submitted by Evansburg RCMP

Evansburg RCMP are issuing a public safety message following an influx of search and rescue operations along the Pembina River.

This summer, Evansburg RCMP have already safely resolved several complaints involving stranded people along the Pembina River.

Visitors and residents of the

area who are wishing to tube the Pembina River are reminded to take extra steps and be prepared for their journey:

- Know the area, review maps and understand how long your journey will take
- Notify a responsible person where you are going, who you are with, and the route you plan on taking
- Dress appropriately for the weather, including use of a wet suit when necessary

- Wear a life jacket
- Avoid consuming alcohol
- Bring a cell phone and store it properly for the conditions

Corporal Brandon Tobin, Operations Supervisor at Evansburg Detachment says: "I've had a number of people tell me that they were under the impression that the river either ran in a circle or looped back around towards the Provincial Park, this is false information.

# Grouch Nominees Selected

Continued from Page 1

There are several there that have bruises and bumps from her hits. She admits that she has been nagging her man Dustin for 12 years. She has been honing her skills on 4 children over the last 26 years. In her own words, "I have taunted, tortured, gnarled, whined, groaned and squawked, murmured, muttered and pooped at

the parties here in Evansburg for 23 years." She could be a winner!

The second nominee is Lorraine Kothke. She can be seen and heard practicing her "grouching" at her retail outlet, "Down the Rabbit Hole." She has the grouchiest picture that this reporter has ever seen on the side of a coffee can. She is the mother of many (she wouldn't say how many). Her

mean ways come expectedly. She is an army brat, and was dragged from base to base by supposedly loving parents. She has lived all across Canada and even landed in Belgium. She settled in this area in 2001. She just opened up shop a year ago and she has very interesting items in the store. Dealing with customers, has helped her take grouching to a championship level. "I believe every Grouch deserves her day!" She too, is worthy!

So to all community members and visitors, help us finance our P.V. Daze by dropping some bills or coins in the "Grouch Cans" located in many of the local stores. Choose the nominee who you think would make a great ambassador for us, and insert the money in the slot by her name. The new Grouch will be crowned at the Saturday morning breakfast during P.V. Daze.

# THANK YOU

## Submitted by the Magnolia Community Club

Lloyd and Evelyne Thomas have been long time members of the Magnolia community, and

have hosted the Magnolia Community Hall power pole and meter for over four decades. However, they are keen landscapers, and their trees grew, imperiling the overhead line to the hall.

EQUUS provided an alternative route, placing the service pole on community property, and allowing the old service to be discontinued.

Thank you Lloyd and Evelyne

for being uncomplaining members of the community and thank you to EQUUS for the new service.

## Evansburg RCMP Issue Public Safety Advisory

Continued from Page 1

If you're planning on tubing on the river DO NOT enter the river at the Provincial Park Campgrounds, I can't stress that enough, The Park is where you must exit the river. If you enter the river at this location or float past the park, you WILL be stranded. In fact, last weekend Evansburg Detachment had to request assistance from the RCMP's Air Services to fly two stranded tubers out of the river bed. This incident tied up resources that may have been needed for emergencies elsewhere. We encourage people to enjoy the river, but do so responsibly. "

# AGRICOMPETITIVENESS PROGRAM 4-H CANADA

**Submitted by Jim Eglinski, MP – Yellowhead**

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to advise that Agriculture and Agri-Food Canada has announced an investment of up to \$3 million under the AgriCompetitiveness Program for 4-H Canada. The funding will allow 4-H Canada to continue to deliver impactful national programming that will em-

power youth to be responsible, caring and contributing leaders.

With this investment, 4-H Canada aims to reach even more youth across Canada through relevant youth leadership programs and initiatives in the areas of sustainable agriculture, food security, science and technology, the environment, health and nutrition, and community engagement. Through the delivery of exchanges, internships, hands-on learning activities, and confer-

ences like the annual Citizenship Congress, 4-H Canada will provide youth with opportunities to develop knowledge and capacity in these areas, advance their leadership skills, and explore various career paths.

In support of these activities, 4-H will deliver social media content, publications, and other communications materials and resources to a diverse spectrum of audiences to further expand the reach of 4-H clubs in rural communities.

"4-H Canada is one of the country's longest-running and most well-respected positive youth development organizations. In 2018, more than 114 new 4-H clubs were formed in Canada," concluded MP Eglinski.

# PALLIATIVE CARE FUNDING ANNOUNCEMENT

**Submitted by Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that Health Canada has announced that three organizations focusing on palliative care will receive more than \$4.5 million in funding. These investments under the Health Care Policy Contribution Program will help strengthen palliative care in Canada

by improving access to care at home and in the community for Canadians facing serious and life-threatening illnesses.

The funding includes:

- \$1.9 million over three years to the Canadian Hospice Palliative Care Association to help Canadians prepare for their future health care needs, including through public education and awareness, community workshops, and a renewed strategy to promote advance care planning.

- \$2 million over three years to the Canadian Virtual Hospice to expand existing virtual services and resources for palliative care and grief support to meet the needs of underserved communities, including families caring for a dying child, Francophones, and LGBTQ2 communities.

- \$600,000 over two years to the Canadian Home Care Association to help improve delivery of palliative care at home and communication

with patients, families, and caregivers.

"Canadians deserve to live out their lives in comfort and with dignity. This funding means better support for individual Canadians, their families, and caregivers," concluded MP Eglinski.

# FALLIS COMMUNITY ASSOCIATION CELEBRATES 70 YEARS STRONG

## Submitted by Fallis Community Association

On July 27th at the Fallis Hall, the Fallis Community Association (FCA) will celebrate 70 years. The event will start at 4:00 PM. There will be welcoming music by welcoming music by Ethan Redmond. At 4:30 there will be a magic show by John Darke. At around, 5:00 there will be commemoration of a Hills of Hope sign detailing the history of the original building as the Fallis School House. In addition, there will be acknowledgments of the contribution of the many members and partners who have contributed to the Association. This will be followed by a free BBQ at 5:30 and then music by Mike White and Friends. In addition, there will be activities for the kids and cake later in the evening.

Laurence Waring, the president of the FCA, notes that “70 years demonstrates a measure of staying power and continuity in the association and its role in the local community.” Recently, the hall has been substantially renovated. While there are still a few more projects to complete, over the last year the hall as a new metal roof, new flooring and several structural issues have been addressed. If you haven’t been in the hall recently, this is a great opportunity to visit and see the improvements. One of the objectives of the FCA is to increase the usage of the particularly during the mid-weeks.

The FCA has been providing community-based programming for 70 years. In the recent past, the hall has hosted a number of community events including dances in the spring and fall, Christmas Concert, Fathers’ Day Chili-Cook off and Mothers’ Day Champagne Brunch. Members are treated to an annual Member Appreciation Dinner and can rent the hall on a discounted basis. A major fund-raising event of the FCA is the annual Show and Shine which will be on September 7th this year. Over the years the FCA has also sponsored several educational

forums. Recently the FCA has established a Community Engagement Committee which is looking to develop a number of programs and events that can help members of the local community understand and influence change around them. On August 21st, the FCA will be hosting a BBQ and Fire Smart session at the hall. This will introduce residents to the Fire Smart program and using the hall as an example learn how you can make changes to mitigate the impact of a wild

fire on your own home. Also this summer, the FCA is offering a Kidz Zone every Tuesday morning for kids to come out and enjoy a variety of interesting programming. Finally, the FCA is working with program provid-

ers to enhance what is available through the hall. This summer Empower Events has run a week long half day Kids Cooking Camp and will be running a one day art camp Wednesday July 17th.

# FARM FREEDOM AND SAFETY ACT: HAVE YOUR SAY ON FARM AND RANCH SAFETY AND WORKPLACE LEGISLATION.

Submitted by MLA Mark Smith, Drayton Valley-Devon

Our government has initiated comprehensive consultations with farmers, ranchers, agriculture workers, and others as we move forward with the new proposed Farm Freedom and Safety Act.

- The new legislation will address:
- Ensuring basic safety standards.
- Recognizing that a farm is unlike other businesses, and that farmers and ranchers require flexibility in meeting workplace standards.

• Minimizing red tape and the regulatory burden on farmers and ranchers.

• Requiring employers to have workplace insurance, but allowing a choice of market insurance or the Workers' Compensation Board (WCB) as long as basic standards of coverage are met.

• Exempting small farms from employment standards legislation.

We are committed to restoring balance, fairness and common sense to the regulation of Alberta's agriculture sector. Farm and ranch operations have unique needs that are unlike other industries. We need

legislation that balances the unique economic pressures of farming with the need for common sense, flexible farm safety and employment legislation.

Alberta Agriculture and Forestry is leading a range of stakeholder consultation opportunities throughout the summer. Watch for Agriculture and Forestry Minister Devin Dreesen at events in our community, and take that opportunity to connect with him and share your opinion.

A survey on Farm Freedom and Safety is available online at Alberta.ca until the end of the summer and

I encourage you to provide your input. The survey is online at [alberta.ca/farm-safety-engagement](http://alberta.ca/farm-safety-engagement).

If you have any questions or would like to provide input into this important legislation, feel free to contact me at the Drayton Valley constituency office, 5136B – 52 Ave, 780-542-3355, or email: [draytonvalley.devon@assembly.ab.ca](mailto:draytonvalley.devon@assembly.ab.ca)

I appreciate your support as we move forward with another government promise that is meaningful and essential to so many of our friends and neighbours.

## INVESTIGATION INTO INJURY FOLLOWING 2018 ARREST

Submitted by Alberta Serious Incident Response Team

On June 14, 2019, ASIRT was directed to investigate the circumstances surrounding a complaint

that a woman had sustained an injury following an RCMP arrest approximately 10 months earlier.

On June 12, 2019, a 28-year-old woman filed a complaint with the RCMP that she sustained a broken arm during a Stony Plain RCMP ar-

rest that occurred on Aug. 25, 2018. The RCMP notified the director of law enforcement, as required under the Police Act, which led to ASIRT being directed to investigate.

With ASIRT's investigation underway, no further information will

be provided.

ASIRT's mandate is to effectively, independently and objectively investigate incidents involving Alberta's police that have resulted in serious injury or death to any person.

# PREVENTING HEPATITIS B

Submitted by Alberta Health Services – immunizealberta.ca

World Hepatitis Day is July 28. Close to 300 million people around the world live with a hepatitis B infection. It is potentially life-threatening and is spread through blood or body fluids from an infected

person. What is it? Hepatitis B is a liver disease caused by a virus. It is the leading cause of liver cancer. What are the symptoms? Symptoms include tiredness, poor appetite, nausea and vomiting, stomach and joint pain, dark-coloured urine and light-coloured stool and yellow-

ing of eyes and skin. Who is at risk? Activities such as unprotected sex, sharing needles, tattooing or acupuncture put people at increased risk. In some countries, medical treatments and blood products may also be a source of infection. Is there a vaccine to help prevent illness?

Yes, there is a vaccine available for all ages. A vaccine series against hepatitis B is 95- to 100-per-cent effective in preventing infection caused by the virus before exposure and for at least 30 years following immunization. Learn more at immunizealberta.ca or call Health Link at 811 if you have questions.

# DANNY HOOPER'S "AN EVENING OF SONGS AND STORIES" COMES TO EVANSBURG FOR P.V. DAZE

Submitted by Al Hagman

The legendary Danny Hooper hits the Legion stage as part of the 2019 edition of Pembina Valley Daze. His reputation as a top notch story teller is renown. The show is on Friday, August 9th. Doors open at 6:30 and the show begins at 8:00 p.m. Entertaining started early for Danny when his father, Don, gave him his first guitar at the age of 10. Danny began playing

for family and friends at home, then transitioned to performing in small town venues with his first band, the Hayloft Rangers. His music led to an early talent contest win, a Juno nomination, hit singles, nine albums, years of touring, and performances at Disneyland, the Grand Ole Opry in Nashville, and the National Finals Rodeo in Las Vegas (for seven consecutive years). In 1979 Danny and his father opened the wildly successful

Danny Hooper's Stockyard, Edmonton's first country music nightclub. Danny remains active in the music business as an independent recording artist, songwriter, and personal coach to young artists. In 2006, a new opportunity presented itself when Danny was invited by Newcap Radio to co-host the hugely popular Morning Show on 790 CFCW, their flagship station. Success came quickly. In 2008 Danny and his

on-air partner Sharon Mallon were named the CCMA Major Market Radio Personalities of the Year for Canada. Danny brings his talents to Evansburg for the Friday evening show. Tickets are available at Claire's V&S and are \$30 each. Eventbrite is an online purchasing service, and should be up and running by mid June. Come out and enjoy a very good show and support our Pembina Valley Daze celebration all weekend.

# GOLFER'S GUIDE

## DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or

reduce the impact of injuries:

- Side bending stretch
1. Stand with feet shoulder-width apart.
  2. Hold the golf club above your head with your arms straight.
  3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.

4. Hold for 15 seconds and repeat twice for each side.

- Shoulder stretch
1. Hold the shaft of a golf club vertically behind your back.
  2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of your lower arm. Hold for 15 seconds.

3. Gently pull the club down with your bottom hand until you feel a stretch in the top shoulder and arm.

4. Hold for 15 seconds.
5. Reverse hand positions and repeat.

## SIX GOLF PERSONALITIES THAT WILL MAKE OR BREAK YOUR GAME

(NC) From the rules drill sergeant, to the etiquette obsessed, no one likes to be on the course with that person. Here are a few of the personalities you should be keenly aware of when creating the perfect

18-hole pairing.

The Natural – They've had no lessons, no warm-up, old clubs but can consistently hit them long and straight every day.

Play with this person if... you

crave a smooth, competitive game.

The Iceman – never phased by a shot that's off or a disgruntled competitor, the Iceman always keeps everyone's emotions in check.

Play with this person if... you

want to cool down fired up players.

The Socialite – forget the game, this person is out for a good time. With positive vibes, and stories for days, this person is only interested in one hole: the 19th. Play with this person if... your scorecard is the last thing on your mind

The Personal Trainer – will gladly walk the length of the course with a 50 pound golf bag in tow. The PT prefers post-game chicken breasts over hot dogs, and comes equipped with a crisp low calorie light beer, such as Molson Canadian 67. Play with this person if... you're an active calorie calculator who wants to tone up while having a good time on the greens.

The Chauffeur – likes driving the cart more than swinging the club and is happy to drop you off at every hole. Play with this person if...the Personal Trainer has worn you out.

The Slicer – no matter how many lessons he's taken or how new his clubs are, he consistently hits his shots in the woods. Play with this person if... you want to win!

# EVANSBURG GETS MEDIEVAL – ROUND 2

Submitted by Jakob Kubke, Tipple Park Museum

Knights in shining armour battling it out, the sound of an ancient ballad drifting over the hills, the whizzing of arrows, the smell of a delicious feast...

That's right! Evansburg is once again shooting back 800 years.

In partnership with Entwistle Public Library and Evansburg Public Library, Tipple Park Museum presents the second annual Evansburg Medieval festival – August 24th from 5pm-9pm at Tipple Park.

This year will be even bigger and better than last. In addition to full armour combat, a living history reenactor camp, arrow tag, and a grand feast, visitors will be able to try on medieval clothing and armour for a photo shoot!

New crafts, more dancing, and another costume competition will please prince and pauper alike.

A story corner will enlighten the imagination of both old and young, and teach the righteous way of chivalry, honour, duty, faith, hope, and charity. A mobile library will enable guests to inculcate these ideals at home in rigorous study.

Don't forget about the Grand Feast. More historically accurate than ever before, bring \$5 to indulge in the rich culinary delights that marked the medieval period. The feast will start at 7:15.

Come dressed in your best medieval garb and get ready to have lots of very old-fashioned, family friendly fun!

Pax vobiscum (Peace be with you).

# CHANGES TO CANNABIS LICENSING PROCESS

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that Health Canada is introducing changes to align the approach to cannabis licensing with the approach for other regulated sectors, such as pharmaceuticals. Effective immediately, this will require new applicants for licences to cultivate cannabis, process cannabis, or sell cannabis for medical purposes to have a fully built site that meets all the requirements of the Cannabis Regulations at the time of their application, as well as satisfying other application criteria.

To support applicants, Health Canada:

- made available additional guidance on the licence application process and on the regulatory requirements regarding Good Production Practices and physical security measures.
- is working to establish service

standards for the review of applications, which will increase predictability for applicants.

- will continue to provide enhanced support to Indigenous-affiliated applicants through its Indigenous Navigator Service.
- will implement additional measures to support applicants applying for a micro-class licence and,
- will work closely with new and existing licence applicants to ensure that they are aware of the new application requirements.

There are no changes to the regulatory requirements, and Health Canada will continue to inspect all facilities before a licence to sell products to the public is issued.

“New applicants should be aware that these changes are effective immediately,” concluded MP Eglinski.

# CULTURAL LEARNING PARTNERSHIPS

## - GYPSD, Mother Earth' Children's Charter School, Suzuki Charter School and author David Bouchard

**Submitted by Grande Yellowhead Public School Division**

Another inspiring educator in action! Wildwood teacher, Lisl Gunderman, and teacher Maxine Hildebrandt, from Mother Earth's Children's Charter School, recently collaborated together along with the Suzuki Charter School from Edmonton to create a surprise musical theatre performance for the annual

David Bouchard Day. Gunderman and Hildebrandt have partnered together on different cultural learning projects over the last three years. This partnership resulted in being awarded the prestigious Governor General's Award for Excellence in History Teaching this past year.

The show laid out history in three parts:

- (Wildwood) Ukrainian/ European settlement narrative story and Ukrainian folk dance.

- (Suzuki Charter School) Metis history story and Metis jigging dance and fiddling performance.

- (Mother Earth School) Indigenous history narration and traditional pow wow dancing and drumming.

The groups closed the performance with a round dance for everyone. Ms. Gunderman's Grade 4/5 students have also created an art collection about the 12 aspects of the history of

the Wildwood area. We invite you to view the students' art project at the Wildwood Library where it is currently on display.

The shown pictures are David Bouchard with students from Wildwood School and everyone joining in the round dance. Please visit our Facebook page at <https://www.facebook.com/gypsd/> to view more photos from this wonderful learning opportunity.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

3	5	9	8	7	6	1	2	4
