WATER SAMPLING ON WABAMUN LAKE

Submitted by Wabamun Watershed Management Council

On August 13, 2019, volunteers from the Wabamun Watershed Management Council (WWMC) will assist the Alberta Lake Management Society (ALMS) in taking water samples from several locations around Wabamun Lake. This will be the third such sampling done on the lake this summer in an

effort to establish a baseline of information about Wabamun's water quality. This information will be used to compare with later studies in an effort to understand how the lake is changing over time as a result of climate change, development, etc.

The sampling will begin at 9:00 a.m. on August 13. WWMC is providing ALMS with a boat and assistants. Further boats can be provided to assist news media wishing images on the lake if

arranged in advance. For further information, contact WWMC Chair, Neil Fleming.

A MESSAGE FROM MLA MARK SMITH: A BUSY SUMMER

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

It has been a busy summer, I've been meeting with constituents and trying to ensure that the Government of Alberta is actually working for the people of Alberta in the Drayton Valley-Devon constituency.

On August 7, 2019 the Minister of Agriculture and myself met

with farmers from across the constituency as we worked through providing feedback for the Farm Freedom and Safety Act that will be tabled in the Legislature in the fall. Approximately 60+ people attended the consultation providing feedback on how to best address farm safety and OHS legislation etc. that were creating problems for farmers as a result of the passage of Bill 6 by the previous government. It was a productive morning and I think most people that attended were happy to meet the Minister and see that his farming background brings a great deal of common sense to the issues that farmers are facing.

Recently, the Ministry of Health announced that they are beginning a review of Alberta Health Services. The goal is simple: to strengthen the health system and

deliver better access and better results overall. With the government fast approaching a \$60 Billion dollar debt and having campaigned on fiscal responsibility this review will include:

- An examination of AHS' structure and organization.
- Evaluation of AHS programs, services and policies to identify potential areas to reduce costs and improve performance.
- Identification of opportunities to make AHS operation more responsive to the front-lines and Albertans.
- Compare Alberta to other provinces and their best practices.

It is hoped that this review will find efficiencies to save money and it is the intention of the government that these savings will be reinvested into the health care system. You can become involved

by visiting: <https://www.alberta.ca/alberta-health-services-review.aspx> where you can provide any comments that you think would be helpful as part of this review. Ernst and Young have been hired to gather the perspectives of front line workers and this too will be built into the report. The final report will be sent to the government by Dec. 31, 2019 and the results will be shared in early 2020. There is a lot more that could be discussed but if you have any questions about the Red Tape Reduction Consultations or the Rural Crime Consultations please feel free to contact my constituency office at 780-542-3355 or 780-987-3666.

Have a great summer and try to enjoy the sunshine as it peeks out between the clouds.

ENJOY A MEATLESS MEAL

Submitted by Alberta Health Services – ahs.ca

Looking for vegetarian or vegan protein choices for your next meal? Instead of meat, you can use beans, lentils, tofu, eggs, nuts or seed butter to make delicious, healthy dishes. Meatless meals are excellent for anyone, not just people who avoid meat

for religious or cultural reasons. Six simple ways to update some popular recipes:

- Replace the meat in chili, casseroles, stews and soups with beans, lentils or tofu.
- Use lentils or black beans in tacos or quesadillas.
- Top salads with beans or a hard-boiled egg.
- Add tofu to a vegeta-

ble stir-fry.

- Puree cooked black beans, white beans or chickpeas. Then add herbs and spices to make a fast and easy dip or sandwich spread.
- Use nut, seed or soy-bean butters. Add them to dips, smoothies or spread them thinly

on breads or crackers for a snack or quick protein boost.

For recipes using meat alternatives or to find out more, go to healthyeatingstartshere.ca.

To find out more about vegetarian diets or alternatives to meats, ask your healthcare professional to be referred to a dietitian.

Celebrate Lake Health Day with Yellowhead County

REVITALIZING MUNICIPALITIES ACROSS ALBERTA

Submitted by Government of Alberta

The Municipal Government (Property Tax Incentives) Amendment Act would revitalize municipalities by empowering them to offer stronger property tax incentives to business and industry.

If passed, Bill 7 would allow municipalities to provide property tax incentives for up to 15 years, down

from the year-to-year incentives they were allowed to provide previously.

“This legislation would empower municipalities to attract investment, create jobs and realize their full economic potential. Municipalities deserve the freedom and opportunity to make the choices that fit them best. I look forward to seeing this legislation bolster investment and economic development across our

great province.” - Kaycee Madu, Minister of Municipal Affairs

Under the proposed legislation, municipalities could decide how and if they want to implement property tax incentives – as local leaders are best suited to assess the economic needs of their communities.

“We are pleased the province is giving municipalities the ability to be creative in attracting new investments, and that they recognize there is a role for municipalities to play in creating a favourable environment for business and industry. Such incentives are tools that can lay the foundation to create jobs and contribute to the long-term growth and prosperity of communities across Alberta.” - Rod Frank, mayor, Strathcona County

The proposed bill supports government efforts to reduce red tape and uses an outcome-based approach to ensure regulatory processes are necessary, effective, efficient and proportional to the outcomes they are trying to

achieve.

“As a developer of commercial, industrial and residential land, I know how important it is for municipalities to offer a business-friendly environment. This new legislation provides some much-needed flexibility for municipalities to be able to work with business to encourage growth that will benefit the entire community.” - Patrick Shaver, president, Avillia Developments

Quick facts

- Municipalities could provide property tax incentives for up to 15 years.

- This would give Alberta a competitive advantage over jurisdictions across Canada and the United States.

- Saskatchewan allows property tax incentives for up to five years; B.C. allows them for up to 10.

- Texas enables local tax incentives for up to 10 years.

- Louisiana offers five-year incentives with an option to renew for an additional five years.

A FEW NOTES ABOUT LAKEWELL 4-H MULTI CLUB

Submitted by Lakewell 4-H Multi Club

Alberta 4-H has been around since 1917 and Lakewell 4-H Multi, the longstanding local club, was dormant for some time until re-activated in 2016 with the help and support of the Darwell Ag Society.

Members are between the ages of 9-20 and we also welcome younger folks – Cleavers are aged 6-8; I think of them as like little brothers and sisters, learning from their siblings but not really being responsible for all the chores. 4-H offers the chance to learn Leadership, Community, Friendship, Communication, Responsibility and Commitment but we also try to put as much fun in there as we can. The 4-H Mission is to develop youth as self-reliant, contributing individuals with marketable skills.

There are five requirements for members to complete their year – they must participate in a Communications Activity as well as a Community Service activity, complete a Project by handing in a Record Book, attend 70% of all club activities and attend the year end Achievement Day. Pretty simple, right? And 4-H offers so much! Members will have the opportunity to attend camps, to apply for Awards and Scholarships, to win trips and perhaps go on exchanges with another club in a different part of the country. And putting 4-H experience on a resume is a great way to get the interviewer's attention!

The members and their parents take an active role in how their 4-H club evolves. Our meetings are run by both the parents and the members; in fact, the executive positions are held by members. Not only do the members have a say in how the individual projects look, they also have the opportunity to decide on things like community service, fundraising opportunities and fun days, among others.

Speaking of fun days: over the past three years, Lakewell members have gone to Camp Warwa and Camp YoWoChas for teambuilding days; we have been to Galaxyland, had a bowling party in Wabamun and a year-end party down by the Pembina River; there have been District Fun Days at East End Park In Whitecourt and the Curling

Rink in Mayerthorpe. Each year the Members, Cleavers, parents and leaders have the opportunity to attend the Regional Lifeskills Fair, where they can choose activities from a large diverse menu that ranges from making Wood Signs, to Line Dancing to Car mechanics and beyond.

And the projects – they are not just about animals! There are over 40 projects in the 4-H library including Foods, Sewing, Quilting, Woods, Vet Sciences, as well as the more

well-known ones such as Horse, Beef and Sheep. For the uncertain, there is a project called 'Exploring 4-H' which involves picking 6-8 project areas and exploring each one. This particular project is one I find intriguing and would like to see some members chose this year.

More information about 4-H can be found on their website at <http://www.4h.ab.ca> or you can join us for pizza on Sept 5th at 6:30 pm at the Lake Isle Hall on Hwy 633 just west of Darwell. Lakewell 4-H

Multi Club will be holding its yearly organization meeting at that time and you are welcome to come and meet current members, parents and leaders. And we are always looking for volunteers. Most of the leaders are novices in their roles but we are all committed to the task and, even though we make the occasional poor choice, we learn from them and carry on. The 4-H motto – 'Learn to do by doing' – also applies to the adults in the group.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Darwell Public Library

The Summer Reading Program, for children 6 – 13, continues every Thursday afternoon from 1 to 3 PM. We have room for a few more participants, so we encourage you to register by calling the library @ 780-892-3746. The program ends Thursday, August 22, 2019. See you there! Sponsored by LSAC FCSS.

We continue our efforts to fund-

raise for the completion of the library expansion. Looking for some summer reading material or just like to hunt for treasure? Drop by the green shed behind the library on Saturday August 17, 2019 between 10AM and 4PM for our annual used book sale. We encourage you to stop in and peruse the titles, take what you want and leave a donation of your choosing.

The Book Club is on Summer Break until Monday, September

9, 2019 7PM. We will be discussing Where the Crawdads Sing by Delia Owens. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you want to participate, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

Join us on Monday, September 16, 2019 from 1 to 2 pm., as we are hosting a free demonstration

session of Music Pups®. Katelyn Riva will be here to present this fun filled class of singing, dancing, movement and instrument play. The Music Class® is an international music education company that offers playful and creative music and movement classes including the Music Pups® program. Should you wish to attend the session please register by calling the library @ 780-892-3746. The cost to attend would be as follows: children 9 months and under are free, 1 child is \$ 125.00, sibling \$ 75.00. Depending on interest and commitment of families, we would look at running an 8 or 10-week program in the fall or early 2020. Should we meet the minimum required registration of 10 children we would look at reducing the cost by partial funding through our FCSS partners. We have a New Program Survey on our website and Facebook page and encourage you to provide your feedback.

Lorraine Taylor will be here on Thursday, October 24, 2019 starting at 7PM to talk about Garden Project Plans. We would love for you to take photos if you started or completed a project this summer or if you are looking for ideas for 2020, this is the session for you. Share your inspiration with fellow gardeners. We'll start the conversation with a photo gallery through 10 years of Rural Beautification Tours to look at a myriad of garden projects. Tell us about your plans or pick up some new ideas. This is a free information session, if you would like to attend call the library to register.

The next Darwell Public Library Society meeting will be held Monday, September 23, 2019 starting at 7 PM. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or follow us on Facebook at www.facebook.com/DarwellPublicLibrary

GOLFER'S GUIDE

HOW TO HELP KIDS GET INTO GOLF

Golf is a game of skill that can take years, if not decades, to master. Many golfers find their time on the golf course both rewarding and relaxing, even on those days when the fairways seem impossible to find.

Though many players never swing a golf club until they reach adulthood, it's never too early to hit the links. Some of the world's most accomplished golfers, including four-time Masters champion Tiger Woods, began playing as toddlers, and many feel that getting an early start can lead to a more successful game down the road.

Getting kids into golf is a great way for parents to bond with their children while enjoying the great outdoors. Golf can also be used to teach kids humility, sportsmanship and the importance of hard work. Thanks to the often frustrating nature of golf, parents may find it somewhat challenging to instill a love of the game in their youngsters. But there are ways to introduce kids to this wonderful game that kids might just play for the rest of their lives.

- Focus on having fun. Few, if any, golfers at your local golf course on a given weekend could say with certainty that golf has never frustrated them. The challenge of golf may be its most appealing characteristic to older players, but young kids can be easily overwhelmed by the challenges golf presents. By focusing on having fun instead of perfecting

techniques, parents can get kids to look forward to their time on the links. The more fun kids have, the more likely they will be to embrace the game and its many challenges. Don't put pressure on youngsters as they develop their games, but encourage them through their struggles and reassure them that you faced the same obstacles when you started playing.

- Hire an instructor with experience teaching children. Instructors with experience teaching children will understand the basics of the game and how learning those basics provides a great foundation for future enjoyment and success on the course. Instructors who have

taught kids in the past also know that teaching youngsters the finer points of golf requires patience and encouragement. Ask a fellow parent or an employee at the club where you play to recommend an instructor for your child. And take advantage of any kids' courses your club offers.

- Purchase the correct equipment. Even the best golfers are bound to struggle when using the wrong equipment. While it might be unwise to invest in especially expensive equipment for youngsters likely to grow out of it in a few months' time, deals can be found on used kids' equipment. Used kids' equipment is typically

subjected to less wear and tear than used equipment for adults, as kids tend to play less often and fewer holes than adults when they do play. But make sure to find correctly sized equipment that kids feel comfortable using.

- Play some holes. Instructors may teach kids the differences between the types of clubs and how to swing and putt. But golf is most fun when players are out on the links going from hole to hole. Instruction is important, but don't forget to play a few holes with your child each week as well.

Golf is a challenging game, but it's one that can be enjoyed by athletes of all ages.

INTERNET SERVICES

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that the Competition Bureau's study of competition and consumer habits in Canada's high-speed Internet industry, found that many Canadians currently obtain their Internet services from traditional telephone and cable companies, and that

CRTC regulations that allow independent Internet providers to buy access to telecom companies' networks have created more choice for consumers. The Bureau also received comments from more than 42,000 Canadians through an online survey, and 20 written submissions from a variety of Internet service providers.

Of the 2,005 households surveyed:

- 90% report being gen-

erally satisfied with their current home Internet provider, while customers of independent providers are more likely to be very satisfied;

- 1 in 3 households that considered switching providers in the past two years actually made a switch; and
- 66% of households bundle their internet with at least one other service, but only 17% of those bundles include wireless phone services.

"More choice between providers will allow many Canadians, especially in rural areas of the Yellowhead, to choose a plan that meets their needs related to cost, network speeds and quality of service," concluded MP Eglinski.

More information can be found at: <https://www.competitionbureau.gc.ca/eic/site/cb-bc.nsf/eng/04470.html> or at: <http://www.ic.gc.ca/eic/site/112.nsf/eng/07658.html>

NATIONAL STRATEGY FOR THE PROTECTION OF CHILDREN

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead wishes to advise constituents that the Minister of Public Safety and Emergency Preparedness, the Honourable Ralph Goodale, announced the expansion of the National Strategy for the Protection of Chil-

dren from Sexual Exploitation on the Internet.

- These include:
- \$2.09M to intensify our engagement with digital industry leaders to help them maintain their focus, develop new tools online and support effective operating principles;
 - \$4.9M to increase prevention activities, such as more research, public engagement, awareness and collaboration with partners;

and

- \$15.25M to enhance the capacity of Internet Child Exploitation Units in provincial and municipal police forces, and initiatives to inform and upgrade the work of prosecutors.

This funding will support Public Safety's (PS) efforts towards the four pillars of the National Strategy: raising awareness of this serious issue; reducing the stigma associated with report-

ing; increasing Canada's ability to pursue and prosecute offenders; and working together with industry to find new ways to combat the sexual exploitation of children online.

"All children deserve to feel safe, both online and offline," concluded MP Eglinski.

More information can be found at: <http://www.rcmp-grc.gc.ca/ncecc-cncc/about-ausujet-eng.htm>

IN LOVING MEMORY

GEORGE FINNER
1931 - 2019

George Finner of Wildwood, passed away July 25th, 2019 at the age of 88. Celebration of life, was Saturday, August 3rd, 2019 @ 1:00pm Wildwood Hall. Reverend Bob Koehn Officiated. The family of George Finner would like to thank all the people that came to celebrate George's life. I cant believe how many people's lives were touched by George! Thanks for all the lovely cards and condolences, thanks to the ladies for doing the lunch and putting it out for the family, before everyone came. Also, would like to thank the children and spouses for all their help. Thanks to my son Mel, for holding my hand through the service. Thanks to my Grandchildren & friends for all the food they brought that day it happened. Thanks to my two Great-grandchildren for being here for me. Thanks to all the neighbors who brought food, we used every bit of it, so very happy! (1) 13-08

PURE HEMP CBD PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

WHAT IS CBD?

A Health and Beauty Breakthrough!

Cannabidiol, CBD, is one of over 80 active cannabinoid chemicals in the hemp plant. CBD, unlike, THC, does not produce euphoria or intoxication. CBD targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using CBD products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp CBD

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp CBD

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

CBD PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.

For more information, Call (780) 907-8642
