RCMP SEEK ASSISTANCE IDENTIFYING TWO MALES

Submitted by Hinton RCMP

Update 2:
Yellowhead County, Alta. - The Alberta RCMP Major Crimes Unit is looking for assistance to identify the two males in the shown photos. The police would like to talk to these individuals in relation to the Nature Duperron homicide investigation.

Continued on Page 2

UPDATE: RCMP INVESTIGATE UNFOUNDED BOMB THREAT

Submitted by Parkland RCMP

Spruce Grove, Alta. - Parkland RCMP identified and arrested the suspect responsible for calling in a bomb threat on October 17,

2019 at the Tri-Leisure Centre.

Brandon Czapp (27) of Edmonton was charged with:

- Public Mischief
- Mischief over \$5000
- Breach of Recognizance

Brandon Czapp was held

for a justice interim hearing and released. His first appearance is scheduled for Nov.13, 2019 at Stony Plain Provincial Court.

RCMP Seek Assistance Identifying Two Males

Continued from Page 1

If you have any information on this investigation, you are asked to call the Hinton RCMP at 780-865-5544. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

BACKGROUND:

* identification*: Hinton RCMP investigate found human remains

Yellowhead County, Alta.

- The RCMP Major Crimes Unit is providing an update about the found human remains dating back to May of this year, which were identified as 25-year old Nature Duperron, of Athabasca.

Duperron's family reported her missing on April 15, 2019. An RCMP missing

person investigation determined that Duperron was last seen in Edmonton in the beginning of April of this year.

An autopsy was conducted at the Office of the Chief Medical Examiner's Office in Edmonton on April 25, 2019, and as of this date a cause of death has not yet been determined.

The RCMP Major Crimes Unit is treating Duperron's death as a homicide.

Update: RCMP Investigate Unfounded Bomb Threat

Continued from Page 1

If you have any information in relation to this incident, please contact

Parkland RCMP at 780-968-7267. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), on-

line at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

On the 11TH hour on the 11TH day of the 11TH month...we stand in silence.

For two minutes, a serene quiet falls over our communities as we pause with thanks.

JAKE'S GIFT IS ABOUT LEGACY AND REMEMBRANCE

Submitted by Horizon Stage & City of Spruce Grove

Spruce Grove, AB - Horizon Stage is pleased to bring back Jake's Gift to commemorate the 75th Anniversary of the Juno Beach campaign. This multi-award winning one-actor play is about a Canadian World War II veteran's reluctant return to Juno Beach for the 60th Anniversary of D-Day. While revisiting the shores of Juno Beach, Jake encounters Isabelle, a precocious 10-year-old from the local village. Isabelle's inquisitive nature and charm challenge the old soldier to confront some long-ignored ghosts - most notably the war-time death of his eldest brother, Chester, a once promising young musician. At its heart, Jake's Gift is about the legacy of remembrance and makes personal the story behind one soldier's grave. Open yourself up to Jake's Gift at Horizon Stage on Thursday, November 7 at 7:30 p.m.

In June 2004, playwright Julia Mackey traveled to Normandy, France, for the 60th anniversary of D-Day. It was one of the most moving and powerful experiences of her life. During that week long journey, Julia interviewed dozens of Canadian, British and American WWII veterans who had returned for the ceremonies. For many, it was their first time back to France since the war. The stories they shared with Julia and her own life-long interest in Remembrance Day inspired the development of Jake's Gift. In August 2006, the play's first draft received a workshop performance at the Sunset Theatre's Exploration Series in Wells, BC.

Since 2007, Jake's Gift has played at festivals and theatres in over 250 communities across Canada, as well as international stops to Washington State, the UK, and Normandy, France, for the 70th, 73rd, and 75th Anniversaries

of D-Day, and sold out shows at the Edmonton Fringe Festival (2008, 2010, 2013, 2018) and Horizon Stage (2011 & 2016).

2019 marks their 13th year of touring, and Juno Productions and Jake's Gift continue to garner awards and rave reviews whether playing in small rural towns or big city centers. Jake's Gift is a one act play that runs 65 minutes with no intermission, and is recommended for ages 10 and up. Audience members are also invited to join Julia after the performance for a question, answer, and conversation

session.

Fans love this play so much that they return to see it over and over again. Fall in love with Jake's Gift for your first, second, or tenth time at Horizon Stage on Thursday, November 7 at 7:30 p.m. Tickets are \$35 for Adults and \$30 for Students and Seniors and may be purchased at the City Hall Ticket Centre (315 Jaspersen Ave), by phone at 780-962-8995 or 1-888-655-9090, and online by visiting and clicking on the 'Tickets' link. There aren't many seats left for this show so don't wait too long!

"Jake's Gift is the most theat-

rically pure show I have ever seen. Julia Mackey delivers a stunning performance. So well fleshed out are her characters, so instantaneous are her transitions that it feels like an ensemble show." - Katie Nicholson, CBC Winnipeg

"Julia Mackey is an eminently watchable actor and her transformations between characters are stunning and nuanced." - Bryan Birtles, Vue Weekly

"Jake's Gift is as near a perfect play as I've ever seen." - Jackie Flanagan, Alberta Views magazine

AFFORDABLE HOUSING FOR STONY PLAIN SENIORS

Submitted by Government of Alberta

The Alberta government is partnering with civil society to give more seniors in the Stony Plain area access to affordable housing in the community they call home.

Construction is beginning on Folkstone Manor, a 63-unit apartment building for independent seniors in Stony Plain. The complex will have

one- and two-bedroom units designed to meet the needs of adults aged 55 and over.

The government provided \$6 million toward the project. Meridian Housing Foundation contributed more than \$7 million.

Shane Getson, MLA for Lac Ste. Anne-Parkland, participated in the groundbreaking on behalf of Josephine Pon, Minister of Seniors and Housing.

"Seniors have served their

families and friends for a lifetime and they want to be able to continue living in their chosen communities. With groundbreaking on the Folkstone Manor development, there will soon be more affordable housing options in Stony Plain. Our government is pleased to partner in projects that support seniors and their families." - Josephine Pon, Minister of Seniors and Housing

"This groundbreaking cer-

emony marks the start of an exciting time for Meridian Housing Foundation to help fill the need for affordable seniors housing in our community. Folkstone Manor will provide 63 new units for seniors 55-plus, offering them a home of choice." - Lori-Anne St. Arnault, executive director, Meridian Housing Foundation

The total project budget is \$14 million.

EVANSBURG CHRISTMAS MARKETS NOVEMBER 23 & DECEMBER 7

Submitted by Tipple Park Museum

You can't buy happiness, but you can buy local and that's kind of the same thing.

It's that time of year again. Christmas baking fills the air, local vendors showcasing their

Christmas goodies and Jolly Old Saint Nick himself visits from the North Pole.

Tipple Park Museum will be hosting two Christmas Markets this year on Saturday November 23 and December 7th from 10-2pm. There will be a nice warm Ukrainian lunch,

over twenty-five vendors, goodie bags for the first sixty children and a gift basket draw.

There are a lot of new and past vendors joining us this year. If you're looking for a perfect gift or stocking stuffer, here are some suggestions: natural beauty products, jew-

elry, wood carving items, knitted mitts and hats, scarfs, jam, clock, stained glass ornaments, cards and so much more.

We can't wait to see you this Christmas Season.

From Evansburg Farmers' Market

Merry Christmas.

JOKE OF THE WEEK

Ten-year-old Tommy greeted his sister's boyfriend very enthusiastically, "That harmonica you gave me for my birthday is easily the best present I have ever had!"

"I'm glad you liked it," the boyfriend replies.

"Oh yeah! Mother gives me a quarter a day not to play it!"

LAKEWELL 4-H MULTI IS ALIVE AND WELL

Submitted by Lakewell 4-H Multi Club

In Sept, Lakewell 4-H Multi held an information night complete with pizza from Sammy's Family Restaurant in Entwistle. At that meeting, the retiring President, Aynsley Shupack, explained what 4-H was all about and what was expected from the members and families. We asked those present to list the Projects that they were interested in so we could see what Leaders we have and what Leaders we would have to recruit. It was also decided that since everyone enjoyed the potlucks; we would have a simple potluck at each meeting.

We followed that meeting with a registration meeting on Oct 3rd but it is not too late if you missed it and would still like to join; registrations are open until Dec 1, just contact Jean at 780 242 2486. So far our members would like to see us offer Horse, Foods, Vet Sciences, Woodworking, Quilting and possibly Canine Projects. We also offer a Cleaver Project for kids from 6-8 years old - the Cleavers are underway, getting ready to enjoy an Arts and Crafts night in November. Horse is looking at starting Sunday Nov 3, riding in the Darwell Cow Palace and would like to thank the Darwell Ag Society for the use of the arena. Foods will start shortly as well once those interested members have had a chance to meet with the leader and plan the year. Quilting is still looking for a leader and Woodworking is looking for more members to make the classes worthwhile. The cost involved in joining 4-H is minimal, much of it covered by fund raising. In order to complete their year, members must attend 70% of all

club activities, participate in a Community Service, present a Communications activity, help with Fundraising and complete at least one Project Record Book.

Although projects are just getting organized, the fun part has already begun. Twelve Members and Cleavers along with four adults enjoyed a day of team building at Camp Warwa on Oct 26th. It was pretty chilly out

but that didn't dampen the spirits. A warm thank you to Mama's in the Kitchen in Alberta Beach for helping out by cooking a delicious hot lunch for us. Next on the fun plate is the Regional Fair which is being held at Mayerthorpe High School on Nov 23rd. Registrants will be able to attend their choice of 2 from 20 different sessions such as building a Gingerbread Nativity Scene,

a sock reindeer, a terracotta snowman or learning how to line dance or decorate Christmas cookies. And after that, we will be into the Christmas season with a Christmas party and Awards night.

We invite you to come and check us out - General Meetings are held the first Thursday of the month, 6:30 at the Lake Isle Hall on Hwy 633.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by GYPSD

October 30, 2019
Investigating New Program Options

• The Board received a delegation from the Edson Aeros Junior A hockey team inquiring about the Division's interest in establishing a local hockey academy to provide educational opportunities to highly skilled players with an affiliation to

the local Junior 'A' hockey teams. There are currently junior A hockey teams in Edson and Hinton with a possible third team in Jasper for the 2020/2021 year. Trustees approved administration to move forward with a feasibility study on setting up hockey academies in each of the five high schools.

- Transportation Update
- Trustees received a quar-

terly update from Transportation Services which, addressed the status in of student ridership, the number of ineligible students transported, wait lists, and ride times. For the 2019/2020 school year, there are 2,669 students registered on 53 school bus routes. The number of ineligible students transported are 289, which make up 11 per cent of the total rider-

ship. GYPSD also has busing agreements with neighboring school divisions to transport students from Parkland School Division, Living Waters Catholic Separate School Division, Yellowhead Koinonia Christian School, and Northland School Division.

Budget

• With the new provincial budget released on October 24, 2019, the GYPSD Finance Team is investigating the financial impact to the Division's overall budget. Transition grant funding was announced in replacement of three prior grants; however, this amount is considerably less than last year's allocation. Insurance premiums have also significantly increased for all jurisdictions, adding to the financial pressure school boards are facing. More information on the provincial funding model will be available to boards in February 2020.

Seclusion Rooms

• Ministerial Order #42/2019 – Seclusion and Physical Restraints in Alberta School Standards and Guidelines for Time-Out in Alberta Schools - comes into effect on November 1, 2019. GYPSD schools do not operate any seclusion rooms under the Order's definition. In order to build understanding and clarity of the new Ministerial Order, the Division has implemented a number of steps including the creation of a handout for families providing the definitions of seclusion, seclusion rooms, physical restraints, and time-outs, and providing on-going professional development opportunities for staff on de-escalation strategies and defusing situations.

WE WON!

Submitted by Connie Gatzke

What a wonderful surprise to get a phone call to say that "we" won a gift basket in the colouring contest. Actually "we" did not win. Jet won.

Wildwood School and the Wildwood Seniors sponsored by FCSS of Yellowhead County have a grandparent program. Each year the grade 4 children walk

down to the seniors building every Wednesday from October to May. On their first day when seniors and children meet, they make name tags, have their pictures taken and colour a picture from the Community Voice. As coordinator of the program I submit the colourings on behalf of the children.

The whole class was excited for Jet. The gift basket was loaded with age

appropriate treasures that would make any little girl's eyes light up. Thank you to the Community Voice for sponsoring the contest and providing such a generous prize.

PARKLAND RCMP ARREST MALE FOR DANGEROUS OPERATION

Submitted by Parkland RCMP

On Oct. 31, 2019 at approximately 2:00 a.m. Parkland RCMP were patrolling and attempted a traffic stop. The vehicle failed to stop and er-

atic driving patterns were observed. A spike belt was successfully deployed and when RCMP attempted to make contact with the driver, the suspect attempted to drive away, striking two police vehicles. No one was

injured during the incident. Daniel Harris (32) of Parkland County, Alta. was charged with:

- Flight from peace officer
- Dangerous operation
- Assault peace officer (x2)
- Resist peace officer

Daniel Harris was held for a Judicial Interim Release Hearing and was remanded into custody. His first appearance is scheduled for Nov.6, 2019 at Stony Plain Provincial Court.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Continued from Page 6

Teacher Mentorship

• Since 2016, GYPSD has provided additional supports and resources to teachers beginning their career with the Division. The 2019/2020 Teacher Mentorship Program includes strategies as collegial support, collaborative learning and reflective practice, with a PD focus on the implementation of the Teaching Quality Standards, classroom management, instructional planning, foundational knowledge of concept-based teaching, meeting the needs of all students, balanced assessment practices, communication strategies, mental health, and stress management.

Superintendent's Update

• Superintendent Lewis updated the Board on her recent attendance at various provincial and local meetings on behalf of the Division. She recently completed school visits with the trustees and commended staff on the exemplary instructional practices observed in classrooms.

At the latest administrators' leadership meetings, Ms. Lewis and the senior team worked collaboratively with school leaders to prepare for upcoming instructional rounds: a process that brings groups of educators together to reflect on their instructional practice as a means of improving student learning. The superintendent also participated in the Board's planning seminar where the trustees discussed Board priorities, key issues facing school divisions and the important work carried out by trustees and administration.

New Crosswalk Lights Installed

• The Board received a report from the Mary Bergeron School Principal, Mr. Darcy Reynolds and the Assistant Director of Facilities, Mr. Brian Orge, regarding the recently installed crosswalk lights which were a part of the final construction phase of the new facility. The location of the crosswalks and lights resulted from consultations with school staff, school

council members, GYPSD Facilities staff, and employees from the Town of Edson. In addition, traffic flow observations carried out over the last two years identified the safest location for crosswalk installations.

Trustee Reports

• Trustees shared their appreciation for the student learning and teaching excellence observed during school visits, and thanked Superintendent Lewis and the administrative team for organizing these valuable opportunities to visit classrooms and meet with each school leadership team who presented key information about each school's budget, staffing, Accountability Pillar Results, programs, goals, and expectations.

• Trustee representatives on the Policy Committee are currently reviewing all Division policies to ensure align-

ment with the new Education Act.

• Each trustee shared highlights from their recent attendance at monthly school council meetings, Public School Boards Association of Alberta Fall General Meeting, Alberta School Boards Association's Zone 2/3 meeting, and school awards ceremonies.

• Trustees in each zone will be representing the Board during upcoming wreath laying ceremonies in recognition of Remembrance Day events at local schools.

• Board Chair Rosadiuk reiterated concerns over the current financial uncertainties and the possible expectation of the Board having to make some tough decisions in the future for a balanced budget while still focusing on the best interests of students.

The next Public Board Meeting is November 20, 2019.

INDICATORS IT'S TIME TO CHANGE AIR FILTERS

Vehicle maintenance can protect drivers' investments and help their automobiles run efficiently. One area drivers should pay particular attention to is their vehicles' air filters. When operating at optimal capacity, an air filter improves fuel efficiency while ensuring vehicles accelerate smoothly without taxing the engine. But when air filters are clogged, fuel efficiency is reduced and emissions are increased, a 1-2 punch that costs motorists money and hurts the planet at the same time. Drivers can check their owners' manuals to determine the recommended intervals to replace air fil-

ters, but the following are a handful of indicators that suggest it's time to change them.

- **Gas mileage:** Unless you just purchased your vehicle, you likely know how many miles you can drive on a full tank of gas. If that gas mileage is suddenly slipping and you find yourself visiting the filling station more frequently, then it might be time to replace your air filter.

- **Engine light:** Drivers may be alerted to engine issues when the "Check engine" lights up on the vehicle's dashboard. This light may come on to indicate a problem with the

air filter, as clogged air filters reduce air flow to the engine, resulting in an imbalanced air-fuel mixture that adversely affects the engine.

- **Starting and idling problems:** Vehicles sometimes don't start up as smoothly as they once did, and drivers may also notice vehicles are not idling smoothly. These symptoms may indicate misfiring spark plugs that are being polluted (and made less effective) by a dirty air filter that is reducing the flow of air to the engine.

- **Acceleration difficulties:** Automobiles that are operating at peak capacity accelerate quickly.

But dirty, worn out air filters adversely affect acceleration. Drivers who notice that their cars are struggling to accelerate when stoplights turn green or on highways may need to replace their vehicles' air filters.

- **Dirty air filter:** Perhaps the biggest indicator that an air filter needs to be replaced is the filter itself. If you cannot find the air filter on your own, consult your vehicle owner's manual to determine where it is. Once you find the air filter, examine it in broad daylight. Clean air filters are white, so if the filter has darkened, it may need to be replaced.

HANDLE A BREAKDOWN WITH EASE

Drivers expect their vehicles to safely transport them from point A to point B. But sometimes drivers

find themselves stranded on the side of the road due to a breakdown. That can be an especially precarious position to be in, but knowing what to do during a breakdown can help drivers and their passengers get through such situations unscathed.

rolling.

4. Set up other warning signals. Prepared drivers keep cones, reflective triangles or flares in their cars. AARP suggests placing three warning signals. The first should be 50 feet away and directly behind the vehicle. The other two can then be placed nearer to the vehicle.

5. Remain in the vehicle. It is safer to stay in the vehicle and call for help than to get out and stand on the side of a busy roadway.

6. Call for assistance. Use a mobile phone to dial a roadside assistance service or tow truck. Drivers also may want to contact the nearest police station to ask for help.

Roadside assistance programs are available for a fee from private companies and sometimes through vehicle dealerships or insurance companies. Such services can provide peace of mind if and when breakdowns occur.

WINTER is COMING

Hours of operation: 8:00 am - 5:00 pm

1. Find a safe spot to pull over. Whenever possible, guide the car to a shoulder or area out of the line of traffic but still visible to oncoming traffic. If the car is not drivable, enlist the help of someone to push it into a safe zone.

2. Turn on hazard lights. Esurance advises to put on hazard lights, which will warn other drivers that something is wrong. Hazard lights also may alert other motorists who might offer assistance. Once your hazard lights are on, pop the hood, which can serve as an additional alert to other drivers.

3. Engage the emergency brake. Turn the wheel away from the road and put on the emergency brake to help prevent the car from

MODIFICATIONS CAN MAKE DRIVING SAFER FOR SENIORS

Despite popular misconceptions, seniors are some of the safest drivers around. The experts at Hartford Auto Insurance indicate that the number of accidents involving older drivers actually decreases as age increases. It's the risk factors like medical conditions, medication usage and reduced physical function that increase the risk for accidents and injuries involving older drivers. Thanks to technology and some other well-designed devices, seniors may be able to continue driving longer than the aging drivers of years past.

The AAA Foundation for Traffic Safety, a nonprofit research and education association, says roughly 90 percent of seniors don't take advantage of

simple, often inexpensive features that can greatly improve safety and extend their time behind the wheel. Here are some considerations.

- Cushions and seat pads: Cushions do more than just alleviate hip and back pain while sitting. Cushions and pads can raise drivers up and improve their line of sight over the dashboard. Swivel pads can make it easier to enter and exit the car as well.

- Adaptive cruise control: This feature can adjust speed automatically to maintain a consistent space between vehicles.

- Adaptive headlights: These headlights, also known as steerable headlights, can improve visibility by changing

the direction of the light beam with the movement of the steering wheel.

- Pedal extenders: Extenders help short drivers reach the pedals while maintaining a safe distance from the steering wheel and potential airbag deployment.

- Hand controls: Whether one has sensory changes in the feet from surgery or a medical condition, adaptive hand controls can move the "pedals" up to the steering column.

- Blind spot warning and other sensors: Today's cars can be equipped with any number of sensors that can detect oncoming traffic, cars to the left or right of the vehicle, items or cars behind the vehicle when reversing, and even if the vehi-

cle has drifted out of the lane. These are all great safety features for any driver, but may be especially helpful to seniors.

- Parking assist: Parking assist technology can steer the vehicle into a space with little input from the driver.

- Voice control: Avoiding distractions and keeping hands on the wheel is enhanced by voice controls, which can be set up to do things like turn on the radio or adjust climate control.

- Convex mirrors: Special mirrors increase the field of vision.

Seniors have many tools available to make driving safer and more comfortable, which can prolong their years behind the wheel.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

8	3	9	1	6	7	2	5	4
5	6	4	2	9	8	7	3	1
7	2	1	5	4	3	8	8	9
6	5	7	4	3	1	9	2	8
4	8	2	6	7	9	3	1	5
9	1	3	8	2	5	4	7	6
3	7	8	9	5	4	1	6	2
2	9	5	3	1	6	8	4	7
1	4	6	7	8	2	5	9	3

PURE HEMP CBD PRODUCTS
AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

WHAT IS CBD?

A Health and Beauty Breakthrough!
Cannabidiol, CBD, is one of over 80 active cannabinoid chemicals in the hemp plant. CBD, unlike, THC, does not produce euphoria or intoxication. CBD targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using CBD products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp CBD
Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp CBD
Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS
PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.
PROMOTES HEALTH: Helps to promote relaxation and overall health.
WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

CBD PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS
SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.
NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.
DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS
MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.
TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.
GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.
CONVENIENT: Can be sprayed into pet's mouth or on food.

For more information, Call (780) 907-8642

PREVAIL CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!

How do you want your
BLOOD to look?

Before PrevailMAX:

- poor circulation
- low energy
- brain fog
- dehydration
- decreased nutrients
- pH imbalance
- poor endurance

After PrevailMAX:

- better circulation
- more vitality
- mental clarity
- cellular movement
- nutrient assimilation
- balanced pH
- optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
