### LEDUC COUNTY DECLARES MUNICIPAL STATE OF AGRICULTURAL DISASTER

Submitted by Leduc County

Leduc County council declared a Local State of Agricultural Disaster at its regular council yesterday afternoon, in response to excessive moisture and weather conditions negatively impacting local producers.

“Leduc County council recognizes the issues that

our local producers are facing, and the impact that these adverse conditions are having on their livelihoods. By making this declaration, we want to draw attention to the issue and encourage other levels of government to provide support where possible,” says Mayor Tanni Doblanko.

Near-daily rainfall throughout the growing season has made haying

extremely difficult, and many producers will not have the quality or quantity of hay needed by the end of the season. The cool, wet weather has also been a significant challenge for annual crops; crop immaturity and wet fields have delayed harvest, leaving most major crops unharvested at this time.

### GUIDES TO THE FEDERAL ELECTION ARE IN THE MAIL

Submitted by Elections Canada

• Elections Canada has mailed a Guide to the Federal Election to each household in Canada.

• In the Guide, electors are reminded that if they have not received a voter information card showing their correct name and address,

they should take steps to register or update their registration.

• Before 6:00 p.m. local time on Tuesday, October 15, electors can register or update their address using Elections Canada’s Online Voter Registration Service, or by visiting their local Elections Canada office.

• The Guide also provides

information on the voter identification requirements, including the pieces of identification accepted at the polls.

Elections Canada is an independent, non-partisan agency that reports directly to Parliament.

# LEDUC RCMP HOLD TOWN HALL

**Submitted by Leduc RCMP**

Leduc, Alta - Leduc RCMP would like to invite the public to attend an RCMP Town Hall on October 23rd at the Lede Room at the Leduc

Civic Center. The Central Alberta District Officer, Shahin Mehdizadeh, Leduc RCMP Detachment Commander, Inspector Dale Kendall, and a panel of other public safety representatives will provide an update on local

issues and the policing initiatives underway to reduce crime in your area. Details: Date: Wednesday, October 23 Time: 7:00 pm until 10:00 pm Location: Lede Room,

Leduc Civic Center, 1 Alexandra Park, Leduc, Alberta Please attend to learn more about what's happening in your detachment area and discuss how the RCMP and Leduc citizens can work together to keep this community safe!

# FIRE PREVENTION WEEK

**Submitted by Alberta Health Services**

Fire Prevention Week will take place October 6 to 12, 2019. It's a good time of year to check your smoke alarms to ensure they're working.

Install at least one smoke alarm on every level of your home, including the basement (but not in unfinished attics).

- Put smoke alarms in the hallways that lead to each bedroom.
- On floors without bedrooms, install the smoke

alarm in or near each living area such as dens, living and family rooms.

- Put a smoke alarm on the ceiling at the bottom of any staircase leading to upper floors.
- Mount the smoke alarm high on walls or ceilings (remember—smoke and hot gases rise). Wall-mounted alarms work best when placed at least 10 to 30 cm down from the ceiling. Ceiling-mounted alarms are ideally placed at least 10 cm away from the nearest wall. If ceilings are

pitched, install the alarm near the ceiling's highest point.

How do I care for a smoke alarm?

Smoke alarms must be kept clean, as dust and grime may affect how they work.

- Replace the batteries at least once a year
- Replace a smoke alarm every 10 years, sooner if it isn't working.
- Regularly dust or vacuum the unit.
- Keep each smoke alarm free of paint, stickers,

or other decorations that may prevent it from working properly.

Plan an escape route

It is important for families and people living alone to practice a fire escape route out of the home. Make two exit plans for each room of the house.

To reduce the risk of a fall, keep fire escape routes clear of household items and clutter. That will help ensure you have safe and accessible exits.

## Leduc County Declares Municipal State Of Agricultural Disaster

Continued from Page 1

"Producers have contacted us to express concern

and frustration with the ongoing field conditions," says Garrett Broadbent, director of agricultural services. "Declaring an Agricultural State of Disaster is one way of showing our producers that we hear them, we are paying attention, and we will continue to advocate for our agricultural community."

An Agricultural State of Disaster can bring awareness to residents, industry, and provincial and federal governments, and facilitate collaboration with impacted groups.

**JOKE OF THE WEEK**

It was mid-October and I was waiting for my wife at the checkout at Walmart supermarket. I noticed that someone had left behind their broom. When no one came to claim it, I went outside to search for a couple I remembered seeing at the cashier's desk. I spotted them getting into their truck and hurried over. 'Excuse me,' I said to the young woman, 'but did you by any chance leave your broom inside?' 'No,' she retorted quickly and with a smile, 'we came by truck.'

# COMMUNITIES IN BLOOM ALBERTA REVEALS 2019 WINNERS AT PROVINCIAL AWARDS CEREMONY

**Submitted by Alberta Recreation and Parks Association**

Communities in Bloom (CiB) Alberta, along with the Alberta Recreation and Parks Association, celebrated CiB's 2019 participating communities at its Fall Workshop & Provincial Awards Luncheon held in Lacombe, Alberta on Saturday, September 21, 2019.

Earlier this summer, volunteer judges toured participating Alberta communities to evaluate them on the following criteria:

- Tidiness
- Environmental Action
- Heritage Conservation
- Urban Forestry
- Landscape
- Floral Displays

Each evaluated community was assigned a "Bloom Rating". These ratings acknowledge the contribution of municipal council and departments, local businesses, and volunteers in making their communities a more beautiful place to live. The winners of this year's program are invited to compete at the national level next year.

Population 501 - 2,000 (Competitive):

- Town of Provost - 5 Blooms (Category Winner)
- Town of Coronation - 5 Blooms

Population 2,001 - 6,000 (Competitive):

## Follow these 9 tips to help protect yourself, your family and your property against fire hazards.

1. Install a fire alarm in every sleeping area and on every level of your home, and be sure to test alarms every month. Working smoke alarms reduce the risk of death in a home fire in half.
2. Check the manufacture date on the back of your home's smoke alarms. Smoke alarms should be replaced at least every 10 years! Batteries should be replaced every year.
3. Never leave burning candles unattended, and always keep matches and lighters out of reach from children.

4. Make a fire action plan, so every member of your household knows how to escape and where to meet outdoors.
5. Over half of home heating fire deaths are caused by equipment being placed too close to things that can burn. Make sure furniture, clothing, mattresses and bedding are at least three feet from heating sources.
6. Always turn off space heaters when you leave the room or go to sleep. Space heaters are the cause of about 79 percent of fatal home heating fires.

7. Remain in the kitchen when frying, grilling or broiling food. Turn off the stove whenever you leave the kitchen, and never leave home while food is cooking.
8. Inspect electrical cords regularly, and replace cords that are cracked or damaged or have broken plugs or loose connections.
9. In the event of a fire, crawl to safety. Use the back of your hand to see if a door is hot before opening it. If it feels hot, try to use another exit.

# ALBERTA RCMP RESPOND TO TRAFFIC STOP VIDEO ON SOCIAL MEDIA

Submitted by Alberta RCMP

On Sept. 21, 2019, at approximately 1100 hrs, an RCMP member conducted a traffic stop on Highway 2 in Leduc County with an adult female motorist.

The female motorist in question was stopped for a speeding infraction where a provincial offense notice (ticket) was issued.

Following the issuing of the ticket, the female motorist engaged in a courteous and polite conversation

with the member where the motorist identified herself as a sports entertainer with World Wrestling Entertainment (WWE). She asked the member if he would participate in a rehearsed interaction on camera with her WWE persona. The member

obliged.

Leduc RCMP would like to thank highway users for their care and attention while on our roads and for adhering to the posted speed limits. There will be no further updates released on this matter.

# CANADA REVENUE AGENCY -- ACTION PLAN FOR SMALL & MEDIUM SIZED BUSINESSES

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform small and medium sized businesses in the Yellowhead, that the Canada Revenue Agency (CRA), after consultations with businesses, accountants, industry associations, and CRA employees, has released a report outlining an action plan to deliver service and program

improvements for small and medium sized businesses through 2021.

Some improvements include:

- Businesses will be able to sign up to receive an email confirmation when the CRA receives a document or a payment.
- Businesses will be able to upload up to ten documents at once in the Submit documents online service.
- A new "Pay" button in the

online portals will allow businesses to pay outstanding balances with the click of a button.

- The Liaison Officer Service is being expanded to include incorporated businesses.
- The Dedicated Telephone Service for tax preparers is becoming a permanent program.
- More CRA correspondence will be available in the online portals.

The CRA is also working to

ensure that businesses and accountants know when these improvements are available.

Businesses can receive a CRA security code by email, request a Liaison Officer visit, and provide their employees T4 slips in electronic format.

The report can be found at: <https://www.canada.ca/content/dam/cra-arc/camp-promo/rprt2018-cra-arc-eng.pdf>

# FIRE PREVENTION WEEK: STATEMENT FROM MINISTER MADU

**Submitted by Government of Alberta**

Municipal Affairs Minister Kaycee Madu issued the following statement to mark Fire Prevention Week: "Every year, fires tear apart the lives of Albertans. Most of these fires are preventable.

"The Office of the Fire Commissioner tells us that 30 per cent of fires in Canada and 67 per cent of all fire deaths happen in the place we feel safest – our homes. "Cooking is the most common cause of house fires and smoking is behind the majority of fire deaths. Seniors have the highest risk of dying in home fires.

"It is important to be prepared at all times, and that includes having an emergency escape plan for your home that you practise regularly with all members of your household. "We are grateful for the heroic acts of our first responders. Yet it is up to all of us to take measures that can protect our homes and

our loved ones. "This week is a critical reminder and alerts us to the dangers of fire. Take the time to learn and know how to make your loved ones safe at home. For more information on how you can protect yourself and your loved ones, visit Fire Prevention Week."

# RCMP OFFICER CHARGED WITH OFF-DUTY SEXUAL ASSAULT

**Submitted by ASIRT**

On July 24, 2017, the Alberta Serious Incident Response Team (ASIRT) was directed to investigate an alleged sexual assault involving a member of the RCMP.

It is alleged that during the early morning hours of July 6, 2017, while in Leduc,

Alberta, the officer sexually assaulted an adult woman. The officer was off duty at the time. The evidence gathered during ASIRT's investigation provided reasonable grounds to believe that an offence had been committed and, as is required by the Police Act, the investigation was forwarded to the Alberta

Crown Prosecution Service (ACPS) to determine whether the evidence met the standard for prosecution. Following a review of the investigation and having received the ACPS opinion, ASIRT executive director Susan Hughson, QC, made the determination that the officer should be charged. On Sept. 27, 2019, Const. Kelly

Brown was charged with one count of sexual assault. The case is scheduled for first appearance on Oct. 17, 2019 in Leduc Provincial Court. Questions regarding the officer's duty status should be addressed to the RCMP. As this matter is now before the courts, no further information will be released.

# THORSBY RCMP INVESTIGATE TWO BREAK AND ENTERS

Submitted by  
Thorsby RCMP

Thorsby, Alberta - Thorsby RCMP are investigating two break and enters targeting ATM machines that occurred early Sunday morning. At approximately

4:30 a.m. on Sunday, October 6th, 2019, Thorsby RCMP were dispatched to an alarm at the Village Supermarket, 5101 50th Ave, Thorsby. A short time later, a resident reported that they had heard a loud noise and looked outside and saw that the Thorsby Esso gas station looked like someone had just broken in.

RCMP officers attended the gas station first. CCTV cameras show a silver F-350 with aluminum rims backed up the glass door of the business. A male wearing a black hoodie then broke the glass and entered the store where he attached a sling to the ATM. The truck then drove forward, removing the ATM and causing significant damage in the process.

Investigators also discovered that the Village Supermarket had been broken into in a similar fashion and the thieves attempted to steal the ATM from that business as well but were unsuccessful.

Images from CCTV cameras are attached. It is believed that the F-350 may have broken a tail light during the crime and there is pre-existing damage noticeable on the drivers door. Anyone who may have information on these break and enters is asked to contact the Thorsby detachment at 780-789-3951. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by using the "P3 Tips" app available through the Apple App or Google Play Store.

Thorsby RCMP are advising the public that both businesses will be closed for some time while the investigation takes place and repairs are made.

# A MESSAGE FROM MLA MARK SMITH: LEDUC #1 CANADIAN ENERGY MUSEUM

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

Most Albertans have no difficulty in understanding that the last four years have not been kind to the oil and gas industry in Alberta. Across this province and especially in this constituency families and businesses have struggled to maintain their standard of living

and keep their doors open. So it is not surprising that Leduc #1 Canadian Energy Museum has struggled right along with the rest of Alberta. The Canadian Energy Museum is devoted to telling Alberta's energy story and is located just outside of Devon on the very spot where in 1947 the oil well that started Alberta's oil boom was discovered. This museum has never

been like many of the museums in Alberta because it is telling the story of modern Alberta, the story of oil and gas and the contributions Albertans have made in creating the most efficient and environmentally responsible oil and gas industry anywhere in the world. The museum it is a testament to the start of the oil and gas industry in Alberta

to the technological advances in the oil industry that have resulted in our world having a steady supply of low cost energy that has raised standards of living around the world and literally fueled our modern lifestyle.

This one of a kind museum began as a result of the vision, not of government, but of some of the early oil and gas pioneers. Many of these men and women while they had travelled around the world made Drayton Valley-Devon and Alberta their home. Their vision, money and volunteerism combined with generous support over the years from many oil companies helped to build, collect, exhibit and promote our Canadian Energy history in this important museum.

I have been in the museum many times and every time I leave with a renewed faith in Albertans. We are a hard-working people that value both individual effort and community. The Canadian Energy Museum has always depended on the financial contributions of companies, local government, individual Albertans and the volunteerism of retired oil workers. I met with the board of the museum the other day and walked out realizing that if we are to keep this jewel of a museum open and continuing to tell the story of this important part of Alberta life that we are going to have to apply this same formula. The Canadian Energy Museum needs your help. Are you willing to volunteer your services to the museum? Do you have the ability to help raise funds for the museum? If so then it is time to act, give the museum a call and ask how you can help and together we can continue to tell the amazing story of energy in Alberta, Canada and around the world.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

6	2	3	1				8	
9				4	7	3		5
			5		3	9		
3								6
1	9	6		8				
7	6		9	5				
2	5		8					
			4	7	6	2		1

6	2	3	1				8	
9				4	7	3		5
			5		3	9		
3								6
1	9	6		8				
7	6		9	5				
2	5		8					
			4	7	6	2		1

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

# PREVAIL CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU  
...RIGHT DOWN TO THE LAST CELL!

## How do you want your **BLOOD** to look?

### Before PrevailMAX:

poor circulation

low energy

brain fog

dehydration

decreased nutrients

pH imbalance

poor endurance

### After PrevailMAX:

better circulation

more vitality

mental clarity

cellular movement

nutrient assimilation

balanced pH

optimal endurance

**PrevailMAX™** is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
