WILDWOOD AND DISTRICT AG SOCIETY UPDATE

Submitted by Carol Riehl | Wildwood and District Agricultural Society

WOW! 2020 is here. The Wildwood and District Agricultural Society had another great year thanks to our trusty volunteers. There was a lot of work involving a lot of volunteers to hold our fair and our 80th Anniversary

celebration. Thank You to all of you.

We recently held out annual meeting and the executive and directors are as follows: President Wilma Swinkels, Vice President Barry Fahrion, Treasurer Carol Riehl, Secretary Connie Fahrion, Directors John Muchnuik, Sylvia Martinetz, Gwen Brodersen, Levi Leask, Tom Whaling,

Gene Campbell, Diann Benz, Donna Powell, Rose Campbell. When you see any one of these volunteers please say "Thank You" to them for they will be working hard to ensure that there is another great fair this year. The majority of the above mentioned people are retired members of our community and believe me they are not only retired but also tired. Our minds still have the desire to work hard but our bodies tell us otherwise. So if you are able, please take an interest in our society step forward and become a part of our long standing Organization.

Our fair will be held on August 21st, 2020 and the theme is: Country Trails and Barnyard Tails. Dig out your last years fair book and get rid of those winter doldrums in January and February by creating items to enter in the fair. "It is Oh So Much Fun".

JOKE OF THE WEEK

A Bulgarian tourist visiting America was interested in all types of American games. When he returned home, his friends asked him to describe the things he saw. "One interesting game I witnessed", he said, " was one called 'Oh shit', where one fellow calls out things like G4, I9, etc. After a while someone in the audience calls out 'Bingo!' and the croud yells 'Oh shit!!'"

nicipal Government Act requires neighboring municipalities to jointly draft such agreements. For more details about this joint ICF, visit the Yellowhead County website and click the CivicWeb link.

Emergency Management Bylaw - The Emergency Management Act (EMA)

Administration has used said template to meet the needs of this regulation. Upon administration's recommendation, council gave this bylaw (Bylaw 21.19) third reading.

Land Use Bylaw Amendment - Council gave second and third reading to Bylaw 16.19, amending Land Use Bylaw 16.13 for Plan 982 5016, Block 1, Lot 11, (Part of SW 3-54-17-W5M) from Rural District to Country Residential District and Country Residential Minor Industrial District.

A MESSAGE FROM MLA MARK SMITH: 2019 YEAR END CONCLUSION

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

As the 2019 year comes to a close here are a few important updates to consider as the fall session ends and as we close out what has been a very busy 2019.

On Wednesday night, Dec 4th, the final three government bills on the order paper were passed, bringing the fall sitting of the Legislature to a close. Some interesting numbers were delivered via a news conference the following Thursday, Government House Leader Jason Nixon reported that seven months into the UCP's mandate, the government has delivered on 43 per cent of campaign commitments, an incredible total of 16 government bills were passed during the eight week fall sitting. 375 commitments were made in the UCP platform and, to date, 162 are met or underway. Only 12 per cent of the way through a 4-year mandate

in government and the UCP are on track to reverse many of the backwards and cumbersome policies implemented by the NDP.

The following is a closer look at some recent accomplishments of our government over the last month.

PISA Grades Alberta's Education System

On December 3, the Program for International Student Assessment (PISA) released its results for 2018. While we welcome Alberta's climb in global rankings, our science and reading scores declined from 2015, and math scores saw no change.

We realize that we cannot rely on global rankings when individual test scores are not improving. That is why we will continue to move forward on strengthening our education system so we can see increases in scores, in addition to climbing global ranks, in future years **Progress on Pipelines**

I am happy to report that on November 3, construction finally began on the Trans Mountain

expansion project just outside of Edmonton. While construction is far from complete, this is a milestone worth celebrating. This past week also saw a portion of Enbridge's Line 3 become operational. Along with other enhancements to the Enbridge Mainline system, Line 3 will increase Alberta's takeaway capacity by roughly 100,000 barrels of oil per day.

I am happy to report on the progress that is being made to get pipelines built and Alberta's resources to market. Albertans can rest assured that our government will continue to stand up for our world-class energy sector and the jobs it creates for our province.

Premier Kenney Fights for Alberta at the Council of the Federation

Recently Premier Kenney traveled to Toronto to meet with Canada's 12 other Premiers. Premier Kenney voiced the need to modify the Fiscal Stabilization Program to make it more responsive to economic downturns in resource mar-

kets. All Premiers agreed that this must be done. The Premiers also called for the removal of the per capita equalization cap that prevents Alberta from receiving full payments following sudden declines in revenue. This would add a \$1.7-billion retroactive payment going back to 2015-16. Overall, the meeting was a positive step in our fight for a fair deal for Albertans.

These are some of the political highlights as the 2019 year winds up. It started with Albertans looking forward to a spring election and the opportunity to change the direction of the government of this province that we love. The citizens of Alberta entrusted the United Conservative Party with a majority government to enact their campaign promise of jobs, pipelines and the economy and the year is ending with the government working hard to fulfill its campaign promises. So as we all move in to the 2020 New Year I want to wish you and yours a Happy New Year with all of the promise that a new year brings.

RYTHMO! IS THE PERFECT SHOW FOR KIDS WHO LOVE TO MAKE NOISE

Submitted by Horizon Stage & City of Spruce Grove

With the tag-lines “YOU are the show” and “Drums for Everyone” it’s no surprise that Samjam, and their show Rythmo!, have become an international success. Rythmo! is a 200% participatory musical experience for the en-

tire family. Full of energy, fun, and learning, each member of the audience receives all the equipment they need to become an integral part of the show. Bringing music to life in a way that allows everyone to contribute, Rythmo! is sure to be a favourite family show this season. Join the fun at Horizon Stage on Saturday, January 11 at 2 p.m.

Music plus fun, plus participation, equals Rythmo!, where you will receive a Samajam music bag, full of percussion instruments including drumsticks, musical tubes, and tambourines. You will learn and perform music with the Samajam artists, create collective songs and games with the Samajam video games, and play for more than 80% of the show.

Recommended for ages 4 and up Rythmo! promises to be fun for parents, grandparents, and aunts and uncles too! And, with Christmas on the horizon, theatre tickets are the perfect gift of entertainment for kids who already have too much stuff.

Samajam is a Quebec-based percussion company that has performed over 5,000 shows in the last 10 years. They have showcased productions in more than 10 countries and have six full time teams touring theatres, amusement parks, outdoor festivals, and cruise ships all over the world. With a mission to create participatory musical experiences aimed at entertaining, educating, and mobilizing, they value performance, professionalism, generosity, and an energizing attitude.

Founded in 1994 by Louis Bellemare, the Samajam Percussion School has become over the years the largest percussion school in Canada, with facilitators teaching classes in African, Brazilian, Latin and Gumboot percussion to over 800 participants per week. The Samajam School Perseverance Project has actively mobilized more than 19,000 children in the past 7 years through participatory musical activities in schools, child care facilities, and camps. In 2016 the company took their Kids and Family Music Show to international audiences and it quickly became the most popular touring production in China.

Rythmo! is not a show that children need to sit still and be quiet at; active involvement is encouraged. Come make some noise with Samajam at Horizon Stage on Saturday, January 11 at 2 p.m. Tickets are just \$12 for all ages and may be purchased at the City Hall Ticket Centre (315 Jespersen Ave), by phone at 780-962-8995 or 1-888-655-9090, and online by visiting and clicking on the “Tickets” link. Free preshow activities will run in the lobby from 1 - 1:45 p.m. Drumsticks for everyone!
