## PARKLAND RCMP INVESTIGATE BREAK AND ENTERS AND MAKE ARRESTS

**Submitted by Parkland RCMP**

Two break and enters occurred during the early morning hours of Saturday, Aug. 11, 2019. The first one occurred at Brookwood School at 1:44 a.m. when members responded to an alarm. Suspects gained entry to the school by damaging the door and then vandalized a classroom. RCMP members searched the school; the suspects were not located.

At 4:07 a.m., RCMP responded to a second commercial alarm at a business in the vicinity of Brookwood School. Surveillance footage showed three male youths inside the business. When RCMP arrived, the youth were no longer at the location. RCMP Police Dog Services were deployed and the team successfully tracked the youth to a residence.

The three youth were arrested and charged with:

- Break and enter a business
- Possession of property obtained by crime less than \$5000
- Mischief under \$5000
- Disguised with intent to commit offence

The youth were responsible for the break and enter at the school. The investigation is ongoing.

At 3:00 a.m. on Aug. 13, 2019, Parkland RCMP responded to a commercial alarm at a local business in Stony Plain, Alta.

## BLUE-GREEN ALGAE BLOOM ADVISORY ISSUED FOR WABAMUN LAKE

**Submitted by Alberta Health Services**

A blue-green algae (cyanobacteria) bloom has been identified in areas of Wabamun Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

• Avoid all contact with blue-green algae (cyanobacteria)

blooms. If contact occurs, wash with tap water as soon as possible.

• Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.

• Do not feed whole fish or fish trimmings from this lake to your pets.

• Consider limiting human consumption of whole fish and

fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Wabamun Lake, at any time.

## Parkland RCMP Investigate Break And Enters And Make Arrests

Continued from Page 1

The RCMP arrived at the location and observed the businesses' glass door was smashed. A

witness advised the suspect was still inside. The suspect was located and arrested without incident.

Tex Ouellet (39) of Grande Prairie, Alta. was charged with

Break and Enter. He was taken before a Justice of the Peace and released on a Recognizance to appear in Stony Plain Provincial Court on Wednesday Sept. 4, 2019.

# NEW VISION & MISSION

Submitted by Parkland School Division

June 11, 2019 - At the June 11, 2019 Regular Board Meeting, the Parkland School Division Board of Trustees approved the new Vision and Mission with the amendment and approval of Board Policy 1: Division Foundational Statements. The revisions come after months of engagement with stakeholders including staff, school administrators, a Superintendent's Teacher Advisory Team, a Students Advisory Committee, parents and the general public.

Based on the significant feedback received through various engagements, Parkland School Division Trustees and administration drafted updated vision, mission, and values statements that reflect core stakeholder input. Stakeholders support a strong focus on confidence and resilience. They expressed their support for healthy relationships,

as this builds resilience which is important for motivating students beyond academics. The Ultimate Goal of Parkland School Division remains the same: Student Success & Well-being.

The final version of these statements reflects the positive and passionate future of Parkland School Division and offers a strong foundation as the Board provides governance and leadership in the years to come.

**Our Vision**

Our students possess the confidence, resilience, insight and skills required to thrive in and positively impact the world.

**Our Mission**

We assure supportive learning environments, meaningful experiences and healthy relationships that create opportunities to develop resilience, to gain diversity in perspectives and to achieve enduring success.

**Foundational Statements**

Our Ultimate Goal is Student

Success and Well-Being.

We therefore value:

- Learning opportunities that are: purposeful, essential, relevant, authentic, and responsive;
- Excellence in achievement

- Trustworthy, respectful relationships

- Resilience with self-awareness

We attend to these Priorities:

- Inspired Exploration

- Connected Community
- Confident Resilience
- Meaningful Engagement
- Wellness Culture
- Resource Stewardship

## JOKE OF THE WEEK

Marlon asked the teacher to help him get his shoes on at the end of a busy day. After quite a struggle with the shoes, which were a little tight, Tessa finally got them on. 'They're on the wrong way round, Miss,' mumbled Marlon. She realises that he is right; they are on the wrong feet and swaps them over for him. She gets him into his coat and wraps his scarf round his neck. 'Where are your gloves, Marlon?' asks Tessa quietly. 'Oh, Miss, I always put them in my shoes!'

# 2019-2020 BUSING UPDATE

**Submitted by Parkland School Division**

June 13, 2019 - Transportation Services continues to build bus routes and place eligible students for busing for the 2019-2020 school year. Many parents should have already received their confirmation of bus service for next year. Those requests for bus service for students who are applying for cross attendance school placements, those who are ineligible for provincial grant funding and those who have requested alternate seat transportation (alternate locations other than one's primary address) are also being processed and subject to availability.

E-Link: Information including your specific bus stop and approximate times will be provided in mid-July via a new easy online tool. E-Link login information and instructions will be sent in a separate email.

NEW for 2019-2020: Bus passes will be delivered via Canada Post to the primary mailing address in July.

As many are aware, necessary changes to the regional transportation system are being implemented to eliminate the \$1 million dollar annual operating deficit within transportation. Increases in direct busing of students to their schools and double running buses means changes to bus arrival and departure times at schools. Many schools experience no change, but six schools will experience bigger shifts this fall.

To assist families in planning for those six schools with the biggest changes in advance of the specific bus stop information being shared and the launch of E-Link, in the

photo shown are estimated times for the potential earliest and latest pick-up and drop-off times for bus service at affected schools.

Bus times change will change throughout the year as students enter, leave or move within the Division.

#### Fees & Payment Arrangements

All outstanding fees for the current or past school years are due by July 8, 2019 or transportation requests for the 2019-2020 school year will be canceled.

Payments can be made using Parkland School Division's online payment system through PowerSchool parent portal account or in

person at the Transportation Department at Parkland School Division's Centre for Education 4603-48 Street, Stony Plain, AB, T7Z 2A8. Payment plan options are also available for the 2019-2020 school year. Parents or guardians must pay in full or make payment arrangements by July 8, 2019 in order to ensure bus service for the 2019-20 school year.

# Blue-Green Algae Bloom Advisory Issued for Wabamun Lake

Continued from Page 1

Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can

cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Wabamun Lake until further notice.

Please note that areas of Wabamun Lake in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even

while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is also available online, at [www.ahs.ca/bga](http://www.ahs.ca/bga).

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# BACK-TO-SCHOOL

## PLEASE DRIVE CAREFULLY!

### SCHOOL BUS SAFETY

1. Always listen to the school bus driver 2. Always stand in a group while waiting for the bus. No pushing or shoving. 3. Always stay out of the DANGER ZONE until the bus driver says its ok to get on. You are too close if you can touch the bus.  
4. Always remember to wait until the bus stops before standing up and leaving your seat. You move away from the bus and out of the DANGER ZONE right away when you get off the bus.

### THIS SAFETY REMINDER IS COURTESY OF THE FOLLOWING LOCAL BUSINESSES:

# BACK-TO-SCHOOL

## DID YOU KNOW?

- Red means STOP. The penalty for passing a school bus with its alternating flashing red lights activated is \$402 and six demerit points.
- School buses in Alberta transport nearly 250,000 youngsters twice a day.
- Transport Canada reports that school bus travel in Alberta is 16 times safer than commuting in the family vehicle.
- The biggest bus danger to children is when they are getting on and off the bus.
- More than 6,300 school buses are driven by conscientious, dedicated drivers every school day in Alberta.

**This safety reminder is brought to you by these caring businesses:**

# BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR JACK FISH LAKE

Submitted by Alberta Health Services

PARKLAND COUNTY – A blue-green algae (cyanobacteria) bloom has been identified in areas of Jack Fish Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Jack Fish Lake, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pro-

nounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Jack Fish Lake, until further notice.

Please note that areas of Jack Fish Lake in which the blue-green algae bloom is NOT visible can

still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is also available online, at [www.ahs.ca/bga](http://www.ahs.ca/bga).

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

## PURE HEMP CBD PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

### WHAT IS CBD?

**A Health and Beauty Breakthrough!**

Cannabidiol, CBD, is one of over 80 active cannabinoid chemicals in the hemp plant. CBD, unlike, THC, does not produce euphoria or intoxication. CBD targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using CBD products for both treatment and prevention of numerous ailments.

#### Therapeutic Uses For Pure Hemp CBD

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

#### Anti-Aging Uses For Pure Hemp CBD

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

#### KEY BENEFITS

**PAIN RELIEF:** Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

**PROMOTES HEALTH:** Helps to promote relaxation and overall health.

**WELL-BEING:** Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

### CBD PET PRODUCTS

#### PET CHEW TREATS

**KEY BENEFITS**

**SYNERGISTIC BENEFITS:** Can be used in conjunction with regular medications with no side effects.

**NO SIDE EFFECTS:** Does not damage the liver, kidney or GI Tract like OTC medication.

**DIETARY SUPPLEMENT:** Can be administered daily as part of your pet's diet.

#### ORAL SPRAYS & DROPS

**KEY BENEFITS**

**MANAGES PAIN:** Helps to treat inflammation, arthritis and joint pain.

**TREATS DIGESTIONAL ISSUES:** Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

**GENERAL HEALTH:** Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

**CONVENIENT:** Can be sprayed into pet's mouth or on food.

# PEMBINA REGISTRATION NIGHT

**Submitted by Tipple Park Museum**

The leaves are turning for a registration night.

This year Evansburg Public Library and Tipple Park Museum are hosting a registration night for

youth, Thursday, September 5 from 6-8pm at Tipple Park Museum located in Evansburg.

There are going to be numerous organizations showcased. Some include Cadets, Successful kids and families, SISU Mixed Martial Arts, Entwistle and Evansburg public li-

braries, Performance First dance and more.

You will have the chance to sign up your children for different events, clubs and opportunities happening in our local community. It will also be a great way to network, and get to your what are community

has to offer.

Refreshments will be provided. If you would like to register your organization or have general inquiries, please contact Melissa Ronayne: 780-727-2030 or Melissa Killick: 780-727-2240.

## REGULAR BOARD MEETING HIGHLIGHTS - JUNE 11, 2019

**Submitted by Parkland School Division**

June 11, 2019 - The Board of Trustees is pleased to share with all education stakeholders the highlights of our recent Board meeting held on Tuesday, June 11, 2019. The adopted minutes will be available on our website following the next Regular Board meeting.

Update:

The Board welcomed a delegation of Grade 7 students from Stony Plain Central School led by Principal Colleen Woloshyn and teachers Kyla Moore and Stephanie Mitchell. Austin Banks, Mason Chase, Serenity Foley, Tyler Harder, Jordyn Hill, Megan Kits, Isaac O'Neill and Nadifa Warsame presented: "Mov-

ing from Engaged to Empowered Learners". In this project, students were challenged to effectively communicate their poetry theme using a chosen media to engage their audience.

The Board extended formal congratulations to Grade 2 student Allyson Parnall from Forest Green School for receiving an honourable mention for The Honouring Spirit: Indigenous Student Awards. The awards are intended to recognize First Nations, Métis and Inuit students who model strength and commitment in the pursuit of their personal education path and embrace their own gifts, strengths and potential while celebrating the ways of their people.

The Board accepted the recom-

mendation from administration to maintain its focus on transporting PSD students and reducing PSD's transportation operating deficit, and therefore refrain from reconsidering a cooperative busing agreement with Wild Rose School Division.

The Board accepted and ratified the Local 955 International Union of Operating Engineers (IUOE), Memorandum of Agreement on May 9, 2019. On May 9, 2019 IUOE Local 955 voted 84% in favor of ratification of the new collective agreement term September 1, 2018 to August 31, 2023. It was agreed that for 2018 and 2019 there will be no wage increase and in 2020 no increase with a \$150 total added to health spending. In 2021 there will be a 1% wage increase and in 2022 a 2% wage in-

crease.

The Board approved Board Policy 1: Divisional Foundational Statements which include a new Vision, Mission and Values statements for the Division.

The Board approved the Trustee Travel to Japan – Shikaoi Delegation.

The Board received as information the Engagement Summary Report.

The Board received as information the 2019-2020 Education Plan Draft.

The Board received as information the Technology Services Department Report as presented by Director of Technology Services Mark Karaki.

## SUDOKU OF THE WEEK

### Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

#### ANSWER:

9	5	8	2	1	7	4	6	3
4	2	1	6	5	3	9	7	8
7	3	6	8	9	4	1	2	5
6	4	9	1	8	5	2	3	7
8	7	5	3	4	2	6	1	9
3	1	2	9	7	6	8	5	4
5	8	4	7	6	1	3	9	2
1	9	3	5	2	8	7	4	6
2	6	7	4	3	9	5	8	1

**Like puzzles?** Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

	5		2				6	3
	2					9		
			8	9	4			5
					5			7
		5	3			6		
3	1			7		8		
	8					3		2
1	9		5	2	8		4

## SCHOOL BUS

### SCHOOL BUS SAFETY

1. Take your seat right away and stay seated until you leave the bus. 2. Sit back in your seat, face forward and keep your feet to the front. 3. Talk quietly so not to distract the driver. Remember, it's the driver's responsibility to keep you safe! 4. Wait for the bus to come to a complete stop and the doors to open before you leave your seat. 5. After leaving the bus, take five giant steps away from the bus so you are out of the Danger Zone and in a safe spot.

## Obituaries

Clarence Elmer Reschke  
October 4, 1935 - August 15, 2019. It is with great sadness that we announce the passing of Clarence Elmer Reschke of Stony Plain at the age of 83. Clarence will forever be loved and remembered by his loving wife Bernice. He will be missed by his sisters: Gertrude, Ethel, Iris, as well as family and friends. He was predeceased by his parents Emil and Natalie Reschke, 1 brother Norman and 1 sister

Esther. There will be a graveside service on August 24, 2019 at St. John's Lutheran Church, Alberta Beach at 2:00pm. In lieu of flowers donations can be made to a charity of one's choice. (1) 20-08

# Back to School

This Safety Message is sponsored  
by these caring local businesses:

## SAFETY FIRST!

With school starting back up, remember to slow down when driving near schools, parks and crosswalks. Keep watch for children on bicycles too. Teach your kids the rules of safety for walking near traffic and riding a bike.

# BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.
