HAVE YOUR SAY: COUNTY COMMUNITY SERVICES FUNDING CHANGES

Yellowhead County's community services funding model will soon see drastic changes, which will change programming available to county communities. Here's your chance to offer feedback!

Submitted by Yellowhead County

Yellowhead County Family and Community Support Services has been enhancing their service levels for several years through contracts and funding agree-

ments with Alberta Child and Family Services. These extra services include ParentLink, Kouty Kids Preschool, Kids in the Hall, and Family Outreach services.

As of March 31, 2020, this funding will be removed. In

its place, the Government of Alberta is requesting funding proposals at a regional level to provide services that will be directly linked to specific outcomes related to family wellness and resiliency.

Have Your Say: County Community Services Funding Changes

Continued from Page 1

As such, Yellowhead County is currently working with local service providers and municipalities to explore the best options available to provide quality, responsive and appropriate supports for children aged 0 - 18 and their families.

To this end, Yellowhead

County Family and Community Support Services would like to invite individuals impacted by this potential change in service, as well as any other community residents, to learn about the existing programs that fit the new model, and discuss opportunities for growth and improvement in the application for the new

system, known as the Family Resource Network.

We invite people to come and meet with staff December 17, between 5 - 7 PM at the Wildwood Yellowhead County office, or, alternatively, to contact us at 780-325-3782 to discuss the future of programming for families and children. The best services for families require community input, and your help is essential.

We will be closed on Fridays.

The Legion is open at 11:00 am for lunch on Thursdays with Eleanor Wiebe cooking up different items each week. After lunch there is a pool table which is free, no charge. We are open Friday afternoons from 1:00 pm till 5:30 pm or later. Drop in for a visit. We are open Friday afternoons from 1:00 pm until 5:30 pm or later if needed.

On Saturday afternoons the Legion opens at 1:30 pm with meat draw ticket sales starting at 2:30 pm. Every Saturday we have meat draws, a basket draw and a 50-50 draw, with the first meat draw taking place at 3pm. Meat draws now have three meats and as always, bacon and eggs. December 21 we will have turkeys as part of the meat draw. Starting in January, once a month, on a trial basis, we will be having a random mystery meat draw sometime during the month. This draw will be in addition to the regular draws. Everyone is welcome to attend and try their luck. You do not have to be a member to attend any of our meat draws, suppers or lunches or just drop in for coffee and a visit. Volunteers for the Saturday meat draws are needed, so that

no one person is committed to do it all the time. If you could volunteer one Saturday a month we would appreciate it.

The Community Connector II bus will not operate Christmas week, it will resume the regular schedule as of January 3, 2020. Our RCL Wildwood Br 149 Community Connector bus is

an integral part of continuing to provide a service to seniors and other groups. Zenobia Mocarski is the Community Connector bus coordinator. Her phone number is 780-727-2207 and Zenobia welcomes your calls on any and all bookings you may have for the Community Connector bus. Meetings are the third

Monday of the month unless it falls on a holiday. In that case it is on the Tuesday following the holiday. Next meeting is December 16, 2019 with the Executive meeting at 6:00 pm. The general meeting starts at 7:00 pm. Uniform dress please. We need your support!

ALBERTA MLAS RECOGNIZED BY COLLEAGUES FOR THEIR SERVICE

Submitted by Government of Alberta on behalf of the Legislative Assembly of Alberta.

“Unlike most professions, there is not a job description for Members of the Legislative Assembly of Alberta,” said Honourable Nathan Cooper, Speaker of the Legislative As-

sembly of Alberta.

“The role is as unique as it is diverse. As elected officials serving in the 30th Legislature the work done in the Chamber, in committees and within the 87 constituencies across Alberta is both challenging and rewarding and, I feel, deserves some recognition.”

In the spirit of collegial rec-

ognition, Speaker Cooper initiated the 2019 Alberta MLA awards to give Members a chance to vote for their colleagues in a number of categories. The votes are in with nine Members being recognized for extraordinary work in service of the people of Alberta.

“I thank all Members for their service,” said Speaker Cooper.

“Congratulations to those who are receiving special recognition from their peers today.”

Taking top honours as Alberta’s MLA of the Year is the honourable Travis Toews, President of Treasury Board and Minister of Finance. Toews represents the constituency of Grande Prairie-Wapiti. Before being elected in April, Toews worked as a managing director and co-owner of a corporate family cattle ranching operation and an oil field environmental company. With a CPA, CMA accounting designation and extensive public practice, Toews was sworn in as President of Treasury Board and Minister of Finance on April 30, 2019.

West Yellowhead MLA, Martin Long was voted Alberta’s Most Collegial MLA. Prior to being elected in April, Long worked in the newsprint industry and served his community as board chair of the Tennille’s Hope Kommunity Soup Kitchen in Whitecourt and as a youth leader with the Whitecourt Baptist church.

Prior to beginning his career in public service, Getson spent 15 years in the construction industry and as a senior manager in the energy sector.

Recognized for Best Community Outreach was MLA Janis Irwin. Before being elected in April as the Member representing Edmonton-Highlands-Norwood, Irwin had devoted over a decade to the education field.

Named Alberta's Most Knowledgeable Parliamentarian was Deputy Speaker and Chair of Committees, Angela Pitt. Pitt is currently serving her second term as the MLA representing Airdrie-East. She has served on many Legislative Assembly committees during her time as an elected official. Before that, she was a small business owner in Airdrie and an active community volunteer.

Nate Horner received top marks with his colleagues as Alberta's Best Representative of Constituents. Before he was elected to represent the people of Drumheller-Stettler, Horner was a rancher with a cow-calf mixed farm operation. He was also an active community volunteer serving as an emergency medical responder for Dryland Emergency Medical Services Association, president of the Highway 9 Feeder Co-op Association and co-chair of the Hardgrass Bronc Match.

Members voted Tracy Allard as Alberta's Hardest Working MLA. Allard was elected in April as the representative for Grande Prairie. Prior to be-

coming an MLA Allard was a franchise business owner and active community member. She served as a director with the Tim Hortons Children's Foundation. She was board president of the Grande Prairie Boys' Choir and sat on the Grande Prairie Regional Hospital Foundation Capital Cabinet.

Recognized by her peers as the Most Promising Newcomer was the Honourable Rajan Sawhney, Minister of Community and Social Services. Before she was elected as Member for

Calgary-North East in April, Sawhney held senior positions in the oil and gas industry. As well, Sawhney served as the senior vice-president of the Sikh Society of Calgary and director of its Guru Nanak Punjabi School. She is a recipient of the Canada 150 award bestowed by YW Calgary in 2007.

Alberta's MLA Lifetime Achievement Award went to David Eggen. Eggen first served as the Member for Edmonton-Calder from 2004 to 2008. He was re-elected in 2012 and 2015. In April of 2019,

Eggen was again elected to represent the constituency of Edmonton-North West. Over the years he has served as Minister of Education and as Minister of Culture and Tourism and has been an active member of numerous committees of the Legislative Assembly. In addition to his many contributions as an MLA and in the education and health industries, Eggen is a trustee with the Forum for Young Albertans and a chair leader of the Spinal Cord Injury Association of Alberta.

A MESSAGE FROM MLA MARK SMITH: ALBERTA'S ECONOMIC FUTURE

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

It would appear as though we have come to an economic impasse in Alberta. Without significant adjustment, our province is on track to reach \$100+ billion in debt in just a few short years. While the private sector has been battling ruinous economic realities for the last five years it is now the turn of the Government of Alberta and its public sector bodies to come face to face with those same economic realities.

Unfortunately, every pay raise at the public level incurs cost to the taxpayer. Alberta's economic prosperity and therefore its capacity to remunerate fairly the public sector bodies will be dependent upon two things:

1. Growing the economy
2. Controlling government spending.

A strong public sector is dependent on a vibrant private sector, which is why the government is focused on bringing back job creating investment. It is imperative that our tax and regulatory regime attract capital investment into the province rather than driving it away. Growing the economy and attracting investment is never easy and it will continue to be difficult as we address the negative pressures on the economy like a lack of access to tidewater and a federal government which continues to support policies like Bill C 69.

Albertans voted for a plan to get spending under control while delivering public services more efficiently. For example, Albertans currently pay for one of the most expensive provincial healthcare systems in Canada per capita. We are going to have to do government differently. We must bring our spending and outcomes in line with other provinces. In order to do this the government has pledged to reduce our spending by approximately 3 cents for every dollar the government spends. Over the next 4 years, this will save Albertans an estimated equivalent of \$1.3 billion in savings from the provincial budget.

On Friday, November 29, public sector unions were provided with letters of notice; part of the legal requirements of the gov-

ernment as it enters into negotiations with public sector workers. You may have read in the press that these notices included potential lay-offs over the next three years. Individual layoff notices have not been delivered and any future changes in public sector employment will come down to the negotiated settlements between the government and public sector unions. As much as possible any job losses will be the result of attrition as public sector workers retire and will not focus on front line work-

ers as much as possible.

The other day I had a conversation with a young lady who was discouraged that the government had allowed university tuitions to rise and was concerned over cuts to government spending. Yet, she also understood that every time the government borrows money to pay for any particular service it comes at a price and that it was her generation that was going to eventually have to pay the bills for present day borrowing and spending. She understood the answers

moving forward are not going to easy to find.

These are never easy conversations to have but Albertans have always been willing to have the hard conversations. While we may not always have unanimous agreement on the pathway forward we have always be willing to make responsible decisions that will ensure a fiscally sustainable government that will meet the needs of all Albertans, if not all of our desires moving into the future.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
